Americans With Disabilities Act - The City of Tracy complies with the Americans with Disabilities Act and makes all reasonable accommodations for the disabled to participate in Council meetings. Persons requiring assistance or auxiliary aids should call City Hall (209/831-6000) 24 hours prior to the meeting.

Addressing the Council on Items on the Agenda - The Brown Act provides that every regular Council meeting shall provide an opportunity for the public to address the Council on any item within its jurisdiction before or during the Council's consideration of the item, provided no action shall be taken on any item not on the agenda. Each citizen will be allowed a maximum of five minutes for input or testimony. At the Mayor’s discretion, additional time may be granted. The City Clerk shall be the timekeeper.

Consent Calendar - All items listed on the Consent Calendar are considered routine and/or consistent with previous Council direction. A motion and roll call vote may enact the entire Consent Calendar. No separate discussion of Consent Calendar items will occur unless members of the City Council, City staff or the public request discussion on a specific item at the beginning of the meeting.

Addressing the Council on Items not on the Agenda – The Brown Act prohibits discussion or action on items not on the posted agenda. Members of the public addressing the Council should state their names and addresses for the record, and for contact information. The City Council’s Procedures for the Conduct of Public Meetings provide that “Items from the Audience” following the Consent Calendar will be limited to 15 minutes. “Items from the Audience” listed near the end of the agenda will not have a maximum time limit. Each member of the public will be allowed a maximum of five minutes for public input or testimony. However, a maximum time limit of less than five minutes for public input or testimony may be set for “Items from the Audience” depending upon the number of members of the public wishing to provide public input or testimony. The five minute maximum time limit for each member of the public applies to all "Items from the Audience." Any item not on the agenda, brought up by a member of the public shall automatically be referred to staff. In accordance with Council policy, if staff is not able to resolve the matter satisfactorily, the member of the public may request a Council Member to sponsor the item for discussion at a future meeting. When members of the public address the Council, they should be as specific as possible about their concerns. If several members of the public comment on the same issue an effort should be made to avoid repetition of views already expressed.

Presentations to Council - Persons who wish to make presentations which may exceed the time limits are encouraged to submit comments in writing at the earliest possible time to ensure distribution to Council and other interested parties. Requests for letters to be read into the record will be granted only upon approval of the majority of the Council. Power Point (or similar) presentations need to be provided to the City Clerk’s office at least 24 hours prior to the meeting. All presentations must comply with the applicable time limits. Prior to the presentation, a hard copy of the Power Point (or similar) presentation will be provided to the City Clerk’s office for inclusion in the record of the meeting and copies shall be provided to the Council. Failure to comply will result in the presentation being rejected. Any materials distributed, including those distributed within 72 hours of a regular City Council meeting, to a majority of the Council regarding an item on the agenda shall be made available for public inspection at the City Clerk’s office (address above) during regular business hours.

Notice - A 90 day limit is set by law for filing challenges in the Superior Court to certain City administrative decisions and orders when those decisions or orders require: (1) a hearing by law, (2) the receipt of evidence, and (3) the exercise of discretion. The 90 day limit begins on the date the decision is final (Code of Civil Procedure Section 1094.6). Further, if you challenge a City Council action in court, you may be limited, by California law, including but not limited to Government Code Section 65009, to raising only those issues you or someone else raised during the public hearing, or raised in written correspondence delivered to the City Council prior to or at the public hearing.

EXECUTIVE SUMMARY

The City of Tracy and James McDermott Post No. 172, American Legion entered into a License Agreement on January 15, 2019, which included a budget allocation to repair the on site parking lot at the Legion by December 31, 2019. The City and Legion have agreed to include this parking lot project with an existing CIP for street overlay and slurry seal, to be completed in 2020, which requires an amendment to the Agreement to extend the completion deadline to December 31, 2020.

DISCUSSION

The City of Tracy and James McDermott Post No. 172, American Legion entered into a License Agreement (Agreement) for a non-exclusive license for the joint use of approximately 51 parking spaces located on adjacent City and Legion property. As part of the Agreement, the City Council approved an allocation of $30,000 in the 2019-2020 budget for the City to repair, slurry seal, and stripe the parking lot located at 1960 N. Tracy Blvd., Tracy, CA, to be completed by December 31, 2019.

Upon review of the parking lot project, City Engineering staff identified a significant cost savings by including it as part of an existing CIP, the Street Overlay and Slurry Seal Project – 2018-2019 Phase 2 (CIP 73166, 78182). Project construction is scheduled to begin in early 2020, after the construction deadline set forth in the Agreement.

The City and Legion have agreed to amend the Agreement to extend the parking lot completion date to December 31, 2020, in order to include the parking lot project with the aforementioned CIP project.

AGENDA ITEM 1.C

REQUEST

APPROVE A THIRD EXTENSION TO 1998-1 AMENDMENT TO THE WASTEWATER TREATMENT DISCHARGE AGREEMENT WITH LEPRINO FOODS

EXECUTIVE SUMMARY

Leprino Foods has operated pretreatment facilities on City property at the Wastewater Treatment Plant (WWTP) for over 40 years. The initial agreement from 1977 had a term of 20 years and was renewed in 1998 with an agreement referred to as the “1998-1 Amendment” (Agreement). The term of the 1998-1 Amendment was to expire on June 30, 2018, but City Council authorized the First Extension and the Second Extension to the agreement extending the term until December 31, 2019. However, negotiations for the new agreement are still in process and have not concluded. Therefore, staff recommends approval of an extension of the term until March 31, 2020. All other terms of the existing agreements remain unchanged.

DISCUSSION

In 1977, the City and California Cooperative Creamery entered into an agreement for pretreatment of food process wastewater in the City’s WWTP. In 1977, this agreement was assigned to Leprino Foods. In 1998, the agreement was modified by amendment to extend the term of the agreement until 2018 (20 years). The 1998-1 Amendment also updated other terms of the agreement. On June 19, 2018, City Council authorized extension of this agreement until June 30, 2019 (Resolution No. 2018-112). Leprino Foods and the City have been negotiating to enter into a new agreement. However, the terms of the agreement have not been finalized. The City and Leprino Foods will continue working diligently to finalize the agreement prior to bringing it for Council’s consideration. As a result, staff is recommending a third extension to the existing agreement.

Leprino Foods is the largest discharger to the City’s WWTP. Leprino Foods owns and maintains a pipeline from their facility on Grant Line Road to the WWTP. This pipeline is used to convey Leprino food process wastewater directly to aerated lagoons on land leased from the City at the WWTP. Aerated lagoons are used to pre-treat the Leprino food process wastewater before it enters the City’s WWTP. Pretreatment is effective for industrial wastes because of the high strength of the wastewater. Pretreatment greatly reduces wastewater strength resulting in reduced wastewater billings from the City. Leprino Foods operates their pretreatment system at no cost to the City. Domestic wastewater from the Leprino Foods facility is discharged into the City wastewater collection system.
STRATEGIC PLAN

This agenda item is a routine operational item and is not related to the Council's Strategic Plans.

FISCAL IMPACT

The Wastewater Fund currently receives revenue of $2,750 per year in rent for the pretreatment facilities.

RECOMMENDATION

Attachment A: Third Extension to the 1998-1 Amendment to Wastewater Treatment Discharge Agreement
THIRD EXTENSION TO
1998-1 AMENDMENT TO WASTEWATER TREATMENT
DISCHARGE AGREEMENT

This Third Extension to 1998-1 Amendment to Wastewater Treatment Discharge Agreement ("Third Extension"), effective as of the 1st day of January, 2020 (the "Effective Date"), is entered into by and between the City of Tracy, a municipal corporation ("City") and Leprino Foods Company, a Colorado corporation ("Leprino"). The City and Leprino may be referred to herein collectively as the "Parties," or individually as a "Party," as the case may be.

RECITALS

A. On or about April 27, 1977, the City entered into a Wastewater Treatment Discharge Agreement with California Cooperative Creamery (the "1977 Agreement") by which, among other things, California Cooperative Creamery agreed to construct a Water Pollution Control Pretreatment Facility ("Pretreatment Facility") on City property, and an 8 inch line from the Pretreatment Facility to the City’s wastewater treatment facility (the "Treatment Facility"). In return for this and other consideration, the City agreed, among other things, to lease the City property to California Cooperative Creamery, and to allow California Cooperative Creamery to discharge specified amounts and strengths of wastewater from the Pretreatment Facility to the Treatment Facility.

B. On or about June 1, 1977, California Cooperative Creamery assigned all rights and delegated all duties under the 1977 Agreement to Leprino.

C. On or about June 1, 1998, the Parties entered into the City of Tracy 1998-1 Amendment to Wastewater Treatment Discharge Agreement (the "Amendment"), which amended the 1977 Agreement. Among other things, the Amendment allowed Leprino to use additional City property to construct a supplemental pretreatment facility and discharge additional amounts of wastewater to the Treatment Facility. In exchange therefore, Leprino agreed to pay an additional lease payment to the City and agreed to construct, operate, and maintain the supplemental pretreatment facility.

D. Pursuant to Section 2 of the Amendment, the term thereof was to expire on June 30, 2018. On or about June 19, 2018 the Parties entered into the Extension to the 1998-1 Amendment to Wastewater Treatment Discharge Agreement which modified the term to June 30, 2019. On June 18, 2019 the Parties entered into the Second Extension to the 1998-1 Amendment to the Wastewater Treatment Discharge Agreement which modified the term to December 30, 2019. Accordingly, so that the Parties may negotiate in good faith to reach a new agreement ("New Agreement") regarding Leprino’s pretreatment and discharge of wastewater, as well as Leprino’s use of City-owned land, the Parties desire to extend the Amendment.
EXTENSION

NOW, THEREFORE, For good and valuable consideration, the receipt and adequacy of which is hereby acknowledged by all parties, and further in consideration of the mutual promises and covenants herein, it is agreed by and between the Parties as follows:

1. **Accuracy of Recitals.** The Recitals are hereby incorporated into this Third Extension as express terms and conditions.

2. **Extension of Term.** The term set out in the Amendment shall be extended until March 31, 2020.

3. **New Agreement.** During the time by which this Third Extension modifies the Amendment, the parties agree to negotiate, in good faith, to develop and execute the New Agreement.

4. **Legal effect.** Except as expressly modified by this Third Extension, all of the terms and conditions of the Amendment shall remain unchanged and in full force and effect.

5. **Counterparts.** This Extension may be executed in one or more counterparts. All counterparts so executed shall constitute one Amendment, binding on all Parties, even though all Parties are not signatory to the same counterpart. Facsimiles (including PDFs) of counterparts shall be binding as originals.

IN WITNESS WHEREOF, The Parties execute this Third Extension to 1998-1 Amendment to Wastewater Treatment Discharge Agreement.

AGENDA ITEM 1.D

REQUEST

APPROVE A SECOND EXTENSION TO THE AGREEMENT FOR PROPERTY TAX ALLOCATION UPON ANNEXATION BETWEEN THE COUNTY OF SAN JOAQUIN AND THE CITY OF TRACY

EXECUTIVE SUMMARY

The current property tax allocation agreement between the City of Tracy and San Joaquin County was set to expire on July 31, 2019. City Council authorized a 6-month extension extending the term to January 31, 2020. Negotiations for the new agreement are still in process and have not concluded. Staff recommends extending the term for an additional 60-days, through March 31, 2020 to complete negotiations.

DISCUSSION

In 2004, the City of Tracy and San Joaquin County entered into the current property tax allocation agreement. This property tax sharing agreement is sometimes referred to as the "Master Annexation Agreement." The agreement was renewed in 2012 and was set to expire on July 31, 2019. City Council approved a six-month extension of the agreement, which allowed each agency an opportunity to discuss the agreement and potential changes. The term of this extension expires on January 31, 2020.

The City of Tracy and San Joaquin County have been diligently negotiating to enter into a new agreement; however, the terms of the agreement have not been finalized. As a result, staff is recommending a 60-day extension to the existing agreement to allow continued discussions through March 31, 2020.

STRATEGIC PLAN

This agenda item supports Governance Strategic Goal 2: Ensure continued Fiscal Sustainability through Financial and Budgetary Stewardship.

FISCAL IMPACT

The current tax allocation agreement will be extended for 60-days. Any properties that are annexed into the City and detached from the fire district have an 80/20 split of property tax allocations with San Joaquin County. There is no impact to prior annexed properties' tax allocation apportionment.
RECOMMENDATION

That the City Council, by resolution, approve a 60-day extension to the Agreement for Property Tax Allocation Upon Annexation between the County of San Joaquin and the City of Tracy.

ATTACHMENT

Attachment A - Master Annexation Agreement between the County of San Joaquin and the City of Tracy
AGREEMENT entered into this ___ day of __________, 2019 by and between the City of Tracy, hereinafter referred to as "CITY" and the County of San Joaquin, hereinafter referred to as "COUNTY";

PREAMBLE:

CITY and COUNTY acknowledge that both CITY and COUNTY have increasing service responsibilities with restrained revenue resources. There is no consensus between CITY and COUNTY regarding the analysis of local government funding issues arising from annexations. CITY and COUNTY each have their own distinctive and differing perspectives on costs and revenues generated by annexed areas. However, there is a statutory requirement for a Property Tax Allocation Agreement for the Local Agency Formation Commission to annex land.

WITNESSETH:

WHEREAS, Article 13A, Section 1 of the Constitution of the State of California limits ad valorem taxes on real property to one percent (1%) of full cash value; and

WHEREAS, Chapter 6 of Part 0.5 of Division 1 of the Revenue and Taxation Code (Sections 95 et. seq.) provides for the allocation of property tax revenues; and

WHEREAS, CITY and COUNTY must have an agreement for the allocation of property tax revenues upon annexation.

NOW, THEREFORE, in consideration of the premises and the following terms and conditions, the parties hereto agree as follows:

1. DEFINITIONS. The words and phrases in this Agreement shall have meanings as set forth below:

   A. "Annexation Property Tax Base" shall mean the Base Year sum of the ad valorem tax allocated to Detaching Special Districts, as defined herein, and to COUNTY within the area being annexed.

   B. "Detaching Special Districts" shall mean those political subdivisions organized pursuant to the laws of the State of California whose functions within the area being annexed are terminated and/or assumed by CITY.

   C. "Detachment" shall mean the removal from a special district of any portion of the territory of that special district.
D. "Base Year" shall mean the assessed valuation applicable to the property and improvements within the area being annexed at the time the application for annexation is submitted to the Local Agency Formation Commission (LAFCo).

E. "Incremental Growth" shall mean the total increase or decrease in the property tax base over the base year within the annexed area.

2. PROPERTY TAX ALLOCATION.
   Upon each annexation, property tax allocation shall be determined pursuant to one of the following provisions:

   A. For annexations that involve Detachment from a fire district, CITY and COUNTY shall, upon each annexation that in whole or in part, involves Detachment from a fire district, share in the Annexation Property Tax Base and all Incremental Growth thereof pursuant to the ratio of 20% CITY and 80% COUNTY for all portions of the annexation that involve Detachment from a fire district.

   B. For annexations that do not involve Detachment from a fire district, CITY and COUNTY shall, upon each annexation that in whole or in part, does not involve Detachment from a fire district, share in the Annexation Property Tax Base and Incremental Growth thereof, for all portions of the annexation that do not involve Detachment from a fire district, as follows:
      i. Consolidated fire districts established prior to June 15, 1996, pursuant to the ratio of 20% CITY and 80% COUNTY.
      ii. Consolidated fire districts established between June 15, 1996 and June 15, 2003, pursuant to the ratio of 15% CITY and 85% COUNTY.
      iii. Consolidated fire districts established subsequent to June 15, 2003, pursuant to the ratio of 10% CITY and 90% COUNTY.

   C. For annexations by the cities of Escalon and Ripon only, notwithstanding Subsections 2A and 2B, CITY and COUNTY shall, upon each annexation, share in the Annexation Property Tax Base and all Incremental Growth thereof pursuant to the ratio of 36.6% CITY and 63.4% COUNTY, until such time as the current population of CITY, based on the most recent estimates published by the California State Department of Finance, exceeds 18,000.

   D. For the City of Tracy 2003 Gateway annexation only, CITY and COUNTY, from the date of this agreement forward, shall share in the Annexation Property Tax Base and all Incremental Growth thereof pursuant to the ratio of 15% CITY and 85% COUNTY.

3. APPLICATION OF AGREEMENT.

   A. Term. The provisions of this Agreement shall apply to all pending and future annexations from the effective date of this Agreement through January 31, 2020, unless otherwise terminated under Section 10.
B. Effective date. The effective date of property tax allocation for each annexation shall be determined in accordance with Government Code Section 54902 and any succeeding statutory provisions. Currently, statements of boundary change must be filed with the State Board of Equalization on or before December 1 of the year immediately preceding the year in which property taxes are to be shared.

C. Future property taxes. The provisions of this Agreement would also apply to any property exempt from ad valorem taxes which subsequently became taxable within the area to be annexed.

D. Terms of subsequent agreements. Except as noted in Section 2, property tax share allocated to CITY from future annexation areas will be no lower than any other city in San Joaquin County with the same criteria.

4. JOINT REVIEW.
CITY and COUNTY may jointly review COUNTY property tax records from time to time or as requested by CITY to verify accurate distribution under the Agreement.

5. EXCLUSIONS.

A. The Agreement shall not apply to proposed annexation areas where the COUNTY is currently receiving transient occupancy tax (TOT) revenues. Annexation agreements for areas where the COUNTY is currently receiving TOT revenues will be individually negotiated between the COUNTY and CITY to address the potential TOT loss to the COUNTY.

B. The Agreement shall not apply to proposed annexation areas where gross taxable sales, subject to sales and use taxes, exceed $1 million in the most recent year that taxable sales data is available from the State Board of Equalization or any other State successor organization that may provide taxable sales information. Annexation agreements for areas containing over $1 million in taxable sales will be individually negotiated between the COUNTY and CITY to address the potential sales and use tax loss to the COUNTY.

C. The Agreement shall not apply to annexations that, in whole or in part, include more than fifty (50) acres of COUNTY owned property. Such annexations will be considered under separately negotiated and mutually beneficial annexation and development agreements.

6. REGIONAL COOPERATION.
In consideration of the unique and mutual funding difficulties of both CITY and COUNTY, CITY and COUNTY will jointly develop and seek to implement changes in their activities which will improve the cost effectiveness of service delivery by both CITY and COUNTY, including but not limited to consolidation of services between governmental agencies and inter-agency contracting for services.

7. COUNTY CAPITAL FACILITIES FUNDING.
CITY recognizes the importance of regional services and facilities provided by the COUNTY for all residents of the entire COUNTY.
CITY shall contribute to COUNTY’s funding for regional facilities by adopting or renewing a County facilities fee ordinance and resolution enacting and implementing the County Capital Facilities Fee (CFF) Program. In accordance with the requirements of Government Code Sections 66000 et seq., CITY shall adopt this ordinance and resolution prior to or concurrent with execution of this Agreement.

8. URBAN DEVELOPMENT COOPERATION.
A rational pattern of urban land uses is a common goal of CITY and COUNTY, as expressed in their respective General Plans. The efficient construction of urban infrastructure and the delivery of municipal services require cooperation between COUNTY and CITY within areas designated for urban development, specifically CITY’S Sphere of Influence.

A. County General Plan Policy. COUNTY affirms the policies expressed in its General Plan that support concentration of additional major urban development within urban centers.

B. Urban Planning and Development Cooperation. The preparation of land use and infrastructure plans within CITY’S Sphere of Influence, consistent with statutory guidelines, is encouraged. COUNTY shall refer all land use applications requiring discretionary approval within CITY’S Sphere of Influence to CITY for review and comment.

C. Capital Facilities Funding and Cooperation. CITY and COUNTY will cooperate in the development of infrastructure plans within CITY’S Sphere of Influence. Relative to areas for which CITY and COUNTY have jointly adopted master plans for infrastructure and, upon request by CITY, COUNTY will schedule an Area Development Impact Fee (ADIF) for public hearing. This ADIF will incorporate CITY development impact fees that are specifically required to support jointly planned infrastructure. COUNTY shall cooperate in the construction of capital facilities thus funded.

9. COMMUNITY SERVICE FACILITIES
A. Siting of Community Facilities. CITY and COUNTY recognize the importance of community services provided by COUNTY and other providers and also the importance of these services being convenient to residents of COUNTY making use of these services. Accordingly, as a part of the land use planning and pre-zoning for proposed municipal annexations, CITY will cooperate with COUNTY to identify community service needs of the local community and, where appropriate, work with COUNTY to locate potential sites for these community services facilities.

B. CITY may elect to adopt or add to existing development impact fees in lieu of providing community service facility sites. Such fees may be administered within CITY or may be included as a component of the above-mentioned County Capital Facilities Fee.

10. TERMINATION.
This Agreement may be terminated, by any party hereto, upon six (6) months written notice which termination shall terminate the agreement for each and every party.
Said termination shall not affect annexations for which the LAFCo Executive Officer has issued a certificate of filing prior to the end of the six (6) month termination period.

11. GOVERNING LAW AND ATTORNEYS’ FEES.
This Agreement shall be construed and enforced in accordance with the laws of the State of California. Should any legal action be brought by either party because of any default under this Agreement or to enforce any provision of this Agreement, or to obtain a declaration of rights hereunder, the prevailing party shall be entitled to reasonable attorneys’ fees, court costs and such other costs as may be fixed by the Court. The standard of review for determining whether a default has occurred under this Agreement shall be the standard generally applicable to contractual obligations in California.

12. NOTICES.
Any notice of communication required hereunder among CITY and COUNTY must be in writing, and may be given either personally, by telefacsimile (with original forwarded by regular U.S. Mail) or by Federal Express or other similar courier promising overnight delivery. If personally delivered, a notice or communication shall be deemed to have been given and received when delivered to the party to whom it is addressed. Notwithstanding this severability clause, each subsection of Section 2 Property Tax Allocation and Section 5 Exclusions, is material and substantial and the failure of said subsection is the failure of material consideration, causing the agreement to be void from the date that the subsection is held invalid.

REQUEST

CONFIRMATION OF MATTERS RELATED TO ANNEXATION OF PROPERTY (ELLIS PHASE 3 TOWN AND COUNTRY NEIGHBORHOOD) INTO IMPROVEMENT AREA NO. 3 OF THE CITY OF TRACY COMMUNITY FACILITIES DISTRICT NO. 2016-2 (ECFD)

EXECUTIVE SUMMARY

On February 7, 2017, pursuant to the Mello-Roos Act Community Facilities Act of 1982 (Mello-Roos Act), Council approved Resolution No. 2017-021 (Resolution of Formation), which Resolution of Formation established Community Facilities District No. 2016-2 (ECFD) (CFD), an Improvement Area No. 1 within the CFD (Improvement Area No. 1) and a Future Annexation Area for the CFD.

The purpose of the CFD is to provide special tax financing for public infrastructure for the Ellis Project (Project) and certain ongoing public services.

The Mello-Roos Act allows for annexation of property from the Future Annexation Area into the CFD by unanimous approval of the property owner. The Resolution of Formation established a process for annexation of property from the Future Annexation Area into the CFD without further Council action.

The property owner in this case, Surland Communities LLC (Property Owner), has executed a unanimous approval to annex its property (Annexation Property) into a new improvement area in the CFD entitled “Improvement Area No. 3 of the City of Tracy Community Facilities District No. 2016-2 (ECFD)” (Improvement Area No. 3). The Unanimous Approval is attached as Attachment A.

Tonight, the Council is asked to confirm the annexation of property and related matters.

DISCUSSION

CFD FORMATION; RESOLUTION OF FORMATION; RESOLUTION OF NECESSITY; PREVIOUS ANNEXATION

On February 7, 2017, Council adopted the Resolution of Formation which (i) established the CFD, Improvement Area No. 1 and the Future Annexation Area, (ii) authorized the levy of a special tax on property within Improvement Area No. 1 and (iii) preliminarily established an appropriations limit for Improvement Area No. 1. The boundaries of the CFD, Improvement Area No. 1 and the Future Annexation Area are set forth in the boundary map recorded on January 4, 2017 (Original Boundary Map).

On February 7, 2017, Council also adopted Resolution No. 2017-022 (Resolution of Necessity), which determined the necessity to incur bonded indebtedness and other debt (as defined in the Mello-Roos Act) for the CFD in the aggregate principal amount of
$53,000,000 with respect to those portions of the CFD that are not included in Improvement Area No. 1 (Non-Improvement Area No. 1 Indebtedness Limit).

On April 16, 2019, Council confirmed the annexation of property to the CFD into an improvement area in the CFD entitled “Improvement Area No. 2 of the City of Tracy Community Facilities District No. 2016-2 (ECFD)” (Improvement Area No. 2).

**ANNEXATION PROCEDURE UNDER THE MELLO-ROOS ACT AND THE CFD RESOLUTION OF FORMATION**

Annexation from the Future Annexation Area by Unanimous Approval. In the Resolution of Formation, consistent with the Mello-Roos Act, Council resolved that parcels within the Future Annexation Area can be annexed to the CFD with the unanimous approval of the owner of each parcel (Unanimous Approval) at the time that parcel is annexed, without any requirement for further public hearings or additional proceedings.

Designation of a New Improvement Area and Related Matters. The Mello-Roos Act allows Council to designate a parcel or parcels as an improvement area within the community facilities district as long as the designation of a parcel or parcels as an improvement area is specified and approved by the Unanimous Approval. No additional hearings or procedures are required. Accordingly, in the Resolution of Formation, Council provided that property within the Future Annexation Area may be annexed into the CFD as its own improvement area (Future Improvement Area) or to an existing improvement area.

In the Resolution of Formation and the Resolution of Necessity, Council further provided that, in connection with an annexation of property into a Future Improvement Area, the following would be identified and approved in the Unanimous Approval and then implemented and completed without the need for Council approval as long as certain conditions are met:

A. the maximum amount of bonded indebtedness and other debt for such improvement area;

B. the rate and method of apportionment of special tax for such improvement area; and

C. the appropriations limit for such improvement area.

**UNANIMOUS APPROVAL FROM THE PROPERTY OWNER**

Council has been provided with a Unanimous Approval executed by the Property Owner for the Annexation Property. The Unanimous Approval for the Annexation Property identifies, specifies and approves the annexation of the Annexation Property to the CFD as Improvement Area No. 3. Staff has confirmed that the conditions established by Council in the Resolution of Formation for annexation of the Annexation Property into Improvement Area No. 3 without City Council approval have been met.
Under the Mello-Roos Act, a Unanimous Approval constitutes the vote of the Property Owner for purposes of the California Constitution. Accordingly, the Unanimous Approval declares the Property Owner’s vote for the following matters:

A. **Improvement Area No. 3 Maximum Bonded Indebtedness Limit**

The Unanimous Approval approves a maximum principal amount of bonded indebtedness and other debt for Improvement Area No. 3 of $25,000,000.

In the Resolution of Necessity, Council provided that the maximum indebtedness of a Future Improvement Area will be subtracted from the Non-Improvement Area No. 1 Indebtedness Limit. As a result of subtracting $25,000,000 from the remaining Non-Improvement Area No. 1 Indebtedness Limit ($37,000,000, after accounting for the maximum principal amount of bonded indebtedness and other debt for Improvement Area No. 2), the remaining Non-Improvement Area No. 1 Indebtedness Limit that will be available for Future Improvement Areas will be $12,000,000.

B. **Improvement Area No. 3 Rate and Method**

The Unanimous Approval approves the levy of special taxes on the taxable property in Improvement Area No. 3 in accordance with the rate and method of apportionment for Improvement Area No. 3 in the form attached to the Unanimous Approval as Exhibit B. The rate and method is also attached to the Resolution as Exhibit A.

In Ordinance 1230 adopted by Council on February 21, 2017, Council previously authorized and levied special taxes on any parcels in the Future Annexation Area that are annexed into a Future Improvement Area at the rate and in accordance with the formula set forth in a Unanimous Approval.

6. **Consolidated Map.** Ratify and confirm the Council’s prior direction to the City Clerk to record a consolidated map that has been prepared by the Property Owner in the real property records of the County of San Joaquin, which map shall supersede the current boundary map of the CFD.

This action to confirm the annexation of property into the CFD is related to Council’s Governance strategic plan, Goal 2: “Ensure continued fiscal sustainability through financial and budgetary stewardship.”

Community Facilities District No. 2016-2 (ECFD)

Request and Unanimous Approval for Annexation
and Landowner-Voter Ballot

Recitals

A. The undersigned is an authorized representative of Surland Communities LLC, a California limited liability company (the "Landowner").

B. The Landowner owns the real property identified in Exhibit A, attached hereto and by this reference incorporated herein (the "Property").

C. Pursuant to the Mello-Roos Community Facilities Act of 1982 (the "Act"), on February 7, 2017, the City Council (the "City Council") of the City of Tracy adopted its Resolution No. 2017-021 (the "Resolution of Formation"), which, among other things:

1. established the City of Tracy Community Facilities District No. 2016-2 (ECFD) ("CFD No. 2016-2") and designated Improvement Area No. 1 ("Improvement Area No. 1"), with an initial boundary shown on the boundary map for CFD No. 2016-2 (the "Boundary Map"), which was recorded on January 4, 2017 in the records of the San Joaquin County Recorder in Book 6 of Maps of Assessment and Community Facilities Districts at Page 92;

2. designated certain real property as a future annexation area (the "Future Annexation Area") to be annexed in segments to CFD No. 2016-2, without further hearing, subject to certain conditions;

3. authorized CFD No. 2016-2 and every improvement area annexed thereto to finance the costs and expenses of certain public facilities and fees (together, the "Facilities") and certain public services (the "Services"); and

4. approved the form of the rate and method of apportionment for Improvement Area No. 1.

D. The Resolution of Formation further provided that property in the Future Annexation Area may be annexed into CFD No. 2016-2 as its own improvement area or to an existing improvement area, and that the designation as an improvement area of any territory annexing to the CFD, the maximum amount of bonded indebtedness and other debt for such improvement area, the rate and method of apportionment of special tax for such improvement area and the appropriations limit for such improvement area shall be identified and approved in a unanimous approval (a "Unanimous Approval") executed by property owners in connection with an annexation to the CFD.

E. Pursuant to the Act, on February 7, 2017, the City Council adopted its Resolution No. 2017-022 (the "Resolution of Necessity"), which set forth the necessity for the City to issue special tax bonds or other forms of debt obligations for CFD No. 2016-2 in the maximum principal amount of $80 million. The Resolution of Necessity preliminarily
allocated the overall $80 million limit to Improvement Area No. 1 in the amount of $27 million and to the Future Annexation Area in the amount of $53 million, with the actual limit for an improvement area created from annexation of all or part of the Future Annexation Area to be identified and approved in a Unanimous Approval so long as the overall bonded indebtedness limit for CFD No. 2016-2 does not exceed $80 million.

F. The Landowner believes that the conditions established in the Resolution of Formation for the proposed annexation and related matters to be implemented and completed without City Council approval will be met.

G. The Landowner has sole ownership of the Property. The Property is part of the Future Annexation Area. By this instrument, the Landowner identifies, specifies and approves the annexation of the Property to CFD No. 2016-2 as Improvement Area No. 3 to CFD No. 2016-2 ("Improvement Area No. 3") and the other matters included herein, without a public hearing, as authorized by the Act and the Resolution of Formation.

H. The Landowner hereby represents and warrants that, to the best of its knowledge without inquiry, there are no persons resident on the property that are registered voters.

Approval and Vote

1. The Landowner, as the sole owner of the Property, hereby specifies and provides its unanimous approval of the annexation of the Property to CFD No. 2016-2 as Improvement Area No. 3 and related matters, as prescribed and authorized by Section 53339.7 and Section 53350(b) of the Act, the Resolution of Formation, and the Resolution of Necessity.

2. The Landowner, as the sole qualified elector for this annexation, hereby votes in favor of (a) the levy of special taxes on the taxable property being annexed to Improvement Area No. 3 in accordance with the rate and method of apportionment for Improvement Area No. 3 in the form attached hereto as Exhibit B (the "RMA for Improvement Area No. 3") and by this reference incorporated herein, (b) the issuance of bonds and other debt of Improvement Area No. 3 in a principal amount not to exceed $25,000,000, which bonds and other debt shall be secured solely by and to be payable solely from the proceeds of the special taxes levied upon the taxable property within Improvement Area No. 3, and (c) an initial appropriations limit for Improvement Area No. 3 of $25,000,000. The RMA for Improvement Area No. 3 describes the maximum special tax rate applicable to the Property.

3. The Landowner hereby requests that an annexation map showing the territory to be annexed as Improvement Area No. 3 be as shown on the map attached hereto as Exhibit C.

4. The Landowner hereby acknowledges the following:

a. As soon as practicable following receipt of this Unanimous Approval by the City, the City will record an amendment to the Notice of Special Tax Lien for CFD No. 2016-2, listing the name of the Landowner and the assessor's parcel number(s) of the Property, which will result in the establishment of a lien to secure payment of the special tax on the Property; and
b. the City will levy a special tax upon the taxable property within Improvement Area No. 3, including the Property, at the time and in accordance with the provisions of the RMA for Improvement Area No. 3; and

c. this Unanimous Approval constitutes its approval and unanimous vote as described herein and as contemplated by Section 53339.3 et seq. of the Act and Articles XIIIa and XIIic of the California Constitution. The Landowner hereby waives all other rights with respect to the annexation of the Property, the levy of the special taxes on the Property and the other matters covered in this Unanimous Approval, including any right the Landowner may otherwise have to protest or challenge the validity of the proceedings to form CFD No. 2016-2 and to authorize the annexation of any property (including the Property) to CFD No. 2016-2, and any necessity, requirement or right for further public hearings or any election pertaining to the annexation of the Property to CFD No. 2016-2 or the levy of special taxes on the Property; and

d. (i) the specific purpose of the bonds and other debt is to finance the acquisition and construction of the Facilities described in the Resolution of Formation and pay related costs; (b) any proceeds received from the sale of any bonds and other debt will be applied only for such purpose; (c) the proceeds of any bonds and other debt will be deposited into special accounts to be created therefor as part of the issuance of the bonds and other debt; and (d) the City will cause a report to be prepared annually under Section 53411 of the Government Code; and

e. the Expected Land Uses (as defined in the RMA for Improvement Area No. 3) of the Property shall be as specified in the RMA for Improvement Area No. 3.

5. The Landowner warrants to the City that the presentation of this Unanimous Approval, any votes, consents or waivers contained herein, and other actions mandated by the City for the annexation of the Property to CFD No. 2016-2 shall not constitute or be construed as events of default or delinquencies under any existing or proposed financing documents entered into or to be entered into by the Landowner for the Property, including any “due-on-encumbrance” clauses under any existing security instruments secured by the Property.

6. The Landowner agrees to cooperate with the City and its attorneys and consultants and to provide to any subsequent purchaser with notice of the special tax that may be levied by the City Council on the Property pursuant to the RMA for Improvement Area No. 3, to the extent required by applicable law.

7. The Landowner further agrees to execute such additional or supplemental agreements as may be required by the City to provide for any of the actions and conditions described in this Unanimous Approval.

"Taxable Property" means all Parcels within the boundaries of Improvement Area No. 3 that are not exempt from the Special Taxes pursuant to law or Section H below.

"Taxable Public Property" means in any Fiscal Year after the first series of Bonds is issued, any Parcel of Public Property that satisfies all three of the following conditions: (i) the Parcel had not been Public Property on the date of issuance of the first series of Bonds, (ii) based on reference to Attachments 1 and 2 (as may be updated pursuant to Sections D and E below), the Parcel was not anticipated to be Public Property based on the Expected Land Uses, as determined by the Administrator, and (iii) if the Parcel were to be exempt from the Facilities Special Tax

In the first Fiscal Year in which the Administrator determines that the Trigger Event occurred in the prior Fiscal Year, and in each Fiscal Year thereafter, the Facilities Special Tax shall cease to be levied, and the Maximum Services Special Tax for each Parcel shall be adjusted pursuant to Section C.2 below.

“Unanimous Approval Form” means the form executed by the record owner of fee title to a Parcel or Parcels included within the Future Annexation Area and annexed into Improvement Area No. 3 that constitutes the property owner’s approval and unanimous vote in favor of annexing the property into Improvement Area No. 3 and authorized the levy of Special Taxes against his/her Parcel of Parcels pursuant to this RMA.

“Undeveloped Property” means, in any Fiscal Year, all Parcels of Taxable Property that are not Developed Property, Taxable Owners Association Property, or Taxable Public Property.

B. DATA FOR ADMINISTRATION OF SPECIAL TAXES

Each Fiscal Year, the Administrator shall: (i) categorize each Parcel of Taxable Property as Developed Property, Undeveloped Property, Taxable Owners Association Property or Taxable Public Property, (ii) for Developed Property, categorize each Parcel as Single Family Detached Residential Property or Other Property, (iii) based on Square Footage reflected on Building Permits issued by June 30 of the prior Fiscal Year, assign each Residential Unit to the appropriate Square Footage Category, (iv) determine the Facilities Special Tax Requirement and Services Special Tax Requirement for the Fiscal Year, and (v) determine if the Trigger Event occurred in the prior Fiscal Year. In addition, the Administrator shall, on an ongoing basis, monitor Final Maps and track the Square Footage on all Building Permits that have been issued to determine if there are any proposed Land Use Changes that would change the Expected Maximum Facilities Special Tax Revenues. If the Expected Maximum Facilities Special Tax Revenues will be revised pursuant to a proposed Land Use Change, the Administrator shall apply the steps set forth in Section D below.

In any Fiscal Year, if it is determined that: (i) a parcel map for property in Improvement Area No. 3 was recorded after January 1 of the prior Fiscal Year (or any other date after which the Assessor will not incorporate the newly-created Parcels into the then current tax roll), (ii) because of the date the parcel map was recorded, the Assessor does not yet recognize the new Parcels created by the parcel map, and (iii) one or more of the newly-created Parcels is in a different Development Class than other Parcels created by the subdivision, the Administrator shall calculate the Special Taxes for the property affected by recordation of the parcel map by determining the Special Taxes that apply separately to the property within each Development
Class, then applying the sum of the individual Special Taxes to the Parcel that was subdivided by recordation of the parcel map.

C. MAXIMUM SPECIAL TAXES

1. Facilities Special Tax

a. Single Family Detached Residential Property

The Maximum Facilities Special Tax for Parcels of Single Family Detached Residential Property shall be the greater of (i) the Target Facilities Special Taxes set forth in Table 1 below, or, (ii) if there are Land Use Changes that would reduce debt service coverage on outstanding Bonds below the Required Coverage, the Maximum Facilities Special Tax determined pursuant to Section D below.

* On July 1, 2020 and on each July 1 thereafter, all figures shown in Table 1 above shall be increased by an amount equal to 2.0% of the amount in effect for the prior Fiscal Year.

b. Other Property

The Maximum Facilities Special Tax for Other Property prior to the Trigger Event is $22,700 per Acre for Fiscal Year 2019-20, which amount shall increase on July 1, 2020 and each July 1 thereafter by an amount equal to 2.0% of the amount in effect for the prior Fiscal Year. After the Trigger Event the Maximum Facilities Special Tax for Other Property is $0 per Acre. If Other Property is developed with condominium or townhome units, the Administrator shall apply the following steps to allocate the Maximum Facilities Special Tax to the Parcels within the condominium or townhome buildings:
Step 1: Determine the Acreage of the underlying land Parcel on which the building(s) is located.

Step 2: Multiply the Acreage from Step 1 by the Maximum Facilities Special Tax for Other Property in the current Fiscal Year.

Step 3: Divide the product from Step 2 by the total number of townhomes or condominium units built or expected to be built on the underlying land Parcel to determine the Maximum Facilities Special Tax for each condominium or townhome unit, which amount shall escalate by 2.0% in the next Fiscal Year and each following Fiscal Year.

Once a Facilities Special Tax has been levied on a Parcel of Developed Property, the Maximum Facilities Special Taxes applicable to that Parcel shall not be reduced in future Fiscal Years regardless of changes in land use on the Parcel, except (i) in the event of a partial prepayment pursuant to Section I, and (ii) pursuant to Section D. Notwithstanding the foregoing, (i) if Bonds have yet to be issued for Improvement Area No. 3, the Parcels can be assigned to the appropriate Square Footage Category, and the Administrator shall recalculate the Expected Maximum Facilities Special Tax Revenues based on the corresponding changes in revenues, and (ii) the actual Facilities Special Tax levied on the Parcel in any Fiscal Year may be less than the Maximum Facilities Special Tax if a lower Facilities Special Tax is calculated pursuant to Step 1 in Sections F.1 below.

c. Undeveloped Property, Taxable Owners Association Property, and Taxable Public Property

The Maximum Facilities Special Tax for Undeveloped Property, Taxable Owners Association Property, and Taxable Public Property prior to the Trigger Event is $22,700 per Acre for Fiscal Year 2019-20, which amount shall increase on July 1, 2020 and each July 1 thereafter by an amount equal to 2.0% of the amount in effect for the prior Fiscal Year. After the Trigger Event the Maximum Facilities Special Tax for Undeveloped Property, Taxable Owners Association Property, and Taxable Public Property is $0 per Acre. In addition, any amount levied on a landowner’s Parcel(s) of Undeveloped Property due to such landowner’s failure to make a prepayment pursuant to Section D below shall be added to the amount determined in the prior sentence to calculate the total Maximum Facilities Special Tax for the landowner’s Parcel(s).

2. Services Special Tax

Table 2 below identifies the Maximum Services Special Tax before and after the Trigger Event for Taxable Property in Improvement Area No. 3.

* On July 1, 2020 and on each July 1 thereafter, all figures shown in Table 2 above shall be increased by the Escalation Factor.

a. Other Property

If Other Property is developed with condominium or townhome units, the Administrator shall apply the following steps to allocate the Maximum Services Special Tax to the Parcels within the condominium or townhome buildings:

**Step 1:** Determine the Acreage of the underlying land Parcel on which the building(s) is located.

**Step 2:** Multiply the Acreage from Step 1 by the Maximum Services Special Tax for Other Property in the current Fiscal Year.

**Step 3:** Divide the product from Step 2 by the total number of townhomes or condominium units built or expected to be built on the underlying land Parcel to determine the Maximum Services Special Tax for each condominium or townhome unit, which amount shall be increased by the Escalation Factor in the next Fiscal Year and each following Fiscal Year.
D. CHANGES TO MAXIMUM FACILITIES SPECIAL TAX

The Expected Maximum Facilities Special Tax Revenues shown in Attachment 2 were calculated based on the Expected Land Uses on the IA No. 3 Lien Date. As set forth in Section E herein, Attachment 2 shall be modified to reflect the Expected Land Uses and Expected Maximum Facilities Special Tax Revenues for Improvement Area No. 3 if property is annexed to Improvement Area No. 3. Attachment 2 is also subject to modification upon the occurrence of Land Use Changes, as described below. The Administrator shall review all Land Use Changes and compare the revised land uses to the Expected Land Uses to evaluate the impact on the Expected Maximum Facilities Special Tax Revenues.

If, prior to the issuance of the first series of Bonds, a Land Use Change is proposed or identified that will result in a change in the Expected Maximum Facilities Special Tax Revenues, no action will be needed pursuant to this Section D. Upon approval of the Land Use Change, the Administrator shall update Attachment 2 to show the revised Expected Maximum Facilities Special Tax Revenues.

If, prior to Final Bond Sale, a Land Use Change is proposed or identified that will result in a change in the Expected Maximum Facilities Special Tax Revenues, no action will be needed pursuant to this Section D as long as the change in Expected Maximum Facilities Special Tax Revenues does not reduce debt service coverage on outstanding Bonds below the Required Coverage. Upon approval or identification of the Land Use Change, the Administrator shall update Attachment 2 to show the revised Expected Maximum Facilities Special Tax Revenues, which shall then be the amount used to size future Bond sales.

If a Land Use Change would reduce debt service coverage on outstanding Bonds below the Required Coverage, either: (i) a prepayment of Facilities Special Taxes must be made by the landowner requesting the Land Use Change to retire Bonds in the amount necessary to maintain Required Coverage, or (ii) Step 3 below must be applied to maintain the Expected Maximum Facilities Special Tax Revenues.

If, after the Final Bond Sale, a Land Use Change is proposed or identified, Steps 1 through 3 must be applied:

Step 1: By reference to Attachment 2 (which shall be updated by the Administrator each time a Land Use Change has been processed according to this Section D), the Administrator shall identify the Expected Maximum Facilities Special Tax Revenues for Improvement Area No. 3.

Step 2: The Administrator shall calculate the Expected Maximum Facilities Special Tax Revenues that could be collected from Taxable Property in Improvement Area No. 3 if the Land Use Change occurs.

Step 3: If the amount calculated in Step 2 is higher than that determined in Step 1, no further action is needed, and the Administrator shall update Attachment 2 to show the revised Expected Maximum Facilities Special Tax Revenues.
If the revenues calculated in Step 2 are less than those calculated in Step 1, no action will be needed if the reduction in Expected Maximum Facilities Special Tax Revenues does not reduce debt service coverage on outstanding Bonds below the Required Coverage, and the Administrator shall update Attachment 2 to show the reduced Expected Maximum Facilities Special Tax Revenues.

If the revenues calculated in Step 2 are less than those calculated in Step 1, and the Administrator determines that the reduction in Expected Maximum Facilities Special Tax Revenues would reduce debt service coverage on outstanding Bonds below the Required Coverage, one of the following shall occur:

3.a. The landowner requesting the Land Use Change will have the option to prepay Facilities Special Taxes (pursuant to Section I) in an amount that will ensure that the reduced Expected Maximum Facilities Special Tax Revenues are sufficient to provide Required Coverage. If the landowner notifies the Administrator that he/she would like to remedy such reduction by making a prepayment, such prepayment must be made by the earlier of (i) 30 days from the date of delivery of the prepayment or (ii) prior to close of escrow on the first Residential Unit for which the Building Permit was issued that resulted in more Residential Units in a Square Footage Category than was anticipated in the Expected Land Uses. If any prepayment is not received by the City prior to the earlier of clauses (i) and (ii) of the preceding sentence, the Administrator shall levy the required prepayment amount on any Parcel(s) of Taxable Property still owned by the landowner within Improvement Area No. 3,

or, if there are no more Parcels of Taxable Property owned by the landowner who had been expected to prepay, or if a landowner opts not to make a prepayment to mitigate the reduction in the Expected Maximum Facilities Special Tax Revenues, the following Step 3.b shall apply:

3.b. The Maximum Facilities Special Taxes for Parcels owned by the landowner requesting the Land Use Change shall be determined by increasing the Target Facilities Special Taxes shown in Table 1 above proportionately until the amount that could be collected from all SFD Lots that are subject to the Land Use Change (as determined by the Administrator) will be sufficient to maintain Required Coverage. After the Administrator has prepared such calculation for a particular landowner, the Administrator shall closely monitor future Final Maps and Building Permits to determine if a similar increase in the Target Facilities Special Tax must be applied for subsequent Parcels of Single Family Detached Residential Property. On July 1 of each Fiscal Year, all Maximum Facilities Special Taxes determined pursuant to this Section 3.b shall be increased by 2.0% of the amount in effect in the prior Fiscal Year.
The duties imposed on the Administrator to review Land Use Changes, Final Maps, and Building Permits and to make the calculations set forth above, are intended only to facilitate the administration of the Facilities Special Tax and to better assure the sufficiency of tax capacity to pay debt service on Bonds. Such duties are not intended to give any developer, subdivider or owner of property any right to receive notice of the potential impact of Land Use Changes on the Facilities Special Tax applicable to a Parcel; and each developer, subdivider or owner of property in the CFD shall be responsible for understanding the impact thereof on the Facilities Special Tax applicable to such property.

E. ANNEXATIONS

If, in any Fiscal Year, a property owner within the Future Annexation Area wants to annex property into Improvement Area No. 3, the Administrator shall apply the following steps as part of the annexation proceedings:

Step 1: Working with City staff and the landowner, the Administrator shall determine the Maximum Special Taxes that will apply to all Parcels that are expected to be within the area to be annexed. Once determined, the Maximum Special Taxes for the annexing area shall be identified on the Unanimous Approval Form which will be signed by the property owner as part of the annexation process.

Step 2: The Administrator shall ensure that a Notice of Special Tax Lien is recorded against all Parcels that are annexed to Improvement Area No. 3.

Step 3: The Administrator shall prepare and keep on file an updated Attachment 2 that adds the annexed property and identifies the Expected Land Uses and revised Expected Maximum Facilities Special Tax Revenues for Improvement Area No. 3. After the annexation is complete, the application of Sections D, F, and I of this RMA shall be based on the adjusted Expected Land Uses and Expected Maximum Facilities Special Tax Revenues including the newly annexed property.

Step 4: The Administrator shall recalculate the Public Facilities Requirement used in the prepayment calculation in Section I below to include the estimated net proceeds that can be generated to fund Authorized Facilities based on the Maximum Facilities Special Tax capacity from the annexed area. The adjusted Public Facilities Requirement shall be calculated by (i) dividing the increased Expected Maximum Facilities Special Tax Revenues that can be collected after the annexation by the Expected Maximum Facilities Special Tax Revenues that were in place prior to the annexation, and (ii) multiplying the quotient by the Public Facilities Requirement that was in place prior to the annexation.
If an owner of a Parcel or Parcels outside the Future Annexation Area wants to annex into the CFD and the City agrees to such annexation, the procedures set forth in Section 53339 et seq. of the Act shall be used to process the annexation. The Administrator shall apply the steps set forth above, using, for Step 1, the Maximum Special Taxes identified in the Rate and Method of Apportionment of Special Tax adopted as part of the annexing proceedings instead of the Unanimous Approval Form.

F. **METHOD OF LEVY OF THE SPECIAL TAXES**

1. **Facilities Special Tax**

Each Fiscal Year, the Administrator shall determine the Facilities Special Tax Requirement and levy the Facilities Special Tax on all Parcels of Taxable Property as follows:

**Step 1:** In the first fifteen (15) Fiscal Years in which a Facilities Special Tax is levied within Improvement Area No. 3, the Maximum Facilities Special Tax shall be levied on each Parcel of Single Family Detached Residential Property and Other Property, prior to applying any Capitalized Interest that is available in the CFD accounts. Any Facilities Special Tax proceeds collected that are determined by the Administrator to be Remainder Taxes shall be deposited into the Improvement Fund to pay costs associated with the acquisition of Authorized Facilities eligible to be financed by the Remainder Taxes under the Acquisition Agreement and that were not paid with Bond proceeds or Facilities Special Taxes levied in prior Fiscal Years.

Beginning in the sixteenth (16th) Fiscal Year in which a Facilities Special Tax is levied within Improvement Area No. 3 and continuing until the Trigger Event, the Facilities Special Tax shall be levied Proportionately on each Parcel of Single Family Detached Residential Property and Other Property up to 100% of the Maximum Facilities Special Tax for each Parcel for such Fiscal Year until the amount levied on Single Family Detached Residential Property and Other Property is equal to the Facilities Special Tax Requirement prior to applying any Capitalized Interest that is available in the CFD accounts.

**Step 2:** If additional revenue is needed after Step 1 and after applying Capitalized Interest to the Facilities Special Tax Requirement, the Facilities Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property up to 100% of the Maximum Facilities Special Tax for Undeveloped Property for such Fiscal Year.

**Step 3:** If additional revenue is needed after Step 2, the Facilities Special Tax shall be levied Proportionately on each Parcel of Taxable Owners Association Property and Taxable Public Property, up to 100% of the Maximum Facilities Special Tax for each Parcel of Owners Association Property and Taxable Public Property, as applicable, for such Fiscal Year.
2. **Services Special Tax**

Each Fiscal Year, the Administrator shall determine the Services Special Tax Requirement and levy the Services Special Tax on all Parcels of Taxable Property as follows:

**Step 1:** The Services Special Tax shall be levied proportionately on each Parcel of Developed Property, up to 100% of the Maximum Services Special Tax for each Parcel for such Fiscal Year until the amount levied is equal to the Services Special Tax Requirement.

**Step 2:** If additional revenue is needed after Step 1, the Services Special Tax shall be levied proportionately on each Parcel of Undeveloped Property, up to 100% of the Maximum Services Special Tax for Undeveloped Property for such Fiscal Year.

**G. MANNER OF COLLECTION OF SPECIAL TAXES**

Each of the Facilities Special Taxes and the Services Special Taxes shall be identified and collected separately. Facilities Special Taxes collected shall be used only to satisfy the Facilities Special Tax Requirement or to finance Authorized Facilities. Services Special Taxes collected shall be used only to satisfy the Services Special Tax Requirement.

Each of the Special Taxes shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that partial prepayments of the Facilities Special Tax are permitted as set forth in Section I below and provided further that the City may directly bill each of the Special Taxes, may collect each of the Special Taxes at a different time or in a different manner, and may collect delinquent Special Taxes through foreclosure or other available methods.

The Facilities Special Tax shall be levied and collected until the earlier of (i) the Trigger Event, or (ii) Fiscal Year 2060-61. Under no circumstances may the Facilities Special Tax on a Parcel in residential use be increased in any Fiscal Year as a consequence of delinquency or default in payment of the Facilities Special Tax levied on another Parcel or Parcels by more than ten percent (10%) above the amount that would have been levied in that Fiscal Year had there never been any such delinquencies or defaults. The Services Special Tax may be levied and collected in perpetuity.

**H. EXEMPTIONS**

Notwithstanding any other provision of this RMA, no Facilities Special Tax may be levied on the following: (i) Public Property, except Taxable Public Property, and (ii) Owners Association Property, except Taxable Owners Association Property. No Services Special Tax shall be levied on the following: (i) Public Property, including Taxable Public Property, and (ii) Owners Association Property, including Taxable Owners Association Property. In addition, no Special Taxes shall be levied on: (i) Parcels that are designated as permanent open space or common
space on which no structure is permitted to be constructed, (ii) Parcels owned by a public utility for an unmanned facility, and (iii) Parcels subject to an easement that precludes any use on the Parcel other than that permitted by the easement. Notwithstanding the foregoing, if a Facilities Special Tax has been levied on a Parcel in any Fiscal Year, and the entire Parcel subsequently becomes open space, an unmanned utility facility, or subject to an easement that precludes a residential or non-residential use, the Parcel shall remain subject to the Facilities Special Tax levy, unless: (i) the first series of Bonds has yet to be issued for Improvement Area No. 3, or (ii) the Administrator determines that, if such Parcel becomes exempt from the Facilities Special Tax, the corresponding reduction in the Expected Maximum Facilities Special Tax Revenues would not reduce debt service coverage on outstanding Bonds below the Required Coverage. In either case, such property shall be categorized as Public Property, and the Administrator shall recalculate the Expected Maximum Facilities Special Tax Revenues to reflect the corresponding loss in revenues.

I. PARTIAL PREPAYMENT OF FACILITIES SPECIAL TAX

The following definitions apply to this Section I:

"Outstanding Bonds" means all Previously Issued Bonds which remain outstanding, with the following exception: if a Facilities Special Tax has been levied against, or already paid by, an Assessor’s Parcel making a prepayment, and a portion of the Facilities Special Tax will be used to pay a portion of the next principal payment on the Bonds that remain outstanding (as determined by the Administrator), that next principal payment shall be subtracted from the total Bond principal that remains outstanding, and the difference shall be used as the amount of Outstanding Bonds for purposes of this prepayment formula.

"Previously Issued Bonds" means all Bonds that have been issued prior to the date of prepayment.

"Public Facilities Requirements" means: (i) $13,550,000 in fiscal year 2019-20 dollars, which amount shall, on July 1, 2020 and on each July 1 thereafter, be increased by an amount equal to 2.0% of the amount in effect for the prior Fiscal Year, or (ii) such lower number as shall be determined by the City to be an appropriate estimate of the net construction proceeds that will be generated from all Bonds that have been or are expected to be issued on behalf of Improvement Area No. 3.

"Remaining Facilities Costs" means the Public Facilities Requirements (as defined above), minus public facility costs funded by Previously Issued Bonds (as defined above), Facilities Special Taxes, or prior prepayments.

A property owner may prepay up to 80% of the Facilities Special Tax obligation applicable to a Parcel in Improvement Area No. 3, thereby reducing the Maximum Facilities Special Tax applicable to the Parcel, provided that a prepayment may be made only if there are no delinquent Special Taxes with respect to such Parcel at the time of prepayment. An owner of a Parcel intending to prepay a portion of the Facilities Special Tax obligation shall provide the City with
written notice of intent to prepay, which shall identify the percentage of the Maximum Facilities Special Tax that is to be prepaid. Within 30 days of receipt of such written notice, the City or its designee shall notify such owner of the prepayment amount for such Parcel. Prepayment must be made not less than 50 days prior to any redemption date for Bonds to be redeemed with the proceeds of such prepaid Facilities Special Taxes. Under no circumstance shall a prepayment be allowed that would reduce debt service coverage below the Required Coverage. The Prepayment Amount shall be calculated as follows (capitalized terms as defined above or below):

\[
\text{Bond Redemption Amount} \\
\quad \text{plus Remaining Facilities Amount} \\
\quad \text{plus Redemption Premium} \\
\quad \text{plus Defeasance Requirement} \\
\quad \text{plus Administrative Fees and Expenses} \\
\quad \text{less Reserve Fund Credit} \\
\quad \text{equals Prepayment Amount}
\]

As of the proposed date of prepayment, the Prepayment Amount shall be determined by application of the following steps:

**Step 1.** Determine the Maximum Facilities Special Tax that could be levied on the Parcel based on Expected Land Uses at the time the prepayment is calculated.

**Step 2.** Divide the Maximum Facilities Special Tax computed pursuant to Step 1 by the Expected Maximum Facilities Special Tax Revenues for Improvement Area No. 3 in that Fiscal Year.

**Step 3.** Multiply the quotient computed in Step 2 by the percentage of the Maximum Facilities Special Tax that the property owner wants to prepay, which percentage shall not exceed 80%.

**Step 4.** Multiply the quotient computed pursuant to Step 3 by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid (the “Bond Redemption Amount”).

**Step 5.** Compute the current Remaining Facilities Costs (if any).

**Step 6.** Multiply the quotient computed pursuant to Step 3 by the amount determined pursuant to Step 5 to compute the amount of Remaining Facilities Costs to be prepaid (the “Remaining Facilities Amount”).

**Step 7.** Multiply the Bond Redemption Amount computed pursuant to Step 4 by the applicable redemption premium as shown in the Indenture, if any, on the Outstanding Bonds to be redeemed (the “Redemption Premium”).

**Step 8.** Compute the amount needed to pay interest on the Bond Redemption Amount starting with the last Bond interest payment date on which interest
has been or will be paid by Facilities Special Taxes already levied until the earliest redemption date for the Outstanding Bonds. If Bonds are callable at, or prior to, the last Bond interest payment date on which interest has been or will be paid by Facilities Special Taxes already levied, Steps 8, 9 and 10 of this prepayment formula will not apply.

Step 9. Compute the amount of interest the City reasonably expects to derive from reinvestment of the Bond Redemption Amount plus the Redemption Premium from the first Bond interest payment date after which the prepayment has been received until the redemption date for the Outstanding Bonds.

Step 10. Subtract the amount computed pursuant to Step 9 from the amount computed pursuant to Step 8 (the “Defeasance Requirement”).

Step 11. The administrative fees and expenses associated with the prepayment will be determined by the Administrator and include the costs of computing the prepayment, redeeming Bonds and recording any notices to evidence the prepayment and the redemption (the “Administrative Fees and Expenses”).

Step 12. If, at the time the prepayment is calculated, the reserve fund is greater than or equal to the reserve requirement, and to the extent so provided in the Indenture, a reserve fund credit shall be calculated as a reduction in the applicable reserve fund for the Outstanding Bonds to be redeemed pursuant to the prepayment (the “Reserve Fund Credit”).

Step 13. The Facilities Special Tax prepayment is equal to the sum of the amounts computed pursuant to Steps 4, 6, 7, 10, and 11, less the amount computed pursuant to Step 12 (the “Prepayment Amount”).

Step 14. From the Prepayment Amount, the amounts computed pursuant to Steps 4, 7, and 10 shall be deposited into the appropriate fund as established under the Indenture and be used to retire Outstanding Bonds (including the payment of any accrued interest). The amount computed pursuant to Step 6 shall be deposited into the Improvement Fund. The amount computed pursuant to Step 11 shall be retained in the account or fund that is established to pay Administrative Expenses of the CFD.

Once a partial prepayment has been received, an Amendment to Special Tax Lien shall be recorded against the Parcel to reflect the reduced Facilities Special Tax lien for the Parcel, which shall be equal to the portion of the Maximum Facilities Special Tax that was not prepaid, and the Administrator shall update Attachment 2 to show the revised Expected Maximum Facilities Special Tax Revenues. However, an Amendment to Special Tax Lien shall not be recorded until all Special Taxes levied on the Parcel in the current or prior Fiscal Years have been collected. The prepayment of a portion of the Facilities Special Tax shall not affect the perpetual obligation to pay the Services Special Tax.
J. INTERPRETATION OF SPECIAL TAX FORMULA

The City may interpret, clarify, and revise this RMA to correct any inconsistency, vagueness, or ambiguity, by resolution and/or ordinance, that does not create a material adverse effect on the levy and collection of the Special Taxes and any security for any Bonds.

RESOLUTION 2019-___

CONFIRMING ANNEXATION OF PROPERTY (ELLIS PHASE 3 TOWN AND COUNTRY NEIGHBORHOOD) INTO IMPROVEMENT AREA NO. 3 OF THE CITY OF TRACY COMMUNITY FACILITIES DISTRICT NO. 2016-2 (ECFD) AND CONFIRMING, ORDERING AND DIRECTING OTHER RELATED MATTERS

WHEREAS, on February 7, 2017, pursuant to the Mello-Roos Community Facilities Act of 1982, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing with Section 53311, of the California Government Code (the “Mello-Roos Act”), this City Council (the “City Council”) of the City of Tracy (the “City”) adopted its Resolution No. 2017-021 entitled “Resolution of Formation of Community Facilities District” (the “Resolution of Formation”) which resolution (i) established the "City of Tracy Community Facilities District No. 2016-2 (ECFD)" (the “CFD”), “Improvement Area No. 1 of the City of Tracy Community Facilities District No. 2016-2 (ECFD)” (“Improvement Area No. 1”) and the "City of Tracy Community Facilities District No. 2016-2 (ECFD) (Future Annexation Area)" (the “Future Annexation Area”), (ii) authorized the levy of a special tax on property within Improvement Area No. 1 and (iii) preliminarily established an appropriations limit for Improvement Area No. 1, and

WHEREAS, the boundaries of the CFD, Improvement Area No. 1 and the Future Annexation Area are set forth in the boundary map recorded on January 4, 2017 as Document No. 2017-001220 (the “Original Boundary Map”) in Book 6 Page 92 of the Book of Maps of Assessment and Community Facilities Districts in the office of the County Recorder for the County of San Joaquin, State of California, and

WHEREAS, in the Resolution of Formation, this City Council resolved that parcels within the Future Annexation Area shall be annexed to the CFD only with the unanimous approval (each, a “Unanimous Approval”) of the owner or owners of each parcel or parcels at the time that parcel or those parcels are annexed, without any requirement for further public hearings or additional proceedings, and

WHEREAS, Section 53329.6 of the Mello-Roos Act provides that a Unanimous Approval constitutes the vote of the qualified elector in favor of the matters addressed in the Unanimous Approval for purposes of the California Constitution, including, but not limited to, Articles XIII A and XIII C, and

WHEREAS, Section 53350(b) of the Mello-Roos Act provides that, (i) in connection with the annexation by Unanimous Approval to a community facilities district of a parcel that was included in territory proposed for annexation in the future to the community facilities district, the local agency may designate a parcel or parcels as an improvement area within the community facilities district, (ii) the designation of a parcel or parcels as an improvement area shall be specified and approved by the Unanimous Approval of the owner or owners of each parcel or parcels at the time that the parcel or parcels are annexed to the community facilities district, (iii) no additional hearings or procedures are required and (iv) after the designation of a parcel or parcels as an improvement area, all proceedings for approval of the appropriations limit, the rate and method of apportionment and manner of collection of special taxes, and the authorization to incur bonded indebtedness for the parcel or parcels shall apply only to the improvement area, and
WHEREAS, in the Resolution of Formation, this City Council provided that property within the Future Annexation Area may be annexed into the CFD as its own improvement area (a “Future Improvement Area”) or to an existing improvement area, and

WHEREAS, in the Resolution of Formation, this City Council further provided that the designation of any territory annexing to the CFD as a Future Improvement Area, the maximum amount of bonded indebtedness and other debt for such Future Improvement Area, the rate and method of apportionment of special tax for such Future Improvement Area and the appropriations limit for such Future Improvement Area shall be identified and approved in the Unanimous Approval executed by property owners in connection with their annexation to the CFD, and that the annexation and related matters described in the Unanimous Approval shall be implemented and completed without the need for Council approval as long as the following conditions are met:

(i) The rate and method of apportionment of special tax for the Future Improvement Area is prepared by a special tax consultant retained by the City and paid for by the developer of the Future Improvement Area or the applicable property owners submitting the Unanimous Approval.

(ii) The rate and method of apportionment of special tax for the Future Improvement Area complies with the local goals and policies established by the City concerning the use of the Mello-Roos Act, unless otherwise required by law.

(iii) The rate and method of apportionment of special tax for the Future Improvement Area does not establish a maximum special tax amount for the initial fiscal year in which the special tax may be levied for any category of special tax that is greater than 120% of the maximum amount of the same category of special tax for the same fiscal year calculated pursuant to the Improvement Area No. 1 Rate and Method.

(iv) The rate and method of apportionment of special tax for the Future Improvement Area does not introduce a special tax that was not included in the Improvement Area No. 1 Rate and Method (e.g., a special tax that is levied and must be paid in a single fiscal year or over a shorter time period than 30 years).

(v) The rate and method of apportionment of special tax for the Future Improvement Area gives the City the discretion to convert Facilities Special Taxes to Services Special Taxes subject to a similar “Trigger Event” as the Improvement Area No. 1 Rate and Method (modified, as applicable, to represent the timing of the new rate and method of apportionment of special tax for the Future Improvement Area).

(vi) The rate and method of apportionment of special tax for the Future Improvement Area is not inconsistent with the terms of the development agreement with the City that is applicable to the annexing territory, whether or not it is still operative.

(vii) The rate and method of apportionment of special tax for the Future Improvement Area includes a mechanism that protects against revenue loss as a result of land use changes, and

WHEREAS, on February 7, 2017, this City Council also adopted its Resolution No. 2017-022 entitled “Resolution Determining the Necessity to Incur Bonded Indebtedness and Other Debt” (the “Resolution of Necessity”), determining the necessity to incur bonded indebtedness
and other debt (as defined in the Mello-Roos Act) (i) in the maximum aggregate principal amount of $27,000,000 upon the security of the special tax to be levied within Improvement Area No. 1 pursuant to the Mello-Roos Act and (ii) in the aggregate principal amount of $53,000,000 with respect to those portions of the CFD that are not included in Improvement Area No. 1 (the “Non-Improvement Area No. 1 Indebtedness Limit”), and

WHEREAS, in the Resolution of Necessity, this City Council further provided that in the event all or a portion of the Future Annexation Area is annexed as one or more Future Improvement Areas, the maximum indebtedness of each such Future Improvement Area shall be identified in the Unanimous Approval of the property owners of the property to be annexed at the time of the annexation, and the amount of the maximum indebtedness for the Future Improvement Area shall be subtracted from the Non-Improvement Area No. 1 Indebtedness Limit, and

WHEREAS, under the provisions of the Resolution of Formation and the Resolution of Necessity and pursuant to a “Resolution Calling Special Election” (the “Election Resolution”) heretofore adopted by this City Council, the propositions of the levy of the special tax, the establishment of the appropriations limit, and the incurring of bonded indebtedness and other debt were submitted to the qualified electors of Improvement Area No. 1 as required by the provisions of the Mello-Roos Act and more than two-thirds of the votes cast at the election were in favor of the propositions, and

WHEREAS, Section 53340 of the Mello-Roos Act provides that (i) after a community facilities district has been created and authorized to levy specified special taxes, the legislative body may, by ordinance, levy the special taxes at the rate and apportion them in the manner specified in the resolution of formation for the community facilities district and (ii) after creation of a community facilities district that includes a future annexation area, the legislative body may, by ordinance, provide for the levy of special taxes on parcels that will be annexed to the community facilities district at the rate or rates to be approved unanimously by the owner or owners of each parcel or parcels to be annexed to the community facilities district and for apportionment and collection of the special taxes in the manner specified in the resolution of formation, and

WHEREAS, in Ordinance 1230 adopted by this City Council on February 21, 2017 (the “Special Tax Ordinance”), the City Council authorized and levied special taxes within Improvement Area No. 1 at the rate and in accordance with the formula (the “Improvement Area No. 1 Rate and Method”) set forth in the Resolution of Formation and on any parcels in the Future Annexation Area that are annexed into a Future Improvement Area pursuant to the Mello-Roos Act at the rate and in accordance with the formula approved by the qualified electors in the Future Improvement Areas, and

WHEREAS, this City Council was previously provided with a Unanimous Approval executed by the owner of certain property in the Future Annexation Area and previously adopted Resolution 2019-074 (the “Prior Annexation Resolution”) confirming the annexation of such property to the CFD as Improvement Area No. 2, and

WHEREAS, this City Council has now been provided with a new Unanimous Approval executed by the owner of certain property in the Future Annexation Area, namely Assessor’s Parcel Number(s) 240-140-50, 240-140-51, 240-140-52, and 240-140-53 (the “Annexation Property”), the Unanimous Approval identifies, specifies and approves the annexation of the Annexation Property to the CFD as a separate improvement area and other related matters, and the conditions established by this City Council in the Resolution of Formation for implementation
and completion of the annexation and related matters described in the Unanimous Approval without City Council approval have been met, and

WHEREAS, Section 5339.8 of the Mello-Roos Act provides that upon a determination by the legislative body that the area proposed to be annexed is added to the existing community facilities district, the clerk of the legislative body shall record notice of the annexation pursuant to Section 3114.5 of the Streets and Highways Code, and

WHEREAS, in the Resolution of Formation, this City Council determined that any property for which the owner or owners execute a Unanimous Approval shall be added to the CFD and the City Clerk shall record an amendment to the notice of special tax lien for the CFD pursuant to Section 3117.5 of the Streets & Highways Code, and

WHEREAS, this City Council wishes to confirm that the Annexation Property is added to the CFD and to confirm, order and direct other related matters;

NOW THEREFORE BE IT RESOLVED as follows:

1. Recitals Correct. The foregoing recitals are true and correct.

“Taxable Property” means all Parcels within the boundaries of Improvement Area No. 3 that are not exempt from the Special Taxes pursuant to law or Section H below.

“Taxable Public Property” means in any Fiscal Year after the first series of Bonds is issued, any Parcel of Public Property that satisfies all three of the following conditions: (i) the Parcel had not been Public Property on the date of issuance of the first series of Bonds, (ii) based on reference to Attachments 1 and 2 (as may be updated pursuant to Sections D and E below), the Parcel was not anticipated to be Public Property based on the Expected Land Uses, as determined by the Administrator, and (iii) if the Parcel were to be exempt from the Facilities Special Tax

"Undeveloped Property" means, in any Fiscal Year, all Parcels of Taxable Property that are not Developed Property, Taxable Owners Association Property, or Taxable Public Property.

B. DATA FOR ADMINISTRATION OF SPECIAL TAXES

Each Fiscal Year, the Administrator shall: (i) categorize each Parcel of Taxable Property as Developed Property, Undeveloped Property, Taxable Owners Association Property or Taxable Public Property, (ii) for Developed Property, categorize each Parcel as Single Family Detached Residential Property or Other Property, (iii) based on Square Footage reflected on Building Permits issued by June 30 of the prior Fiscal Year, assign each Residential Unit to the appropriate Square Footage Category, (iv) determine the Facilities Special Tax Requirement and Services Special Tax Requirement for the Fiscal Year, and (v) determine if the Trigger Event occurred in the prior Fiscal Year. In addition, the Administrator shall, on an ongoing basis, monitor Final Maps and track the Square Footage on all Building Permits that have been issued to determine if there are any proposed Land Use Changes that would change the Expected Maximum Facilities Special Tax Revenues. If the Expected Maximum Facilities Special Tax Revenues will be revised pursuant to a proposed Land Use Change, the Administrator shall apply the steps set forth in Section D below.

In any Fiscal Year, if it is determined that: (i) a parcel map for property in Improvement Area No. 3 was recorded after January 1 of the prior Fiscal Year (or any other date after which the Assessor will not incorporate the newly-created Parcels into the then current tax roll), (ii) because of the date the parcel map was recorded, the Assessor does not yet recognize the new Parcels created by the parcel map, and (iii) one or more of the newly-created Parcels is in a different Development Class than other Parcels created by the subdivision, the Administrator shall calculate the Special Taxes for the property affected by recordation of the parcel map by determining the Special Taxes that apply separately to the property within each Development Class.
Class, then applying the sum of the individual Special Taxes to the Parcel that was subdivided by recordation of the parcel map.

C. **MAXIMUM SPECIAL TAXES**

1. **Facilities Special Tax**

   a. Single Family Detached Residential Property

   The Maximum Facilities Special Tax for Parcels of Single Family Detached Residential Property shall be the greater of (i) the Target Facilities Special Taxes set forth in Table 1 below, or, (ii) if there are Land Use Changes that would reduce debt service coverage on outstanding Bonds below the Required Coverage, the Maximum Facilities Special Tax determined pursuant to Section D below.

   * On July 1, 2020 and on each July 1 thereafter, all figures shown in Table 1 above shall be increased by an amount equal to 2.0% of the amount in effect for the prior Fiscal Year.

   b. Other Property

   The Maximum Facilities Special Tax for Other Property prior to the Trigger Event is $22,700 per Acre for Fiscal Year 2019-20, which amount shall increase on July 1, 2020 and each July 1 thereafter by an amount equal to 2.0% of the amount in effect for the prior Fiscal Year. After the Trigger Event the Maximum Facilities Special Tax for Other Property is $0 per Acre. If Other Property is developed with condominium or townhome units, the Administrator shall apply the following steps to allocate the Maximum Facilities Special Tax to the Parcels within the condominium or townhome buildings:
Step 1: Determine the Acreage of the underlying land Parcel on which the building(s) is located.

Step 2: Multiply the Acreage from Step 1 by the Maximum Facilities Special Tax for Other Property in the current Fiscal Year.

Step 3: Divide the product from Step 2 by the total number of townhomes or condominium units built or expected to be built on the underlying land Parcel to determine the Maximum Facilities Special Tax for each condominium or townhome unit, which amount shall escalate by 2.0% in the next Fiscal Year and each following Fiscal Year.

Once a Facilities Special Tax has been levied on a Parcel of Developed Property, the Maximum Facilities Special Taxes applicable to that Parcel shall not be reduced in future Fiscal Years regardless of changes in land use on the Parcel, except (i) in the event of a partial prepayment pursuant to Section I, and (ii) pursuant to Section D. Notwithstanding the foregoing, (i) if Bonds have yet to be issued for Improvement Area No. 3, the Parcels can be assigned to the appropriate Square Footage Category, and the Administrator shall recalculate the Expected Maximum Facilities Special Tax Revenues based on the corresponding changes in revenues, and (ii) the actual Facilities Special Tax levied on the Parcel in any Fiscal Year may be less than the Maximum Facilities Special Tax if a lower Facilities Special Tax is calculated pursuant to Step 1 in Sections F.1 below.

c. Undeveloped Property, Taxable Owners Association Property, and Taxable Public Property

The Maximum Facilities Special Tax for Undeveloped Property, Taxable Owners Association Property, and Taxable Public Property prior to the Trigger Event is $22,700 per Acre for Fiscal Year 2019-20, which amount shall increase on July 1, 2020 and each July 1 thereafter by an amount equal to 2.0% of the amount in effect for the prior Fiscal Year. After the Trigger Event the Maximum Facilities Special Tax for Undeveloped Property, Taxable Owners Association Property, and Taxable Public Property is $0 per Acre. In addition, any amount levied on a landowner’s Parcel(s) of Undeveloped Property due to such landowner’s failure to make a prepayment pursuant to Section D below shall be added to the amount determined in the prior sentence to calculate the total Maximum Facilities Special Tax for the landowner’s Parcel(s).

* On July 1, 2020 and on each July 1 thereafter, all figures shown in Table 2 above shall be increased by the Escalation Factor.

a. Other Property

If Other Property is developed with condominium or townhome units, the Administrator shall apply the following steps to allocate the Maximum Services Special Tax to the Parcels within the condominium or townhome buildings:

Step 1: Determine the Acreage of the underlying land Parcel on which the building(s) is located.

Step 2: Multiply the Acreage from Step 1 by the Maximum Services Special Tax for Other Property in the current Fiscal Year.

Step 3: Divide the product from Step 2 by the total number of townhomes or condominium units built or expected to be built on the underlying land Parcel to determine the Maximum Services Special Tax for each condominium or townhome unit, which amount shall be increased by the Escalation Factor in the next Fiscal Year and each following Fiscal Year.
D. **CHANGES TO MAXIMUM FACILITIES SPECIAL TAX**

The Expected Maximum Facilities Special Tax Revenues shown in Attachment 2 were calculated based on the Expected Land Uses on the IA No. 3 Lien Date. As set forth in Section E herein, Attachment 2 shall be modified to reflect the Expected Land Uses and Expected Maximum Facilities Special Tax Revenues for Improvement Area No. 3 if property is annexed to Improvement Area No. 3. Attachment 2 is also subject to modification upon the occurrence of Land Use Changes, as described below. The Administrator shall review all Land Use Changes and compare the revised land uses to the Expected Land Uses to evaluate the impact on the Expected Maximum Facilities Special Tax Revenues.

If, prior to the issuance of the first series of Bonds, a Land Use Change is proposed or identified that will result in a change in the Expected Maximum Facilities Special Tax Revenues, no action will be needed pursuant to this Section D. Upon approval of the Land Use Change, the Administrator shall update Attachment 2 to show the revised Expected Maximum Facilities Special Tax Revenues.

If, prior to Final Bond Sale, a Land Use Change is proposed or identified that will result in a change in the Expected Maximum Facilities Special Tax Revenues, no action will be needed pursuant to this Section D as long as the change in Expected Maximum Facilities Special Tax Revenues does not reduce debt service coverage on outstanding Bonds below the Required Coverage. Upon approval or identification of the Land Use Change, the Administrator shall update Attachment 2 to show the revised Expected Maximum Facilities Special Tax Revenues, which shall then be the amount used to size future Bond sales.

If a Land Use Change would reduce debt service coverage on outstanding Bonds below the Required Coverage, either: (i) a prepayment of Facilities Special Taxes must be made by the landowner requesting the Land Use Change to retire Bonds in the amount necessary to maintain Required Coverage, or (ii) Step 3 below must be applied to maintain the Expected Maximum Facilities Special Tax Revenues.

If, after the Final Bond Sale, a Land Use Change is proposed or identified, Steps 1 through 3 must be applied:

- **Step 1:** By reference to Attachment 2 (which shall be updated by the Administrator each time a Land Use Change has been processed according to this Section D), the Administrator shall identify the Expected Maximum Facilities Special Tax Revenues for Improvement Area No. 3.

- **Step 2:** The Administrator shall calculate the Expected Maximum Facilities Special Tax Revenues that could be collected from Taxable Property in Improvement Area No. 3 if the Land Use Change occurs.

- **Step 3:** If the amount calculated in Step 2 is higher than that determined in Step 1, no further action is needed, and the Administrator shall update Attachment 2 to show the revised Expected Maximum Facilities Special Tax Revenues.
If the revenues calculated in Step 2 are less than those calculated in Step 1, no action will be needed if the reduction in Expected Maximum Facilities Special Tax Revenues does not reduce debt service coverage on outstanding Bonds below the Required Coverage, and the Administrator shall update Attachment 2 to show the reduced Expected Maximum Facilities Special Tax Revenues.

If the revenues calculated in Step 2 are less than those calculated in Step 1, and the Administrator determines that the reduction in Expected Maximum Facilities Special Tax Revenues would reduce debt service coverage on outstanding Bonds below the Required Coverage, one of the following shall occur:

3.a. The landowner requesting the Land Use Change will have the option to prepay Facilities Special Taxes (pursuant to Section I) in an amount that will ensure that the reduced Expected Maximum Facilities Special Tax Revenues are sufficient to provide Required Coverage. If the landowner notifies the Administrator that he/she would like to remedy such reduction by making a prepayment, such prepayment must be made by the earlier of (i) 30 days from the date of delivery of the prepayment or (ii) prior to close of escrow on the first Residential Unit for which the Building Permit was issued that resulted in more Residential Units in a Square Footage Category than was anticipated in the Expected Land Uses. If any prepayment is not received by the City prior to the earlier of clauses (i) and (ii) of the preceding sentence, the Administrator shall levy the required prepayment amount on any Parcel(s) of Taxable Property still owned by the landowner within Improvement Area No. 3,

or, if there are no more Parcels of Taxable Property owned by the landowner who had been expected to prepay, or if a landowner opts not to make a prepayment to mitigate the reduction in the Expected Maximum Facilities Special Tax Revenues, the following Step 3.b shall apply:

3.b. The Maximum Facilities Special Taxes for Parcels owned by the landowner requesting the Land Use Change shall be determined by increasing the Target Facilities Special Taxes shown in Table I above proportionately until the amount that could be collected from all SFD Lots that are subject to the Land Use Change (as determined by the Administrator) will be sufficient to maintain Required Coverage. After the Administrator has prepared such calculation for a particular landowner, the Administrator shall closely monitor future Final Maps and Building Permits to determine if a similar increase in the Target Facilities Special Tax must be applied for subsequent Parcels of Single Family Detached Residential Property. On July 1 of each Fiscal Year, all Maximum Facilities Special Taxes determined pursuant to this Section 3.b shall be increased by 2.0% of the amount in effect in the prior Fiscal Year.
The duties imposed on the Administrator to review Land Use Changes, Final Maps, and Building Permits and to make the calculations set forth above, are intended only to facilitate the administration of the Facilities Special Tax and to better assure the sufficiency of tax capacity to pay debt service on Bonds. Such duties are not intended to give any developer, subdivider or owner of property any right to receive notice of the potential impact of Land Use Changes on the Facilities Special Tax applicable to a Parcel; and each developer, subdivider or owner of property in the CFD shall be responsible for understanding the impact thereof on the Facilities Special Tax applicable to such property.

E. ANNEXATIONS

If, in any Fiscal Year, a property owner within the Future Annexation Area wants to annex property into Improvement Area No. 3, the Administrator shall apply the following steps as part of the annexation proceedings:

Step 1: Working with City staff and the landowner, the Administrator shall determine the Maximum Special Taxes that will apply to all Parcels that are expected to be within the area to be annexed. Once determined, the Maximum Special Taxes for the annexing area shall be identified on the Unanimous Approval Form which will be signed by the property owner as part of the annexation process.

Step 2: The Administrator shall ensure that a Notice of Special Tax Lien is recorded against all Parcels that are annexed to Improvement Area No. 3.

Step 3: The Administrator shall prepare and keep on file an updated Attachment 2 that adds the annexed property and identifies the Expected Land Uses and revised Expected Maximum Facilities Special Tax Revenues for Improvement Area No. 3. After the annexation is complete, the application of Sections D, F, and I of this RMA shall be based on the adjusted Expected Land Uses and Expected Maximum Facilities Special Tax Revenues including the newly annexed property.

Step 4: The Administrator shall recalculate the Public Facilities Requirement used in the prepayment calculation in Section I below to include the estimated net proceeds that can be generated to fund Authorized Facilities based on the Maximum Facilities Special Tax capacity from the annexed area. The adjusted Public Facilities Requirement shall be calculated by (i) dividing the increased Expected Maximum Facilities Special Tax Revenues that can be collected after the annexation by the Expected Maximum Facilities Special Tax Revenues that were in place prior to the annexation, and (ii) multiplying the quotient by the Public Facilities Requirement that was in place prior to the annexation.
If an owner of a Parcel or Parcels outside the Future Annexation Area wants to annex into the CFD and the City agrees to such annexation, the procedures set forth in Section 53339 et seq. of the Act shall be used to process the annexation. The Administrator shall apply the steps set forth above, using, for Step 1, the Maximum Special Taxes identified in the Rate and Method of Apportionment of Special Tax adopted as part of the annexing proceedings instead of the Unanimous Approval Form.

F. METHOD OF LEVY OF THE SPECIAL TAXES

1. Facilities Special Tax

Each Fiscal Year, the Administrator shall determine the Facilities Special Tax Requirement and levy the Facilities Special Tax on all Parcels of Taxable Property as follows:

**Step 1:** In the first fifteen (15) Fiscal Years in which a Facilities Special Tax is levied within Improvement Area No. 3, the Maximum Facilities Special Tax shall be levied on each Parcel of Single Family Detached Residential Property and Other Property, prior to applying any Capitalized Interest that is available in the CFD accounts. Any Facilities Special Tax proceeds collected that are determined by the Administrator to be Remainder Taxes shall be deposited into the Improvement Fund to pay costs associated with the acquisition of Authorized Facilities eligible to be financed by the Remainder Taxes under the Acquisition Agreement and that were not paid with Bond proceeds or Facilities Special Taxes levied in prior Fiscal Years.

Beginning in the sixteenth (16th) Fiscal Year in which a Facilities Special Tax is levied within Improvement Area No. 3 and continuing until the Trigger Event, the Facilities Special Tax shall be levied Proportionately on each Parcel of Single Family Detached Residential Property and Other Property up to 100% of the Maximum Facilities Special Tax for each Parcel for such Fiscal Year until the amount levied on Single Family Detached Residential Property and Other Property is equal to the Facilities Special Tax Requirement prior to applying any Capitalized Interest that is available in the CFD accounts.

**Step 2:** If additional revenue is needed after Step 1 and after applying Capitalized Interest to the Facilities Special Tax Requirement, the Facilities Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property up to 100% of the Maximum Facilities Special Tax for Undeveloped Property for such Fiscal Year.

**Step 3:** If additional revenue is needed after Step 2, the Facilities Special Tax shall be levied Proportionately on each Parcel of Taxable Owners Association Property and Taxable Public Property, up to 100% of the Maximum Facilities Special Tax for each Parcel of Owners Association Property and Taxable Public Property, as applicable, for such Fiscal Year.
2. **Services Special Tax**

Each Fiscal Year, the Administrator shall determine the Services Special Tax Requirement and levy the Services Special Tax on all Parcels of Taxable Property as follows:

**Step 1:** The Services Special Tax shall be levied proportionately on each Parcel of Developed Property, up to 100% of the Maximum Services Special Tax for each Parcel for such Fiscal Year until the amount levied is equal to the Services Special Tax Requirement.

**Step 2:** If additional revenue is needed after Step 1, the Services Special Tax shall be levied proportionately on each Parcel of Undeveloped Property, up to 100% of the Maximum Services Special Tax for Undeveloped Property for such Fiscal Year.

**G. MANNER OF COLLECTION OF SPECIAL TAXES**

Each of the Facilities Special Taxes and the Services Special Taxes shall be identified and collected separately. Facilities Special Taxes collected shall be used only to satisfy the Facilities Special Tax Requirement or to finance Authorized Facilities. Services Special Taxes collected shall be used only to satisfy the Services Special Tax Requirement.

Each of the Special Taxes shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that partial prepayments of the Facilities Special Tax are permitted as set forth in Section I below and provided further that the City may directly bill each of the Special Taxes, may collect each of the Special Taxes at a different time or in a different manner, and may collect delinquent Special Taxes through foreclosure or other available methods.

The Facilities Special Tax shall be levied and collected until the earlier of (i) the Trigger Event, or (ii) Fiscal Year 2060-61. Under no circumstances may the Facilities Special Tax on a Parcel in residential use be increased in any Fiscal Year as a consequence of delinquency or default in payment of the Facilities Special Tax levied on another Parcel or Parcels by more than ten percent (10%) above the amount that would have been levied in that Fiscal Year had there never been any such delinquencies or defaults. The Services Special Tax may be levied and collected in perpetuity.

**H. EXEMPTIONS**

Notwithstanding any other provision of this RMA, no Facilities Special Tax may be levied on the following: (i) Public Property, except Taxable Public Property, and (ii) Owners Association Property, except Taxable Owners Association Property. No Services Special Tax shall be levied on the following: (i) Public Property, including Taxable Public Property, and (ii) Owners Association Property, including Taxable Owners Association Property. In addition, no Special Taxes shall be levied on: (i) Parcels that are designated as permanent open space or common
space on which no structure is permitted to be constructed, (ii) Parcels owned by a public utility for an unmanned facility, and (iii) Parcels subject to an easement that precludes any use on the Parcel other than that permitted by the easement. Notwithstanding the foregoing, if a Facilities Special Tax has been levied on a Parcel in any Fiscal Year, and the entire Parcel subsequently becomes open space, an unmanned utility facility, or subject to an easement that precludes a residential or non-residential use, the Parcel shall remain subject to the Facilities Special Tax levy, unless: (i) the first series of Bonds has yet to be issued for Improvement Area No. 3, or (ii) the Administrator determines that, if such Parcel becomes exempt from the Facilities Special Tax, the corresponding reduction in the Expected Maximum Facilities Special Tax Revenues would not reduce debt service coverage on outstanding Bonds below the Required Coverage. In either case, such property shall be categorized as Public Property, and the Administrator shall recalculate the Expected Maximum Facilities Special Tax Revenues to reflect the corresponding loss in revenues.

I. PARTIAL PREPAYMENT OF FACILITIES SPECIAL TAX

The following definitions apply to this Section I:

"Outstanding Bonds" means all Previously Issued Bonds which remain outstanding, with the following exception: if a Facilities Special Tax has been levied against, or already paid by, an Assessor’s Parcel making a prepayment, and a portion of the Facilities Special Tax will be used to pay a portion of the next principal payment on the Bonds that remain outstanding (as determined by the Administrator), that next principal payment shall be subtracted from the total Bond principal that remains outstanding, and the difference shall be used as the amount of Outstanding Bonds for purposes of this prepayment formula.

"Previously Issued Bonds" means all Bonds that have been issued prior to the date of prepayment.

"Public Facilities Requirements" means: (i) $13,550,000 in fiscal year 2019-20 dollars, which amount shall, on July 1, 2020 and on each July 1 thereafter, be increased by an amount equal to 2.0% of the amount in effect for the prior Fiscal Year, or (ii) such lower number as shall be determined by the City to be an appropriate estimate of the net construction proceeds that will be generated from all Bonds that have been or are expected to be issued on behalf of Improvement Area No. 3.

"Remaining Facilities Costs" means the Public Facilities Requirements (as defined above), minus public facility costs funded by Previously Issued Bonds (as defined above), Facilities Special Taxes, or prior prepayments.

A property owner may prepay up to 80% of the Facilities Special Tax obligation applicable to a Parcel in Improvement Area No. 3, thereby reducing the Maximum Facilities Special Tax applicable to the Parcel, provided that a prepayment may be made only if there are no delinquent Special Taxes with respect to such Parcel at the time of prepayment. An owner of a Parcel intending to prepay a portion of the Facilities Special Tax obligation shall provide the City with
written notice of intent to prepay, which shall identify the percentage of the Maximum Facilities Special Tax that is to be prepaid. Within 30 days of receipt of such written notice, the City or its designee shall notify such owner of the prepayment amount for such Parcel. Prepayment must be made not less than 50 days prior to any redemption date for Bonds to be redeemed with the proceeds of such prepaid Facilities Special Taxes. Under no circumstance shall a prepayment be allowed that would reduce debt service coverage below the Required Coverage. The Prepayment Amount shall be calculated as follows (capitalized terms as defined above or below):

\[
\text{Prepayment Amount} = \text{Bond Redemption Amount} + \text{Remaining Facilities Amount} + \text{Redemption Premium} + \text{Defeasance Requirement} + \text{Administrative Fees and Expenses} - \text{Reserve Fund Credit}.
\]

As of the proposed date of prepayment, the Prepayment Amount shall be determined by application of the following steps:

**Step 1.** Determine the Maximum Facilities Special Tax that could be levied on the Parcel based on Expected Land Uses at the time the prepayment is calculated.

**Step 2.** Divide the Maximum Facilities Special Tax computed pursuant to Step 1 by the Expected Maximum Facilities Special Tax Revenues for Improvement Area No. 3 in that Fiscal Year.

**Step 3.** Multiply the quotient computed in Step 2 by the percentage of the Maximum Facilities Special Tax that the property owner wants to prepay, which percentage shall not exceed 80%.

**Step 4.** Multiply the quotient computed pursuant to Step 3 by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid (*the “Bond Redemption Amount”*).

**Step 5.** Compute the current Remaining Facilities Costs (if any).

**Step 6.** Multiply the quotient computed pursuant to Step 3 by the amount determined pursuant to Step 5 to compute the amount of Remaining Facilities Costs to be prepaid (*the “Remaining Facilities Amount”*).

**Step 7.** Multiply the Bond Redemption Amount computed pursuant to Step 4 by the applicable redemption premium as shown in the Indenture, if any, on the Outstanding Bonds to be redeemed (*the “Redemption Premium”*).

**Step 8.** Compute the amount needed to pay interest on the Bond Redemption Amount starting with the last Bond interest payment date on which interest
has been or will be paid by Facilities Special Taxes already levied until the earliest redemption date for the Outstanding Bonds. If Bonds are callable at, or prior to, the last Bond interest payment date on which interest has been or will be paid by Facilities Special Taxes already levied, Steps 8, 9 and 10 of this prepayment formula will not apply.

Step 9. Compute the amount of interest the City reasonably expects to derive from reinvestment of the Bond Redemption Amount plus the Redemption Premium from the first Bond interest payment date after which the prepayment has been received until the redemption date for the Outstanding Bonds.

Step 10. Subtract the amount computed pursuant to Step 9 from the amount computed pursuant to Step 8 (the “Defeasance Requirement”).

Step 11. The administrative fees and expenses associated with the prepayment will be determined by the Administrator and include the costs of computing the prepayment, redeeming Bonds and recording any notices to evidence the prepayment and the redemption (the “Administrative Fees and Expenses”).

Step 12. If, at the time the prepayment is calculated, the reserve fund is greater than or equal to the reserve requirement, and to the extent so provided in the Indenture, a reserve fund credit shall be calculated as a reduction in the applicable reserve fund for the Outstanding Bonds to be redeemed pursuant to the prepayment (the “Reserve Fund Credit”).

Step 13. The Facilities Special Tax prepayment is equal to the sum of the amounts computed pursuant to Steps 4, 6, 7, 10, and 11, less the amount computed pursuant to Step 12 (the “Prepayment Amount”).

Step 14. From the Prepayment Amount, the amounts computed pursuant to Steps 4, 7, and 10 shall be deposited into the appropriate fund as established under the Indenture and be used to retire Outstanding Bonds (including the payment of any accrued interest). The amount computed pursuant to Step 6 shall be deposited into the Improvement Fund. The amount computed pursuant to Step 11 shall be retained in the account or fund that is established to pay Administrative Expenses of the CFD.

Once a partial prepayment has been received, an Amendment to Special Tax Lien shall be recorded against the Parcel to reflect the reduced Facilities Special Tax lien for the Parcel, which shall be equal to the portion of the Maximum Facilities Special Tax that was not prepaid, and the Administrator shall update Attachment 2 to show the revised Expected Maximum Facilities Special Tax Revenues. However, an Amendment to Special Tax Lien shall not be recorded until all Special Taxes levied on the Parcel in the current or prior Fiscal Years have been collected. The prepayment of a portion of the Facilities Special Tax shall not affect the perpetual obligation to pay the Services Special Tax.
J. INTERPRETATION OF SPECIAL TAX FORMULA

The City may interpret, clarify, and revise this RMA to correct any inconsistency, vagueness, or ambiguity, by resolution and/or ordinance, that does not create a material adverse effect on the levy and collection of the Special Taxes and any security for any Bonds.

AGENDA ITEM 1.F

REQUEST

ADOPT A RESOLUTION APPROVING THE 2019 ANNUAL REPORT ON DEVELOPMENT IMPACT FEE REVENUES, EXPENDITURES AND FINDINGS REGARDING UNEXPENDED FUNDS IN ACCORDANCE WITH THE MITIGATION FEE ACT

EXECUTIVE SUMMARY

The City is required by law to issue an annual fiscal report identifying the development impact fees collected and expended during the prior fiscal year.

The City maintains 43 different development impact fee funds, with combined collected revenues of $28,204,178 (including interest), in Fiscal Year 2018-2019. Development impact capital expenditures for Fiscal Year 2018-2019 totaled $10,545,769. For Council consideration is the resolution regarding the annual report on development impact fee revenues and expenditures and the findings as to the unexpended development impact fees.

DISCUSSION

The Mitigation Fee Act, commonly referred to as AB1600 and codified as Government Code sections 66000-66006, imposes requirements for the collection and expenditure of development impact fees. Section 66006(b)(1) requires the City to prepare and make available to the public information for each separate account or fund, including:

(a) a brief description of the fee;
(b) the amount of the fee;
(c) the beginning and ending balance;
(d) the amount of the fees collected and interest earned;
(e) an identification of each public improvement on which fees were expended, the amount of expenditures on each improvement including the total percentage of the cost that was funded with fees;
(f) an identification of an approximate date by which the construction of the public improvement will begin if the city determines sufficient funds have been collected;
(g) a description of each interfund transfer or loan, including the public improvements on which the transferred or loaned fees will be expended, and, in the case of an interfund loan, the date on which the loan will be repaid and the rate of interest; and
(h) the amount of refunds made, if any.

The report must be made available to the public within 180 days after the end of each fiscal year.

Historically, the City has complied with this requirement through the City Council’s acceptance of the Development Impact Fee Annual Report containing the required
information and adopting a resolution confirming acceptance of the report. This report and the information attached to the proposed Resolution satisfy the statutory requirements for the account of development impact fees.

STRATEGIC PLAN

The agenda item is mandated by state law and does not have bearing on the City Council’s Strategic Plans.

FISCAL IMPACT

The costs of these projects are reflected in the CIP Project list as identified in Exhibit C of this report.

RECOMMENDATION

That the City Council adopt the attached resolution approving the annual report on development impact fee revenues, expenditures and findings as to unexpended funds.

* Fee on construction items only (1,3,5A-6B,6D,7,8,10,12,15A).
** Includes no District formation or Bond financing costs.
(1) Item 9 funds transferred to water treatment / storage per City Council direction.
(2) AD 84-1 & 87-3 are for sewer collection fees and water distribution fees and does not include wastewater or water treatment cost participation.
(3) Credit from CFD 91-1 overlap.
(4) GL-5B is the remnant of GL-5, GL-11, and Old Naglee Road.
(5) GL-27 is the remnant from the following parcels: GL-5, GL-6, GL-7, GL-9, GL-10 & GL-11.
(6) M-1 & M-2 Net Area was calculated to be approximately 55 percent of gross area due to parcels within flood plain.
(7) GL-2b has a finance plan that is subject to update with the latest spreadsheet. Parcel E (3.64 acres) has pulled a permit and was removed from the spread.
(8) $146,780 will be paid to the redevelopment agency for the cost of the land that was used for the well near the corner of Grant Line and Naglee Road (part of GL-27).
(9)These numbers are negative due to a change between spreadsheet #42 and #43 where project funds from CIP 7514 in Water Supply were shifted to CIP 7533 under Water Distribution off-site and 7532 under Water Treatment/Storage. Remaining parcels
therefore are receiving a 'credit" for excess money in water supply but are paying more towards Water Distribution off-site and Water Treatment/Storage.
(10) Communication tower based on building SF. Costs shown here are costs assumed per acre based on estimated FAR. Fee is $20.55 per 1000 sf of building for commercial/retail, $34.25 for office, and $6.85 per 1000 sf of light industrial sf of building.

AGENDA ITEM 1.G

REQUEST

APPROVE THE INSTALLATION OF A NO LEFT-TURN (R3-2) SIGN, WITH SUPPLEMENTAL ‘SCHOOL DAYS 7:30-8:30 AM 1:30-3:30 PM’ SIGN, IN FRONT OF CENTRAL ELEMENTARY SCHOOL

EXECUTIVE SUMMARY

Staff is requesting that the City Council approve the installation of a No Left-Turn (R3-2) sign with a supplemental ‘School Days 7:30 – 8:30 AM 1:30- 3:30 PM’ sign, in front of Central Elementary School to help ease the traffic congestion in the area.

DISCUSSION

West Eaton Avenue, between Parker Avenue and Holly Drive, experiences severe traffic congestion during school pick-up and drop-off times. There are two schools along this section: Central Elementary School and St. Bernard’s Elementary School.

Central Elementary School previously had their pick-up and drop-off location along Parker Avenue. The recent renovation of the school added a new building along W. Eaton Avenue, and the pick-up and drop-off location was relocated to this building with the entrance along W. Eaton Avenue. Vehicles enter this school driveway from both east side and the west side along Eaton Avenue for picking up and dropping off students.

Staff conducted a field visit and observed that during pick-up times, the parent pick-up line in front of Central Elementary school extends from the school entrance to Parker Avenue in the west and Holly Drive to the east, completely blocking this segment of Eaton Avenue in both directions. This line starts forming at least thirty minutes before the scheduled pick-up time, creating a gridlock on this segment of Eaton Avenue. This condition is a hindrance for the fast and efficient movement of emergency response services along this segment of roadway.

Staff met with the Tracy Unified School District (TUSD) and confirmed that the school cannot relocate their new pick-up and drop-off location due to site limitations brought on by the recent renovations.

Staff recommends restricting the entry into the school driveway from westbound direction along Eaton Avenue to remove the traffic gridlock and provide enough gap in the roadway for emergency vehicles to pass through. This restriction will be only during school pick-up and drop-off times. Vehicles will be required to enter the main driveway right from eastbound Eaton Avenue and exit through the driveway further east during this time. Both TUSD and Saint Bernard’s Church staff believe that this recommendation will greatly improve traffic circulation in the area during school pick-up and drop-off.
By restricting the entry time, staff recommends the installation of a No Left-Turn (R3-2) Sign with a supplemental ‘School Days 7:30 – 8:30 AM 1:30- 3:30 PM’ sign, in front of the Central Elementary School main driveway, on the north side of Eaton Avenue, as shown on the attached map. This installation of an official traffic control device to regulate traffic at the intersection of a highway and driveway, meets the requirements in the California Vehicle Code 21360.

STRATEGIC PLAN

This agenda item is a routine operational item and does not relate to the Council's four strategic priorities.

FISCAL IMPACT

The cost to install appropriate signage and striping is a budgeted item within the street operating budget of the Public Works Department.

RECOMMENDATION

That the Tracy City Council authorizes the installation of a No Left-Turn (R3-2) sign, with a supplemental 'School Days 7:30- 8:30 AM 1:30- 3:30 PM' sign, in front of Central Elementary School.

AGENDA ITEM 1.H

REQUEST

APPROVE AMENDMENT NO. 2 TO THE PROFESSIONAL SERVICE AGREEMENT WITH PENNINO MANAGEMENT GROUP FOR ADDITIONAL GRANT, RESEARCH, AND FUNDING PROGRAM SERVICES TOTALING $39,019

EXECUTIVE SUMMARY

Under Resolution No. 2018-229, City Council authorized staff to submit an application for Fiscal Year 2018 Economic Development Administration Disaster Supplemental Grant (Grant) funding for the bridge replacement and expansion over the Delta Mendota Canal at Old Schulte Road and International Parkway Project. Consultant services are needed to research, prepare and submit an application for this grant funding.

The City of Tracy and Pennino Management Group (Consultant) entered into a Professional Services Agreement for Grant, Research & Funding Program Services (Agreement) on November 11, 2017 for an amount not-to-exceed $35,100 for work performed, and $6,200 for reimbursable costs as approved by City.

Under Resolution No. 2018-246, staff requested City Council to approve Amendment No. 1 (Amendment) to the Agreement in order for Consultant to complete the research, organization and production of the Final Phase II application under the FY 2018 EDA Disaster Supplement Grant Funding Program. These additional services increased compensation under the Agreement by $32,984.

Staff requests City Council approval of Amendment No. 2 to the Agreement for Consultant due to project scope expansion and extensive time and effort to complete. The additional services will increase compensation under the Agreement by $39,019.

DISCUSSION

Consultant completed the original scope of services as outlined in the Agreement and finalized an application for submission under an Economic Development Administration (EDA) Grant under Public Works & Economic Adjustment Assistance Program for a bridge replacement and expansion Project over the Delta Mendota Canal at Old Schulte Road.

An EDA Notice of Funding Opportunity (NOFO) FY 2018 Disaster Supplemental Grant Funding program was declared by the Federal Government on April 1, 2017 (DR-4308). DR-4308 offered opportunity to increase the amount of funding and expand the project scope to include a bridge replacement and widening of Old Schulte Road and International Parkway. The Consultant and staff were encouraged by the EDA Regional Representative to apply for grant funding under DR-4308 and withdraw the application previously submitted under the EDA Public Works & Economic Adjustment Assistance grant.

Council authorized staff, under Resolution No. 2018-229, to submit an application for the Fiscal Year 2018 Economic Development Administration Disaster Supplemental grant
funding for Bridge Replacement and Expansion over the Delta Mendota Canal at Old Schulte Road and International Parkway. Consultant services are needed to complete the grant application for DR-4308 program funding.

FISCAL IMPACT

The Amendment No. 2 will be funded by Prologis, L.P. and will be paid through the Cost Recovery Agreement.

COMMERCIAL AUTOMOBILE BROAD FORM ENDORSEMENT

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

To the extent that the provisions of this endorsement provide broader benefits to the "insured" than other provisions of the Coverage Form, the provisions of this endorsement apply.

1. BROAD FORM INSURED
   A. Subsidiaries and Newly Acquired or Formed Organizations
      The Named Insured shown in the Declarations is amended to include:
      (1) Any legal business entity other than a partnership or joint venture, formed as a subsidiary in which you have an ownership interest of more than 50% on the effective date of the Coverage Form. However, the Named Insured does not include any subsidiary that is an "insured" under any other automobile policy or would be an "insured" under such a policy but for its termination or the exhaustion of its Limit of Insurance.
      (2) Any organization that is acquired or formed by you and over which you maintain majority ownership. However, the Named Insured does not include any newly formed or acquired organization:
         (a) That is a partnership or joint venture,
         (b) That is an "insured" under any other policy,
         (c) That has exhausted its Limit of Insurance under any other policy, or
         (d) 180 days or more after its acquisition or formation by you, unless you have given us notice of the acquisition or formation.

      Coverage does not apply to "bodily injury" or "property damage" that results from an "accident" that occurred before you formed or acquired the organization.

   B. Employees as Insureds
      Paragraph A.1. - WHO IS AN INSURED - of SECTION II - LIABILITY COVERAGE is amended to add:
      d. Any "employee" of yours while using a covered "auto" you don't own, hire or borrow in your business or your personal affairs.

   C. Lessors as Insureds
      Paragraph A.1. - WHO IS AN INSURED - of Section II - Liability Coverage is amended to add:
      e. The lessor of a covered "auto" while the "auto" is leased to you under a written agreement if:
         (1) The agreement requires you to provide direct primary insurance for the lessor and
         (2) The "auto" is leased without a driver.

      Such a leased "auto" will be considered a covered "auto" you own and not a covered "auto" you hire.

   D. Additional Insured if Required by Contract
      (1) Paragraph A.1. - WHO IS AN INSURED - of Section II - Liability Coverage is amended to add:
      f. When you have agreed, in a written contract or written agreement, that a person or organization be added as an additional insured on your business auto policy, such person or organization is an "insured", but only to the extent such person or organization is liable for "bodily injury" or "property damage" caused by the conduct of an "insured" under paragraphs a. or b. of Who Is An Insured with regard to the ownership, maintenance or use of a covered "auto."
The insurance afforded to any such additional insured applies only if the "bodily injury" or "property damage" occurs:

1) During the policy period, and
2) Subsequent to the execution of such written contract, and
3) Prior to the expiration of the period of time that the written contract requires such insurance be provided to the additional insured.

(2) How Limits Apply
If you have agreed in a written contract or written agreement that another person or organization be added as an additional insured on your policy, the most we will pay on behalf of such additional insured is the lesser of:

a) The limits of insurance specified in the written contract or written agreement; or
b) The Limits of Insurance shown in the Declarations.

Such amount shall be a part of and not in addition to Limits of Insurance shown in the Declarations and described in this Section.

(3) Additional Insureds Other Insurance
If we cover a claim or "suit" under this Coverage Part that may also be covered by other insurance available to an additional insured, such additional insured must submit such claim or "suit" to the other insurer for defense and indemnity.

However, this provision does not apply to the extent that you have agreed in a written contract or written agreement that this insurance is primary and non-contributory with the additional insured's own insurance.

(4) Duties in The Event Of Accident, Claim, Suit or Loss
If you have agreed in a written contract or written agreement that another person or organization be added as an additional insured on your policy, the additional insured shall be required to comply with the provisions in LOSS CONDITIONS 2. - DUTIES IN THE EVENT OF ACCIDENT, CLAIM, SUIT OR LOSS – OF SECTION IV – BUSINESS AUTO CONDITIONS, in the same manner as the Named Insured.

E. Primary and Non-Contributory if Required by Contract
Only with respect to insurance provided to an additional insured in 1.D. - Additional Insured If Required by Contract, the following provisions apply:

(3) Primary Insurance When Required By Contract
This insurance is primary if you have agreed in a written contract or written agreement that this insurance be primary. If other insurance is also primary, we will share with all that other insurance by the method described in Other Insurance 5.d.

(4) Primary And Non-Contributory To Other Insurance When Required By Contract
If you have agreed in a written contract or written agreement that this insurance is primary and non-contributory with the additional insured's own insurance, this insurance is primary and we will not seek contribution from that other insurance.

Paragraphs (3) and (4) do not apply to other insurance to which the additional insured has been added as an additional insured.

When this insurance is excess, we will have no duty to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, by the method described in Other Insurance 5.d.

2. AUTOS RENTED BY EMPLOYEES
Any "auto" hired or rented by your "employee" on your behalf and at your direction will be considered an "auto" you hire.

The OTHER INSURANCE Condition is amended by adding the following:
If an "employee's" personal insurance also applies on an excess basis to a covered "auto" hired or rented by your "employee" on your behalf and at your direction, this insurance will be primary to the "employee's" personal insurance.

3. AMENDED FELLOW EMPLOYEE EXCLUSION
EXCLUSION 5. - FELLOW EMPLOYEE - of SECTION II - LIABILITY COVERAGE does not apply if you have workers' compensation insurance in-force covering all of your "employees". Coverage is excess over any other collectible insurance.

4. HIRED AUTO PHYSICAL DAMAGE COVERAGE
If hired "autos" are covered "autos" for Liability Coverage and if Comprehensive, Specified Causes of Loss, or Collision coverages are provided under this Coverage Form for any "auto" you own, then the Physical Damage Coverages provided are extended to "autos" you hire or borrow, subject to the following limit.

The most we will pay for "loss" to any hired "auto" is:
1) $100,000;
2) The actual cash value of the damaged or stolen property at the time of the "loss"; or
3) The cost of repairing or replacing the damaged or stolen property, whichever is smallest, minus a deductible. The deductible will be equal to the largest deductible applicable to any owned "auto" for that coverage. No deductible applies to "loss" caused by fire or lightning. Hired Auto Physical Damage coverage is excess over any other collectible insurance. Subject to the above limit, deductible and excess provisions, we will provide coverage equal to the broadest coverage applicable to any covered "auto" you own.

We will also cover loss of use of the hired "auto" if it results from an "accident", you are legally liable and the lessor incurs an actual financial loss, subject to a maximum of $1000 per "accident".

This extension of coverage does not apply to any "auto" you hire or borrow from any of your "employees", partners (if you are a partnership), members (if you are a limited liability company), or members of their households.

5. PHYSICAL DAMAGE - ADDITIONAL TEMPORARY TRANSPORTATION EXPENSE COVERAGE
Paragraph A.4.a. of SECTION III - PHYSICAL DAMAGE COVERAGE is amended to provide a limit of $50 per day and a maximum limit of $1,000.

6. LOAN/LEASE GAP COVERAGE
Under SECTION III - PHYSICAL DAMAGE COVERAGE, in the event of a total "loss" to a covered "auto", we will pay your additional legal obligation for any difference between the actual cash value of the "auto" at the time of the "loss" and the "outstanding balance" of the loan/lease. "Outstanding balance" means the amount you owe on the loan/lease at the time of "loss" less any amounts representing taxes; overdue payments; penalties, interest or charges resulting from overdue payments; additional mileage charges; excess wear and tear charges; lease termination fees; security deposits not returned by the lessor; costs for extended warranties, credit life Insurance, health, accident or disability insurance purchased with the loan or lease; and carry-over balances from previous loans or leases.

7. AIRBAG COVERAGE
Under Paragraph B. EXCLUSIONS - of SECTION III - PHYSICAL DAMAGE COVERAGE, the following is added:
The exclusion relating to mechanical breakdown does not apply to the accidental discharge of an airbag.

8. ELECTRONIC EQUIPMENT - BROADENED COVERAGE
a. The exceptions to Paragraphs B.4 - EXCLUSIONS - of SECTION III - PHYSICAL DAMAGE COVERAGE are replaced by the following:

Exclusions 4.c. and 4.d. do not apply to equipment designed to be operated solely by use of the power from the "auto's" electrical system that, at the time of "loss", is:
1) Permanently installed in or upon the covered "auto";
2) Removable from a housing unit which is permanently installed in or upon the covered "auto";
3) An integral part of the same unit housing any electronic equipment described in Paragraphs (1) and (2) above; or
(4) Necessary for the normal operation of the covered "auto" or the monitoring of the covered "auto's" operating system.

b. Section III – Version CA 00 01 03 10 of the Business Auto Coverage Form, Physical Damage Coverage, Limit of Insurance, Paragraph C.2 and Version CA 00 01 10 01 of the Business Auto Coverage Form, Physical Damage Coverage, Limit of Insurance, Paragraph C are each amended to add the following:

$1,500 is the most we will pay for "loss" in any one "accident" to all electronic equipment (other than equipment designed solely for the reproduction of sound, and accessories used with such equipment) that reproduces, receives or transmits audio, visual or data signals which, at the time of "loss", is:

1) Permanently installed in or upon the covered "auto" in a housing, opening or other location that is not normally used by the "auto" manufacturer for the installation of such equipment;

2) Removable from a permanently installed housing unit as described in Paragraph 2.a. above or is an integral part of that equipment; or

3) An integral part of such equipment.

c. For each covered "auto", should loss be limited to electronic equipment only, our obligation to pay for, repair, return or replace damaged or stolen electronic equipment will be reduced by the applicable deductible shown in the Declarations, or $250, whichever deductible is less.

9. EXTRA EXPENSE - BROADENED COVERAGE

Under Paragraph A. - COVERAGE - of SECTION III - PHYSICAL DAMAGE COVERAGE, we will pay for the expense of returning a stolen covered "auto" to you.

10. GLASS REPAIR - WAIVER OF DEDUCTIBLE

Under Paragraph D. - DEDUCTIBLE - of SECTION III - PHYSICAL DAMAGE COVERAGE, the following is added:

No deductible applies to glass damage if the glass is repaired rather than replaced.

11. TWO OR MORE DEDUCTIBLES

Under Paragraph D. - DEDUCTIBLE - of SECTION III - PHYSICAL DAMAGE COVERAGE, the following is added:

If another Hartford Financial Services Group, Inc. company policy or coverage form that is not an automobile policy or coverage form applies to the same "accident", the following applies:

1) If the deductible under this Business Auto Coverage Form is the smaller (or smallest) deductible, it will be waived;

2) If the deductible under this Business Auto Coverage Form is not the smaller (or smallest) deductible, it will be reduced by the amount of the smaller (or smallest) deductible.

12. AMENDED DUTIES IN THE EVENT OF ACCIDENT, CLAIM, SUIT OR LOSS

The requirement in LOSS CONDITIONS 2.a. - DUTIES IN THE EVENT OF ACCIDENT, CLAIM, SUIT OR LOSS - of SECTION IV - BUSINESS AUTO CONDITIONS that you must notify us of an "accident" applies only when the "accident" is known to:

1) You, if you are an individual;

2) A partner, if you are a partnership;

3) A member, if you are a limited liability company; or

4) An executive officer or insurance manager, if you are a corporation.

13. UNINTENTIONAL FAILURE TO DISCLOSE HAZARDS

If you unintentionally fail to disclose any hazards existing at the inception date of your policy, we will not deny coverage under this Coverage Form because of such failure.

14. HIRED AUTO - COVERAGE TERRITORY

Paragraph e. of GENERAL CONDITIONS 7. - POLICY PERIOD, COVERAGE TERRITORY - of SECTION IV - BUSINESS AUTO CONDITIONS is replaced by the following:

e. For short-term hired "autos", the coverage territory with respect to Liability Coverage is anywhere in the world provided that if the "insured's" responsibility to pay damages for "bodily injury" or "property damage" is determined in a "suit," the "suit" is brought in the United States of America, the territories and possessions of the United States of America, Puerto Rico or Canada or in a settlement we agree to.

15. WAIVER OF SUBROGATION

TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US - of SECTION IV - BUSINESS AUTO CONDITIONS is amended by adding the following:
We waive any right of recovery we may have against any person or organization with whom you have a written contract that requires such waiver because of payments we make for damages under this Coverage Form.

16. RESULTANT MENTAL ANGUISH COVERAGE
The definition of "bodily injury" in SECTION V-DEFINITIONS is replaced by the following:
"Bodily injury" means bodily injury, sickness or disease sustained by any person, including mental anguish or death resulting from any of these.

17. EXTENDED CANCELLATION CONDITION
Paragraph 2. of the COMMON POLICY CONDITIONS - CANCELLATION - applies except as follows:
If we cancel for any reason other than nonpayment of premium, we will mail or deliver to the first Named Insured written notice of cancellation at least 60 days before the effective date of cancellation.

18. HYBRID, ELECTRIC, OR NATURAL GAS VEHICLE PAYMENT COVERAGE
In the event of a total loss to a "non-hybrid" auto for which Comprehensive, Specified Causes of Loss, or Collision coverages are provided under this Coverage Form, then such Physical Damage Coverages are amended as follows:

a. If the auto is replaced with a "hybrid" auto or an auto powered solely by electricity or natural gas, we will pay an additional 10%, to a maximum of $2,500, of the "non-hybrid" auto's actual cash value or replacement cost, whichever is less.

b. The auto must be replaced and a copy of a bill of sale or new lease agreement received by us within 60 calendar days of the date of "loss."

c. Regardless of the number of autos deemed a total loss, the most we will pay under this Hybrid, Electric, or Natural Gas Vehicle Payment Coverage provision for any one "loss" is $10,000.

For the purposes of the coverage provision,
a. A "non-hybrid" auto is defined as an auto that uses only an internal combustion engine to move the auto but does not include autos powered solely by electricity or natural gas.

b. A "hybrid" auto is defined as an auto with an internal combustion engine and one or more electric motors; and that uses the internal combustion engine and one or more electric motors to move the auto, or the internal combustion engine to charge one or more electric motors, which move the auto.

19. VEHICLE WRAP COVERAGE
In the event of a total loss to an "auto" for which Comprehensive, Specified Causes of Loss, or Collision coverages are provided under this Coverage Form, then such Physical Damage Coverages are amended to add the following:

In addition to the actual cash value of the "auto", we will pay up to $1,000 for vinyl vehicle wraps which are displayed on the covered "auto" at the time of total loss. Regardless of the number of autos deemed a total loss, the most we will pay under this Vehicle Wrap Coverage provision for any one "loss" is $5,000. For purposes of this coverage provision, signs or other graphics painted or magnetically affixed to the vehicle are not considered vehicle wraps.

c. When this insurance is excess, we will have no duty under the liability coverage provided by this policy to defend any insured against any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to any insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

(2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this policy.

d. **Method Of Sharing**

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

### I. PREMIUMS

1. The first Named Insured shown in the Declarations:
   a. Is responsible for the payment of all premiums; and
   b. Will be the payee for any return premiums we pay.

2. The premium shown in the Declarations was computed based on rates in effect at the time the policy was issued. On each renewal of this policy, we will compute the premium in accordance with our rates and rules then in effect.

3. Undeclared exposures or changes in your business operation and acquisition or use of locations may occur during the policy period that are not shown in the Declarations. If so, we may require an additional premium. That premium will be determined in accordance with our rates and rules in effect at the inception of such policy.

### J. PREMIUM AUDIT

1. We have the right but are not obligated to audit this policy. The first Named Insured must keep records of the information we need for premium computation, and send us copies of those records at such times as we may request.

2. If we do audit your policy, at the close of that audit period, we will compute the earned premium for that period and the final premium due based upon your actual exposures.

3. We will send notice to the first Named Insured after the audit has been completed. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
K. TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

1. Applicable to Businessowners Property Coverage:
   If any person or organization to or for whom we make payment under this policy has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:
   a. Prior to a loss to your Covered Property.
   b. After a loss to your Covered Property only if, at time of loss, that party is one of the following:
      (1) Someone insured by this insurance;
      (2) A business firm:
          (a) Owned or controlled by you; or
          (b) That owns or controls you; or
      (3) Your tenant, but only with our written consent.
   You may also accept the usual bills of lading or shipping receipts limiting the liability of carriers.
   This will not restrict your insurance.

2. Applicable to Businessowners Liability Coverage:
   If the insured has rights to recover all or part of any payment we have made under this policy, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them. This condition does not apply to Medical Payments Coverage.
   HOWEVER, in the event of any payment under this policy, we waive our right of recovery or subrogation against any person or organization with respect to which you have waived your right of recovery or subrogation in writing and prior to a loss.

L. TRANSFER OF YOUR RIGHTS AND DUTIES UNDER THIS POLICY

1. Your rights and duties under this policy may not be transferred without our written consent except in the case of death of an individual Named Insured.

2. If you die, your rights and duties will be transferred to your legal representative but only while acting within the scope of duties as your legal representative. Until your legal representative is appointed, anyone having proper temporary custody of your property will have your rights and duties but only with respect to that property.

All terms and conditions of this policy apply unless modified by this endorsement.

2. EMPLOYEES AS INSURED

SECTION II - LIABILITY COVERAGE, paragraph A.1. - WHO IS AN INSURED is amended to include the following as an insured:

However, such person or organization is an "insured":

(1) Only with respect to the operation, maintenance or use of a covered "auto";

(2) Only for "bodily injury" or "property damage" caused by an "accident" which takes place after you executed the written contract or agreement, or the permit has been issued to you; and

(4) All reasonable expenses incurred by the insured at our request, including actual loss of earnings up to $500 a day because of time off from work.

5. AMENDED FELLOW EMPLOYEE EXCLUSION

In those jurisdictions where, by law, fellow employees are not entitled to the protection afforded to the employer by the workers compensation exclusivity rule, or similar protection, the following provision is added:

SECTION II - LIABILITY, exclusion B.5. FELLOW EMPLOYEE does not apply if the "bodily injury" results from the use of a covered "auto" you own or hire.

SECTION III - PHYSICAL DAMAGE COVERAGE is amended as follows:

6. HIRED AUTO PHYSICAL DAMAGE

Paragraph A.4. Coverage Extensions of SECTION III - PHYSICAL DAMAGE COVERAGE, is amended by adding the following:

If hired "autos" are covered "autos" for Liability Coverage, and if Comprehensive, Specified Causes of Loss or Collision coverage are provided under the Business Auto Coverage Form for any "auto" you own, then the Physical Damage coverages provided are extended to "autos":

a. You hire, rent or borrow; or
b. Your "employee" hires or rents under a written contract or agreement in that "employee's" name, but only if the damage occurs while the vehicle is being used in the conduct of your business, subject to the following limit and deductible:

A. The most we will pay for "loss" in any one "accident" or "loss" is the smallest of:
   1) $50,000; or
   2) The actual cash value of the damaged or stolen property as of the time of the "loss"; or
   3) The cost of repairing or replacing the damaged or stolen property with other property of like kind and quality, minus a deductible.

B. The deductible will be equal to the largest deductible applicable to any owned "auto" for that coverage.

C. Subject to the limit, deductible and excess provisions described in this provision, we will provide coverage equal to the broadest coverage applicable to any covered "auto" you own.

D. Subject to a maximum of $1,000 per "accident", we will also cover the actual loss of use of the hired "auto" if it results from an "accident", you are legally liable and the lessor incurs an actual financial loss.

E. This coverage extension does not apply to:
   1) Any "auto" that is hired, rented or borrowed with a driver; or
   2) Any "auto" that is hired, rented or borrowed from your "employee".

For the purposes of this provision, SECTION V - DEFINITIONS is amended by adding the following:

a. We will pay up to $75 per day for rental reimbursement expenses incurred by you for the rental of an "auto" because of "accident" or "loss", to an "auto" for which we also pay a "loss" under Comprehensive, Specified Causes of Loss or Collision Coverages. We will pay only for those expenses incurred after the first 24 hours following the "accident" or "loss" to the covered "auto."

b. Rental Reimbursement will be based on the rental of a comparable vehicle, which in many cases may be substantially less than $75 per day, and will only be allowed for the period of time it should take to repair or replace the vehicle with reasonable speed and similar quality, up to a maximum of 30 days.

c. We will also pay up to $500 for reasonable and necessary expenses incurred by you to remove and replace your tools and equipment from the covered "auto."

d. This coverage does not apply unless you have a business necessity that other "autos" available for your use and operation cannot fill.

13. AUDIO, VISUAL AND DATA ELECTRONIC EQUIPMENT COVERAGE

SECTION III - PHYSICAL DAMAGE COVERAGE, B. EXCLUSIONS, exception paragraph a. to exclusions 4.c. and 4.d. is deleted and replaced with the following:
Exclusion 4.c. and 4.d. do not apply to:

a. Electronic equipment that receives or transmits audio, visual or data signals, whether or not designed solely for the reproduction of sound, if the equipment is permanently installed in the covered "auto" at the time of the "loss" and such equipment is designed to be solely operated by use of the power from the "auto's" electrical system, in or upon the covered "auto" and physical damage coverages are provided for the covered "auto"; or

RE: Change Order Request No. 2, Professional Services Agreement, Pennino Management Group

Dear Mr. Malik,

I am requesting Amendment No. 2 to our Professional Services Agreement in the amount of twenty eight thousand five hundred ninety nine dollars and ten cents ($28,599.10) to provide for payment due of our current agreement and continuing funding ($20,000) to complete the research, organization and producing the final Phase II application under the FY 2018 EDA Disaster Supplemental Notice of Funding Opportunity (NOFO). This request is based on the projected total of 140 hours to complete the required work for the application and its submission to the Economic Development Administration.

The current Professional Services Agreement dated 11/07/2017 was approved for the preparation of a grant request under the EDA “Public Works and Economic Adjustment Assistance Programs.” That grant proposal was completed by Pennino Management Group in May 2018 and submitted to the EDA. The project subject of the grant proposal was expansion of the Old Schulte Road Bridge and Connecting Roads, estimated at six million dollars ($6,000,000) with a request for a fifty percent (50%) grant from EDA.

The basis for Amendment No. 1 was;

Following submission Mr. Wilfred Marshall, EDA Area Representative, recommended that the prior request be rescinded, and the City of Tracy pursue a larger grant from the “FY 2018 EDA Disaster Supplemental Notice of Funding Opportunity (NOFO)” as published April 10, 2018. The grant could provide greater funding if the City meets the requirements. The City was encouraged to pursue the Disaster Recovery Investment Grant.

At the time of approval for Amendment No. 1 it was anticipated that the additional funding of $32,983.69 was needed to cover over expenditures from the base Agreement and an additional $18,000 to complete the application.
The basis for the Amendment No. 2 is;

1. The defined project has been expanded to include the expansion/replacement of two bridges on the Delta Mendota Canal at the crossings of Old Schulte Road and International Parkway, both critical choke points.

2. The City of Tracy and PMG continue to discuss qualifying the required Nexus Narrative to establish and maintain eligibility.

3. The Disaster Relief Grant Application NOFO required extensive time to review and identify task responsibility for City, Prologis and design consultants. Change in staff responsibilities of both the City of Tracy and Prologis expanded the PMG participation.

4. Organization and Facilitation of the application components has continued to demand more time and effort in the process on the part of PMG than was budgeted for in the Base Agreement and Amendment No. 1.

5. PMG had to assume the responsibility for research and composition of the required Environmental Narrative which required approximately 60 hours of Principal time plus support staff (20 hr.) to organize and input the document. This resulted in a 22-page document in addition to Exhibits.

There remains a significant amount of work to be concluded prior to compiling the EDA Application. This effort includes, in part;

1. Conclude Design and Review/Approval of Project Construction Budget.

2. Final private sector economic investment commitment and economic impact analysis.

3. Complete overall Project Budget and required Project Budget Narrative.

4. Provide letters of support from area Congressional representatives.

5. Complete funding basis for (50%) of Project Costs to be certified by the grant recipient, City of Tracy.

6. Review and execute all required assurances, City of Tracy.

As the information is satisfactorily completed, PMG will assume responsibility to input and final the composite of the Application and the required attachments.

I have estimated a total 140 hours for both the principal and support staff required to complete the Phase II application.

The objective remains to have the application to the City Council within ninety (90) days for formal approval, i.e. funding commitment, and submission to EDA on behalf of the City of Tracy. The application request is for a fifty percent (50%) matching funding of the fifteen million seven hundred eighty-four thousand dollar ($15,784,000) two bridge project.
The City of Tracy commitment for the matching share is seven million eight hundred ninety-two thousand dollars ($7,892,000).

It is the current understanding that two million dollars ($2,000,000) will come from Measure K and the balance from Prologis utilizing Transportation Fee Credits.

PMG is requesting authority to proceed on a continuing basis while the Amendment No. 2 is in consideration for approval.

I am available to discuss this request at your convenience.

Sincerely,

Michael E. Locke

No change shall be made to the Scope of Work unless authorized in writing by the City Engineer. The Subdivider may submit a written request to the City Engineer for a change in the Scope of Work, as authorized by Tracy Municipal Code section 12.36.060(f).

The Subdivider shall perform all Work at the locations and grades shown on the Plans and Specifications. The Subdivider (a) has acquired any necessary easement or right-of-way or (b) has entered into a separate Agreement with the City to acquire the necessary easement or right-of-way at the Subdivider’s expense.

2. Time of Performance. Time is of the essence in the performance of the Work, and the timing requirements set forth here shall be strictly adhered to unless otherwise modified in writing in accordance with this Agreement. The Subdivider shall submit all requests for extensions of time to the City, in writing, no later than ten days after the start of the condition that purportedly caused the delay, and not later than the date on which performance is due.

The Subdivider shall not begin Work until after the notice required by this section is properly provided, and the Subdivider shall not begin Work before the date specified in the written notice.

2.2 Schedule of Work. Concurrently with the written notice of beginning of Work, the Subdivider shall provide the City with a written schedule of Work, which shall be updated in writing as necessary to accurately reflect the Subdivider’s prosecution of the Work.

2.3 Completion of Work. The Subdivider shall complete all Work by no later than 365 days after the City’s execution of this Agreement.

The Subdivider shall obtain a slope easement from owner(s) of the adjacent and affected property(s) and show the slope easement on the Final Map. The Grading and Storm Drainage Plans must show the extent of the slope easement(s). The Subdivider shall be responsible for obtaining permission from owner(s) of the adjacent and affected property(s). The slope easement must be recorded, prior to the issuance of the final building certificate of occupancy.

The City’s responsibility to maintain on the sewer lateral is from the wye fitting to the point of connection with the sewer main.

b. The Developer is hereby notified that the City has limited wastewater treatment capacity in the City’s Wastewater Treatment Plant until current and future expansion capital improvement projects are completed and operational. As of January 2015, the City had an unused capacity of approximately 4200 EDU’s within its wastewater treatment plant available to new development within the City on a first come-first served basis. These EDU’s are currently available to serve the proposed project, but as other development projects within the City come forward and building permits are issued, this remaining capacity will be reduced.
C.5.3. Water System Facilities

According to the CRTMP (Fig. 5.1 – Roadway Improvement Cross Section Responsibility per Frontage Policy), the Subdivider is responsible to design and construct the outside travel lane (plus shoulder) and improvements behind the curb up to the property line. Any left-turn and right-turn lane(s) along the Property’s frontage at the access points on Byron Road that are provided and are necessary to meet access spacing requirements are considered to be site specific offsite improvements and they are Subdivider’s responsibility to design and construct without any reimbursement from the City.

b. Right-of-Way on Byron Road – The Subdivider shall dedicate minimum 15 feet (25 feet if the wall is staggered to match existing layout to the west) of right-of-way along the entire frontage of the Property on Byron Road. The Subdivider shall execute a Grant Deed to convey the land in fee title or dedicate the right-of-way on the Final Map.

Due to the right-of-way constraints on the north side of Byron Road along the UPRR right-of-way, the City intends to undertake a traffic analysis in the future to determine the ultimate configuration of traffic lanes on Byron Road and, if required, the City will amend the CRTMP based on the findings of the traffic analysis.

c. Berg Road and Other In-tract Streets. The Subdivider shall dedicate all rights-of-way that are necessary to construct Berg Road and all the in-tract streets based on their respective cross sections shown on the VTM. The width of travel lanes, landscaping strip and sidewalk shall be in accordance with the City Standards.

d. Emergency Vehicle Access Easement (EVA). A minimum 20-foot wide Emergency Vehicle Access shall be provided to ensure emergency access to Byron Road. The Subdivider and City shall enter into an EVA Agreement prior to the start of construction. This agreement will address access across private property and maintenance responsibilities. The Subdivider shall submit improvement plans for any improvements required by the Police and Fire Departments. The Subdivider shall obtain any permits and/or easements that may be required for construction and use of the EVA.
e. **Frontage Improvements on Byron Road** – The Subdivider shall design and construct all roadway improvements on Byron Road that are necessary to provide safe and functional access to the Project, as described by the Technical Memorandum prepared by TJKM, dated January 21, 2016 (Traffic Report), and as required by these Conditions of Approval and as approved by the City Engineer. The Traffic Report is on file with the Office of the City Engineer and is available for review upon request.

Design and construction of Roadway Improvements shall be completed by the Subdivider, prior to final inspection of the first building to be constructed within the Property.

All roadway improvements described in these Conditions of Approval must be designed and constructed by the Subdivider to meet the applicable requirements of the latest edition of the California Department of Transportation Highway Design Manual (HDM) and the California Manual of Uniform Traffic Control Devices (MUTCD), all applicable City Regulations, and these Conditions of Approval, prior to final inspection of the first building to be constructed within the Property.

2. The masonry wall along the Project's frontage on Byron Road is considered a public improvement which will be maintained by the City’s Landscape Maintenance District (TLMD). The masonry wall including its column and wall footings shall be constructed within the area that will be dedicated to the City with the first final map. The masonry wall shall be designed and constructed in accordance with City Regulations.

3. Landscaping improvements along Byron Road shall be installed with an automatic irrigation system (Motorola Controller) as approved by the City Engineer, and shall be completed by the Subdivider, prior to the final inspection of the first residential building to be constructed within the
Property (excluding model homes). Irrigation and Landscape Plans shall be signed and stamped by a registered Landscape Architect licensed to practice in the State of California. The species and size of street trees to be planted on Byron Road, Berg Road, and within the Property shall be per City Regulations, or as provided by the City Engineer.

f. The City will assume responsibility to maintain the public improvements and accept the offer of dedication for right-of-way on Byron Road after the City Council accepts the public improvements.

g. The City Engineer has made a determination that a traffic signal at the intersection of Byron Road and Berg Road will be required in the future when Byron Road is widened per the Roadway Master Plan. City will collect funds from future developments benefiting from the traffic signal, and install the signal when the traffic signal warrants are met. At the time of issuance of building permit, the Subdivider shall pay to the city $555.00 per unit towards its fair share cost of the traffic signal at the intersection of Byron Road and Berg Road to be installed by the City.

h. All traffic control devices and appurtenances, including stop sign, street name sign, pavement legend, and pavement marking and striping shall be installed in accordance with City Regulations and a detailed signing and striping plan approved by the City Engineer.

i. LED Street lights shall be installed in accordance with City Regulations and at locations approved by the City Engineer. As part of the Improvement Plans, a street lighting plan that shows the LED street lights, conduits, wires and electrical connection to PG&E facility including all pertinent construct details. A Photometric Plan must be submitted for City's review and approval.

j. A standard barricade and guardrail with appropriate traffic sign will be required at the east end of Berg Road at south end of the Project boundary. The space behind the barricade shall be paved to prevent growth of weeds and provide easier access for removing accumulated debris. To prevent street runoff from draining to adjacent property(s), a concrete curb shall be installed through the entire width of the pavement or curb-to-curb. Asphalt concrete berm or curb is an acceptable alternative solution.

k. The Subdivider shall coordinate with the Tracy Post Master for location of, and installation (by the Subdivider) of, cluster type mailbox units. Design and construction criteria shall be in accordance with City requirements. The US Postal
Services is responsible for repairing and maintaining all cluster mailboxes located within City’s right-of-way.

1. Prior to recordation of any final map within the Project, the Subdivider shall coordinate with the City and the School District(s) regarding vehicular and pedestrian access to schools from this residential development. The Subdivider shall submit plans to the City showing pedestrian routes, facilities for bus transportation and bike paths for approval by the City.

C.5.5. Joint Utility Trench Plans – All existing utilities along the frontage of the Project on Byron Road shall be placed in an underground facility. No fee credits or reimbursements shall be applicable for utility undergrounding or pole relocations.

a. Subdivider shall prepare joint trench plans in compliance with utility companies’ requirements and City regulations, and obtain approval of the plans. All private utility services to serve Project such as electric, telephone and cable TV to the building must be installed underground, and to be installed at the location approved by the respective owner(s) of the utilities. The Subdivider shall submit Joint Utility Trench Plans for the installation of electric, gas, telephone and TV cable main and service lines that are necessary to be installed to serve the Project. These utilities shall be installed within the 10-feet wide Public Utility Easement (PUE) that will be offered for dedication to the City. The Subdivider shall coordinate, as feasible, with the respective owner(s) of the utilities for the design of these underground utilities to ensure they can be installed within the 10-feet wide PUE to the extent feasible (and except in the event, that additional space beyond the 10-feet PUE is required, as determined by the utilities owner(s)).

b. Pavement cuts or utility trench(s) on existing street(s) for the installation of water distribution main, storm drain, sewer line, electric, gas, cable TV, and telephone will require the application of 2” asphalt concrete overlay and replacement of pavement striping and marking that are disturbed during construction. The limits of asphalt concrete overlay shall be 25 feet from both sides of the trench, and shall extend over the entire width of the adjacent travel lane(s) if pavement excavation encroaches to the adjacent travel lane or up to the street centerline or the median curb. If the utility trench extends beyond the street centerline, the asphalt concrete overlay shall be applied over the entire width of the street (to the lip of gutter or edge of pavement, whichever applies). This pavement repair requirement is applicable when cuts or trenches are perpendicular to the street direction; when the new joint trench is placed in the street parallel to the street...
direction; the width of overlay is to be the width of the affected lane.

C.6. **Building Permit** No building permit within the Project boundaries will be approved by the City until the Subdivider demonstrates, to the satisfaction of the City Engineer, compliance with all required Conditions of Approval, including, but not limited to, the following:

AGENDA ITEM 1.L

REQUEST

APPROVE THE INTERIM RENEWAL CONTRACT BETWEEN THE UNITED STATES BUREAU OF RECLAMATION AND THE CITY FOR PROVIDING CENTRAL VALLEY PROJECT WATER SERVICE EFFECTIVE MARCH 1, 2020, THROUGH FEBRUARY 28, 2022, AND AUTHORIZE THE CITY MANAGER TO EXECUTE THE CONTRACT AND OTHER AGREEMENTS WITH THE BUREAU OF RECLAMATION FOR VARIOUS OPERATIONAL FUNCTIONS RELATED TO THE CENTRAL VALLEY PROJECT

EXECUTIVE SUMMARY

The City receives water from the Central Valley Project (CVP) through the United States Bureau of Reclamation (USBR) as part of the City’s water portfolio. The original 1974 contract with USBR for delivery of 10,000 acre-feet of water expired in December 2013. During 2004, the City acquired additional water contract assignments from various irrigation districts with the Bureau’s authorization bringing the total contracted water amount up to 20,000 acre feet. After expiration of the original agreement in 2013, the City and USBR had entered into interim renewal contracts several times. Since the long-term contract for 20,000 acre feet of CVP water has not been finalized and negotiations under the WIIN Act are ongoing, another interim renewal contract needs to be entered into between the City and USBR. The current interim contract expires at the end of February, 2020. The proposed interim renewal contract will be effective from March 1, 2020, through February 28, 2022.

In addition, the Bureau has requested a resolution that authorizes the City Manager, or its designee, to execute agreements for a variety of operational functions including purchase, transfer and sale of Bureau water, placing of water into the Semitropic Water Storage District and return of banked water to Tracy.

This agenda item requests that Council authorize the City Manager to execute the interim renewal contract and also authorize the City Manager, or designee, to execute agreements related to various operational functions with the Bureau.

DISCUSSION

In 1974, the City entered into a long-term contract with the Bureau for water service from the Delta-Mendota Canal. This contract was for delivery of 10,000 acre-feet of water per year and expired on December 30, 2013.

In 2004, the Bureau authorized contract assignments between the City and the Banta Carbona Irrigation District (BCID), and the City and the West Side Irrigation District (WSID). The contract assignments provided for delivery of 7,500 acre-feet of water per year (5,000 acre-feet from the BCID contract and 2,500 acre-feet from the WSID contract) from the Delta-Mendota Canal. The City exercised its option with WSID in 2014. The Bureau and the City have also agreed to combine these for a combined interim renewal contract in the amount of 20,000 acre-feet of water.
The City and the Bureau have been negotiating a new long-term renewal contract under the provisions of the WIIN Act. After completion of negotiations, the Bureau will enter into a long-term renewal contract. The current draft contract does not have a termination date and would continue as long as water is available and delivered.

The Bureau has determined that the City has fulfilled all of its obligations under the existing contract and the Bureau intends to assure uninterrupted water service and continuity of the contract in accordance with the terms of the contract.

The Bureau has prepared the Interim Renewal Contract for execution by the City. This interim renewal contract has a term effective from March 1, 2020, through February 28, 2022.

In addition, the Bureau has requested a resolution that authorizes the City Manager, or its designee, to execute a variety of operational functions including purchase, transfer and sale of bureau water, placing of water into the Semitropic Water Storage District and return of banked water to Tracy. This agenda item requests that Council authorize the City Manager to execute the interim renewal contract and other agreements related to a variety of operational and administrative functions with the United States Bureau of Reclamation.

**STRATEGIC PLAN**

This agenda item is a routine operational item and does not relate to the Council’s Strategic Plans.

**ENVIRONMENTAL REVIEW**

Approval of this contract is categorically exempt from further environmental review pursuant to California Environmental Quality Act (CEQA) Guidelines Section 15301 (b) for existing public facilities.

**FISCAL IMPACT**

Water purchases are budgeted annually in the Water Fund. The cost of the water is set by the Bureau every five years independently of the interim renewal contract.

**RECOMMENDATION**

That the City Council, by resolution, approve the Interim Renewal Contract No. 14-06-200-7858A-IR4 between the United States Bureau of Reclamation and the City of Tracy providing for Central Valley Project Water Service and authorize the City Manager to execute the contract and other agreements with the Bureau regarding operational issues.

ADOPT REVISED CITY COUNCIL POLICY ON FILLING CITY COUNCIL VACANCIES TO APPOINT NEXT HIGHEST VOTE-GETTER TO FILL COUNCIL VACANCY CREATED WITHIN FIRST YEAR OF THE POSITION’S TERM AND UTILIZE CURRENT APPOINTMENT SELECTION PROCESS FOR OTHER VACANCIES

EXECUTIVE SUMMARY

The 2019 San Joaquin Grand Jury Report (Case No. 0418) recommended that the Council consider amending its appointment policy for filling City Council vacancies to appoint the next highest vote-getter. On December 3, 2019, Council discussed amending the Council’s policy in response to the Grand Jury’s recommendation and directed staff to amend the policy to appoint the next highest vote-getter to fill a council vacancy created during the first year of the position’s term. A vacancy created after the first year of the position’s term would be filled through the current appointment selection process, which includes an interview process before Council.

DISCUSSION

The 2019 San Joaquin Grand Jury Report (Case No. 0418) on the Council made several recommendations for the Council to consider implementing, one of which was giving the “Tracy voters more control over Council vacancy appointments.” The Grand Jury found that the Council’s use of its appointment process to fill Council vacancies had “fostered loyalty, allegiance, and personal obligation by appointed Council members and has resulted in consistent voting blocs and facilitated divisiveness amongst the Council members.” Additionally, the Grand Jury found that the current adopted appointment process does not take into account the “will of the voters” and is a process that has not been endorsed by the City’s voters. The Council’s current policy was adopted in 2017 via Resolution No. 2017-001 (Attachment A).

The Grand Jury recommended that the Council amend the City’s Council vacancy filling policy to automatically appoint the “next highest vote-getter” from the previous election, who would thereby serve out the remainder of the vacant Council seat’s term. The Grand Jury recommended that this action take place by December 31, 2019.

On December 3, 2019, Council discussed the Grand Jury’s recommendation and discussed potential amendments to the Council’s policy on filling council vacancies and directed staff to amend the policy to appoint the “next highest vote-getter” to fill a vacancy created during the first year of the vacant position’s term. Any vacancy occurring more than a year into the vacant position’s term would be filled through the previously established appointment process. (Attachment B - new text is shaded). All other terms of the City’s current policy will remain including Council’s right to dispense with their policy and call for a special election.
STRATEGIC PLAN

This agenda item is a routine operational item and does not relate to the Council’s four strategic priorities.

FISCAL IMPACT

Costs associated with implementing this policy are included within the City Clerk’s existing operating budget.

RECOMMENDATION

That Council adopt, by resolution, a revised Council Policy on Filling City Council Vacancies and repeal Resolution No. 2017-001.

MAYOR

CITY CLERK
CITY COUNCIL POLICY ON FILLING
CITY COUNCIL VACANCIES

I. BACKGROUND

The process for filling City Council vacancies (other than for an elective Mayor) is set forth in Government Code section 36512(b), which provides that:

If a vacancy occurs in an elective office provided for in this chapter, the City Council shall, within 60 days from the commencement of the vacancy, either fill the vacancy by appointment or call a special election to fill the vacancy. The special election shall be held on the next regularly established election date not less than 114 days from the call of the special election. A person appointed or elected to fill a vacancy holds office for the unexpired term of the former incumbent.

State law does not prescribe any procedure for selection of appointees. Therefore, the City Council may choose any selection method it desires.

II. POLICY

The following procedures will be used by the City Council to fill a City Council vacancy if the City Council chooses to fill such a vacancy by appointment rather than by special election:

A. Schedule

At the earliest possible time after a vacancy occurs, the City Council shall adopt a time schedule:

1. Setting a time and date by which any qualified person interested in being appointed shall submit an application;

2. Setting a time and date by which questions for the applicants may be submitted by the public; and

3. Setting a date or dates on which applicants will be interviewed by the City Council at a public meeting.

B. Applications

The application of a person interested in being appointed to the City Council shall state background, qualifications and why he or she wishes to be appointed. In addition to completing an application any person applying for the vacancy shall be required to file with the City Clerk the following additional documents:

1. A Nomination Form containing valid signatures of at least 20 registered voters of the City of Tracy. The fact that a voter has signed nomination papers for more than one applicant shall not invalidate the signature; and
2. A completed Statement of Economic Interests (Form 700) provided by the Fair Political Practices Commission.

C. Disclosure of Applications

Following the deadline set by the City Council for the submittal of applications, copies of all applications and the names of the applicants shall be filed in the City Clerk's office and made public. No information shall be disclosed prior to the close of the application deadline.

D. Questions from the Public

Questions for or concerning applicants may be submitted in writing by the public to the City Clerk. Following the deadline set by the City Council for the submittal of questions, all such questions shall be forwarded to City Council Members, who may use them in the applicant interviews.

E. Questions for Applicants

The City Council may choose to present questions in advance of the interviews to the applicants and may choose to require applicants to answer such questions at the interviews and/or provide written responses to such questions prior to the interviews. Questions may be suggested by the public, individual City Council Members or may be drafted by an ad hoc committee of the City Council appointed by the Mayor for that purpose.

F. City Council Interviews

Applicant interviews shall be conducted in a public meeting, which may be televised and recorded. The first round of interviews, under the Voting Procedure set forth below, shall be limited to ten minutes per applicant. During the first round of interviews under the Voting Procedures set forth below, all applicants will be asked to respond to the same or standard questions approved by a majority Council vote. The order of interviews will be based on a random drawing. At the time and date set for applicant interviews, each applicant shall be interviewed separately and shall be given the opportunity to make a brief statement concerning his or her qualifications and to answer question(s) approved by the City Council. For the second round of interviews, in addition to the same or standard questions approved by a majority of the City Council and asked of each remaining applicant, each City Council Member may question each remaining applicant on any subject he or she feels is relevant to that applicant's qualifications to sit on the City Council. The second round of interviews shall be limited to fifteen minutes per applicant, provided, however, that based on the time available and the number of candidates, the City Council, by majority vote, may extend the time limit on interviews.

G. Voting Procedure

The person to fill the City Council vacancy shall be selected from all applicants by the following process of elimination:

1. If one or two applicants exist:
   a. each City Council Member shall vote for one applicant; and
   b. the applicant who receives a majority vote shall be appointed to fill the vacancy.
2. If three or more applicants exist:
   a. each City Council Member shall vote for two applicants; and
   b. all applicants receiving the least number of votes (including no votes) shall be eliminated; and
   c. subsequent votes shall be taken with each City Council Member voting for two applicants until one or two applicants remain; and
   d. each City Council Member shall then vote for one applicant and the applicant who receives a majority vote shall be appointed to fill the vacancy.
      i. In the event of a tie between two or more applicants with the highest number of votes, Council may ask those applicants to respond to additional questions. Council may also choose to resolve a tie between two or more applicants with the highest number of votes by any method approved by a majority vote.

3. If no applicant receives a majority vote, the City Council may adopt such other procedures to fill the vacancy as it deems appropriate.

4. Notwithstanding the voting procedure described above, at any time during the appointment process, the City Council in its discretion may abandon the process and call a special election to fill the vacancy.

5. If no applicant receives a majority vote within 60 days of the commencement of the vacancy, the City Council shall call a special election to fill the vacancy.

H. Appointment by the City Council

The appointment to fill the vacancy shall be made by resolution of the City Council.

AGENDA ITEM 1.N

REQUEST

APPROVE AMENDMENT NO. 2 TO PROFESSIONAL SERVICES AGREEMENT WITH WEST YOST ASSOCIATES IN THE AMOUNT OF $13,518 FOR DESIGN SUPPORT FOR EXTENSION OF RECYCLED WATER PIPELINE AND AMENDMENT NO. 3 TO PROFESSIONAL SERVICES AGREEMENT WITH CH2M HILL IN THE AMOUNT OF $150,000 FOR THE RECYCLED WATER PROJECT, CIP 74091 AND STATE AGREEMENT NO. 4600011424

EXECUTIVE SUMMARY

Construction of the recycled water transmission main pipeline and wastewater treatment plant pump station is currently in progress as part of the City's Recycled Water Project (Project), CIP 74091. This Project is mainly funded from Proposition 84 grant. On November 5, 2019, City Council approved a construction change order for extension of the pipeline by 4,120 lineal feet from south of Kimball High School to the intersection of Lammers Road and Schulte Road. This change order is mainly funded from the unspent construction contingency fund for the Project. The extension required additional design support during construction. In addition, California Department of Water Resources as part of Title 22 requirements has asked the City to perform additional studies for use of recycled water for irrigation purposes in Tracy. In order to complete the additional scope of work, amendments to the existing Professional Services Agreement (PSA) with West Yost and Associates and CH2M Hill are required.

DISCUSSION

The Recycled Water Project, mostly funded from Proposition 84 grant from the California Department of Water Resources, is under construction and is anticipated to be completed early next year. Total cost of the project is $24 million with $18 million from the State Proposition 84 grant and $6 million from the City matching funds. The recycled water is initially intended to be used to irrigate sports fields, parks, and street median islands.

The design for the pipeline and design for the pump station for this project was divided due to the specialized nature of the work. On October 4, 2016, a PSA for design of the pipeline was awarded to West Yost and Associates by City Council in the amount of $962,169. Amendment No. 1 was authorized by Council on October 16, 2018, in the amount of $80,640 for additional work involving changes in alignment of the pipeline.

A PSA for design of the pump station was awarded to CH2M Hill by City Council on May 17, 2016, in the amount of $938,840. Subsequently, two amendments to this PSA with CH2M Hill were approved by City Council to include covenants of the grant requirements and provide pump station design support during construction, bringing the total compensation under the agreement to $1,178,840.

On November 5, 2019, City Council approved a Construction Change Order for the contract with Mountain Cascade for extension of the recycled water pipeline by approximately 4,120 feet from Kimball High School to the intersection of Lammers Road and West Schulte...
Road. This change order essentially uses the unspent funds available from the Project for extension of the recycled water pipeline.

The extension of pipeline required additional design support during construction from West Yost and Associates resulting in this Amendment No. 2 to their PSA. Staff negotiated with West Yost and Associates for additional scope for this Project on a time and material basis not to exceed $13,518.

In addition, the California State Water Resources Control Board (SWRCB) and Department of Water Resources (DWR) is requiring the City to conduct additional studies to provide the contact time for the existing chlorine contact basins at Tracy’s wastewater treatment plant prior to formally allowing the City to use recycled water. Furthermore, the State is requiring an update to the Title 22 report to suffice its requirement for recycled water use within the City. Due to specialized nature of work, the services of CH2M Hill are needed to complete this work.

Staff requested proposals for completion of required studies from CH2M Hill and West Yost and Associates who are the main design consultants for this project. The proposal from CH2M Hill is found to be competitive and cost effective to complete this work on a time and material basis with a not to exceed amount of $150,000 under Amendment No. 3 to their PSA. The revised status of the project budget if requested amendments to the PSA’s of both consultants are approved by the City Council is as follows:

- Construction Contract Amount $16,194,060
- Construction Change Orders $2,290,558
- Design, Construction Management, Inspections, Testing & Miscellaneous Project Management $5,157,876
- West Yost Associates Amendment No. 2 $13,518
- CH2M Hill Amendment No. 3 $150,000

- Current Project Costs $23,806,012
- Project Budget $24,000,000
- Budget Balance $193,988

STRATEGIC PLAN

The agenda item is a routine operational item and is not related to the Council’s Strategic Plans.

FISCAL IMPACT

The total project budget for the Tracy Recycled Water Mains and Wastewater Treatment Plant Pump Station, CIP 74091 is $24,000,000. There are sufficient funds available within the Project for the recommended amendments for West Yost Associates ($13,518) and CH2M Hill ($150,000) totaling $163,518, with no additional appropriations needed.
RECOMMENDATION

That City Council, by resolution, approve Amendment No. 2 to the Professional Services Agreement with West Yost Associates in the amount of $13,518 and Amendment No. 3 with CH2M Hill in the amount of $150,000 for additional design services for the Tracy Recycled Water Project, CIP 74091, and State Agreement No. 4600011424.

A. The City and Consultant entered into a Professional Services Agreement (Agreement) for the design of transmission pipelines for Recycled Water Project CIP 74091 approved by the City Council on October 4, 2016 (Resolution No. 2016-201).

B. The Recycled Water Project is mainly funded from Proposition 84 Grant funding and partially funded by the City via Development Impact Fees.

C. Due to available funding from the Proposition 84 Grant, an additional change order was issued to Contractor to extend pipeline beyond the current terminal point at Kimball High School and Lammers Road. Consultant’s design support services for this segment of work was not part of original scope. Because Consultant’s services are needed during construction for this additional extension of transmission lines, an amendment to the Agreement is needed to amend their scope of services and increase compensation to fund these additional services.

D. At the request of City, in November 2019, Consultant submitted a proposal to perform the services described in Exhibit A-2. After negotiations between City and Consultant, the parties have reached an agreement for the performance of services in accordance with the terms set forth in this amendment.

E. On December 17, 2019, the City Council authorized the execution of this Amendment, pursuant to Resolution No. 2019-______.

Now therefore, the parties mutually agree as follows:

1. Incorporation by Reference. This Amendment incorporates by reference all terms set forth in the Agreement, unless specifically modified by this Amendment. The terms which are not specifically modified by this Amendment will remain in effect.
2. **Terms of Amendment.**

   A. The following language shall be added to Section 1 as new section 1.1:

   “Consultant shall perform the services described in Exhibit A-2 attached hereto and incorporated by reference. “

   B. The following language shall be added to Section 2 as new section 2.1:

   “Consultant shall commence performance and shall complete the required services in accordance with the timelines set forth in Exhibit A-2 attached hereto and incorporated by reference.”

   C. The following language shall be added to Section 3 as new section 3.1.1:

   “For the services performed by Consultant in accordance with Amendment No. 2, City shall pay the Consultant on time and material basis, based on the billing rates set forth in Exhibit B-2, attached hereto and incorporated herein by reference. Consultant fee for performing the services in Exhibit A-2 shall not exceed $13,518 as shown in Exhibit C-2 on shall perform the services described in Exhibit A-2 attached hereto and incorporated by reference.”

   D. **Exhibits.** Exhibits “A-2”, “B-2”, and “C-2” are attached hereto and incorporated by this reference into the Agreement.

3. **Modifications.** This Amendment may not be modified orally or in any manner other than by an agreement in writing signed by both parties, in accordance with the requirements of the Agreement.

4. **Severability.** If any term of this Amendment is held invalid by a court of competent jurisdiction, the Amendment shall be construed as not containing that term, and the remainder of this Amendment shall remain in effect.

5. **Signatures.** The individuals executing this Amendment represent and warrant that they have the right, power, legal capacity and authority to enter into and to execute this Amendment. This Amendment shall inure to the benefit of and be binding upon the parties and their respective successors and assigns.

SCOPE OF SERVICES

SCOPE OF WORK:

The California Title-22 water recycling regulations require that when using chlorine disinfection to produce “disinfected tertiary recycled water”, the CT (chlorine residual multiplied by the modal contact time) must be at least 450 mg/L-min and the modal contact time be at least 90 min (based on peak dry weather design flow conditions). After review of the City of Tracy’s Title 22 Report for the certification of the City’s new recycled water operations, the California State Water Resources Control Board (SWRCB), Department of Drinking Water (DDW) required that a tracer study be conducted in order to identify the maximum flow rate that can be treated in the existing chlorine contact basins at the Tracy WWTP, while maintaining the 450 mg/L-min CT. Preparation and execution of a tracer study that meets the requirements of the California SWRCB will include the following tasks:

• Task 1: Protocol preparation
• Task 2: Flow Calibration/Validation and Field Test Preparation
• Task 3: Dye Release and Tracking (five days of field testing)
• Task 4: Data Analysis
• Task 5: Draft and Final TM
• Task 6: Title 22 Report Update

Completion of the Scope of Services

Consultant shall complete the project study elements identified in this Exhibit “A-3” as required by SWRCB for their acceptance of Title 22 Study report.

All tasks shall be completed within 10 Weeks after Notice to Proceed. This time does not include SWRCB staff review.

1) CITY COUNCIL ADOPTION OF A RESOLUTION APPROVING DOCUMENTS AND ACTIONS RELATING TO THE REFINANCING OF OUTSTANDING LEASE REVENUE BONDS AND RELATED LEASE PAYMENT OBLIGATIONS OF THE CITY
2) TRACY OPERATING PARTNERSHIP JOINT POWERS AUTHORITY BOARD OF DIRECTORS APPROVAL OF A RESOLUTION AUTHORIZING THE ISSUANCE AND SALE OF LEASE REVENUE BONDS TO REFINANCE OUTSTANDING LEASE REVENUE BONDS, AND APPROVING RELATED DOCUMENTS AND OFFICIAL ACTIONS

EXECUTIVE SUMMARY

The Tracy Operating Partnership Joint Powers Authority (the “Authority”) is a joint exercise of powers authority formed by the City of Tracy (the “City”) to provide assistance to the City with its financings in accordance with State law.

The Authority previously issued the following outstanding lease revenue bonds (“Outstanding Lease Revenue Bonds”):

- 2007 Lease Revenue Bonds, Series A (Fire Station Project)
- 2008 Lease Revenue Bonds (Refunding and Capital Improvement Projects)

The Outstanding Lease Revenue Bonds are payable from lease payments made by the City, with some support from redevelopment tax increment generated in the Successor Agency’s Community Redevelopment Project pursuant to a 2008 reimbursement agreement between the City and the Successor Agency to the Tracy Community Development Agency (the “2008 Reimbursement Agreement”).

The Outstanding Lease Revenue Bonds are eligible for optional redemption, and current capital market conditions offer the City an opportunity to reduce its annual lease payments. Staff recommends that the City Council and the Authority’s Board of Directors adopt the referenced resolutions to authorize the issuance of a refunding lease revenue bonds and related documents. Pursuant to Resolution No. 2019-161 adopted on July 16, 2019, the Successor Agency previously approved an amendment to the 2008 Reimbursement Agreement to facilitate the proposed refinancing of the 2008 Lease Revenue Bonds. The State Department of Finance has completed its review of the Oversight Board Resolution No. 10, and has approved the action. A copy of the approval letter is attached (Attachment N).

DISCUSSION

DEBT MANAGEMENT POLICY

On March 21, 2017, the City Council adopted City of Tracy Council Policy A-6 (Debt Management Policy) pursuant to Resolution No. 2017-058. The Debt Management
Policy provides that it is a policy goal of the City to realize whenever possible and subject to any overriding financial policy considerations minimum net present value debt service savings equal to or greater than 3% of the refunded principal amount of outstanding obligations.

**POTENTIAL DEBT SERVICE SAVINGS**

CSG Advisors Incorporated, the City's municipal advisor, has prepared an analysis of debt service savings that may be achieved as a result of the proposed refunding.

**2007 Lease Revenue Bonds.** The 2007 Lease Revenue Bonds are currently outstanding in the amount of $3,420,000. Based on market conditions on November 15, 2019, the refunding of the 2007 Lease Revenue Bonds would generate total debt service savings (net of issuance costs) of approximately $578,506, or an average of approximately $32,000 per year through the final maturity date of November 1, 2037. The net present value of the debt service savings is equal to approximately 15% of the aggregate outstanding principal amount of the 2007 Lease Revenue Bonds.

**2008 Lease Revenue Bonds.** The 2008 Lease Revenue Bonds are currently outstanding in the amount of $17,580,000. Based on market conditions on November 15, 2019, the refunding of the 2008 Lease Revenue Bonds would generate total debt service savings (net of issuance costs) of approximately $7,808,250, or an average of approximately $411,000 per year through the final maturity date of November 1, 2038. The net present value of the debt service savings is equal to approximately 36% of the outstanding principal amount of the 2008 Lease Revenue Bonds.

Because a portion of the lease payments related to the 2008 Lease Revenue Bonds is paid with redevelopment tax increment pursuant to the 2008 Reimbursement Agreement, the annual savings that will be realized by the City’s general fund is approximately $315,000 per year, and the portion of annual savings that will be shared by all of the local taxing agencies is approximately $96,000 per year. Savings to be realized by the local taxing agencies, including the City, whose territory lies within the Community Redevelopment Project, are roughly in proportion to each agency’s share of the 1% general property tax levy collected from within the Community Redevelopment Project.

**PROPOSED REFUNDING BONDS**

Staff recommends that the City Council and the Authority’s Board of Directors adopt the proposed resolutions for the following purposes:

(i) approve the issuance of Tracy Operating Partnership Joint Powers Authority 2020 Lease Revenue Refunding Bonds (2007 and 2008 Refinancing) (the “Refunding Bonds”),

(ii) approve the sale of the Refunding Bonds to Piper Jaffray & Co. (the “Underwriter”),

(iii) approve the documents related to the Refunding Bonds, and
(iv) authorize staff to take all actions necessary related to issuance of the Refunding Bonds.

**TERMS OF THE REFUNDING BONDS**

Pursuant to the Resolution, the true interest cost of the Refunding Bonds cannot exceed 5.00% and the principal amount of the Refunding Bonds cannot exceed $25,000,000.

Government Code Section 5852.1 requires the City to obtain and disclose a good faith estimate of certain information about the Refunding Bonds, including the true interest cost, the financing costs, the use of proceeds and the total payment amount, and this information is included in Appendix A of the proposed resolutions. Based upon current market conditions, the Refunding Bonds are estimated to be issued in the amount of $17,935,000, which does not include approximately $3,963,000 of net premium estimated to be generated. Net premium is generated when, on a net aggregate basis for a single issuance of bonds, the price paid for such bonds is higher than the face value of such bonds. At current market conditions, the Refunding Bonds are expected to carry a true interest cost of approximately 2.69%.

**DOCUMENTS RELATED TO THE REFUNDING BONDS**

California cities commonly use lease structures to finance and refinance capital improvements through their general fund without first holding a city-wide election. Lease financings can be structured as certificates of participation (commonly known as “COPs”) or lease revenue bonds issued by a joint powers authority. Under both structures, the City is obligated to make lease payments to a third party (usually, a joint powers authority established by the City) for the right to use and occupy a public building, and the third party assigns its right to receive the lease payments to a corporate bank acting in a trustee capacity; the trustee uses the lease payments to pay debt service on the COPs/lease revenue bonds sold to investors. In lease financing structures, cities covenant to annually budget and appropriate from the general fund for the lease payments.

The proposed refinancing of the Outstanding Lease Revenue Bonds involves the following documents:

- **Site Leases:** There are two site leases, one relating to the refinancing of the 2007 Lease Revenue Bonds (the “Site and Facility Lease”) and the other related to the refinancing of the 2008 Lease Revenue Bonds (the “Amended and Restated Sites and Facilities Lease”). Under the site leases, the City leases certain City assets to the Authority to facilitate the lease financing.

- **Lease Agreements:** There are two lease agreements, one relating to the refinancing of the 2007 Lease Revenue Bonds (the “Lease Agreement”) and the other related to the refinancing of the 2008 Lease Revenue Bonds (the “Amended and Restated Property Lease”). Pursuant to these lease agreements, the Authority will sub-lease the assets leased to it under the site leases back to the City. The City will covenant in the lease agreements to budget and appropriate for the scheduled lease payments – in an amount sufficient to pay debt service on the Refunding Bonds – on an annual basis. If the City fails to
make the scheduled lease payments, the trustee for the Refunding Bonds (the “Trustee”) could sue the City to make the scheduled lease payments or the Trustee could take possession of and re-let the leased assets.

- **Indenture of Trust; Assignment Agreement:** Under an Assignment Agreement and an Indenture of Trust, each between the Authority and U.S. Bank National Association, as Trustee, the Authority will assign to the Trustee its right to receive the lease payments that are payable by the City under the lease agreements. Under the Indenture of Trust, the Authority will issue the Refunding Bonds; the Trustee will use the lease payments assigned to it to pay debt service on the Refunding Bonds.

- **Irrevocable Refunding Instructions:** Under these instructions, the Authority will direct the trustee for the Outstanding Lease Revenue Bonds to apply proceeds of the Refunding Bonds and moneys related to the Outstanding Lease Revenue Bonds to redeem the Outstanding Lease Revenue Bonds.

- **Amendment No. 1 to 2008 Reimbursement Agreement:** The amendment of the 2008 Reimbursement Agreement is necessary to reflect the issuance of the Refunding Bonds and to ensure that the benefits of the refinancing of the 2008 Lease Revenue Bonds are shared proportionately by the City and the other taxing entities in the Community Redevelopment Project.

- **Preliminary Official Statement.** The Official Statement is the primary disclosure document for investors in the Refunding Bonds. A Preliminary Official Statement will be circulated to potential investors prior to the pricing of the Refunding Bonds. After the Refunding Bonds have been priced, a Final Official Statement will be circulated to investors; the Final Official Statement should be identical to the Preliminary Official Statement except for the addition of pricing information (principal amount, interest rates, redemption terms).

The Preliminary Official Statement is prepared by Jones Hall, serving the City as Bond Counsel and Disclosure Counsel for this transaction, with the assistance of the remainder of the financing team, including City staff; CSG Advisors Incorporated, the City’s municipal advisor (“Municipal Advisor”); and the Underwriter.

The Preliminary Official Statement has been reviewed and approved for transmittal to the City Council by the City’s financing team. The distribution of the Preliminary Official Statement by the City is subject to federal securities laws, including the Securities Act of 1933 and the Securities Exchange Act of 1934. These laws require the Preliminary Official Statement to include all facts that would be material to an investor in the Refunding Bonds. Material information is information that there is a substantial likelihood would have actual significance in the deliberations of the reasonable investor when deciding whether to buy or sell the bonds. If the City Council concludes that the Preliminary Official Statement includes all facts that would be material to an investor in the Refunding Bonds, it must adopt a resolution that authorizes staff to execute a certificate to the effect that the Preliminary Official Statement has been “deemed final.”
The Securities and Exchange Commission (the “SEC”), the agency with regulatory authority over the City’s compliance with the federal securities laws, has issued guidance as to the duties of the City Council with respect to its approval of the Preliminary Official Statement. In its “Report of Investigation in the Matter of County of Orange, California as it Relates to the Conduct of the Members of the Board of Supervisors” (Release No. 36761 / January 24, 1996) (the “Release”), the SEC stated that, if a member of the City Council has knowledge of any facts or circumstances that an investor would want to know about prior to investing in the Refunding Bonds, whether relating to their repayment, tax-exempt status, undisclosed conflicts of interest with interested parties, or otherwise, he or she should endeavor to discover whether such facts are adequately disclosed in the Preliminary Official Statement. In the Release, the SEC stated that the steps that a member of the City Council could take include becoming familiar with the Preliminary Official Statement and questioning staff and consultants about the disclosure of such facts.

The key sections of the Preliminary Official Statement are summarized below:

- **“THE BONDS”:** This section summarizes the key terms of the Refunding Bonds, including payment dates and redemption provisions.
- **“SECURITY FOR THE BONDS”:** This section summarizes key security terms, including the lease payments made by the City under the two lease agreements described above.
- **“CITY FINANCIAL INFORMATION”:** This section summarizes financial and operating data that is material to the City’s ability to pay the lease payments.
- **“BOND OWNERS’ RISK”:** This section highlights the primary risks associated with the Refunding Bonds, most of which relate to the financial health of the City’s general fund.
- **“TAX MATTERS”:** This section describes the tax-exempt nature of interest on the Refunding Bonds.

- **Continuing Disclosure Certificate.** Under SEC Rule 15c2-12, the underwriter of the Refunding Bonds may only purchase the Refunding Bonds if it has determined that the City is obligated to provide continuing disclosure, including annual updates of the financial and operating data included in the Official Statement and notices of certain specified events.

- **Bond Purchase Agreement.** At the time the Refunding Bonds are sold, the City and the Authority will enter into a Bond Purchase Agreement with the Underwriter, who will agree to underwrite the Refunding Bonds subject to satisfaction of the conditions described in the Bond Purchase Agreement. The resolution provides the Underwriter’s discount on the purchase of the Refunding Bonds may not exceed 0.75% of the par amount of the Refunding Bonds. The Underwriter was selected as underwriter through an RFP process, and was chosen based upon the combination of its qualifications and proposed fees.

- **Termination Agreements.** The Termination Agreements provide notice of the refunding of the Outstanding Lease Revenue Bonds and will be recorded in the real property records.
STRATEGIC PLAN

Governance - Goal 2: Ensure continued Fiscal Sustainability through Financial and Budgetary Stewardship.

FISCAL IMPACT

The fees and expenses of the financing team, including Bond Counsel, Disclosure Counsel, Underwriter and Municipal Advisor are paid from proceeds of the Refunding Bonds.

RECOMMENDATION

All capitalized terms used in this Official Statement, unless noted otherwise, have the meanings set forth in the Indenture (as defined below).

INTRODUCTION

It is only a brief description of and guide to, and is qualified by, more complete and detailed information contained in the entire Official Statement and the documents summarized or described herein. A full review should be made of the entire Official Statement. The offering of the Bonds to potential investors is made only by means of the entire Official Statement.

Authority for Issuance. The Authority is issuing the Bonds under the following:

(b) resolutions adopted by the Board of Directors (the “Board”) of the Authority on ____________, 2019 (the “Authority Resolution”), and by the City Council (the “City Council”) of the City of Tracy (the “City”) on ____________, 2019 (the “City Resolution”), and

(c) an Indenture of Trust (the “Indenture”) dated as of ___________ 1, 2020, by and between the Authority and U.S. Bank National Association, as trustee (the “Trustee”).

The Authority. The Authority is a joint powers authority between the City and the City of Tracy Community Development Agency (predecessor to the Successor Agency to the Tracy Community Development Agency) established under a Joint Exercise of Powers Agreement, dated as of October 15, 1995, entered into under Articles 1 through 4 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1 of the California Government Code, as amended, for the purpose, among others, of issuing its bonds to be used to finance and refinance the acquisition, construction and improvement of certain public capital improvements in the City.

* Preliminary; subject to change.
The City. The City is located on the western edge of the Central Valley in San Joaquin County (the “County”), approximately 60 miles east of San Francisco and approximately 70 miles south of Sacramento. See “CITY FINANCIAL INFORMATION – General.”

Purpose of the Bonds. The Bonds are being issued to:

• refinance on a current basis the outstanding lease revenue bonds previously issued by the Authority captioned “$2,690,000 Tracy Operating Partnership Joint Powers Authority 2007 Lease Revenue Bonds, Series A (Fire Station Project)” (the “2007A Bonds”), and the City’s related lease payment obligation,

• refinance on a current basis the outstanding lease revenue bonds previously issued by the Authority captioned “$1,980,000 Tracy Operating Partnership Joint Powers Authority 2007 Lease Revenue Bonds, Series B (1995 COPs Refunding)” (the “2007B Bonds”), and the City’s related lease payment obligation, and

• refinance on a current basis the outstanding lease revenue bonds previously issued by the Authority captioned “$19,765,000 Tracy Operating Partnership Joint Powers Authority 2008 Lease Revenue Bonds (Refunding and Capital Improvement Projects)” (the “2008 Bonds”), and the City’s related lease payment obligation, and

• pay the costs of issuing the Bonds.

See “FINANCING PLAN.”

Security for the Bonds and Pledge of Revenues. Under the Indenture, the Bonds are payable from and secured by a first pledge of and lien on “Revenues,” consisting primarily of lease payments (the “Lease Payments”) made by the City for the lease of property under the following leases:

• the Lease Agreement dated as of ________ 1, 2020, between the Authority, as lessor, and the City, as lessee (the “2007-Related Lease”), concerning the leaseback of certain real property and improvements (the “2007-Related Leased Property”), and .

• the Amended and Restated Property Lease dated as of ________ 1, 2020, between the Authority, as lessor, and the City, as lessee (the “Amended and Restated Property Lease”), concerning the leaseback of certain real property and improvements (the “2008-Related Leased Property”).

The 2007-Related Lease and the Amended and Restated Property Lease are referred to collectively in this Official Statement as the “Lease Agreements,” and the 2007-Related Leased Property and the 2008-Related Leased Property are referred to collectively in this Official Statement as the “Leased Property.”

The Bonds are also secured by certain funds on deposit under the Indenture. See “SECURITY FOR THE BONDS.”

In order to provide the upfront site lease payment to facilitate the refinancing plan, the City and the Authority will enter into the following:
• A Site Lease dated as of _____________ 1, 2020 (the “2007-Related Site Lease”), under which the City will lease the 2007-Related Leased Property to the Authority, consisting of the City’s Fire Station 91. Concurrently, the City and the Authority will enter into the 2007-Related Lease, under which the Authority will lease the 2007-Related Leased Property back to the City.

• An Amended and Restated Sites and Facilities Lease dated as of _____________ 1, 2020 (the “Amended and Restated Site Lease”), under which the City will lease the 2008-Related Leased Property to the Authority, consisting of the City’s Police Department Headquarters and Fire Administration Building. Concurrently, the City and the Authority will enter into the Amended and Restated Property Lease, under which the Authority will lease the 2008-Related Leased Property back to the City.

The 2007-Related Site Lease and the Amended and Restated Site Lease are referred to collectively in this Official Statement as the “Site Leases.”

See “THE LEASED PROPERTY.”

Form of Bonds; Book-Entry Only. The Bonds will be issued in fully registered form, registered in the name of The Depository Trust Company, New York, New York (“DTC”), or its nominee, which will act as securities depository for the Bonds. Purchasers of the Bonds will not receive certificates representing the Bonds that are purchased. See “THE BONDS - Book-Entry Only System” and “APPENDIX F – DTC AND THE BOOK-ENTRY ONLY SYSTEM.”

Redemption. The Bonds are subject to optional redemption, mandatory redemption from sinking fund payments, and special mandatory redemption from the proceeds of insurance or condemnation proceeds prior to their stated maturity dates. See “THE BONDS – Redemption.”

Abatement. The Lease Payments are subject to complete or partial abatement in the event and to the extent that there is substantial interference with the City’s use and possession of the Leased Property or any portion thereof. If the Lease Payments are abated under either Lease Agreement, the Bond Owners would receive less than the full amount of principal of and interest on the Bonds. To the extent proceeds of rental interruption insurance are available (as described below), Lease Payments (or a portion thereof) may be made from those proceeds during periods of abatement. See “SECURITY FOR THE BOND OWNERS’ RISKS.”

Legal Opinion. Upon delivery of the Bonds, Jones Hall, A Professional Law Corporation, San Francisco, California, Bond Counsel (“Bond Counsel”) will release its final approving legal opinion with respect to the Bonds, regarding the validity and tax-exempt status of the Bonds, in the form attached hereto as APPENDIX D.

Risks of Investment. Debt service on the Bonds is payable only from Lease Payments and other amounts payable by the City to the Authority under the Lease Agreements. For a discussion of some of the risks associated with the purchase of the Bonds, see “BOND OWNERS’ RISKS.”

FINANCING PLAN

Refunding Plan for 2007A Bonds

Authority and Purpose of 2007A Bonds. The Authority issued the 2007A Bonds on October 25, 2007, in the principal amount of $2,690,000, under an Indenture (the “2007 Indenture”) by and between the Authority and The Bank of New York Mellon Trust Company, N.A., acting as the trustee for the 2007A Bonds (the “Prior Trustee”). The 2007A Bonds were currently outstanding in the principal amount of $____________. The 2007A Bonds were issued primarily to finance the acquisition and construction of a City fire station.

The refinancing plan calls for the outstanding 2007A Bonds maturing on and after March 1, 2020, to be redeemed in full, on a current basis, on or about ____________, 2020 (the “Redemption Date”), at a redemption price equal to 100% of the principal amount thereof, together with interest coming due and payable on the Redemption Date.

Irrevocable Deposit. In order to accomplish the refinancing plan, a portion of the proceeds of the Bonds will be transferred to the Trustee for deposit into a refunding fund held by the Trustee under the Indenture. The Trustee immediately disburse amounts in the refunding fund to the Prior Trustee for deposit in the revenue fund established under the 2007 Indenture (the “2007 Revenue Fund”). The Prior Trustee will hold the amounts on deposit in the 2007 Revenue Fund in cash, uninvested. These funds will be sufficient to prepay the 2007A Bonds in full on the Redemption Date, and to defease the outstanding 2007A Bonds as of the date of issuance of the Bonds.

The moneys held by the Prior Trustee in the 2007 Revenue Fund are pledged to the payment and redemption of the 2007A Bonds and the 2007B Bonds and will not be available for payment of the Bonds.

Refunding Plan for 2007B Bonds

Authority and Purpose of 2007B Bonds. The Authority issued the 2007B Bonds on October 25, 2007, in the principal amount of $1,980,000, under the 2007 Indenture. The 2007B Bonds are currently outstanding in the principal amount of $____________. The 2007B Bonds were issued primarily to prepay certain certificates of participation of the City captioned “City of Tracy 1995 Refunding Certificates of Participation (1988 Community Park and Civic Center Land Acquisition Project).

The refinancing plan calls for the outstanding 2007B Bonds maturing on and after March 1, 2020, to be redeemed in full, on a current basis, on or about the Redemption Date, at a redemption price equal to 100% of the principal amount thereof, together with interest coming due and payable on the Redemption Date.

Irrevocable Deposit. In order to accomplish the refinancing plan, a portion of the proceeds of the Bonds will be transferred to the Trustee for deposit into a refunding fund held by the Trustee under the Indenture. The Trustee immediately disburse amounts in the refunding fund to the Prior Trustee for deposit in the 2007 Revenue Fund. The Prior Trustee will hold the amounts on deposit in the 2007 Revenue Fund in cash, uninvested. These funds will be sufficient to prepay the 2007B Bonds in full on the Redemption Date, and to defease the outstanding 2007B Bonds as of the date of issuance of the Bonds.
The moneys held by the Prior Trustee in the 2007 Revenue Fund are pledged to the payment and redemption of the 2007A Bonds and the 2007B Bonds and will not be available for payment of the Bonds.

Refunding Plan for 2008 Bonds

Authority and Purpose of 2008 Bonds. The 2008 Bonds are currently outstanding in the principal amount of $____________. The 2008 Bonds were issued primarily to finance the acquisition and construction of certain public capital improvements of benefit to the City, and to prepay certain certificates of participation of the City captioned “City of Tracy 1998 Certificates of Participation (1-205 Corridor Improvements and Refinancing Project).

Irrevocable Deposit. In order to accomplish the refinancing plan, a portion of the proceeds of the Bonds will be transferred to the Trustee for deposit into a refunding fund held by the Trustee under the Indenture. These funds will be sufficient to prepay the 2008 Bonds in full on the Redemption Date, and to defease the outstanding 2008 Bonds as of the date of issuance of the Bonds.

The moneys held by the Prior Trustee in the 2008 Revenue Fund are pledged to the payment and redemption of the 2008 Bonds and will not be available for payment of the Bonds.

THE LEASED PROPERTY

Description and Location

Lease Payments will be made by the City under the Lease Agreements for the use and occupancy of the Leased Property, which consists of the following:

The City has determined that the fair rental value of the leased property is commensurate with the annual Lease Payments.

2007-Related Leased Property.

Fire Station 91. Fire Station 91 is located at 1701 West 11th Street. This station consists of a 1-story wood-frame construction building containing approximately 7,720 square feet of occupied space originally constructed in 2005.

2008-Related Leased Property.

Police Department Headquarters. The Police Department headquarters is located at 1000 Civic Center Drive and consists of (i) a building that is two stories, approximately 26,000 square feet, and of steel frame construction and (ii) an approximately 1.8 acre lot. The building is designed to meet specific needs of the Police Department which includes interrogation rooms, detaining cells and evidence storage rooms. The facility also includes secured parking and public parking lots. Construction of the Police facility was completed in late 1996.

Fire Administration Building. The Fire Administration Building is located at 835 Central Avenue. The building consists of a 1-story masonry-construction building containing approximately 9,550 square feet of occupied space originally constructed in 1917 and completely rehabilitated in 2005, and includes office space, training room, conference room and related facilities located on an approximately one-half acre lot with associated parking. The building is designed to meet current seismic and building code requirements.

Modification of Leased Property

Under the Lease Agreements, the City has the right, at its own expense, to make additions, modifications and improvements to the Leased Property or any portion thereof. All additions, modifications and improvements to the Leased Property will thereafter comprise part of the Leased Property and become subject to the provisions of the Lease Agreements.

Such additions, modifications and improvements may not in any way damage the Leased Property, or cause the Leased Property to be used for purposes other than those authorized under the provisions of state and federal law; and the Leased Property, upon completion of any additions, modifications and improvements made thereto under this provision of the Lease Agreements, must be of a value which is not substantially less than the value thereof immediately prior to the making of such additions, modifications and improvements.

The City will not permit any mechanic’s or other lien to be established or remain against the Leased Property for labor or materials furnished in connection with any remodeling, additions, modifications, improvements, repairs, renewals or replacements made by the City under this provision of the Lease Agreements; except that if any such lien is established and the City first notifies or causes to be notified the Authority of the City’s intention to do so, the City may in good
faith contest any lien filed or established against the Leased Property, and in such event may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom and will provide the Authority with full security against any loss or forfeiture which might arise from the nonpayment of any such item, in form satisfactory to the Authority. The Authority will cooperate fully in any such contest, upon the request and at the expense of the City.

Substitution

Under each Lease Agreement, the City has the option at any time and from time to time, to substitute other real property (the “Substitute Property”) for the Leased Property or any portion thereof (the “Former Property”), upon satisfaction of all of the requirements set forth in the Lease Agreements, which includes (among others) the following:

• The City has filed with the Authority and the Trustee, and caused to be recorded in the office of the County Recorder, sufficient memorialization of an amendment of the related Lease Agreement that adds the legal description of the Substitute Property and deletes therefrom the legal description of the Former Property, and has filed and caused to be recorded corresponding amendments to the related Site Lease and Assignment Agreement.

• The City has obtained a CLTA policy of title insurance insuring the City’s leasehold estate under related Lease Agreement in the Substitute Property, subject only to Permitted Encumbrances (as defined in each Lease Agreement), in an amount at least equal to the estimated value thereof.

• The City has certified in writing to the Authority and the Trustee that the Substitute Property serves the municipal purposes of the City and constitutes property which the City is permitted to lease under the laws of the State of California, and has been determined to be essential to the proper, efficient and economic operation of the City and to serve an essential governmental function of the City.

• The City has filed with the Authority and the Trustee a written certificate of the City or other written evidencing stating that the useful life of the Substitute Property at least extends to the final maturity date of the Bonds, that the estimated value of the Leased Property, after substitution of the Substitute Property and release of the Former Property, is at least equal to the principal component of the Lease Payments remaining unpaid at the time of the substitution, and the fair rental value of the Leased Property, after substitution of the Substitute Property and release of the Former Property, is at least equal to the Lease Payments thereafter coming due and payable under the Lease Agreements.

See “APPENDIX B – SUMMARY OF PRINCIPAL LEGAL DOCUMENTS.”

Upon the satisfaction of all such conditions precedent, the Term of the Lease Agreement will thereupon end as to the Former Property and commence as to the Substitute Property, and all references to the Former Property will apply with full force and effect to the Substitute Property. The City is not entitled to any reduction, diminution, extension or other modification of the Lease Payments whatsoever as a result of any substitution of property under this provision of the Lease Agreements.
Release of Leased Property

Under each Lease Agreement, the City has the option at any time and from time to time to release any portion of the Leased Property from the Lease Agreement (the “Released Property”) provided that the City has satisfied all of the requirements under the Lease Agreement that are conditions precedent to such release, which include (among others) the following:

- The City has filed with the Authority and the Trustee, and caused to be recorded in the office of the County Recorder sufficient memorialization of an amendment of the related Lease Agreement, Site Lease and Assignment Agreement which removes the Released Property from the related Lease Agreement, Site Lease and Assignment Agreement.

- The City has certified in writing to the Authority and the Trustee that the value of the property which remains subject to the Lease Agreement following such release is at least equal to the principal component of the Lease Payments remaining unpaid at the time of the release, and the fair rental value of the property which remains subject to the Lease following such release is at least equal to the Lease Payments thereafter coming due and payable thereunder.

See “APPENDIX B – SUMMARY OF PRINCIPAL LEGAL DOCUMENTS.”
THE BONDS

This section provides summaries of the Bonds and certain provisions of the Indenture. See APPENDIX B for a more complete summary of the Indenture. Capitalized terms used but not defined in this section have the meanings given in APPENDIX B.

Authority for Issuance

The Bonds are being issued under the Law, the Authority Resolution (which was adopted by the Board of the Authority on ______________, 2019), the City Resolution (which was adopted by the City Council on ______________, 2019), and the Indenture. Under the Authority Resolution and the City Resolution, the Bonds may be issued in a principal amount not to exceed $________________.

General Provisions

**Bond Terms.** The Bonds will be dated their date of delivery and issued in fully registered form without coupons in integral multiples of $5,000, so long as no Bond has more than one maturity date.

Interest on the Bonds will be payable on May 1 and November 1 in each year, commencing May 1, 2020 (each an “Interest Payment Date”). The Bonds will mature in the amounts and on the dates, and bear interest at the annual rates, set forth on the inside cover page of this Official Statement.

**Calculation of Interest.** Interest on the Bonds is payable from the Interest Payment Date next preceding the date of authentication thereof unless:

(a) a Bond is authenticated on or before an Interest Payment Date and after the close of business on the preceding Record Date, in which event it will bear interest from such Interest Payment Date,

(b) a Bond is authenticated on or before the first Record Date, in which event interest thereon will be payable from the Closing Date, or

(c) interest on any Bond is in default as of the date of authentication thereof, in which event interest thereon will be payable from the date to which interest has been paid in full, payable on each Interest Payment Date.

Interest with respect to the Bonds will be computed on the basis of a 360-day year composed of 12 months of 30 days each.

**Record Date.** Under the Indenture, “Record Date” means, with respect to any Interest Payment Date, the 15th calendar day of the month preceding such Interest Payment Date, whether or not such day is a Business Day.

**Payments of Principal and Interest.** Interest is payable on each Interest Payment Date to the persons in whose names the ownership of the Bonds is registered on the Registration Books at the close of business on the immediately preceding Record Date, except as provided below. Interest on any Bond which is not punctually paid or duly provided for on any Interest Payment Date is payable to the person in whose name the ownership of such Bond is registered.
on the Registration Books at the close of business on a special record date for the payment of such defaulted interest to be fixed by the Trustee, notice of which is given to such Owner by first-class mail not less than 10 days prior to such special record date.

The Trustee will pay interest on the Bonds by check of the Trustee mailed by first class mail, postage prepaid, on each Interest Payment Date to the Owners of the Bonds at their respective addresses shown on the Registration Books as of the close of business on the preceding Record Date. At the written request of the Owner of Bonds in an aggregate principal amount of at least $1,000,000, which written request is on file with the Trustee as of any Record Date, the Trustee will pay interest on such Bonds on each succeeding Interest Payment Date by wire transfer in immediately available funds to such account of a financial institution within the United States of America as specified in such written request, which will remain in effect until rescinded in writing by the Owner.

The Trustee will pay principal of the Bonds in lawful money of the United States of America by check of the Trustee upon presentation and surrender thereof at the Office of the Trustee.

While the Bonds are subject to the book-entry system, the principal, interest and any redemption premium with respect to the Bonds will be paid by the Trustee to DTC for subsequent disbursement to beneficial owners of the Bonds. See “— Book-Entry Only System” below.

Redemption*

Optional Redemption. The Bonds maturing on or before November 1, 20__, are not subject to optional redemption prior to their stated maturity. The Bonds maturing on or after November 1, 20__, are subject to redemption, as a whole or in part at the election of the Authority among maturities on such basis as designated by the Authority and by lot within a maturity, at the option of the Authority, on November 1, 20__, and on any date thereafter, at a redemption price equal to 100% of the principal amount of Bonds to be redeemed, together with accrued interest thereon to the date fixed for redemption, without premium.

Special Mandatory Redemption From Insurance or Condemnation Proceeds. The Bonds are subject to redemption as a whole, or in part on a pro rata basis among maturities, on any date, from any Net Proceeds required to be used for such purpose as provided in the Indenture, at a redemption price equal to 100% of the principal amount thereof plus interest accrued thereon to the date fixed for redemption, without premium.

Mandatory Sinking Fund Redemption. The Term Bonds are subject to mandatory redemption in part by lot, at a redemption price equal to 100% of the principal amount thereof to be redeemed, without premium, in the aggregate respective principal amounts and on November 1 in the respective years as set forth in the following tables; provided, however, that if some but not all of the Term Bonds have been redeemed through an optional redemption or special mandatory redemption from insurance or condemnation proceeds, the total amount of all future sinking fund payments will be reduced by the aggregate principal amount of the Term Bonds so redeemed, to be allocated among such sinking fund payments on a pro rata basis in integral multiples of $5,000 (as set forth in a schedule provided by the Authority to the Trustee).

* Preliminary; subject to change.

### Selection of Bonds for Redemption

Whenever provision is made in the Indenture for the redemption of less than all of the Bonds of a single maturity, the Trustee will select the Bonds of that maturity to be redeemed from all Bonds of that maturity to be redeemed by lot in any manner which the Trustee in its sole discretion deems appropriate. For purposes of such selection, the Trustee shall treat each Bond as consisting of separate $5,000 portions and each such portion shall be subject to redemption as if such portion were a separate Bond.

### Notice of Redemption

The Trustee shall mail notice of redemption of the Bonds by first class mail, postage prepaid, not less than 30 nor more than 60 days before any redemption date, to the respective Owners of any Bonds designated for redemption at their addresses appearing on the Registration Books and to one or more Securities Depositories and to the Municipal Securities Rulemaking Board as provided in the Continuing Disclosure Certificate.

Neither the failure to receive any notice nor any defect therein will affect the sufficiency of the proceedings for such redemption or the cessation of accrual of interest from and after the redemption date.

### Rescission of Redemption

The Authority has the right to rescind any notice of optional redemption of the Bonds by written notice to the Trustee on or prior to the date fixed for redemption.

Any notice of redemption will be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation will not constitute an Event of Default under the Indenture.

The Authority and the Trustee have no liability to the Bond Owners or any other party related to or arising from such rescission of redemption. The Trustee will mail notice of such rescission of redemption in the same manner as the original notice of redemption was sent under the Indenture.
**Effect of Redemption.** If notice of redemption has been duly given as provided in the Indenture, and moneys for payment of the redemption price of, together with interest accrued to the date fixed for redemption on, including any applicable premium, the Bonds (or portions thereof) so called for redemption being held by the Trustee, on the redemption date designated in such notice, the Bonds (or portions thereof) so called for redemption will become due and payable, interest on the Bonds so called for redemption will cease to accrue, said Bonds (or portions thereof) will cease to be entitled to any benefit or security under the Indenture, and the Owners of said Bonds will have no rights in respect thereof except to receive payment of the redemption price thereof.

**Book-Entry Only System**

The Bonds will be issued as fully registered bonds in book-entry only form, registered in the name of Cede & Co. as nominee of DTC, and will be available to ultimate purchasers in the denomination of $5,000 or any integral multiple of $5,000, under the book-entry system maintained by DTC. While the Bonds are subject to the book-entry system, the principal, interest and any redemption premium with respect to a Bond will be paid by the Trustee to DTC, which in turn is obligated to remit such payment to its DTC Participants for subsequent disbursement to Beneficial Owners of the Bonds. Purchasers of the Bonds will not receive certificates representing their interests therein, which will be held at DTC.

**Transfer, Registration and Exchange**

*The following provisions regarding the exchange and transfer of the Bonds apply only during any period in which the Bonds are not subject to DTC’s book-entry system.* While the Bonds are subject to DTC’s book-entry system, their exchange and transfer will be effected through DTC and the Participants and will be subject to the procedures, rules and requirements established by DTC. See “APPENDIX F – DTC AND THE BOOK-ENTRY ONLY SYSTEM.”

**Bond Register.** The Trustee will keep or cause to be kept, at the Office of the Trustee, sufficient records for the registration and transfer of ownership of the Bonds, which shall upon reasonable notice as agreed to by the Trustee, be open to inspection during regular business hours by the Authority; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on such records, the ownership of the Bonds as provided in the Indenture.

**Transfer of Bonds.** Any Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the person in whose name it is registered, in person or by a duly authorized attorney of such person, upon surrender of such Bond to the Trustee at its Office for cancellation, accompanied by delivery of a written instrument of transfer in a form acceptable to the Trustee, duly executed. The Trustee will require the Owner requesting such transfer to pay any tax or other governmental charge required to be paid with respect to such transfer. Whenever any Bond or Bonds are surrendered for transfer, the Authority will execute and the Trustee will authenticate and deliver to the transferee a new Bond or Bonds of like series, interest rate, maturity and aggregate principal amount. The Authority will pay the cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any transfer of Bonds.
**Exchange of Bonds.** The Bonds may be exchanged at the Office of the Trustee for a like aggregate principal amount of Bonds of other authorized denominations and of the same series, interest rate and maturity. The Trustee will require the Owner requesting such exchange to pay any tax or other governmental charge required to be paid with respect to such exchange. The Authority will pay the cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any exchange of Bonds.

**Limitations on Transfer and Exchange.** The Trustee may refuse to transfer or exchange, under these provisions of the Indenture, any Bonds selected by the Trustee for redemption under the Indenture, or any Bonds during the period established by the Trustee for the selection of Bonds for redemption.

SECURITY FOR THE BONDS

The principal of and interest on the Bonds are not a debt of the Authority or the City, nor a legal or equitable pledge, charge, lien or encumbrance, upon any of their respective property, or upon any of their income, receipts, or revenues except the Revenues and other amounts pledged under the Indenture.

This section provides summaries of the security for the Bonds and certain provisions of the Indenture, the Lease Agreements and the Site Leases. See “APPENDIX B – SUMMARY OF PRINCIPAL LEGAL DOCUMENTS” for a more complete summary of the Indenture, the Lease Agreements and the Site Leases. Capitalized terms used but not defined in this section have the meanings given in APPENDIX B.

Revenues; Pledge of Revenues

Pledge of Revenues and Other Amounts. Subject only to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth therein, all of the Revenues and all amounts (including proceeds of the sale of the Bonds) held in any fund or account established under the Indenture are pledged to secure the payment of the principal of and interest and premium (if any) on the Bonds in accordance with their terms and the provisions of the Indenture. Said pledge constitutes a lien on and security interest in the Revenues and such amounts and will attach, be perfected and be valid and binding from and after the Closing Date, without the need for any physical delivery thereof or further act.

Definition of Revenues. “Revenues” are defined in the Indenture as follows:

(a) all amounts received by the Authority or the Trustee under or with respect to the Lease Agreements, including, without limiting the generality of the foregoing, all of the Lease Payments (including both timely and delinquent payments, any late charges, and whether paid from any source), but excluding (i) any amounts described in the provisions of the Lease Agreements relating to permitted amendments that provide for additional rental to be pledged or assigned for the payment of bonds issued to finance or refinance projects for which the City is authorized to expend its funds, and (ii) any Additional Rental Payments (consisting of certain administrative costs due to the Authority and the Trustee under the Lease Agreements), and

(b) all interest, profits or other income derived from the investment of amounts in any fund or account established under the Indenture.

Assignment to Trustee. Under each Assignment Agreement, the Authority has transferred to the Trustee all of the rights of the Authority in the Lease Agreements (other than the rights of the Authority under the provisions of the Lease Agreements regarding Additional Rental Payments, advances, release and indemnification covenants, and agreement to pay attorneys’ fees).

The Trustee is entitled to collect and receive all of the Revenues, and any Revenues collected or received by the Authority will be deemed to be held, and to have been collected or received, by the Authority as the agent of the Trustee and will forthwith be paid by the Authority to the Trustee.
The Trustee is also entitled to and required to, subject to the provisions of the Indenture regarding rights of the Trustee, take all steps, actions and proceedings which the Trustee determines to be reasonably necessary in its judgment to enforce, either jointly with the Authority or separately, all of the rights of the Authority and all of the obligations of the City under the Lease Agreements.

Allocation of Revenues by Trustee; Application of Funds

**Deposit of Revenues in Bond Fund.** All Revenues will be promptly deposited by the Trustee upon receipt thereof in a special fund designated as the “Bond Fund” which the Trustee will establish, maintain and hold in trust; except that all moneys received by the Trustee and required under the Indenture or under the Lease Agreements to be deposited in the Redemption Fund or the Insurance and Condemnation Fund will be promptly deposited in such funds.

All Revenues deposited with the Trustee will be held, disbursed, allocated and applied by the Trustee only as provided in the Indenture. Any surplus remaining in the Bond Fund, after payment in full of the principal of and interest on the Bonds or provision therefore under Indenture, and any applicable fees and expenses to the Trustee, will be withdrawn by the Trustee and remitted to the City.

**Allocation of Revenues.** On or before each Interest Payment Date, the Trustee will transfer from the Bond Fund and deposit into the following respective accounts (each of which the Trustee will establish and maintain within the Bond Fund), the following amounts in the following order of priority:

(a) **Deposit to Interest Account.** The Trustee will deposit in the Interest Account an amount required to cause the aggregate amount on deposit in the Interest Account to be at least equal to the amount of interest becoming due and payable on such Interest Payment Date on all Bonds then Outstanding.

(b) **Deposit to Principal Account.** The Trustee will deposit in the Principal Account an amount required to cause the aggregate amount on deposit in the Principal Account to equal the principal amount of the Bonds coming due and payable on such Interest Payment Date, including principal of any Term Bonds payable as a result of mandatory sinking fund redemption.

Lease Payments; Covenant to Appropriate

**Obligation to Pay.** Under the Lease Agreements, subject to the provisions of Lease Agreements regarding abatement and prepayment, the City agrees to pay to the Authority, its successors and assigns, the Lease Payments in the respective amounts specified in the Lease Agreements, to be due and payable in immediately available funds on the Interest Payment Dates immediately following each of the respective Lease Payment Dates specified in the Lease Agreements, and to be deposited by the City with the Trustee on each of the Lease Payment Dates specified in the Lease Agreements.

Any amount held in the Bond Fund, the Interest Account and the Principal Account on any Lease Payment Date (other than amounts resulting from the prepayment of the Lease Payments in part but not in whole under the Lease Agreements, and amounts required for payment of past due principal or interest on any Bonds not presented for payment) will be credited towards the Lease Payment then required to be paid under the Lease Agreements. The City is not required
to deposit any Lease Payment with the Trustee on any Lease Payment Date if the amounts then held in the Bond Fund, the Interest Account and the Principal Account are at least equal to the Lease Payment then required to be deposited with the Trustee.

The Lease Payments payable in any Rental Period are for the use of the Leased Property during that Rental Period.

**Fair Rental Value.** The aggregate amount of the Lease Payments and Additional Rental Payments coming due and payable during each Rental Period constitute the total rental for the Leased Property for such Rental Period, and are payable by the City in each Rental Period for and in consideration of the right of the use and occupancy of, and the continued quiet use and enjoyment of the Leased Property during each Rental Period.

The City and the Authority have agreed and determined that the total Lease Payments represent the fair rental value of the Leased Property. In making that determination, consideration has been given to the estimated value of the Leased Property, other obligations of the City and the Authority under this Lease, the uses and purposes which may be served by the Leased Property and the benefits therefrom which will accrue to the City and the general public.

**Source of Payments; Covenant to Budget and Appropriated.** Under the Lease Agreements, the Lease Payments are payable from any source of available funds of the City, subject to the provisions of the Lease Agreements regarding abatement. See “– Abatement” below.

The City covenants in the Lease Agreements to take all actions required to include the Lease Payments in each of its budgets during the Term of the Lease Agreements and to make the necessary appropriations for all Lease Payments and Additional Rental Payments. This covenant of the City constitutes a duty imposed by law and each and every public official of the City is required to take all actions required by law in the performance of the official duty of such officials to enable the City to carry out and perform the covenants and agreements agreed to be carried out and performed by the City under the Lease Agreements.

**Limited Obligation**

THE OBLIGATION OF THE CITY TO MAKE THE LEASE PAYMENTS DOES NOT CONSTITUTE A DEBT OF THE CITY, THE AUTHORITY OR THE STATE OR OF ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMIT OR RESTRICTION, AND DOES NOT CONSTITUTE AN OBLIGATION FOR WHICH THE CITY IS OBLIGATED TO LEVY OR PLEDGE ANY FORM OF TAXATION OR FOR WHICH THE CITY HAS LEVIED OR PLEDGED ANY FORM OF TAXATION.

**Abatement**

**Termination or Abatement Due to Eminent Domain.** Under each Lease Agreement, if the Leased Property is taken permanently under the power of eminent domain or sold to a government threatening to exercise the power of eminent domain, the Term of the respective Lease Agreement thereupon ceases as of the day possession is taken. If less than all of the Leased Property is taken permanently, or if the Leased Property is taken temporarily, under the power of eminent domain, then:
(a) the Lease Agreement will continue in full force and effect with respect thereto and does not terminate by virtue of such taking, and the parties waive the benefit of any law to the contrary; and

(b) the Lease Payments are subject to abatement in an amount determined by the City such that the resulting Lease Payments represent fair consideration for the use and occupancy of the remaining usable portions of the Leased Property.

**Abatement Due to Damage or Destruction.** Under each Lease Agreement, the Lease Payments are subject to abatement during any period in which by reason of damage or destruction (other than by eminent domain as described above) there is substantial interference with the use and occupancy by the City of the Leased Property or any portion thereof.

The Lease Payments are subject to abatement in an amount determined by the City such that the resulting Lease Payments represent fair consideration for the use and occupancy of the remaining usable portions of the Leased Property not damaged or destroyed. Such abatement will continue for the period commencing with such damage or destruction and ending with the substantial completion of the work of repair or reconstruction.

In the event of any such damage or destruction, each Lease continues in full force and effect and the City waives any right to terminate each Lease by virtue of any such damage and destruction.

Notwithstanding the foregoing, there will be no abatement of Lease Payments under either Lease to the extent that the proceeds of hazard insurance, rental interruption insurance or capitalized interest are available to pay Lease Payments that would otherwise be abated, it being declared that such proceeds and amounts constitute a special fund for the payment of the Lease Payments.

In addition, there will be no abatement of Lease Payments due under the Amended and Restated Property Lease to the extent of amounts received by the City from the Successor Agency to the Tracy Community Development Agency (the “Successor Agency”) under an agreement entitled “Amendment No. 1 to Reimbursement Agreement” dated as of ____________ 1, 2020, between the City and the Successor Agency.

**No Reserve Fund**

No debt service reserve fund has been established with respect to the Bonds. See “BOND OWNERS’ RISKS – No Debt Service Reserve Fund.”

**Property Insurance**

**Liability and Property Damage Insurance.** Under each Lease Agreement, the City is required to maintain or cause to be maintained throughout the Term of the Lease Agreement, but only if and to the extent available from reputable insurers at reasonable cost in the reasonable opinion of the City, a standard commercial general liability insurance policy or policies in protection of the Authority, the City, and their respective members, officers, agents, employees and assigns. Said policy or policies shall provide for indemnification of said parties against direct or contingent loss or liability for damages for bodily and personal injury, death or property damage occasioned by reason of the operation of the Leased Property.
Such policy or policies shall provide coverage in such liability limits and be subject to such
deductibles as the City deems adequate and prudent. Such insurance may be maintained as part
of or in conjunction with any other insurance coverage carried by the City, and may be maintained
in whole or in part in the form of self-insurance by the City, subject to the provisions of the Lease
Agreements, or in the form of the participation by the City in a joint powers agency or other
program providing pooled insurance.

The proceeds of such liability insurance must be applied toward extinguishment or
satisfaction of the liability with respect to which paid.

**Casualty Insurance.** Under the Lease Agreements, the City is required to procure and
maintain, or cause to be procured and maintained, throughout the Term of the Lease Agreements,
casualty insurance against loss or damage to all buildings situated on the Leased Property, in an
amount at least equal to the lesser of (a) 100% of the replacement value of the insured buildings,
or (b) 100% of the aggregate principal amount of the Outstanding Bonds.

Such insurance must, as nearly as practicable, cover loss or damage by explosion,
windstorm, riot, aircraft, vehicle damage, smoke and such other hazards as are normally covered
by such insurance, and must include earthquake insurance if available at reasonable cost from
reputable insurers in the judgment of the City.

Such insurance may be subject to such deductibles as the City deems adequate and
prudent. Such insurance may be maintained as part of or in conjunction with any other insurance
coverage carried by the City, and may be maintained in whole or in part in the form of the
participation by the City in a joint powers agency or other program providing pooled insurance;
provided that such insurance may not be maintained by the City in the form of self-insurance. The
Net Proceeds of such insurance must be applied as provided in the Lease Agreements and
described below.

**Rental Interruption Insurance.** Under the Lease Agreements, the City is required to
procure and maintain, or cause to be procured and maintained, throughout the Term of the Lease
Agreements, rental interruption or use and occupancy insurance to cover loss, total or partial, of
the use of any portion of the Leased Property constituting buildings or other improvements as a
result of any of the hazards covered in the casualty insurance described above, in an amount at
least equal to the maximum such Lease Payments coming due and payable during any
consecutive two Fiscal Years.

Such insurance may be maintained as part of or in conjunction with any other insurance
coverage carried by the City, and may be maintained in whole or in part in the form of the
participation by the City in a joint powers agency or other program providing pooled insurance;
provided that such insurance may not be maintained by the City in the form of self-insurance.

The Net Proceeds of such insurance, if any, must be paid to the Trustee and deposited in
the Bond Fund, to be applied as a credit towards the payment of the Lease Payments allocable
to the insured improvements as the same become due and payable.

**Application of Net Proceeds.** The Trustee, as assignee of the Authority under the
Assignment Agreement, has the right to receive all Net Proceeds. As provided in the Indenture,
the Trustee will deposit all Net Proceeds in the Insurance and Condemnation Fund to be applied
to the redemption of Bonds as set forth in the Indenture.

**Budget Process**

The Tracy Municipal Code requires that the City Council adopt a budget by no later than the close of the fiscal year (June 30). This annual budget serves as the foundation for the City’s financial planning and control. The budget is prepared by fund, by department, and by program. The Finance Department maintains budgetary controls to ensure compliance with legal provisions embodied in the appropriated budget approved by the City Council. The level of budgetary control (the level at which expenditures cannot legally exceed the appropriated amount) is the department level and within a single fund. The City Manager may authorize transfers between administrative control accounts within a department or within a capital project. Supplemental appropriations during the year must be approved by the City Council. Any transfer of appropriations between departments in the operating budget or between capital projects in the capital budget also requires City Council approval. For further information concerning the City’s budgetary procedures, see the City’s audited financial statements attached hereto as Appendix C.
The City's fiscal year runs from July 1 to June 30. The City adopted an biennial (two-year) budget for fiscal year 2017-2019 in June 2017. The City returned to an annual (single-year) budget in fiscal year 2019-20. The proposed fiscal year 2019-20 budget was released on May 23, 2019. A public hearing was held on June 4, 2020, where the City Council reviewed and considered the proposed operating budget prepared by City staff. The public hearing provided the opportunity for City Council to discuss the budget and to modify the proposed budget to reflect the Council’s priorities. The workshop also permitted public comment and participation in the budget process. Copies of the budget are available for public viewing at the City’s Public Library and at City Hall. The City Council adopted the fiscal year 2019-20 budget on June 4, 2019.

Budget Summary

The fiscal year 2019-20 proposed budget totals $228 million from all funding sources. The fiscal year 2019-20 budget for the General Fund is $79 million, which includes Measure V revenue, a local half-cent sales tax revenue. The City has committed the funds received from Measure V sales tax revenue for discretionary funding dedicated to amenitzing the City. The General Fund expenditures and net transfers out are $82 million, which includes Measure V capital projects. Included in the expenditures is the second year of personnel contract increases that reflect a 3-year contract with 4% salary increases annually through July 1, 2020. In addition, the General Fund personnel costs reflect the highest staffing level since the recession; over 10% increase since 2015. The net result is a General Fund budget with expenses greater than revenues with the proposed use of one-time funds to balance the General Fund budget carried over from prior year surpluses. Additionally, the City averages a 3% to 5% annual expenditure savings from vacancies (averaging $3 million annually) that is anticipated to reduce estimated expenditures. The net result projected at end of fiscal year 2019-20 is expected to be a balanced budget that maintains the City’s Fund Balance Policy (as described below).

The City Council has an adopted “Fund Balance Policy” that establishes the procedures for reporting fund balance in the City’s financial statements. Certain commitments and assignments of fund balance will help ensure that there will be adequate financial resources to protect the City against unforeseen circumstances and events such as revenue shortfalls and unanticipated expenditures. Beginning in fiscal year 2014-15, the City Council, through budget adoption, approved a minimum fund balance in the General Fund to be equal to 30% of operating revenues; 10% for Economic/Budget Stability Reserves and 20% for Contingency Reserves. These fund balances have been carved out and represented in the table on the following page. The policy also authorizes and directs the Finance Director to prepare financial reports which accurately categorize fund balance as per Governmental Accounting Standards Board (GASB) Statement No. 54, Fund Balance Reporting and Governmental Fund Type Definitions. This policy took effect for financial reports for fiscal year ending June 30, 2011.

The City anticipates having a General Fund fund balance of $31.5 million as of June 30, 2020. Per the City’s Fund Balance policy, the City has set aside 30% (or $25 million) of the reserves for economic uncertainty and emergencies. In addition, the City Council has committed an additional $7 million to new capital projects, as well as, setting aside funds for personnel salaries and benefits in future years.

State Budget and Its Impact on the City

**General.** Information about the fiscal year 2019-20 adopted State budget and other State budgets is regularly available at various State-maintained websites. An impartial analysis of the budget is posted by the Legislative Analyst Office at www.lao.ca.gov. In addition, various State official statements, many of which contain a summary of the current and past State budgets, may be found at the website of the State Treasurer, www.treasurer.ca.gov. The information referred
Future State Budgets. The City cannot predict what actions will be taken in future years by the State Legislature and the Governor to address a State budget deficit. Future State budgets will be affected by national and state economic conditions and other factors over which the City has no control. To the extent that the State budget process results in reduced revenues to the City, the City will be required to make adjustments to its budget.

Financial Statements

The accounting policies of the City conform to generally accepted accounting principles. The Governmental Accounting Standards Board ("GASB") published its Statement No. 34 “Basic Financial Statements – and Management’s Discussion and Analysis – for State and Local Governments” on June 30, 1999. Statement No. 34 provides guidelines to auditors, state and local governments and special purpose governments such as school districts and public utilities, on new requirements for financial reporting for all governmental agencies in the United States. Generally, the basic financial statements and required supplementary information should include (i) Management’s Discussion and Analysis; (ii) financial statements prepared using the economic measurement focus and the accrual basis of accounting; (ii) fund financial statements prepared using the current financial resources measurement focus and the modified accrual method of accounting; and (iv) required supplementary information.

Accounts of the City are organized on the basis of funds, each of which is considered a separate accounting entity. There are three groups of funds: governmental funds (which include the General Fund), proprietary funds (which include internal service funds) and fiduciary funds (which are used to account for resources held for the benefit of parties outside the City). Information is presented separately in the governmental statement of revenues, expenditures, and changes in fund balances for the General Fund and the other major funds. Data for the non-major funds are combined into a single aggregated presentation.

All governmental funds and fiduciary funds use the modified accrual basis of accounting. The proprietary funds use the accrual basis of accounting. The General Fund is the general operating fund of the City and is used to account for all financial resources except those required to be accounted for in a separate fund.

In fiscal year 2014-15, the City implemented GASB Statements No. 68 and 71. These statements establish standards for measuring and recognizing liabilities, deferred outflows of resources, deferred inflows of resources and pension plan expenses. GASB Statements No. 68 and No. 71 do not change the pension funding obligations of the City and have had no effect on the General Fund.

The City’s most recent audited financial statements are included in the Comprehensive Annual Financial Report for the Fiscal Year Ended June 30, 2019, which is attached as APPENDIX C to this Official Statement. The financial statements were prepared by the City and audited by Maze & Associates Accountancy Corporation (the “Auditor”).
The Financial Statements should be read in their entirety. The City has neither requested nor obtained permission from the Auditor to include the audited financial statements as an appendix to this Official Statement. Accordingly, the Auditor has not performed any post-audit review of the financial condition or operations of the City or General Fund. In addition, the Auditor has not reviewed this Official Statement.

Set forth on the following pages are (i) a general fund balance sheet for fiscal years 2014-15 through 2018-19 and (ii) a statement of revenues, expenditures and changes in fund balances for the City’s general fund for the same period.

Major Revenues

**General.** Taxes and other sources of revenue received by the City are listed in the table below, which presents the major revenues of the City’s General Fund for the last five audited fiscal years.

Combined, taxes comprise over 80% of the City’s General Fund revenues. Property Tax and Sales Tax contribute more than two-thirds of the total income for the General Fund (and 90% of the total taxes). The next largest income is received through Charges for Services at 14% of the total General Fund revenue. All other revenues, including taxes from Business License, Transient Occupancy Tax, and Franchise Fees, comprise the remaining 15% of the total revenues. The City’s revenues are expected to continue to increase annually for the next several years; with an annual increase estimated at 2-3%. Although the City can not foresee all economic trends, the City annually completes a ten-year forecast based upon historical collections, market trends and consumer demands. The City’s revenues are diversified among Property Tax, Sales Tax, and other revenues. Sales Tax is the most responsive to the volatility changes of the economy, while Property Tax tends to lag by 18-24 months. This allows the City to adjust more gradually to changes such as an economic downturn.

Certain general taxes currently imposed by the City are affected by Proposition 218. See “CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES AND APPROPRIATIONS – Article XIIIC and Article XIIID of the State Constitution.”

**Property Taxes**

**General.** This section describes property tax levy and collection procedures and certain information regarding historical assessed values and major property tax payers in the City.

Property taxes represent one of the largest source of tax revenue to the City at approximately 28% in fiscal year 2018-19 and 31% in fiscal year 2019-20 of General Fund total revenues. The City has projected to receive $22 million in property tax revenue for fiscal year 2018-19 (6% growth over prior year) and the revenues is projected to increase to $24 million in fiscal year 2019-20 (9% growth over fiscal year 2018-19). The revenue growth is attributable to the 2% statutory inflationary increase on Assessed Valuation related to Proposition 13, as well...
as a steady increase in home sales and new home construction that is expected to continue for several years. See “– Assessed Valuation” below. The City utilizes the services of two consulting firms to assist in forecasting property tax revenues. In addition, these firms provide auditing services to ensure the County tax accurately reflect the City’s allocations.

See “– Assessed Valuation” below.

Property taxes have historically been the primary revenue source affected by voter initiatives and legislative actions. See “CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES AND APPROPRIATIONS” and “BOND OWNERS’ RISKS – Limitations on Taxes and Fees.”

**ERAF Shift Legislation.** Certain property taxes have been shifted from local government agencies to schools by the State Legislature for deposit in the Education Revenue Augmentation Fund (“ERAF”), a shift that has resulted in diversion of City property taxes since fiscal year 1992-93.

**Levy and Collection.** Property taxes are levied for each fiscal year on taxable real and personal property as of the preceding January 1. For assessment and collection purposes, property is classified either as “secured” or “unsecured” and is listed accordingly on separate parts of the assessment roll. The “secured roll” is that part of the assessment roll containing State-assessed public utilities property and real property the taxes on which are a lien sufficient, in the opinion of the County Assessor, to secure payment of the taxes. Other property is assessed on the “unsecured roll.”

Property taxes on the secured roll are due in two installments, on November 1 and February 1 of each fiscal year, and become delinquent on December 10 and April 10, respectively. A penalty of 10% attaches immediately to all delinquent payments. Property on the secured roll with respect to which taxes are delinquent become tax defaulted on or about June 30 of the fiscal year. Such property may thereafter be redeemed by payment of a penalty of 1.5% per month to the time of redemption, plus costs and a redemption fee. If taxes are unpaid for a period of five years or more, the property may be sold at public auction.

Property taxes on the unsecured roll are due as of the January 1 lien dates and become delinquent on August 31. A 10% penalty attaches to delinquent unsecured taxes. If unsecured taxes are unpaid at 5:00 p.m. on October 31, an additional penalty of 1.5% attaches to them on the first day of each month until paid. The County has four ways of collecting delinquent unsecured personal property taxes: (1) a civil action against the taxpayer; (2) filing a judgment in the office of the County Clerk specifying certain facts in order to obtain a lien on certain property of the taxpayer; (3) filing a certificate of delinquency for record in the County Recorder’s office in order to obtain a lien on certain property of the taxpayer; and (4) seizure and sale of personal property, improvements or possessory interests belonging or assessed to the assessees.

**Assessed Valuation.** All property is assessed using full cash value as defined by Article XIIIa of the State Constitution. State law provides exemptions from ad valorem property taxation for certain classes of property such as churches, colleges, non-profit hospitals, and charitable institutions. See “CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES AND APPROPRIATIONS.”

Future assessed valuation growth allowed under Article XIIIa of the State Constitution (new construction, certain changes of ownership, 2% inflation) will be allocated on the basis of
“situs” among the jurisdictions that serve the tax rate area within which the growth occurs. Local agencies and schools will share the growth of “base” revenues from the tax rate area. Each year’s growth allocation becomes part of each agency’s allocation in the following year.

**Assessed Valuation History.** The following table shows a ten-year history of the City’s assessed valuation.

**Proposition 13 and Proposition 8 Property Value Adjustments.** Proposition 13, adopted in 1978, established the base year value concept for property tax assessments. Under Proposition 13, the 1975-76 fiscal year serves as the original base year used in determining the assessment for real property. Thereafter, annual increases to the base year value are limited to the inflation rate, as measured by the California Consumer Price Index, or 2%, whichever is less. A new base year value, however, is generally established whenever a property, or portion thereof, has had a change in ownership or has been newly constructed.

Proposition 8, enacted in 1978, allows for a temporary reduction in assessed value when a property suffers a “decline-in-value.” As of January 1st (lien date) each year, the Assessor must enroll either a property’s Proposition 13 value (adjusted annually for inflation by no more than 2%) or its current market value, whichever is less. When the current market value replaces the higher Proposition 13 value, the lower value is commonly referred to as a “Proposition 8 Value.” “Proposition 8 values” are temporary and, once enrolled, must be reviewed annually by the assessor until the Proposition 13 adjusted base year value is enrolled.

**Teeter Plan.** The Board of Supervisors of the County has approved the implementation of the Alternative Method of Distribution of Tax Levies and Collections and of Tax Sale Proceeds (the "Teeter Plan"), as provided for in Section 4701 et seq. of the California Revenue and Taxation Code. Under the Teeter Plan, the County apportions secured property taxes on an accrual basis when due (irrespective of actual collections) to local political subdivisions, including the City, for which the County acts as the tax-levying or tax-collecting agency.

The Teeter Plan is applicable to all tax levies on secured property for which the County acts as the tax-levying or tax-collecting agency, or for which the County treasury is the legal depository of the tax collections.

The Teeter Plan is to remain in effect unless the Board of Supervisors of the County orders its discontinuance or unless, prior to the commencement of any fiscal year of the County (which commences on July 1), the Board of Supervisors receives a petition for its discontinuance joined in by resolutions adopted by at least two-thirds of the participating revenue districts in the County, in which event the Board of Supervisors is to order discontinuance of the Teeter Plan effective at the commencement of the subsequent fiscal year. If the Teeter Plan is discontinued subsequent to its implementation, only those secured property taxes actually collected would be allocated to political subdivisions (including the City) for which the County acts as the tax-levying or tax-collecting agency.

**Sales and Use Taxes**

Sales taxes represent the largest source of tax revenue to the City at approximately 47% in fiscal year 2018-19 and 42% in fiscal year 2019-20 of General Fund total revenues. The City has projected to receive $38 million in property tax revenue for fiscal year 2018-19 (27% growth...
over prior year) and the revenues is projected to increase to $34 million in fiscal year 2019-20 (13% decrease over fiscal year 2018-19). The decrease in Sales Tax revenue is a result on a timing issue with the Sales Tax payments for the 4th quarter (April-June 2019) by the State. The State remitted most of the last quarter of fiscal year 2017-2018 to the City in the first quarter of fiscal year 2018-19. To forecast, the City averaged the three year growth is 10%. The revenue growth is attributable a growing retail and distribution base in the City. The City continues to be successful in attracting large distribution centers to its industrial parks which not only increase the City’s base tax, but add to the City’s half-cent sales tax revenue (Measure V).

This section describes the current system for levying, collecting and distributing sales and use tax revenues in the State of California.

*Sales Tax Rates.* The City collects a percentage of taxable sales in the City (minus certain administrative costs imposed by the State) pursuant to the Bradley-Burns Uniform Local Sales and Use Tax (the “Sales Tax Law”), as shown below.

Local taxes are included in the statewide sales and use tax rate of 7.25%. Additional local taxes approved by voters (also referred to as district taxes or “transaction taxes”) are applied to purchases where the goods are delivered or placed into use in the City.

Currently, taxable transactions in the City are subject to the following sales and use tax, of which the City’s share is only a portion. The State collects and administers the tax, and makes distributions on taxes collected within the City, as follows:

Sales and use taxes are complementary taxes; when one applies, the other does not. In general, the statewide sales tax applies to gross receipts of retailers from the sale of tangible
personal property in the State of California. The use tax is imposed on the purchase, for storage, use or other consumption in the State of tangible personal property from any retailer. The use tax generally applies to purchases of personal property from a retailer outside the State of California where the use will occur within the State of California. The Sales Tax is imposed upon the same transactions and items as the statewide sales tax and the statewide use tax.

Certain transactions are exempt from the State sales tax, including sales of the following products:

- food products for home consumption;
- prescription medicine;
- newspapers and periodicals;
- edible livestock and their feed;
- seed and fertilizer used in raising food for human consumption; and
- gas, electricity and water when delivered to consumers through mains, lines and pipes.

This is not an exhaustive list of exempt transactions. A comprehensive list can be found in the State Board of Equalization’s Publication No. 61 entitled “Sales and Use Taxes: Exemptions and Exclusions,” which can be found on the California Department of Tax and Fee Administration (CDTFA) website at www.cdtfa.ca.gov. The reference to this Internet website is provided for reference and convenience only. The information contained within the website may not be current, has not been reviewed by the City and is not incorporated in this Official Statement by reference.

**Sales Tax Collection Procedures.** Collection of the sales and use tax is administered by the California Department of Tax and Fee Administration (“CDTFA”) Retailers engaged in business in California must register with the CDTFA and pay the state’s sales tax, which applies to all retail sales of goods and merchandise except those sales specifically exempted by law. The use tax generally applies to the storage, use, or other consumption in California of goods purchased from retailers in transactions not subject to the sales tax. Use tax may also apply to purchases shipped to a California consumer from another state, including purchases made by mail order, telephone, or Internet. The sales and use tax rate in a specific California location has three parts: the state tax rate, the local tax rate, and any district tax rate that may be in effect. These transmittals are required to be made at least twice in each calendar quarter.

Under its procedures, CDTFA projects receipts of the sales and use tax on a quarterly basis and remits an advance of the receipts of the sales and use tax to the City on a monthly basis. The amount of each monthly advance is based upon CDTFA’s quarterly projection. During the last month of each quarter, CDTFA adjusts the amount remitted to reflect the actual receipts of the sales and use tax for the previous quarter.

According to CDTFA, it distributes quarterly tax revenues to cities, counties and special districts using the following method:

Using the prior year’s like quarterly tax allocation as a starting point, CDTFA first eliminates nonrecurring transactions such as fund transfers, audit payments and refunds, and then adjusts for growth, in order to establish the estimated base amount. CDTFA disburses 90% to each local jurisdiction in three monthly installments (advances) prior to the final computation of the quarter's
actual receipts. Ten percent is withheld as a reserve against unexpected occurrences that can affect tax collections (such as earthquakes, fire or other natural disaster) or distributions of revenue such as unusually large refunds or negative fund transfers. The first and second advances each represent 27% of the 90% distribution, while the third advance represents 46%. One advance payment is made each month, and the quarterly reconciliation payment (clean-up) is distributed with the third payment. Statements showing total collections, administrative costs, prior advances and the current advance are provided with each quarterly clean-up payment.

CDTFA receives an administrative fee based on the cost of services provided by CDTFA to the City in administering the City’s sales tax, which is deducted from revenue generated by the sales and use tax before it is distributed to the City. In addition, the City receives auditing and forecasting services from HdL to ensure that the City receives the proper allocation of sales tax revenue.

**Location Agreements.**

In December 2015, the City entered into a Location Agreement with a manufacturer and distributor of healthcare products and services (the “2015 Company”) to make payments to the 2015 Company in return for the 2015 Company establishing, locating and operating a sales office in the City. Under the terms of the agreement, the City has agreed to pay the 2015 Company 50% of the quarterly local sales tax revenues attributable to the 2015 Company’s taxable sales for each fiscal quarter, excluding penalty assessments, commencing with the quarter beginning January 1, 2017 and ending on December 31, 2036, unless otherwise extended in accordance with the agreement. The City paid $__________ to the 2015 Company during the year ended June 30, 2019.

In December 2017, the City entered into a Location Agreement with a manufacturer and distributor of healthcare products and services (the “2017 Company”) to make payments to the 2017 Company in return for the 2017 Company establishing, locating and operating a sales office in the City. Under the terms of the agreement, the City has agreed to pay the 2017 Company 50% of the quarterly local sales tax revenues attributable to the 2017 Company’s taxable sales for each fiscal quarter, excluding penalty assessments, commencing with the quarter beginning January 1, 2017 and ending on December 31, 2036, unless otherwise extended in accordance with the agreement. The City paid $__________ to the 2017 Company during the year ended June 30, 2019.

In December 2019, the City entered into a Location Agreement with a manufacturer and distributor of general merchandise (the “2019 Company”) to make payments to the 2019 Company in return for the 2019 Company establishing, locating and operating a sales office in the City. Under the terms of the agreement, the City has agreed to pay the 2019 Company 50% of the quarterly local sales tax revenues attributable to the 2019 Company’s taxable sales for each fiscal quarter, excluding penalty assessments, commencing with the quarter beginning January 1, 2020 and ending on December 31, 2040, unless otherwise extended in accordance with the agreement. The City paid $0 to the 2019 Company during the year ended June 30, 2019.

**Historical Composition of Sales Tax Revenue.** A historical summary of sales tax composition by category is shown in the following table. The data presented show the full value of the City’s 1.0% share of sales taxes under the Sales Tax Law, and do not reflect the State’s “triple-flip” adjustments, administrative fees, or the 5% of the City’s revenue allocable to San Joaquin County. The table below is provided by the City’s sales tax auditors (HdL) and reflects allocation on a calendar year basis.

**Other Taxes and Revenues**

**Assessments.**

**Business License Taxes.** Business taxes are paid by individuals and entities for the privilege of conducting business in the City and to help play for public services that contribute to a favorable business environment. The tax rate depends upon the type and size of the business. Some businesses pay a flat rate. Business tax receipts tend to fluctuate with economic cycles, though to a lesser degree than sales taxes.

Each person transacting and carrying on a business not specifically classified by other sections of the City municipal code is required to pay an annual business tax of $100, which covers one owner, plus $20 for each additional employee or owner. Each business tax will be determined annually based upon the average number of employees of the business in the City's preceding year.

Exemptions are provided for the following:

- Nonprofit organizations.
- Disabled veterans.
- Disabled persons.
- Minimal income persons. Any person whose annual gross income from any such business is less than $2,000.
- Minors.
- Solicitors in interstate commerce.

The City has projected to receive approximately $1 million in Business License tax revenue for fiscal year 2018-19 and fiscal year 2019-20 (approximately 1% growth); primarily related to increased business growth within the City.
**Franchise Taxes.** State law provides cities with the authority to grant franchises to privately-owned utility and other companies for their use of the public right-of-way. The City receives franchise fees from the electric and gas utility, the solid waste collection company, and local cable companies. The dominant franchise fees are calculated as a percentage of the respective franchisee’s gross revenues (subject to specified statutory adjustments) earned from services delivered or performed by the franchisee within the City.

Gas and electricity franchise: PG&E franchise fee revenues change because of changes to the cost of natural gas and other resources used to generate electricity, consumer power demands (which are affected by the economy), interstate energy contract pricing, and State and federal regulatory changes. [In August 2016, PG&E filed a settlement agreement with the California Public Utilities Commission (CPUC) for its three-year “rate case” that took effect on January 1, 2017. The settlement agreement provides for a 1.1% revenue increase in the first year, a 5.5% revenue increase in the second year, and a 4.2% revenue increase in the third year.] Decreased demand (a factor of weather and price) or significant interstate cost decreases are factors that might negatively affect this revenue. Gas and electric franchise fee revenues were $698,871 in fiscal year 2018-19 and are estimated to be $752,147 in fiscal year 2019-20.

Cable franchise: AB 2987 was signed into California law and became effective January 1, 2007. This legislation transferred the franchising functions to the State and set a fixed franchise fee of 5%. Cable franchise fee revenues were $769,952 in fiscal year 2018-19 and estimated to be $871,405 in fiscal year 2019-20.

Solid waste collection franchise: Solid waste collection franchise fee revenues were $2,076,755 in fiscal year 2018-19 and are estimated to be $2,078,876 in fiscal year 2019-20.

**Transient Occupancy Taxes (TOT).** The City’s transient occupancy tax rate of 10% is charged on hotel and motel room occupancies of 30 days or less. It is paid by hotel and motel customers in addition to the room rate. Fiscal year 2018-19 transient occupancy tax revenues were $1.6 million, an increase of 3% from the the prior fiscal year level and constituting 2% of General Fund tax revenues. Fiscal year 2019-20 transient occupancy tax revenues are estimated to be $2 million, an increase of 19% from the the prior fiscal year and constituting approximately 3% of General Fund’s tax revenues.

The City anticipates that three hotels will open over the next five years. The first hotel is slated to be open in 2020 with 87 rooms. Another hotel with 94 rooms is in plan review with construction to begin over the summer of 2020. The City has also entitled a third hotel with 107 rooms that is expected to be submitted for final review in 2020-21.

Risk Management

The City is exposed to various risks related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The city maintains the Insurance Internal Service Fund to account for and finance its risks of loss.
**Coverage.** The City participates in the Central San Joaquin Valley Risk Management Authority ("CSJVRMA"), a public entity risk pool currently operating as a common risk management and insurance program for 54 cities. The purpose of CSJVRMA is to spread the adverse effect of losses among the members and to purchase excess insurance as a group, thereby reducing its expense. The CSJVRMA is governed by a Board of Directors elected by the member agencies; it is not a component unit of the City. Audited financial statements are available from the Central San Joaquin Risk Management Authority at 1750 Creekside Oaks Drive, Suite 200, Sacramento, CA 95833.

**[PLEASE UPDATE AS NEEDED]**

The City participates in the following pooled coverages through CSJVRMA:

<table>
<thead>
<tr>
<th>Type of Coverage (Deductible)</th>
<th>Coverage Limits</th>
</tr>
</thead>
<tbody>
<tr>
<td>Liability ($100,000)</td>

<td>1,000,000,000</td>
</tr>
</tbody>
</table>

The CSJVRMA maintains separate records for each member for each year of participation. The records track cash paid to the CSJVRMA through deposit premium assessments, the City’s self-insured retention portion of claims paid, and the City’s allocation of shared risks. Three years after the close of the workers’ compensation coverage year and five years after the close of the general liability coverage year, the CSJVRMA assesses the status of all members for the year, then either makes a refund to a member if it has positive balance (i.e. payout and reserve experience is less than premiums paid) or collects any deficit.

During the fiscal year ended June 30, 2019, the City contributed $_______________ for current year coverage. Settled claims have not exceeded insurance coverage in any of the past three fiscal years.

**Liability for Uninsured Claims.** The City provides for the uninsured portion of claims and judgments, including provisions for claims incurred but not reported, in the Insurance Internal Service Fund. Claims and judgments are recorded when a loss is deemed probable of asserting and the amount of the loss is reasonably determinable. As discussed above, the City has coverage for such claims, but it has retained the risk for the deductible, or uninsured portion of these claims. The City has estimated that claims will become due and payable in more than one year. The City’s liability for uninsured claims was estimated by management based on prior year claims experience and CSJVRMA where the City as of June 30, 2018 has reserve deposits which cover claims and IBNRs.

Employee Retirement System

This caption contains certain information relating to California Public Employees’ Retirement System (“CalPERS”). The information is primarily derived from information produced by CalPERS, its independent accountants and actuaries. The City has not independently verified the information provided by CalPERS and makes no representations and expresses no opinion as to the accuracy of the information provided by CalPERS.

The comprehensive annual financial reports of CalPERS are available on its Internet website at www.calpers.ca.gov. The CalPERS website also contains CalPERS’ most recent actuarial valuation reports and other information concerning benefits and other matters. Such information is not incorporated by reference in this Official Statement. None of the Authority, City or Purchaser can guarantee the accuracy of such information. Actuarial assessments are “forward-looking” statements that reflect the judgment of the fiduciaries of the pension plans, and are based upon a variety of assumptions, one or more of which may not materialize or may be changed in the future. Actuarial assessments will change with the future experience of the pension plans.

Plan Descriptions. All qualified permanent and probationary employees are eligible to participate in the City’s separate Safety (police and fire) and Miscellaneous (all other) Plans, agent multiple-employer defined benefit pension plans administered by the CalPERS, which acts as a common investment and administrative agent for its participating member employers. Benefit provisions under the Plans are established by State statute and City resolution. CalPERS issues publicly available reports that include a full description of the pension plans regarding benefit provisions, assumptions and membership information that can be found on the CalPERS website.

Benefits Provided. CalPERS provides service retirement and disability benefits, annual cost of living adjustments and death benefits to plan members, who must be public employees and beneficiaries. Benefits are based on years of credited service, equal to one year of full time employment. Members with five years of total service are eligible to retire at age 50 with statutorily reduced benefits. All members are eligible for non-duty disability benefits after 10 years of service. The death benefit is one of the following: the Basic Death Benefit, the 1957 Survivor Benefit, or the Optional Settlement 2W Death Benefit. The cost of living adjustments (“COLA”) for each plan are applied as specified by the Public Employees’ Retirement Law. The Pension Reform Act of 2013 (PEPRA), Assembly Bill 340, is applicable to employees new to CalPERS and hired after December 31, 2012.

Beginning in fiscal year 2018, CalPERS collects employer contributions for the Plans as a percentage of payroll for the normal cost portion as noted in the rates above and as a dollar amount for contributions toward the unfunded accrued liability ("UAL"). The dollar amounts are billed on an annual basis. The City’s required contributions for the unfunded liability for Miscellaneous and Safety Plans were $2,479,417 and $2,313,800, respectively, in fiscal year 2019, as shown in the tables above.

On July 11, 2019, CalPERS announced preliminary investment returns for the 12-month period ended June 30, 2019, of 6.7%. Such returns are lower than CalPERS’ current assumed rate of investment return (7.0%) and, along with other factors (including future investment returns and contributions rates), may result in increased required contributions in the future. See “– Recent Actions Taken by CalPERS” below.

Recent Actions Taken by CalPERS. At its April 17, 2013, meeting, CalPERS’ Board of Administration (the “Board of Administration”) approved a recommendation to change the CalPERS amortization and smoothing policies. Prior to this change, CalPERS employed an amortization and smoothing policy that spread investment returns over a 15-year period with experienced gains and losses paid for over a rolling 30-year period. After this change, CalPERS will employ an amortization and smoothing policy that will pay for all gains and losses over a 20-year period with a five-year ramp-up, and five-year ramp-down, period. The new amortization and smoothing policy was used for the first time in the June 30, 2013, actuarial valuations in setting employer contribution rates for fiscal year 2015-16.

On February 18, 2014, the CalPERS Board approved new demographic actuarial assumptions based on a 2013 study of recent experience. The largest impact, applying to all benefit groups, is a new 20-year mortality projection reflecting longer life expectancies and that longevity will continue to increase. Because retirement benefits will be paid out for more years, the cost of those benefits will increase as a result. The Board of Administration also assumed earlier retirements for Police 3%@50, Fire 3%@55, and Miscellaneous 2.7%@55 and 3%@60, which will increase costs for those groups. As a result of these changes, rates will increase beginning in fiscal year 2016-17 (based on the June 30, 2014 valuation) with full impact in fiscal year 2020-21.

On November 18, 2015, the CalPERS Board adopted a funding risk mitigation policy intended to incrementally lower its discount rate – its assumed rate of investment return – in years of good investment returns, help pay down the pension fund's unfunded liability, and provide greater predictability and less volatility in contribution rates for employers. The policy establishes
a mechanism to reduce the discount rate by a minimum of 0.05 percentage points to a maximum of 0.25 percentage points in years when investment returns outperform the existing discount rate, currently 7.5%, by at least four percentage points. CalPERS staff modeling anticipates the policy will result in a lowering of the discount rate to 6.5% in about 21 years, improve funding levels gradually over time and cut risk in the pension system by lowering the volatility of investment returns. More information about the funding risk mitigation policy can be accessed through CalPERS' web site at the following website address:

The reference to this Internet website is provided for reference and convenience only. The information contained within the website may not be current, has not been reviewed by the City and is not incorporated in this Official Statement by reference.

On December 21, 2016, the CalPERS Board voted to lower its discount rate from the current 7.5% to 7.0% over the next three years according to the following schedule.

For public agencies like the City, the new discount rate will increase contribution costs beginning in fiscal year 2018-19. Lowering the discount rate means employers that contract with CalPERS to administer their pension plans will see increases in their normal costs and unfunded actuarial liabilities. Active members hired after January 1, 2013, under the Public Employees' Pension Reform Act will also see their contribution rates rise. The three-year reduction of the discount rate will result in average employer rate increases of about 1 percent to 3 percent of normal cost as a percent of payroll for most miscellaneous retirement plans, and a 2 percent to 5 percent increase for most safety plans. Additionally, many CalPERS employers will see a 30 to 40 percent increase in their current unfunded accrued liability payments. These payments are made to amortize unfunded liabilities over 20 years to bring the pension fund to a fully funded status over the long-term.

In December 2017, the CalPERS Board adopted relatively modest changes to the asset allocation that reduced the expected volatility of returns. The adopted asset allocation was expected to have a long-term blended return that continued to support a discount rate assumption of 7.00%. The Board also approved several changes to the demographic assumptions that more closely aligned with actual experience.

Other Post-Employment Benefits (“OPEB”)

Plan Description. The City administers a single employer defined benefit (implicit subsidy) healthcare plan. No assets have been accumulated in a trust for the payment of benefits that meets the criteria in paragraph 4 of Governmental Accounting Standards Board Statement No. 75.

The City offers medical, dental, vision and life insurance benefits to its employees, retirees, and their dependents. However, the City does not explicitly pay for the cost of retiree
health premiums. The medical plans consist of a Kaiser HMO, a Kaiser POS, and a Kaiser PPO, all fully insured. Medical premiums for retirees under age 65 are the same as those charged for active employees.

Employees who retire with at least ten years of service may elect to convert all accrued sick leave at the time of retirement to a medical insurance bank that can be used for medical, dental and vision premiums. Miscellaneous employees except members of the Teamsters Bargaining Unit can bank their unused sick leave upon retirement. Members of the Teamsters can also bank their unused sick leave only if they have at least 10 years of employment with the City. Safety employees: Police employees can bank their unused sick leave if they have at least 10 years of employment. Fire employees have a choice to bank their unused sick leave. Fire employees also need at least 10 years of employment to receive this benefit. The value of the medical insurance bank is determined by multiplying the number of accrued sick leave hours by the employees’ hourly rate of pay at the time of retirement.

The retired employee and his/her dependents are entitled to continued group health insurance coverage currently in effect with premiums for such coverage being deducted from the medical leave bank until that bank is exhausted.

The cost of retiree health care benefits is recognized as an expenditure as health care premiums are paid. For the fiscal year ending June 30, 2019, those costs for 78 retirees totaled $598,941 and the total liability amount in the medical leave bank is $3,346,164.

After the account is exhausted, the retiree has the option either to terminate coverage or elect to continue paying the medical (but not dental or vision) premiums from personal funds. Spouses and eligible dependent children of retirees may also be covered at the retiree’s expense. While the City does not directly contribute towards the cost of premiums for retirees, the ability to obtain coverage at an active employee rate constitutes a significant economic benefit to the retirees, called an “implicit subsidy” under generally accepted accounting principles. The inclusion of the retirees increases the City’s overall health insurance rates; it is, in part, the purpose of this valuation to determine the amount of the subsidy.

The ability to participate in the City’s health plan by self-paying the premiums extends for the lifetime of the retiree; however, upon attaining the age of Medicare eligibility (65), the retiree may enter a plan coordinated with Medicare. Standard actuarial practice assumes that Medicare supplement plans do not generally give rise to an implicit subsidy, and while we have included Medicare eligible retirees in this valuation, both their liability and their annual implicit subsidy are both $0. The Plan does not issue a separate financial report.

Membership of the Plan as of June 30, 2018, the date of the latest actuarial valuation, consists of 208 active plan members, 40 inactive employees or beneficiaries currently receiving benefit payments, and 90 inactive employees entitled to, but not yet, receiving benefits.

Changes in Reporting Requirements – GASB 75. In fiscal year 2017-18, the City implemented “Governmental Accounting Standards Board ("GASB") Statements No. 75, Accounting and Financial Reporting for Postemployment Benefits other than Pensions, and No. 85, Omnibus 2017” ("GASB Statement No. 75"). GASB Statement No. 75 established standards of accounting and financial reporting for defined benefit OPEB and defined contribution OPEB that are provided to the employees of state and local governmental employers through OPEB plans that are administered through trusts or equivalent arrangements. Statement No. 75 replaces the requirements of GASB 45, Accounting and Financial Reporting by Employers for
Postemployment Benefits Other Than Pensions. The standards set forth in GASB Statement No. 75 parallel the pension standard issued in 2012—GASB Statement No. 68, Accounting and Financial Reporting for Pensions. As result of the implementation of GASB Statement No. 75, the City was required to include a Net OPEB liability of $5.9 million on the Statement of Net Position in fiscal year 2017-18. Additionally, as a result of this new standard, the City was required to restate its beginning net position for the 2017-18 fiscal year by $-3.3 million.

**Funding Policy.** The contribution requirement of plan members and the City are established and may be amended by the City. The required contribution is based on projected pay-as-you-go financing requirements.

**Actuarial Methods and Assumptions.** The City’s total OPEB liability of $6,150,884 was measured as of June 30, 2018 and was determined by an actuarial valuation as of June 30, 2018 using the following actuarial assumptions, applied to all periods included in the measurement, unless otherwise specified, using the entry age normal cost method: inflation 2.75%, projected salary increase 3.25%, healthcare trend rates 8.00% for 2019, declining to 5.00% for 2024 and beyond. The discount rate used to measure the total OPEB liability was 2.98%. The City’s funding policy affects the calculation of liabilities by impacting the discount rate that is used to develop the plan liability and expense. The City is currently financing its OPEB liability on a pay-as-you-go basis, the discount rate used in the June 30, 2018 valuation is based on the S&P Municipal Bond 20-year high grade index. Mortality rates were based on the MacLeod Watts Scale 2018 applied generationally. Demographic actuarial assumptions used in this valuation are based on the 2017 experience study of the California Public Employees Retirement System using data from 1997 to 2015, except for a different basis used to project future mortality improvements. Mortality rates used were those published by CalPERS, adjusted to back out 15 years of Scale MP 2016 to central year 2015, then projected.

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Actuarially determined amounts are subject to revision at least biannually as results are compared to past expectations and new estimates are made about the future.

See Note 11 in the City's fiscal year 2018-19 audited financial statements, which are attached to this Official Statement as APPENDIX C, for additional information about the City's OPEB plan.

**Investment Policies and Procedures**

The City invests its funds in accordance with the City's Investment Policy (the “**Investment Policy**”), which is subject to annual review and approval by the City Council. The purpose of the Investment Policy is to establish the investment goals of safety, liquidity, and yield (in that order). The Investment Policy complies with the provisions of the California Government Code, Sections 53600 through 53659 (the authority governing investments for municipal governments in the State). The Investment Policy limits the City to investments authorized by State law (Sections 53601 et sec). In addition, the Investment Policy establishes further guidelines.

It is the policy of the City to invest public funds in a prudent manner which will provide the highest yield consistent with the maximum security and preservation of invested principal, while meeting the daily cash flow demands of the City, and conforming to all applicable federal, state and local statutes governing the investment of public funds.

The City Council receives monthly cash and investments reports. As of June 30, 2019, the City has invested funds as set forth in the table below.

CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES AND APPROPRIATIONS

The constitutional and statutory provisions discussed in this section have the potential to affect the ability of the City to levy taxes and spend tax proceeds for operating and other purposes.

Article XIII A of the State Constitution

On June 6, 1978, California voters approved Proposition 13, which added Article XIII A to the State Constitution. Article XIII A, as amended, limits the amount of any ad valorem tax on real property to one percent of the full cash value thereof, except that additional ad valorem taxes may be levied to pay debt service (i) on indebtedness approved by the voters prior to July 1, 1978, (ii) on bonded indebtedness approved by a two-thirds vote on or after July 1, 1978, for the acquisition or improvement of real property or (iii) bonded indebtedness incurred by a school district, community college district or county office of education for the construction, reconstruction, rehabilitation or replacement of school facilities, including the furnishing and equipping of school facilities or the acquisition or lease of real property for school facilities, approved by 55 percent of the voters voting on the proposition. Article XIII A defines full cash value to mean “the county assessor’s valuation of real property as shown on the 1975-76 tax bill under “full cash value,” or thereafter, the appraised value of real property when purchased, newly constructed, or a change in ownership has occurred after the 1975 assessment.” This full cash value may be increased at a rate not to exceed two percent per year to account for inflation.

Article XIII A has subsequently been amended to permit reduction of the “full cash value” base in the event of declining property values caused by damage, destruction or other factors, to provide that there would be no increase in the “full cash value” base in the event of reconstruction of property damaged or destroyed in a disaster, and in other minor or technical ways.

Legislation Implementing Article XIII A

Legislation has been enacted and amended a number of times since 1978 to implement Article XIII A. Under current law, local agencies are no longer permitted to levy directly any property tax (except to pay voter-approved indebtedness). The one percent property tax is automatically levied by the County and distributed according to a formula among taxing agencies. The formula apportions the tax roughly in proportion to the relative shares of taxes levied prior to 1989.

Increases of assessed valuation resulting from reappraisals of property due to new construction, change in ownership or from the two percent annual adjustment are allocated among the various jurisdictions in the “taxing area” based upon their respective “situs.” Any such allocation made to a local agency continues as part of its allocation in future years.

All taxable property is shown at full market value on the tax rolls. Consequently, the tax rate is expressed as $1 per $100 of taxable value. All taxable property value included in this Official Statement is shown at 100 percent of market value (unless noted differently) and all tax rates reflect the $1 per $100 of taxable value.
Article XIIIB of the State Constitution

In addition to the limits Article XIIIA imposes on property taxes that may be collected by local governments, certain other revenues of the State and most local governments are subject to an annual “appropriations limit” imposed by Article XIIIB which effectively limits the amount of such revenues those entities are permitted to spend. Article XIIIB, approved by the voters in June 1979, was modified substantially by Proposition 111 in 1990. The appropriations limit of each government entity applies to “proceeds of taxes,” which consist of tax revenues, State subventions and certain other funds, including proceeds from regulatory licenses, user charges or other fees to the extent that such proceeds exceed “the cost reasonably borne by such entity in providing the regulation, product or service.” “Proceeds of taxes” excludes tax refunds and some benefit payments such as unemployment insurance. No limit is imposed on the appropriation of funds which are not “proceeds of taxes,” such as reasonable user charges or fees, and certain other non-tax funds. Article XIIIB also does not limit appropriation of local revenues to pay debt service on Bonds existing or authorized by January 1, 1979, or subsequently authorized by the voters, appropriations required to comply with mandates of courts or the federal government, appropriations for qualified capital outlay projects, and appropriation by the State of revenues derived from any increase in gasoline taxes and motor vehicle weight fees above January 1, 1990, levels. The appropriations limit may also be exceeded in case of emergency; however, the appropriations limit for the next three years following such emergency appropriation must be reduced to the extent by which it was exceeded, unless the emergency arises from civil disturbance or natural disaster declared by the Governor, and the expenditure is approved by two-thirds of the legislative body of the local government.

The State and each local government entity has its own appropriations limit. Each year, the limit is adjusted to allow for changes, if any, in the cost of living, the population of the jurisdiction, and any transfer to or from another government entity of financial responsibility for providing services. Proposition 111 requires that each agency’s actual appropriations be tested against its limit every two years.

If the aggregate “proceeds of taxes” for the preceding two-year period exceeds the aggregate limit, the excess must be returned to the agency’s taxpayers through tax rate or fee reductions over the following two years.

The City has never exceeded its appropriations limit.

Articles XIIIC and XIIID of the State Constitution

General. On November 5, 1996, the voters of the State approved Proposition 218, known as the “Right to Vote on Taxes Act.” Proposition 218 adds Articles XIIIC and XIIID to the California Constitution and contains a number of interrelated provisions affecting the ability of the City to levy and collect both existing and future taxes, assessments, fees and charges.

On November 2, 2010, California voters approved Proposition 26, entitled the “Supermajority Vote to Pass New Taxes and Fees Act.” Section 1 of Proposition 26 declares that Proposition 26 is intended to limit the ability of the State Legislature and local government to circumvent existing restrictions on increasing taxes by defining the new or expanded taxes as “fees.” Proposition 26 amended Articles XIII A and XIII C of the State Constitution. The amendments to Article XIII A limit the ability of the State Legislature to impose higher taxes (as defined in Proposition 26) without a two-thirds vote of the Legislature. The amendments to Article
XIIIIC define “taxes” that are subject to voter approval as “any levy, charge, or exaction of any kind imposed by a local government,” with certain exceptions.

**Taxes.** Article XIIIIC requires that all new local taxes be submitted to the electorate before they become effective. Taxes for general governmental purposes of the City (“general taxes”) require a majority vote; taxes for specific purposes (“special taxes”), even if deposited in the City’s General Fund, require a two-thirds vote.

**Property-Related Fees and Charges.** Article XIIIID also adds several provisions making it generally more difficult for local agencies to levy and maintain property-related fees, charges, and assessments for municipal services and programs.

**Reduction or Repeal of Taxes, Assessments, Fees and Charges.** Article XIIIIC also removes limitations on the initiative power in matters of reducing or repealing local taxes, assessments, fees or charges. No assurance can be given that the voters of the City will not, in the future, approve an initiative or initiatives which reduce or repeal local taxes, assessments, fees or charges currently comprising a substantial part of the City’s General Fund. If such repeal or reduction occurs, the City’s ability to pay debt service on the Bonds could be adversely affected.

**Burden of Proof.** Article XIIIIC provides that local government “bears the burden of proving by a preponderance of the evidence that a levy, charge, or other exaction is not a tax, that the amount is no more than necessary to cover the reasonable costs of the governmental activity, and that the manner in which those costs are allocated to a payor bear a fair or reasonable relationship to the payor’s burdens on, or benefits received from, the governmental activity.” Similarly, Article XIIIID provides that in “any legal action contesting the validity of a fee or charge, the burden shall be on the agency to demonstrate compliance” with Article XIIIID.

**Judicial Interpretation of Proposition 218.** The interpretation and application of Articles XIIIIC and XIIIID will ultimately be determined by the courts, and it is not possible at this time to predict with certainty the outcome of such determination.

**Impact on City’s General Fund.** The City does not believe that any material source of General Fund revenue is subject to challenge under Proposition 218 or Proposition 26.

The approval requirements of Articles XIIIIC and XIIIID reduce the flexibility of the City to raise revenues for the General Fund, and no assurance can be given that the City will be able to impose, extend or increase the taxes, fees, charges or taxes in the future that it may need to meet increased expenditure needs.

**Proposition 62**

Proposition 62 was adopted by the voters at the November 4, 1986, general election and (a) requires that any new or higher taxes for general governmental purposes imposed by local governmental entities such as the City be approved by a two-thirds vote of the governmental entity’s legislative body and by a majority vote of the voters of the governmental entity voting in an election on the tax, (b) requires that any special tax (defined as taxes levied for other than general governmental purposes) imposed by a local governmental entity be approved by a two-thirds vote of the voters of the governmental entity voting in an election on the tax, (c) restricts the use of revenues from a special tax to the purposes or for the service for which the special tax was imposed, (d) prohibits the imposition of ad valorem taxes on real property by local governmental entities except as permitted by Article XIIIIA, (e) prohibits the imposition of
transaction taxes and sales taxes on the sale of real property by local governmental entities, and (f) requires that any tax imposed by a local governmental entity on or after August 1, 1985, be ratified by a majority vote of the voters voting in an election on the tax within two years of the adoption of the initiative or be terminated by November 15, 1988.

California appellate court cases have overturned the provisions of Proposition 62 pertaining to the imposition of taxes for general government purposes. However, the California Supreme Court upheld Proposition 62 in its decision on August 28, 1995, in *Fresno County Transportation Authority v. Guardino.* This decision reaffirmed the constitutionality of Proposition 62. Certain matters regarding Proposition 62 were not addressed in the Supreme Court’s decision, such as what remedies exist for taxpayers subject to a tax not in compliance with Proposition 62, and whether the decision applies to charter cities. The City has not experienced any substantive adverse financial impact as a result of the passage of this initiative.

**Proposition 1A; Proposition 22**

*Proposition 1A.* Proposition 1A, proposed by the Legislature in connection with the State’s Fiscal Year 2004-05 Budget, approved by the voters in November 2004 and generally effective in Fiscal Year 2006-07, provided that the State may not reduce any local sales tax rate, limit existing local government authority to levy a sales tax rate or change the allocation of local sales tax revenues, subject to certain exceptions. Proposition 1A generally prohibited the State from shifting to schools or community colleges any share of property tax revenues allocated to local governments for any Fiscal Year, as set forth under the laws in effect as of November 3, 2004. Any change in the allocation of property tax revenues among local governments within a county had to be approved by two-thirds of both houses of the Legislature.

*Proposition 22.* Proposition 22, entitled “The Local Taxpayer, Public Safety and Transportation Protection Act,” was approved by the voters of the State in November 2010. Proposition 22 eliminates or reduces the State’s authority to (i) temporarily shift property taxes from cities, counties and special districts to schools, (ii) use vehicle license fee revenues to reimburse local governments for State-mandated costs (the State will have to use other revenues to reimburse local governments), (iii) redirect property tax increment from redevelopment agencies to any other local government, (iv) use State fuel tax revenues to pay debt service on State transportation bonds, or (v) borrow or change the distribution of State fuel tax revenues.

**Possible Future Initiatives**

Articles XIIA, XIIIB, XIIIC and XIIID and Propositions 62, 111, 218 and 1A were each adopted as measures that qualified for the ballot pursuant to the State’s initiative process. From time to time other initiative measures could be adopted, further affecting revenues of the City or the City’s ability to expend revenues. The nature and impact of these measures cannot be anticipated by the City.
BOND OWNERS’ RISKS

The following describes certain special considerations and risk factors affecting the payment of and security for the Bonds. The following discussion is not meant to be an exhaustive list of the risks associated with the purchase of any Bonds and does not necessarily reflect the relative importance of the various risks. Potential investors in the Bonds are advised to consider the following special factors along with all other information in this Official Statement in evaluating the Bonds. There can be no assurance that other considerations will not materialize in the future.

No Pledge of Taxes

General. The obligation of the City to pay the Lease Payments and Additional Rental does not constitute an obligation of the City for which the City is obligated to levy or pledge any form of taxation or for which the City has levied or pledged any form of taxation. The obligation of the City to pay Lease Payments and Additional Rental does not constitute a debt or indebtedness of the Authority, the City, the State of California or any of its political subdivisions within the meaning of any constitutional or statutory debt limitation or restriction.

The City is currently liable on other obligations payable from general revenues, which are described above under “CITY FINANCIAL INFORMATION – Long-Term General Fund Obligations.”

Limitations on Taxes and Fees

Limitations on Taxes and Fees. Certain taxes, assessments, fees and charges presently imposed by the City could be subject to the voter approval requirements of Article XIIIC and Article XIIID of the State Constitution. Based upon the outcome of an election by the voters, such fees, charges, assessments and taxes might no longer be permitted to be imposed, or may be reduced or eliminated and new taxes, assessments fees and charges may not be approved. The City has assessed the potential impact on its financial condition of the provisions of Article XIIIC and Article XIIID of the State Constitution respecting the imposition and increase of taxes, fees, charges and assessments and does not believe that an election by the voters to reduce or eliminate the imposition of certain existing fees, charges, assessments and taxes would substantially affect its financial condition. However, the City believes that if the initiative power was exercised so that all local taxes, assessments, fees and charges that may be subject to Article XIIIC and Article XIIID of the State Constitution are eliminated or substantially reduced, the financial condition of the City, including its General Fund, could be materially adversely affected.

Although the City does not currently anticipate that the provisions of Article XIIIC and Article XIIID of the State Constitution would adversely affect its ability to pay Lease Payments and its other obligations payable from the General Fund, no assurance can be given regarding the ultimate interpretation or effect of Article XIIIC and Article XIIID of the State Constitution on the City’s finances. See “CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES AND APPROPRIATIONS.”

Additional Obligations of the City

The City has existing obligations payable from its General Fund. See “CITY FINANCIAL INFORMATION – Long-Term General Fund Obligations.” The City is permitted to enter into other obligations which constitute additional charges against its revenues without the consent of
Owners of the Bonds. To the extent that additional obligations are incurred by the City, the funds available to pay Lease Payments may be decreased.

The Lease Payments and other payments due under the Lease Agreements (including payment of costs of repair and maintenance of the Leased Property, taxes and other governmental charges levied against the Leased Property) are payable from funds lawfully available to the City. If the amounts that the City is obligated to pay in a fiscal year exceed the City’s revenues for such year, the City may choose to make some payments rather than making other payments, including Lease Payments and Additional Rental, based on the perceived needs of the City. The same result could occur if, because of California Constitutional limits on expenditures, the City is not permitted to appropriate and spend all of its available revenues or is required to expend available revenues to preserve the public health, safety and welfare.

Default

Whenever any event of default referred to in the Lease Agreements happens and continues, the Authority is authorized under the terms of the Lease Agreements to exercise any and all remedies available under law or granted under the Lease Agreements. See “APPENDIX B – SUMMARY OF PRINCIPAL LEGAL DOCUMENTS” for a detailed description of available remedies in the case of a default under the Lease Agreements.

If a default occurs, there is no remedy of acceleration of the total Lease Payments due over the term of the Lease Agreements. The Trustee is not empowered to sell the Leased Property and use the proceeds of such sale to prepay the Bonds or pay debt service on the Bonds.

The City will be liable only for Lease Payments on an annual basis and, in the event of a default, the Trustee would be required to seek a separate judgment each year for that year’s defaulted Lease Payments. Any such suit for money damages would be subject to limitations on legal remedies against municipalities in the State, including a limitation on enforcement of judgments against funds of a fiscal year other than the fiscal year in which the Lease Payments were due and against funds needed to serve the public welfare and interest.

Abatement

Under certain circumstances related to damage, destruction, condemnation or title defects which cause a substantial interference with the use and possession of the Leased Property, the City’s obligation to make Lease Payments will be subject to full or partial abatement and could result in the Trustee having inadequate funds to pay the principal and interest on the Bonds as and when due. See “SECURITY FOR THE BONDS – Abatement” and “APPENDIX B – SUMMARY OF PRINCIPAL LEGAL DOCUMENTS.”

Although the City is required under the Lease Agreements to maintain property and liability insurance with respect to the Leased Property, the required insurance coverage is subject to certain conditions and restrictions. See “SECURITY FOR THE BONDS – Property Insurance.”

In addition, the Authority is required to use the proceeds of rental interruption insurance maintained under the Lease Agreements to make debt service payments on the Bonds during any period of abatement. See “SECURITY FOR THE BONDS – Property Insurance.” However, there is no assurance that the Authority will receive proceeds of rental interruption insurance in time to make debt service payments on the Bonds when due.
No Debt Service Reserve Fund

The Authority will not fund a debt service reserve fund for the Bonds. If Revenues are insufficient for the Authority to pay debt service on the Bonds when due, no debt service reserve will be available under the Indenture for the Authority to make such payments.

Property Taxes

**Levy and Collection.** The City does not have any independent power to levy and collect property taxes. Any reduction in the tax rate or the implementation of any constitutional or legislative property tax decrease could reduce the City’s property tax revenues, and accordingly, could have an adverse impact on the ability of the City to make Lease Payments. Likewise, delinquencies in the payment of property taxes could have an adverse effect on the City’s ability to pay principal of and interest on the Bonds when due.

**Reduction in Inflationary Rate.** Article XIII A of the California Constitution provides that the full cash value base of real property used in determining assessed value may be adjusted from year to year to reflect the inflationary rate, not to exceed a 2% increase for any given year, or may be reduced to reflect a reduction in the consumer price index or comparable local data. See “CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES AND APPROPRIATIONS.” Such measure is computed on a calendar year basis. Because Article XIII A limits inflationary assessed value adjustments to the lesser of the actual inflationary rate or 2%, there have been years in which the assessed values were adjusted by actual inflationary rates, which were less than 2%. Since Article XIII A was approved, the annual adjustment for inflation has fallen below the 2% limitation a limited number of times.

The City is unable to predict if any adjustments to the full cash value base of real property within the City, whether an increase or a reduction, will be realized in the future.

**Appeals of Assessed Values.** There are two types of appeals of assessed values that could adversely impact property tax revenues:

*Proposition 8 Appeals.* Most of the appeals that might be filed in the City would be based on Section 51 of the Revenue and Taxation Code, which requires that for each lien date the value of real property must be the lesser of its base year value annually adjusted by the inflation factor pursuant to Article XIII A of the State Constitution or its full cash value, taking into account reductions in value due to damage, destruction, depreciation, obsolescence, removal of property or other factors causing a decline in value.

Under California law, property owners may apply for a reduction of their property tax assessment by filing a written application, in form prescribed by the State Board of Equalization, with the appropriate county board of equalization or assessment appeals board. In most cases, the appeal is filed because the applicant believes that present market conditions (such as residential home prices) cause the property to be worth less than its current assessed value. These market-driven appeals are known as Proposition 8 appeals.

Any reduction in the assessment ultimately granted as a Proposition 8 appeal applies to the year for which application is made and during which the written application was filed. These reductions are often temporary and are adjusted back to their original values when market conditions improve. Once the property has regained its prior value,
adjusted for inflation, it once again is subject to the annual inflationary factor growth rate allowed under Article XIII A.

**Base Year Appeals.** A second type of assessment appeal is called a base year appeal, where the property owners challenge the original (basis) value of their property. Appeals for reduction in the “base year” value of an assessment, if successful, reduce the assessment for the year in which the appeal is taken and prospectively thereafter. The base year is determined by the completion date of new construction or the date of change of ownership. Any base year appeal must be made within four years of the change of ownership or new construction date.

No assurance can be given that property tax appeals in the future will not significantly reduce the City’s property tax revenues.

**Limitations on Remedies Available to Bond Owners**

The ability of the City to comply with its covenants under the Lease Agreements may be adversely affected by actions and events outside of the control of the City, and may be adversely affected by actions taken (or not taken) by voters, property owners, taxpayers or payers of assessments, fees and charges. See “CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES AND APPROPRIATIONS” above. Furthermore, any remedies available to the owners of the Bonds upon the occurrence of an event of default under the Lease Agreements or the Indenture are in many respects dependent upon judicial actions, which are often subject to discretion and delay and could prove both expensive and time consuming to obtain.

In addition to the limitations on Bondowner remedies contained in the Lease Agreements and the Indenture, the rights and obligations under the Bonds, the Lease Agreements and the Indenture may be subject to the following: the United States Bankruptcy Code and applicable bankruptcy, insolvency, reorganization, moratorium, or similar laws relating to or affecting the enforcement of creditors’ rights generally, now or hereafter in effect; usual equity principles which may limit the specific enforcement under State law of certain remedies; the exercise by the United States of America of the powers delegated to it by the Federal Constitution; and the reasonable and necessary exercise, in certain exceptional situations, of the police power inherent in the sovereignty of the State and its governmental bodies in the interest of serving a significant and legitimate public purpose. Bankruptcy proceedings, or the exercise of powers by the federal or state government, if initiated, could subject the Owners of the Bonds to judicial discretion and interpretation of their rights in bankruptcy or otherwise, and consequently may entail risks of delay, limitation or modification of their rights.

The opinion to be delivered by Bond Counsel, concurrently with the issuance of the Bonds, will include a qualification that the rights of the owners of the Bonds and the enforceability of the Bonds and the Indenture, the Lease Agreements and the Site Leases may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and may also be subject to the exercise of judicial discretion in accordance with principles of equity or otherwise in appropriate cases. See “APPENDIX D — PROPOSED FORM OF OPINION OF BOND COUNSEL.”

**Loss of Tax-Exemption**

As discussed under the caption “TAX MATTERS,” interest on the Bonds could become includable in gross income for purposes of federal income taxation retroactive to the date the
Bonds were issued, as a result of future acts or omissions of the Authority or the City in violation of their respective covenants in the Lease Agreements and the Indenture. Should such an event of taxability occur, the Bonds are not subject to special redemption and will remain Outstanding until maturity or until redeemed under other provisions set forth in the Indenture.

**Secondary Market for Bonds**

There can be no guarantee that there will be a secondary market for the Bonds or, if a secondary market exists, that any Bonds can be sold for any particular price. Occasionally, because of general market conditions or because of adverse history or economic prospects connected with a particular issue, secondary marketing practices in connection with a particular issue are suspended or terminated. Additionally, prices of issues for which a market is being made will depend upon then-prevailing circumstances. Such prices could be substantially different from the original purchase price.

**Cyber Security**

The City, like many other public and private entities, relies on computer and other digital networks and systems to conduct its operations. As a recipient and provider of personal, private or other sensitive electronic information, the City is potentially subject to multiple cyber threats, including without limitation hacking, viruses, ransomware, malware and other attacks. No assurance can be given that the City’s efforts to manage cyber threats and attacks will be successful in all cases, or that any such attack will not materially impact the operations or finances of the City. The City is also reliant on other entities and service providers in connection with the administration of the Bonds, including without limitation the County tax collector for the levy and collection of property taxes, and the Trustee. No assurance can be given that the City, the District and these other entities will not be affected by cyber threats and attacks in a manner that may affect the Bond owners.

**IRS Audit of Tax-Exempt Bond Issues**

The Internal Revenue Service (the “IRS”) has initiated an expanded program for the auditing of tax-exempt bond issues, including both random and targeted audits. It is possible that the Bonds will be selected for audit by the IRS. It is also possible that the market value of such Bonds might be affected as a result of such an audit of such Bonds (or by an audit of similar bonds or securities).

**Impact of Legislative Proposals, Clarifications of the Tax Code and Court Decisions on Tax Exemption**

Future legislative proposals, if enacted into law, clarification of the Tax Code (defined herein) or court decisions may cause interest on the Bonds to be subject, directly or indirectly, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent Bond owners from realizing the full current benefit of the tax status of such interest.
TAX MATTERS

Federal Tax Status. In the opinion of Jones Hall, A Professional Law Corporation, San Francisco, California, Bond Counsel, subject, however to the qualifications set forth below, under existing law, the interest on the Bonds is excluded from gross income for federal income tax purposes and such interest is not an item of tax preference for purposes of the federal alternative minimum tax.

The opinions set forth in the preceding paragraph are subject to the condition that the Authority comply with all requirements of the Internal Revenue Code of 1986, as amended (the "Tax Code") that must be satisfied subsequent to the issuance of the Bonds in order that the interest thereon be, and continue to be, excludable from gross income for federal income tax purposes. The Authority has made certain representations and covenants in order to comply with each such requirement. Inaccuracy of those representations, or failure to comply with certain of those covenants, may cause the inclusion of such interest in gross income for federal income tax purposes, which may be retroactive to the date of issuance of the Bonds.

Tax Treatment of Original Issue Discount and Premium. If the initial offering price to the public at which a Bond is sold is less than the amount payable at maturity thereof, then such difference constitutes "original issue discount" for purposes of federal income taxes and State of California personal income taxes. If the initial offering price to the public at which a Bond is sold is greater than the amount payable at maturity thereof, then such difference constitutes "bond premium" for purposes of federal income taxes and State of California personal income taxes.

Under the Tax Code, original issue discount is treated as interest excluded from federal gross income and exempt from State of California personal income taxes to the extent properly allocable to each owner thereof subject to the limitations described in the first paragraph of this section. The original issue discount accrues over the term to maturity of the Bond on the basis of a constant interest rate compounded on each interest or principal payment date (with straight-line interpolations between compounding dates). The amount of original issue discount accruing during each period is added to the adjusted basis of such Bonds to determine taxable gain upon disposition (including sale, redemption, or payment on maturity) of such Bond. The Tax Code contains certain provisions relating to the accrual of original issue discount in the case of purchasers of the Bonds who purchase the Bonds after the initial offering of a substantial amount of such maturity. Owners of such Bonds should consult their own tax advisors with respect to the tax consequences of ownership of Bonds with original issue discount, including the treatment of purchasers who do not purchase in the original offering to the public at the first price at which a substantial amount of such Bonds is sold to the public.

Under the Tax Code, bond premium is amortized on an annual basis over the term of the Bond (said term being the shorter of the Bond's maturity date or its call date). The amount of bond premium amortized each year reduces the adjusted basis of the owner of the Bond for purposes of determining taxable gain or loss upon disposition. The amount of bond premium on a Bond is amortized each year over the term to maturity of the Bond on the basis of a constant interest rate compounded on each interest or principal payment date (with straight-line interpolations between compounding dates). Amortized Bond premium is not deductible for federal income tax purposes. Owners of premium Bonds, including purchasers who do not purchase in the original offering, should consult their own tax advisors with respect to State of California personal income tax and federal income tax consequences of owning such Bonds.
**California Tax Status.** In the further opinion of Bond Counsel, interest on the Bonds is exempt from California personal income taxes.

**Other Tax Considerations.** Current and future legislative proposals, if enacted into law, clarification of the Tax Code or court decisions may cause interest on the Bonds to be subject, directly or indirectly, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent beneficial owners from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such legislative proposals, clarification of the Tax Code or court decisions may also affect the market price for, or marketability of, the Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether, if enacted, such legislation would apply to bonds issued prior to enactment.

The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of such opinion, and Bond Counsel has expressed no opinion with respect to any proposed legislation or as to the tax treatment of interest on the Bonds, or as to the consequences of owning or receiving interest on the Bonds, as of any future date. Prospective purchasers of the Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

Owners of the Bonds should also be aware that the ownership or disposition of, or the accrual or receipt of interest on, the Bonds may have federal or state tax consequences other than as described above. Other than as expressly described above, Bond Counsel expresses no opinion regarding other federal or state tax consequences arising with respect to the Bonds, the ownership, sale or disposition of the Bonds, or the amount, accrual or receipt of interest on the Bonds.

**CERTAIN LEGAL MATTERS**

Jones Hall, A Professional Law Corporation, Bond Counsel, will render an opinion with respect to the validity of the Bonds, the form of which is set forth in APPENDIX D. Certain legal matters will also be passed upon for the City and the Authority by Jones Hall, as Disclosure Counsel. Certain legal matters will be passed upon for the City and the Authority by the City Attorney.

**LITIGATION**

To the best knowledge of the City, there is no action, suit, proceeding, inquiry or investigation before or by any court or federal, state, municipal or other governmental authority pending and notice of which has been served on and received by the City or, to the knowledge of the City, threatened against or affecting the City or the assets, properties or operations of the City which, if determined adversely to the City or its interests, would have a material and adverse effect upon the consummation of the transactions contemplated by or the validity of the Lease Agreements, the Site Leases or the Indenture, or upon the financial condition, assets, properties or operations of the City, and the City is not in default with respect to any order or decree of any court or any order, regulation or demand of any federal, state, municipal or other governmental authority, which default might have consequences that would materially adversely affect the consummation of the transactions contemplated by the Lease Agreements, the Site Leases or
the Indenture, or the financial conditions, assets, properties or operations of the City, including but not limited to the payment and performance of the City’s obligations under the Lease Agreements.

RATING

S&P Global Ratings, a business unit of Standard & Poor's Financial Services LLC ("S&P"), has assigned its municipal bond rating of “____” to the Bonds.

This rating reflects only the views of S&P, and an explanation of the significance of this rating, and any outlook assigned to or associated with this rating, should be obtained from S&P.

Generally, a rating agency bases its rating on the information and materials furnished to it and on investigations, studies and assumptions of its own. The City has provided certain additional information and materials to the rating agency (some of which does not appear in this Official Statement).

There is no assurance that this rating will continue for any given period of time or that this rating will not be revised downward or withdrawn entirely by the rating agency, if in the judgment of the rating agency, circumstances so warrant. Any such downward revision or withdrawal of any rating on the Bonds may have an adverse effect on the market price or marketability of the Bonds.

CONTINUING DISCLOSURE

The City (on behalf of the Authority and itself) will covenant for the benefit of owners of the Bonds to provide certain financial information and operating data relating to the City (the "Annual Report"), by not later than nine months after the end of the City's fiscal year (presently June 30) and commencing April 1, 2020, with the report for the fiscal year ending June 30, 2019, and to provide notices of the occurrence of certain listed events.

These covenants have been made in order to assist the Underwriter in complying with Securities Exchange Commission Rule 15c2-12(b)(5), as amended (the “Rule”). The specific nature of the information to be contained in the Annual Report or the notices of listed events is set forth in “APPENDIX E — FORM OF CONTINUING DISCLOSURE CERTIFICATE.”

The City, on its own behalf and on behalf of related entities, has entered into a number of prior continuing disclosure undertakings under the Rule in connection with the issuance of long-term obligations, and has provided annual financial information and event notices in accordance with those undertakings. During the past five years, the City or its related entities have failed to comply with prior undertakings as follows:

• The audited financial statements for Fiscal Years 2013-14, 2014-15, 2015-16, 2016-17 and 2017-18 were filed up to approximately 27 months late; and

• Certain operating and financial data for Fiscal Years 2013-14, 2014-15 and 2016-17 were filed up to 633 days late.
• Certain information was omitted from the operating and financial data for filed Fiscal Years 2013-14, 2014-15, 2016-17 and 2017-18 because it was unavailable at the time the filing was due, but that information was subsequently filed when it became available.

The City has engaged Goodwin Consulting Group, Inc., to serve as its dissemination agent and assist the City in complying with its continuing disclosure undertakings. To further ensure such compliance, the City has adopted policies and procedures related thereto.

Employment and Industry

The District is included in the Stockton Metropolitan Statistical Area ("MSA"), which includes all of San Joaquin County. The unemployment rate in the County was 4.7% in September 2019, down from a revised 5.7% in August 2019, and below the year-ago estimate of 5.0%. This compares with an unadjusted unemployment rate of 3.5% for the State and 3.3% for the nation during the same period.

Set forth below is data from calendar years 2014 to 2018 reflecting the County’s civilian labor force, employment and unemployment. These figures are county-wide statistics and may not necessarily accurately reflect employment trends in the District.

Effective Buying Income

“Effective Buying Income” is defined as personal income less personal tax and nontax payments, a number often referred to as “disposable” or “after-tax” income. Personal income is the aggregate of wages and salaries, other labor-related income (such as employer contributions to private pension funds), proprietor’s income, rental income (which includes imputed rental income of owner-occupants of non-farm dwellings), dividends paid by corporations, interest income from all sources, and transfer payments (such as pensions and welfare assistance). Deducted from this total are personal taxes (federal, state and local), nontax payments (fines, fees, penalties, etc.) and personal contributions to social insurance. According to U.S. government definitions, the resultant figure is commonly known as “disposable personal income.”

The following table summarizes the median household effective buying income for the City, the County, the State and the United States for the period 2015 through 2019.

Not later than 15 Business Days prior to the Annual Report Date, the City shall provide the Annual Report to the Dissemination Agent (if other than the City). If by 15 Business Days prior to the Annual Report Date the Dissemination Agent (if other than the City) has not received a copy of the Annual Report, the Dissemination Agent shall contact the City to determine if the City is in compliance with the previous sentence. The Annual Report may be submitted as a single document or as separate documents comprising a package, and may include by reference other information as provided in Section 4 of this Disclosure Certificate; provided that the audited financial statements of the City may be submitted separately from the balance of the Annual Report, and later than the Annual Report Date, if not available by that date. If the City’s Fiscal Year changes, it shall give notice of such change in the same manner as for a Listed Event under Section 5(c). The City shall provide a written general fund with each Annual Report furnished to the Dissemination Agent to the effect that such Annual Report constitutes the Annual Report required to be furnished by the City hereunder.

The term financial obligation shall not include municipal securities as to which a final official statement has been provided to the Municipal Securities Rulemaking Board consistent with the Rule.

Section 6. Identifying Information for Filings with the MSRB. All documents provided to the MSRB under the Disclosure Certificate shall be accompanied by identifying information as prescribed by the MSRB.

Section 7. Termination of Reporting Obligation. The City’s obligations under this Disclosure Certificate shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds. If such termination occurs prior to the final maturity of the Bonds, the City shall give notice of such termination in the same manner as for a Listed Event under Section 5(c).

Section 8. Dissemination Agent. The City may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Certificate, and may discharge any such Agent, with or without appointing a successor Dissemination Agent. The initial Dissemination Agent will be the City. Any Dissemination Agent may resign by providing 30 days' written notice to the City.

Section 9. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Certificate, the City may amend this Disclosure Certificate, and any provision of this Disclosure Certificate may be waived, provided that the following conditions are satisfied:

(a) if the amendment or waiver relates to the provisions of Sections 3(a), 4 or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of an obligated person with respect to the Bonds, or type of business conducted;

(b) the undertakings herein, as proposed to be amended or waived, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the primary offering of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) the proposed amendment or waiver either (i) is approved by holders of the Bonds in the manner provided in the Indenture for amendments to the Indenture with the consent of holders, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the holders or beneficial owners of the Bonds.

If the annual financial information or operating data to be provided in the Annual Report is amended pursuant to the provisions hereof, the first annual financial information filed pursuant hereto containing the amended operating data or financial information shall explain, in narrative form, the reasons for the amendment and the impact of the change in the type of operating data or financial information being provided.
If an amendment is made to the undertaking specifying the accounting principles to be followed in preparing financial statements, the annual financial information for the year in which the change is made shall present a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. The comparison shall include a qualitative discussion of the differences in the accounting principles and the impact of the change in the accounting principles on the presentation of the financial information, in order to provide information to investors to enable them to evaluate the ability of the City to meet its obligations. To the extent reasonably feasible, the comparison shall be quantitative.

A notice of any amendment made pursuant to this Section 9 shall be filed in the same manner as for a Listed Event under Section 5(c).

Section 10. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the City from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the City chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the City shall have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Section 11. Default. In the event of a failure of the City to comply with any provision of this Disclosure Certificate, the Participating Underwriter or any holder or beneficial owner of the Bonds may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the City to comply with its obligations under this Disclosure Certificate. A default under this Disclosure Certificate shall not be deemed an Event of Default under the Indenture, and the sole remedy under this Disclosure Certificate in the event of any failure of the City to comply with this Disclosure Certificate shall be an action to compel performance.

Section 12. Duties, Immunities and Liabilities of Dissemination Agent.

(a) The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Certificate, and the City agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent’s negligence or willful misconduct. The Dissemination Agent shall have no duty or obligation to review any information provided to it hereunder and shall not be deemed to be acting in any fiduciary capacity for the City, the Bond owners or any other party. The obligations of the City under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Bonds.

(b) The Dissemination Agent shall be paid compensation by the City for its services provided hereunder in accordance with its schedule of fees as amended from time to time, and shall be reimbursed for all expenses, legal fees and advances made or incurred by the Dissemination Agent in the performance of its duties hereunder.

APPENDIX F

DTC AND THE BOOK-ENTRY ONLY SYSTEM

The following description of the Depository Trust Company ("DTC"), the procedures and record keeping with respect to beneficial ownership interests in the Bonds, payment of principal, interest and other payments on the Bonds to DTC Participants or Beneficial Owners, confirmation and transfer of beneficial ownership interest in the Bonds and other related transactions by and between DTC, the DTC Participants and the Beneficial Owners is based solely on information provided by DTC. Accordingly, no representations can be made concerning these matters and neither the DTC Participants nor the Beneficial Owners should rely on the foregoing information with respect to such matters, but should instead confirm the same with DTC or the DTC Participants, as the case may be.

Neither the Authority (the “Issuer”) nor the Trustee (the “Agent”) take any responsibility for the information contained in this Appendix.

No assurances can be given that DTC, DTC Participants or Indirect Participants will distribute to the Beneficial Owners (a) payments of interest, principal or premium, if any, with respect to the Bonds, (b) certificates representing ownership interest in or other confirmation or ownership interest in the Bonds, or (c) redemption or other notices sent to DTC or Cede & Co., its nominee, as the registered owner of the Bonds, or that they will so do on a timely basis, or that DTC, DTC Participants or DTC Indirect Participants will act in the manner described in this Appendix. The current “Rules” applicable to DTC are on file with the Securities and Exchange Commission and the current “Procedures” of DTC to be followed in dealing with DTC Participants are on file with DTC.

1. The Depository Trust Company (“DTC”), New York, NY, will act as securities depository for the securities (the “Securities”). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for each issue of the Securities, each in the aggregate principal amount of such issue, and will be deposited with DTC. If, however, the aggregate principal amount of any issue exceeds $500 million, one certificate will be issued with respect to each $500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal amount of such issue.

2. DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding
company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTCC has a Standard & Poor’s rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org. The information contained on this Internet site is not incorporated herein by reference.

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC’s records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

6. Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Securities unless authorized by a Direct Participant in accordance with DTC’s MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting
rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC’s practice is to credit Direct Participants’ accounts upon DTC’s receipt of funds and corresponding detail information from Issuer or Agent, on payable date in accordance with their respective holdings shown on DTC’s records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in “street name,” and will be the responsibility of such Participant and not of DTC, Agent, or Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of Issuer or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

9. A Beneficial Owner shall give notice to elect to have its Securities purchased or tendered, through its Participant, to the Agent, and shall effect delivery of such Securities by causing the Direct Participant to transfer the Participant’s interest in the Securities, on DTC’s records, to the Agent. The requirement for physical delivery of Securities in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Securities are transferred by Direct Participants on DTC’s records and followed by a book-entry credit of tendered Securities to the Agent’s DTC account.

10. DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to Issuer or Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

11. Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered to DTC.

12. The information in this section concerning DTC and DTC’s book-entry system has been obtained from sources that Issuer believes to be reliable, but Issuer takes no responsibility for the accuracy thereof.

APPENDIX B FORM OF BOND
INDENTURE OF TRUST

This INDENTURE OF TRUST (this “Indenture”), dated for convenience as of _______ 1, 2020, is between the TRACY OPERATING PARTNERSHIP JOINT POWERS AUTHORITY, a joint exercise of powers authority duly organized and existing under the laws of the State of California (the “Authority”), and U.S. BANK, NATIONAL ASSOCIATION, a national banking association organized and existing under the laws of the United States of America, with a corporate trust office in Los Angeles, California, being qualified to accept and administer the trusts hereby created (the “Trustee”).

BACKGROUND:

1. The City of Tracy (the "City") and the City of Tracy Community Development Agency (the "Former Agency") entered into a Joint Exercise of Powers Agreement, dated as of October 15, 1995 (the “Authority Agreement”), establishing the Authority for the purpose, among others, of issuing its bonds to be used to finance and refinance the acquisition, construction and improvement of certain public capital improvements in the City.

2. The Former Agency was duly established and authorized to transact business and exercise powers under and pursuant to the provisions of the Community Development Law, being Part 1 of Division 24 (commencing with Section 33000) of the Health and Safety Code of the State of California (the “Redevelopment Law”); and

3. A redevelopment plan for the Community Development Project Area in the City was adopted by the City Council of the City in compliance with all requirements of the Redevelopment Law (the “Redevelopment Project”).

4. Assembly Bill x1 26, effective June 29, 2011, together with AB 1484, effective June 27, 2012 (“AB 1484”), codified Part 1.8 (commencing with Section 34161) and Part 1.85 (commencing with Section 34170) of Division 24 of the California Health and Safety Code (as amended from time to time, the “Dissolution Act”).

5. Pursuant to Section 34172(a) of the Dissolution Act, the Former Agency has been dissolved and no longer exists as a public body, corporate and politic, and pursuant to Section 34173 of the Dissolution Act, the Successor Agency to the Tracy Community Development Agency has become the successor entity to the Former Agency (the “Successor Agency”).

6. As a result of the dissolution of the Former Agency, the Successor Agency is a party to the Authority Agreement.

7. The Authority previously entered into an Indenture dated as of October 1, 2007 (the “2007 Indenture”), with The Bank of New York Mellon Trust Company, N.A., as successor trustee (the “Prior Trustee”), under which the Authority issued the $2,690,000 aggregate principal amount of 2007 Lease Revenue Bonds, Series A (Fire Station Project) (the “2007A Bonds”) and the $1,980,000 aggregate principal amount of 2007 Lease Revenue Bonds, Series B (1995 COPs Refunding) (the “2007B Bonds,” together with the 2007A Bonds, the “2007 Bonds”).
8. The 2007 Bonds are payable from lease payments (the “2007 Lease Payments”) payable by the City to the Authority pursuant to a Property Lease, dated as of October 1, 2007 (the “2007 Lease”), by and between the City and the Authority.

9. The Authority assigned its right to receive the 2007 Lease Payments to the Prior Trustee under the 2007 Indenture.

10. The Authority previously entered into an Indenture dated as of December 1, 2008 (the “2008 Indenture”), with the Prior Trustee, under which the Authority issued $19,765,000 aggregate principal amount of 2008 Lease Revenue Bonds (Refunding and Capital Improvement Projects) (the “2008 Bonds,” together with the 2007 Bonds, the “Prior Bonds”).

11. The 2008 Bonds were payable from lease payments (the “2008 Lease Payments”) payable by the City to the Authority pursuant to a Property Lease, dated as of December 1, 2008 (the “2008 Lease”), by and between the City and the Authority.

12. The Authority assigned its right to receive the 2008 Lease Payments to the Prior Trustee under the 2008 Indenture.

13. In connection with the issuance of the 2008 Bonds, the Former Agency executed that certain Reimbursement Agreement, dated as of December 1, 2008 (the “2008 Reimbursement Agreement”), under which the Former Agency agreed to reimburse the City for a portion of the 2008 Lease Payments.

14. The Former Agency’s payments under the 2008 Reimbursement Agreement were intended to defray the costs of the acquisition and construction of the Improvements (as defined in the 2008 Reimbursement Agreement) that are located in or that were found by the City and the Former Agency (pursuant to all applicable requirements of the Redevelopment Law) to be of benefit to the Redevelopment Project.

15. Under the 2008 Reimbursement Agreement, the Former Agency pledged property tax revenues generated in the Redevelopment Project Area (“Tax Revenues,” as defined in the 2008 Reimbursement Agreement) as security for its reimbursement obligation.

16. In order to take advantage of prevailing bond market conditions, the City wishes to refinance the Prior Bonds.

17. In order to raise funds for such purpose, the Authority is issuing its Tracy Operating Partnership Joint Powers Authority 2020 Lease Revenue Refunding Bonds (2007 and 2008 Refinancing) (the “Bonds”) under this Indenture and Article 4 of Chapter 5, Division 7, Title 1 of the Government Code of the State of California, commencing with Section 6584 of said Code (the “Bond Law”).

18. To provide funds to prepay the 2007 Lease Payments and redeem the 2007 Bonds, the City is leasing to the Authority certain real property and improvements (the “2007-Related Leased Property”) under a Site and Facility Lease (the “Site and Facility Lease”), in consideration of the payment by the Authority of an upfront rental payment (the
“2007-Related Site Lease Payment”) that is sufficient to provide funds for the prepayment of the 2007 Lease Payments and the redemption of the 2007 Bonds.

19. The Authority is leasing the 2007-Related Leased Property back to the City under a Lease Agreement (the “Lease Agreement”), under which the City is obligated to pay semiannual lease payments as rental for the 2007-Related Leased Property, and the Authority is assigning substantially all of its rights under the Lease Agreement to the Trustee pursuant to an Assignment Agreement between the Authority and the Trustee (the “Assignment Agreement”).

20. To provide funds to prepay the 2008 Lease Payments and redeem the 2008 Bonds, the City is leasing to the Authority certain real property and improvements (the “2008-Related Leased Property”; together with the 2007-Related Lease Property, the “Leased Property”) under an Amended and Restated Sites and Facilities Lease (the “Amended and Restated Sites and Facilities Lease”), in consideration of the payment by the Authority of an upfront rental payment (the “2008-Related Site Lease Payment”; together with the 2007-Related Site Lease Payment, the “Site Lease Payments”) that is sufficient to provide funds for the prepayment of the 2008 Lease Payments and the redemption of the 2008 Bonds.

21. The Authority is leasing the 2008-Related Leased Property back to the City under an Amended and Restated Property Lease (the “Amended and Restated Property Lease”), under which the City is obligated to pay semiannual lease payments as rental for the 2008-Related Leased Property, and the Authority is assigning substantially all of its rights under the Amended and Restated Property Lease to the Trustee pursuant to the Assignment Agreement.

22. Section 34177.5(a)(3) of the Dissolution Act authorizes the Successor Agency to amend the 2008 Reimbursement Agreement to provide savings to the Successor Agency, provided that the 2008 Reimbursement Agreement is amended in connection with a refunding of the 2008 Bonds and that the refunding of the 2008 Bonds achieves debt service savings within the parameters set forth in Section 34177.5(a)(3) (the “Savings Parameters”).

23. Section 34177.5(a)(3) further provides that the pledge of Tax Revenues set forth in the amendment of the 2008 Reimbursement Agreement shall have the same lien priority as the pledge of Tax Revenues in the 2008 Reimbursement Agreement prior to its amendment and shall be valid, binding, and enforceable in accordance with its terms.

24. An Amendment No. 1 to Reimbursement Agreement between the City and the Successor Agency (the “Reimbursement Agreement Amendment”; together with the 2008 Reimbursement Agreement, the “Reimbursement Agreement”) was approved by the Successor Agency by Resolution No. 2019-161 on July 16, 2019, the San Joaquin County Oversight Board by Resolution 010 adopted on October 7, 2019 and [the California Department of Finance by letter dated ____ 20__].

25. Under the Reimbursement Agreement Amendment, the Successor Agency and the City are amending the 2008 Reimbursement Agreement to provide for a reduction in the payments made by the Successor Agency to the City to reflect the debt service savings achieved by the refunding of the 2008 Bonds.
26. In order to provide for the authentication and delivery of the Bonds, to establish and declare the terms and conditions upon which the Bonds are to be issued and to secure the payment of the principal thereof, premium (if any) and interest thereon, the Authority has authorized the execution and delivery of this Indenture.

27. The Authority has found and determined, and hereby affirms, that all acts and proceedings required by law necessary to make the Bonds, when executed by the Authority, authenticated and delivered by the Trustee and duly issued, the valid, binding and legal special obligations of the Authority, and to constitute this Indenture a valid and binding agreement for the uses and purposes herein set forth in accordance with its terms, have been done and taken, and the execution and delivery of this Indenture have been in all respects duly authorized.

AGREEMENT:

In order to secure the payment of the principal of and the interest and redemption premium (if any) on all the Outstanding Bonds under this Indenture according to their tenor, and to secure the performance and observance of all the covenants and conditions therein and herein set forth, and to declare the terms and conditions upon which the Bonds are to be issued and received, and in consideration of the premises and of the mutual covenants herein contained and of the purchase and acceptance of the Bonds by the Owners thereof, and for other valuable considerations, the receipt of which is hereby acknowledged, the Authority and the Trustee do hereby covenant and agree with one another, for the benefit of the respective Owners from time to time of the Bonds, as follows:

THE BONDS

SECTION 2.01. Authorization of Bonds. The Authority has reviewed all proceedings heretofore taken and has found, as a result of such review, and hereby finds and determines that all things, conditions and acts required by law to exist, happen or be performed precedent to and in connection with the issuance of the Bonds do exist, have happened and have been performed in due time, form and manner as required by law, and the Authority is now duly empowered, under each and every requirement of law, to issue the Bonds in the manner and form provided in this Indenture.

The Authority hereby authorizes the issuance of Bonds in the aggregate principal amount of $__________ under the Bond Law for the purposes of providing funds to pay the Site Lease Payments to the City and thereby provide funds to prepay the 2007 Lease Payments and the 2008 Lease Payments and redeem the Prior Bonds. The Bonds are authorized and issued under, and are subject to the terms of, this Indenture and the Bond Law. The Bonds are designated the “Tracy Operating Partnership Joint Powers Authority 2020 Lease Revenue Refunding Bonds (2007 and 2008 Refinancing).”

SECTION 2.02. Terms of the Bonds.

(a) Payment Provisions. The Bonds shall be issued in fully registered form without coupons in denominations of $5,000 or any integral multiple thereof, so long as no Bond has more than one maturity date. The Bonds shall mature on November 1 in each of the years and in the amounts, and bear interest (calculated on the basis of a 360-day year of twelve 30-day months) at the rates, as follows:
Interest on the Bonds is payable from the Interest Payment Date next preceding the date of authentication thereof unless:

(a) a Bond is authenticated on or before an Interest Payment Date and after the close of business on the preceding Record Date, in which event it will bear interest from such Interest Payment Date,

(b) a Bond is authenticated on or before the first Record Date, in which event interest thereon will be payable from the Closing Date, or

(c) interest on any Bond is in default as of the date of authentication thereof, in which event interest thereon will be payable from the date to which interest has been paid in full, payable on each Interest Payment Date.

Interest is payable on each Interest Payment Date to the persons in whose names the ownership of the Bonds is registered on the Registration Books at the close of business on the immediately preceding Record Date, except as provided below. Interest on any Bond which is not punctually paid or duly provided for on any Interest Payment Date is payable to the person in whose name the ownership of such Bond is registered on the Registration Books at the close of business on a special record date for the payment of such defaulted interest to be fixed by the Trustee, notice of which is given to such Owner by first-class mail not less than 10 days prior to such special record date.

The Trustee will pay interest on the Bonds by check of the Trustee mailed by first class mail, postage prepaid, on each Interest Payment Date to the Owners of the Bonds
at their respective addresses shown on the Registration Books as of the close of business on the preceding Record Date. At the written request of the Owner of Bonds in an aggregate principal amount of at least $1,000,000, which written request is on file with the Trustee as of any Record Date, the Trustee will pay interest on such Bonds on each succeeding Interest Payment Date by wire transfer in immediately available funds to such account of a financial institution within the United States of America as specified in such written request, which written request will remain in effect until rescinded in writing by the Owner. The Trustee will pay principal of the Bonds in lawful money of the United States of America by check of the Trustee or by wire upon presentation and surrender thereof at the Office of the Trustee.

SECTION 2.03. Transfer and Exchange of Bonds.

(a) Transfer. Any Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the person in whose name it is registered, in person or by a duly authorized attorney of such person, upon surrender of such Bond to the Trustee at its Office for cancellation, accompanied by delivery of a written instrument of transfer in a form acceptable to the Trustee, duly executed. The Trustee shall require the Owner requesting such transfer to pay any tax or other governmental charge required to be paid with respect to such transfer. Whenever any Bond or Bonds shall be surrendered for transfer, the Authority shall execute and the Trustee shall authenticate and deliver to the transferee a new Bond or Bonds of like series, interest rate, maturity and aggregate principal amount. The Authority shall pay the cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any transfer of Bonds.

(b) Exchange. The Bonds may be exchanged at the Office of the Trustee for a like aggregate principal amount of Bonds of other authorized denominations and of the same series, interest rate and maturity. The Trustee shall require the Owner requesting such exchange to pay any tax or other governmental charge required to be paid with respect to such exchange. The Authority shall pay the cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any exchange of Bonds.

(c) Limitations. The Trustee may refuse to transfer or exchange, under the provisions of this Section 2.03, any Bonds selected by the Trustee for redemption under Article IV, or any Bonds during the period established by the Trustee for the selection of Bonds for redemption.

SECTION 2.04. Book-Entry System.

(a) Original Delivery. The Bonds will be initially delivered in the form of a separate single fully registered bond (which may be typewritten) for each maturity of the Bonds. Upon initial delivery, the Trustee shall register the ownership of each Bond on the Registration Books in the name of the Nominee. Except as provided in subsection (c), the ownership of all of the Outstanding Bonds shall be registered in the name of the Nominee on the Registration Books.

With respect to Bonds the ownership of which shall be registered in the name of the Nominee, the Authority and the Trustee has no responsibility or obligation to any Depository System Participant or to any person on behalf of which the Nominee holds an interest in the Bonds. Without limiting the generality of the immediately preceding
sentence, the Authority and the Trustee has no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Depository System Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Depository System Participant or any other person, other than a Bond Owner as shown in the Registration Books, of any notice with respect to the Bonds, including any notice of redemption, (iii) the selection by the Depository of the beneficial interests in the Bonds to be redeemed if the Authority elects to redeem the Bonds in part, (iv) the payment to any Depository System Participant or any other person, other than a Bond Owner as shown in the Registration Books, of any amount with respect to principal, premium, if any, or interest on the Bonds or (v) any consent given or other action taken by the Depository as Owner of the Bonds. The Authority and the Trustee may treat and consider the person in whose name each Bond is registered as the absolute owner of such Bond for the purpose of payment of principal of and premium, if any, and interest on such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers of ownership of such Bond, and for all other purposes whatsoever. The Trustee shall pay the principal of and the interest and premium, if any, on the Bonds only to the respective Owners or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge all obligations with respect to payment of principal of and interest and premium, if any, on the Bonds to the extent of the sum or sums so paid. No person other than a Bond Owner shall receive a Bond evidencing the obligation of the Authority to make payments of principal, interest and premium, if any, under this Indenture. Upon delivery by the Depository to the Authority of written notice to the effect that the Depository has determined to substitute a new Nominee in its place, and subject to the provisions herein with respect to Record Dates, such new nominee shall become the Nominee hereunder for all purposes; and upon receipt of such a notice the Authority shall promptly deliver a copy of the same to the Trustee.

(b) Representation Letter. In order to qualify the Bonds for the Depository’s book-entry system, the Authority shall execute and deliver to such Depository a letter in which the Authority will agree to the Depository’s operational arrangements. To the extent required to do so by the Depository, the Trustee shall also execute such representation letter and agree to the Depository’s operational arrangements. The execution and delivery of such letter shall not in any way limit the provisions of subsection (a) above or in any other way impose upon the Authority or the Trustee any obligation whatsoever with respect to persons having interests in the Bonds other than the Bond Owners. In addition to the execution and delivery of such letter, the Authority may take any other actions, not inconsistent with this Indenture, to qualify the Bonds for the Depository’s book-entry program.

(c) Transfers Outside Book-Entry System. If either (i) the Depository determines not to continue to act as Depository for the Bonds, or (ii) the Authority determines to terminate the Depository as such, then the Authority shall thereupon discontinue the book-entry system with such Depository. In such event, the Depository shall cooperate with the Authority and the Trustee in the issuance of replacement Bonds by providing the Trustee with a list showing the interests of the Depository System Participants in the Bonds, and by surrendering the Bonds, registered in the name of the Nominee, to the Trustee on or before the date such replacement Bonds are to be issued. The Depository, by accepting delivery of the Bonds, agrees to be bound by the provisions of this subsection (c). If, prior to the termination of the Depository acting as such, the Authority fails to identify another Securities Depository to replace the Depository, then the Bonds shall no longer be
required to be registered in the Registration Books in the name of the Nominee, and, upon transfer or exchange, shall be registered in whatever name or names the Owners transferring or exchanging Bonds shall designate, in accordance with the provisions hereof.

If the Authority determines that it is in the best interests of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the Authority may notify the Depository System Participants of the availability of such certificated Bonds through the Depository. In such event, the Trustee will issue, transfer and exchange Bonds as required by the Depository and others in appropriate amounts; and whenever the Depository requests, the Trustee and the Authority shall cooperate with the Depository in taking appropriate action (y) to make available one or more separate certificates evidencing the Bonds to any Depository System Participant having Bonds credited to its account with the Depository, or (z) to arrange for another Securities Depository to maintain custody of a single certificate evidencing such Bonds, all at the Authority’s expense.

(d) Payments to the Nominee. Notwithstanding any other provision of this Indenture to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to principal of and interest and premium, if any, on such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the letter described in subsection (b) of this Section or as otherwise instructed by the Depository.

SECTION 2.05. Registration Books. The Trustee will keep or cause to be kept, at the Office of the Trustee, sufficient records for the registration and transfer of ownership of the Bonds, which shall upon reasonable notice as agreed to by the Trustee, be open to inspection during regular business hours by the Authority; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on such records, the ownership of the Bonds as hereinbefore provided.

SECTION 2.06. Form and Execution of Bonds. The Bonds, the form of Trustee’s certificate of authentication, and the form of assignment to appear thereon, are set forth in Appendix B attached hereto and by this reference incorporated herein, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Indenture.

The Chair of the Authority shall execute, and the Secretary of the Authority shall attest each Bond. Either or both of such signatures may be made manually or may be affixed by facsimile thereof. If any officer whose signature appears on any Bond ceases to be such officer before the Closing Date, such signature will nevertheless be as effective as if the officer had remained in office until the Closing Date. Any Bond may be signed and attested on behalf of the Authority by such persons as at the actual date of the execution of such Bond are the proper officers of the Authority, duly authorized to execute debt instruments on behalf of the Authority, although on the date of such Bond any such person was not an officer of the Authority.

Only those Bonds bearing a certificate of authentication in the form set forth in Appendix B, manually executed and dated by the Trustee, are valid or obligatory for any purpose or entitled to the benefits of this Indenture, and such certificate of the Trustee is
conclusive evidence that such Bonds have been duly authenticated and delivered hereunder and are entitled to the benefits of this Indenture.

SECTION 2.07. Bonds Mutilated, Lost, Destroyed or Stolen. If any Bond is mutilated, the Authority, at the expense of the Owner of such Bond, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of the Bond so mutilated. The Trustee shall cancel every mutilated Bond surrendered to it and deliver such mutilated Bond to, or upon the order of, the Authority. If any Bond is lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence is satisfactory and if indemnity satisfactory to the Trustee and the Authority is given, the Authority, at the expense of the Owner, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor in lieu of and in substitution for the Bond so lost, destroyed or stolen. The Trustee may require payment of a sum not exceeding the actual cost of preparing each new Bond issued under this Section and of the expenses which may be incurred by the Trustee in connection therewith. Any Bond issued under the provisions of this Section in lieu of any Bond alleged to be lost, destroyed or stolen will constitute an original additional contractual obligation on the part of the Authority whether or not the Bond so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Indenture with all other Bonds issued under this Indenture.

Notwithstanding any other provision of this Section 2.07, in lieu of delivering a new Bond for which principal has become due for a Bond which has been mutilated, lost, destroyed or stolen, the Trustee may make payment of such Bond in accordance with its terms upon receipt of indemnity satisfactory to the Trustee.
ARTICLE III

ISSUANCE OF BONDS; APPLICATION OF PROCEEDS

SECTION 3.01. Issuance of the Bonds. At any time after the execution of this Indenture, the Authority may execute and the Trustee shall authenticate and, upon the Written Request of the Authority, deliver the Bonds to the Original Purchaser.

SECTION 3.02. Application of Proceeds of Sale of Bonds; Transfer of Prior Funds. On the Closing Date, the Original Purchaser will pay a purchase price for the Bonds in the amount of $_____________, which is equal to the original principal amount of the Bonds ($_____________), [plus/less] a [net] original issue [premium/discount] of $_____________, less an underwriter’s discount of $_____________. On the Closing Date, the Trustee shall apply such purchase price on the Closing Date in the following manner:

(a) the Trustee will deposit $_____________ into the Refunding Fund, and

(b) the Trustee will deposit the remaining amount, equal to $_____________, into the Costs of Issuance Fund.

The Trustee may establish a temporary fund or account in its records to facilitate such deposits or transfers. The deposits described in paragraphs (a) and (b) represent the full amount of the Site Lease Payments under Section 3 of the Site Leases.

SECTION 3.03. Establishment and Application of Costs of Issuance Fund. The Trustee shall establish, maintain and hold in trust a separate fund designated as the “Costs of Issuance Fund” into which the Trustee shall deposit a portion of the proceeds of sale of the Bonds under Section 3.02(b). The Trustee shall disburse amounts in the Costs of Issuance Fund from time to time to pay the Costs of Issuance upon submission of a Written Requisition of the Authority stating the person to whom payment is to be made, the amount to be paid, the purpose for which the obligation was incurred and that such payment is a proper charge against said fund. Each such Written Requisition of the Authority shall be sufficient evidence to the Trustee of the facts stated therein and the Trustee shall have no duty to confirm the accuracy of such facts. The Trustee may conclusively rely on such Written Requisitions and shall be fully protected in relying thereon. On the 90th calendar day after the Closing Date, or upon the earlier Written Request of the Authority, the Trustee shall transfer all amounts remaining in the Costs of Issuance Fund to the Interest Account and shall thereupon close the Costs of Issuance Fund.

SECTION 3.04. Establishment and Application of Refunding Fund. The Trustee shall establish, maintain and hold in trust a separate fund designated as the “Refunding Fund” into which the Trustee shall deposit a portion of the proceeds of sale of the Bonds under Section 3.02(a).

The Trustee shall immediately disburse amounts in the Refunding Fund as follows:
(a) $_____ to the Prior Trustee for deposit in the Revenue Fund established under the 2007 Indenture, according to the following wire instructions:

[to come]

(b) $_____ to the Prior Trustee for deposit in the Revenue Fund established under the 2008 Indenture, according to the following wire instructions:

[to come]

Following such transfer, the Trustee shall close the Refunding Fund.

SECTION 3.05. Validity of Bonds. The recital contained in the Bonds that the same are issued under the Constitution and laws of the State of California shall be conclusive evidence of their validity and of compliance with the provisions of law in their issuance.

ARTICLE IV

REDEMPTION OF BONDS

SECTION 4.01. Terms of Redemption.

(a) Optional Redemption. The Bonds maturing on or before November 1, 20__, are not subject to optional redemption prior to their stated maturity. The Bonds maturing on or after November 1, 20__, are subject to redemption, as a whole or in part at the election of the Authority among maturities on such basis as designated by the Authority and by lot within a maturity, at the option of the Authority, on November 1, 20__, and on any date thereafter, at a redemption price equal to 100% of the principal amount of Bonds to be redeemed, together with accrued interest thereon to the date fixed for redemption, without premium.

The Authority must give the Trustee at least 10 days’ written notice of its intention to redeem Bonds under this subsection (a), and the manner of selecting such Bonds for redemption from among the maturities thereof, in sufficient time for the Trustee to give notice of such redemption in accordance with Section 4.03.

(b) Special Mandatory Redemption From Insurance or Condemnation Proceeds. The Bonds are subject to redemption as a whole, or in part on a pro rata basis among maturities, on any date, from any Net Proceeds required to be used for such purpose as provided in Section 5.07, at a redemption price equal to 100% of the principal amount thereof plus interest accrued thereon to the date fixed for redemption, without premium.

SECTION 4.02. Selection of Bonds for Redemption. Whenever provision is made in this Indenture for the redemption of less than all of the Bonds of a single maturity, the Trustee shall select the Bonds of that maturity to be redeemed by lot in any manner which the Trustee in its sole discretion deems appropriate. For purposes of such selection, the
Trustee shall treat each Bond as consisting of separate $5,000 portions and each such portion shall be subject to redemption as if such portion were a separate Bond.

SECTION 4.03. Notice of Redemption; Rescission. The Trustee shall mail notice of redemption of the Bonds by first class mail, postage prepaid, not less than 20 nor more than 60 days before any redemption date, to the respective Owners of any Bonds designated for redemption at their addresses appearing on the Registration Books and to one or more Securities Depositories and to the Municipal Securities Rulemaking Board. Each notice of redemption shall state the date of the notice, the redemption date, the place or places of redemption, whether less than all of the Bonds (or all Bonds of a single maturity) are to be redeemed, the CUSIP numbers and (in the event that not all Bonds within a maturity are called for redemption) Bond numbers of the Bonds to be redeemed and the maturity or maturities of the Bonds to be redeemed, and in the case of Bonds to be redeemed in part only, the respective portions of the principal amount thereof to be redeemed. Each such notice shall also state that on the redemption date there will become due and payable on each of said Bonds the redemption price thereof, and that from and after such redemption date interest thereon shall cease to accrue, and shall require that such Bonds be then surrendered to the Trustee. Neither the failure to receive any notice nor any defect therein shall affect the sufficiency of the proceedings for such redemption or the cessation of accrual of interest from and after the redemption date. Notice of redemption of Bonds shall be given by the Trustee, at the expense of the Authority, for and on behalf of the Authority.

Redemption notices may be conditional. The Authority has the right to rescind any notice of the redemption of Bonds under Section 4.01(a) by written notice to the Trustee on or prior to the dated fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default. The Authority and the Trustee have no liability to the Bond Owners or any other party related to or arising from such rescission of redemption. The Trustee shall mail notice of such rescission of redemption in the same manner as the original notice of redemption was sent under this Section.

SECTION 4.04. Partial Redemption of Bonds. Upon surrender of any Bonds redeemed in part only, the Authority shall execute and the Trustee shall authenticate and deliver to the Owner thereof, at the expense of the Authority, a new Bond or Bonds of authorized denominations equal in aggregate principal amount to the unredeemed portion of the Bonds surrendered.

SECTION 4.05. Effect of Redemption. Notice of redemption having been duly given as aforesaid, and moneys for payment of the redemption price of, together with interest accrued to the date fixed for redemption on, including any applicable premium, the Bonds (or portions thereof) so called for redemption being held by the Trustee, on the redemption date designated in such notice, the Bonds (or portions thereof) so called for redemption shall become due and payable, interest on the Bonds so called for redemption shall cease to accrue, said Bonds (or portions thereof) shall cease to be entitled to any benefit or security under this Indenture, and the Owners of said Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof.
All Bonds redeemed under the provisions of this Article shall be canceled by the Trustee upon surrender thereof and destroyed in accordance with the retention policy of the Trustee then in effect.

ARTICLE V

REVENUES; FUNDS AND ACCOUNTS; PAYMENT OF PRINCIPAL AND INTEREST

SECTION 5.01. Security for the Bonds; Bond Fund.

(a) Pledge of Revenues and Other Amounts. Subject only to the provisions of this Indenture permitting the application thereof for the purposes and on the terms and conditions set forth herein, all of the Revenues and all amounts (including proceeds of the sale of the Bonds) held in any fund or account established under this Indenture are hereby pledged to secure the payment of the principal of and interest and premium (if any) on the Bonds in accordance with their terms and the provisions of this Indenture. Said pledge constitutes a lien on and security interest in the Revenues and such amounts and shall attach, be perfected and be valid and binding from and after the Closing Date, without the need for any physical delivery thereof or further act.

(b) Assignment to Trustee. Under the Assignment Agreement, the Authority has transferred to the Trustee all of the rights of the Authority in the Leases (other than the rights of the Authority under Sections 4.5, 5.10, 7.3 and 8.4 thereof and its rights to give approvals and consents thereunder). The Trustee is entitled to collect and receive all of the Revenues, and any Revenues collected or received by the Authority shall be deemed to be held, and to have been collected or received, by the Authority as the agent of the Trustee under the Lease and shall forthwith be paid by the Authority to the Trustee. The Trustee is also entitled to and may, subject to the provisions of Article VIII, take all steps, actions and proceedings which the Trustee determines to be reasonably necessary in its judgment to enforce, either jointly with the Authority or separately, all of the rights of the Authority and all of the obligations of the City under the Leases.

(c) Deposit of Revenues in Bond Fund. All Revenues shall be promptly deposited by the Trustee upon receipt thereof in a special fund designated as the “Bond Fund” which the Trustee shall establish, maintain and hold in trust; except that all moneys received by the Trustee and required hereunder or under the Leases to be deposited in the Redemption Fund or the Insurance and Condemnation Fund shall be promptly deposited in such funds. All Revenues deposited with the Trustee shall be held, disbursed, allocated and applied by the Trustee only as provided in this Indenture. Any surplus remaining in the Bond Fund, after payment in full of (i) the principal of and interest on the Bonds or provision therefore under Article X, and (ii) any applicable fees and expenses to the Trustee, shall be withdrawn by the Trustee and remitted to the City.

SECTION 5.02. Allocation of Revenues. On or before each Interest Payment Date, the Trustee shall transfer from the Bond Fund and deposit into the following respective accounts (each of which the Trustee shall establish and maintain within the Bond Fund), the following amounts in the following order of priority:
(a) **Deposit to Interest Account.** The Trustee shall deposit in the Interest Account an amount required to cause the aggregate amount on deposit in the Interest Account to be at least equal to the amount of interest becoming due and payable on such Interest Payment Date on all Bonds then Outstanding.

(b) **Deposit to Principal Account.** The Trustee shall deposit in the Principal Account an amount required to cause the aggregate amount on deposit in the Principal Account to equal the principal amount of the Bonds coming due and payable on such Interest Payment Date.

SECTION 5.03. Application of Interest Account. All amounts in the Interest Account shall be used and withdrawn by the Trustee solely for the purpose of paying interest on the Bonds as it comes due and payable (including accrued interest on any Bonds purchased or redeemed prior to maturity).

SECTION 5.04. Application of Principal Account. All amounts in the Principal Account shall be used and withdrawn by the Trustee solely to pay the principal amount of the Bonds at their respective maturity dates.

SECTION 5.05. Reserved.

SECTION 5.06. Application of Redemption Fund. The Trustee shall establish and maintain the Redemption Fund, into which the Trustee shall deposit a portion of the Revenues received, in accordance with a Written Request of the Authority, amounts in which shall be used and withdrawn by the Trustee solely for the purpose of paying the principal and premium (if any) of the Bonds to be redeemed under Section 4.01; provided, however, that at any time prior to the selection of Bonds for redemption, the Trustee may apply such amounts to the purchase of Bonds at public or private sale, when and at such prices (including brokerage and other charges, but excluding accrued interest, which is payable from the Interest Account) as shall be directed under a Written Request of the Authority, except that the purchase price (exclusive of accrued interest) may not exceed the redemption price then applicable to the Bonds. The Trustee shall be entitled to conclusively rely on any Written Request of the Authority received under this Section 5.06, and shall be fully protected in relying thereon.

SECTION 5.07. Insurance and Condemnation Fund.

(a) **Establishment of Fund.** Upon the receipt of proceeds of insurance or eminent domain with respect to the Leased Property, the Trustee shall establish and maintain an Insurance and Condemnation Fund, to be held and applied as hereinafter set forth in this Section 5.07.

(b) **Application of Insurance Proceeds.** Any Net Proceeds of insurance against accident to or destruction of the Leased Property collected by the City or the Authority in the event of any such accident or destruction shall be paid to the Trustee under Section 6.3 of the Leases and deposited by the Trustee promptly upon receipt thereof in the Insurance and Condemnation Fund. If the City fails to determine and notify the Trustee in writing of its determination, within 90 days following the date of such deposit, to replace, repair, restore, modify or improve the Leased Property which has been damaged or
destroyed, then such Net Proceeds shall be promptly transferred by the Trustee to the
Redemption Fund and applied to the redemption of Bonds under Section 4.01(b).
Notwithstanding the foregoing sentence, however, if the Leased Property is damaged or
destroyed in full, the Net Proceeds of such insurance shall be used by the City to rebuild
or replace the Leased Property if such proceeds are not sufficient to redeem Outstanding
Bonds equal in aggregate principal amount to the unpaid Lease Payments allocable to the
Leased Property. All proceeds deposited in the Insurance and Condemnation Fund and
not so transferred to the Redemption Fund shall be applied to the prompt replacement,
repair, restoration, modification or improvement of the damaged or destroyed portions of
the Leased Property by the City, upon receipt of a Written Request of the City which: (i)
states with respect to each payment to be made (A) the requisition number, (B) the name
and address of the person to whom payment is due, (C) the amount to be paid and (D)
that each obligation mentioned therein has been properly incurred, is a proper charge
against the Insurance and Condemnation Fund and has not been the basis of any previous
withdrawal; and (ii) specifies in reasonable detail the nature of the obligation. Any balance
of the proceeds remaining after such work has been completed as certified by the City
under a Written Certificate to the Trustee shall be paid to the City. The Trustee shall be
entitled to conclusively rely on any Written Request or Written Certificate received under
this subsection (b) of this Section 5.07 and in each case, shall be fully protected in relying
thereon.

(c) Application of Eminent Domain Proceeds. If all or any part of the Leased
Property is taken by eminent domain proceedings (or sold to a government threatening to
exercise the power of eminent domain) the Authority shall deposit or cause to be deposited
with the Trustee the Net Proceeds therefrom, which the Trustee shall deposit in the
Insurance and Condemnation Fund under Section 6.2(b) of the
applicable Lease and
which shall be applied and disbursed by the Trustee as follows:

(i) If the City has not given written notice to the Trustee, within 90 days
following the date on which such Net Proceeds are deposited with the
Trustee, of its determination that such Net Proceeds are needed for
the replacement of the Leased Property or such portion thereof, the
Trustee shall transfer such Net Proceeds to the Redemption Fund to
be applied towards the redemption of the Bonds under Section
4.01(b).

(ii) If the City has given written notice to the Trustee, within 90 days
following the date on which such Net Proceeds are deposited with the
Trustee, of its determination that such Net Proceeds are needed for
replacement of the Leased Property or such portion thereof, the
Trustee shall pay to the City, or to its order, from said proceeds such
amounts as the City may expend for such replacement, upon the filing
of Written Requisitions of the City as agent for the Authority.

In each case, the Trustee may conclusively rely upon any notice
received under this subsection (c)(ii) of this Section and is protected
in relying thereon.

(d) Reliance on Independent Advice. In making any such determination whether
to repair, replace or rehabilitate the Leased Property under this Section 5.07, the City may
obtain, but is not required to obtain, at its expense, the report of an independent engineer
or other independent professional consultant, a copy of which must be filed with the Trustee. The Trustee shall have no duty to review or examine such report. Any such determination by the City is final.

SECTION 5.08. Investments. All moneys in any of the funds or accounts established with the Trustee under this Indenture shall be invested by the Trustee solely in Permitted Investments. Such investments shall be directed by the Authority in a Written Request of the Authority filed with the Trustee at least 2 Business Days in advance of the making of such investments. In the absence of any such directions from the Authority, the Trustee shall invest any such moneys in Permitted Investments which constitute money market funds; provided, however, that any such investment shall be made by the Trustee only if, prior to the date on which such investment is to be made, the Trustee shall have received a Written Request of the Authority specifying a specific money market fund and, if no such Written Request of the Authority is so received, the Trustee shall hold such moneys uninvested. Permitted Investments purchased as an investment of moneys in any fund shall be deemed to be part of such fund or account. To the extent Permitted Investments are registrable, such Permitted Investments must be registered in the name of the Trustee.

All interest or gain derived from the investment of amounts in any of the funds or accounts established hereunder shall be deposited in the Bond Fund. For purposes of acquiring any investments hereunder, the Trustee may commingle funds held by it hereunder. The Trustee or any of its affiliates may act as principal or agent in the acquisition or disposition of any investment and may impose its customary charges therefor. The Trustee shall incur no liability for losses arising from any investments made under this Section 5.08.

Subject to applicable law, the Trustee may make any investments hereunder through its own bond or investment department or trust investment department, or those of its parent or any affiliate. The Trustee or any of its affiliates may act as sponsor, advisor or manager to the investment provider in connection with any investments made by the Trustee hereunder. The Trustee is hereby authorized, in making or disposing of any investment permitted by this Section, to deal with itself (in its individual capacity) or with any one or more of its affiliates, whether it or such affiliate is acting as an agent of the Trustee or for any third person or is dealing as a principal for its own account. The Trustee may, from time to time, provide the City and the Authority with a list of investments that are available on the Trustee’s investment platform, but the Trustee will not give investment advice to the City or the Authority, and the City or the Authority may direct the Trustee to purchase investments that are not included on the list provided by the Trustee. The Trustee shall be entitled to rely conclusively on the Authority’s investment direction as to the suitability and legality of the directed investments.

The Trustee shall furnish the Authority periodic cash transaction statements which include detail for all investment transactions effected by the Trustee or brokers selected by the Authority. Upon the Authority’s election, such statements will be delivered via the Trustee’s Online Trust and Custody service and upon electing such service, paper statements will be provided only upon request. The Authority waives the right to receive brokerage confirmations of security transactions effected by the Trustee as they occur, to the extent permitted by law. The Authority further understands that trade confirmations for securities transactions effected by the Trustee will be available upon request and at no additional cost and other trade confirmations may be obtained from the applicable broker.
SECTION 5.09. Valuation and Disposition of Investments.

(a) Except as otherwise provided in subsection (b) of this Section, the Authority covenants that all investments of amounts deposited in any fund or account created by or under this Indenture, or otherwise containing gross proceeds of the Bonds (within the meaning of Section 148 of the Tax Code) shall be acquired, disposed of and valued at the Fair Market Value thereof as such term is defined in subsection (d) below. The Trustee shall have no duty in connection with the determination of Fair Market Value other than to follow the investment directions of the Authority in any Written Request of the Authority.

(b) The investments in certain funds or accounts (or portions thereof) may be subject to a yield restriction under applicable provisions of the Tax Code; the Authority shall inform the Trustee in writing which funds are subject to a yield restriction.

(c) For the purpose of determining the amount in any fund or account established hereunder, the value of Permitted Investments credited to such fund shall be valued by the Trustee at least annually on or before July 15. The Trustee may sell or present for redemption, any Permitted Investment so purchased by the Trustee whenever it is necessary in order to provide moneys to meet any required payment, transfer, withdrawal or disbursement from the fund to which such Permitted Investment is credited, and the Trustee shall not be liable or responsible for any loss resulting from any such Permitted Investment.

(d) For purposes of this Section 5.09, the term “Fair Market Value” means the price at which a willing buyer would purchase the investment from a willing seller in a bona fide, arm’s length transaction (determined as of the date the contract to purchase or sell the investment becomes binding) if the investment is traded on an established securities market (within the meaning of Section 1273 of the Tax Code) and, otherwise, the term “Fair Market Value” means the acquisition price in a bona fide arm’s length transaction (as referenced above) if (i) the investment is a certificate of deposit that is acquired in accordance with applicable regulations under the Tax Code, (ii) the investment is an agreement with specifically negotiated withdrawal or reinvestment provisions and a specifically negotiated interest rate (for example, a guaranteed investment contract, a forward supply contract or other investment agreement) that is acquired in accordance with applicable regulations under the Tax Code, or (iii) the investment is a United States Treasury Security -- State and Local Government Series which is acquired in accordance with applicable regulations of the United States Bureau of Public Debt.

(e) To the extent of any valuations made by the Trustee hereunder, the Trustee may utilize and rely upon computerized or generally recognized securities pricing services that may be available to it, including those available through its regular accounting system (including brokers and dealers).
ARTICLE VI

COVENANTS OF THE AUTHORITY

SECTION 6.01. Punctual Payment. The Authority shall punctually pay or cause to be paid the principal of and interest and premium (if any) on all the Bonds in strict conformity with the terms of the Bonds and of this Indenture, according to the true intent and meaning thereof, but only out of the Revenues and other amounts pledged for such payment as provided in this Indenture.

SECTION 6.02. Extension of Payment of Bonds. The Authority shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or the time of payment of any claims for interest by the purchase of such Bonds or by any other arrangement, and in case the maturity of any of the Bonds or the time of payment of any such claims for interest shall be extended, such Bonds or claims for interest shall not be entitled, in case of any default hereunder, to the benefits of this Indenture, except subject to the prior payment in full of the principal of all of the Bonds then Outstanding and of all claims for interest thereon which have not been so extended. Nothing in this Section 6.02 limits the right of the Authority to issue Bonds for the purpose of refunding any Outstanding Bonds, and such issuance does not constitute an extension of maturity of the Bonds.

SECTION 6.03. Against Encumbrances. The Authority shall not create, or permit the creation of, any pledge, lien, charge or other encumbrance upon the Revenues and other assets pledged or assigned under this Indenture while any of the Bonds are Outstanding, except the pledge and assignment created by this Indenture. Subject to this limitation, the Authority expressly reserves the right to enter into one or more other indentures for any of its corporate purposes, and reserves the right to issue other obligations for such purposes.

SECTION 6.04. Power to Issue Bonds and Make Pledge and Assignment. The Authority is duly authorized under law to issue the Bonds and to enter into this Indenture and to pledge and assign the Revenues and other amounts purported to be pledged and assigned, respectively, under this Indenture and under the Assignment Agreement in the manner and to the extent provided in this Indenture and the Assignment Agreement. The Bonds and the provisions of this Indenture are and will be the legal, valid and binding special obligations of the Authority in accordance with their terms, and the Authority and the Trustee shall at all times, subject to the provisions of Article VIII and to the extent permitted by law, defend, preserve and protect said pledge and assignment of Revenues and other assets and all the rights of the Bond Owners under this Indenture against all claims and demands of all persons whomsoever.

SECTION 6.05. Accounting Records. The Trustee shall at all times keep, or cause to be kept, proper books of record and account, prepared in accordance with corporate industry standards, in which complete and accurate entries shall be made of all transactions made by it relating to the proceeds of Bonds and all funds and accounts established under this Indenture. The Trustee shall make such books of record and account available for inspection by the Authority and the City, during business hours, upon reasonable notice, and under reasonable circumstances.
SECTION 6.06. Limitation on Additional Obligations. The Authority covenants that no additional bonds, notes or other indebtedness shall be issued or incurred which are payable out of the Revenues in whole or in part.

SECTION 6.07. Tax Covenants.

(a) Private Business Use Limitation. The Authority shall assure that the proceeds of the Bonds are not used in a manner which would cause the Bonds to satisfy the private business tests of Section 141(b) of the Tax Code or the private loan financing test of Section 141(c) of the Tax Code.

(b) Federal Guarantee Prohibition. The Authority may not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Tax Code.

(c) No Arbitrage. The Authority may not take, or permit or suffer to be taken by the Trustee or otherwise, any action with respect to the proceeds of the Bonds or of any other obligations which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the Closing Date, would have caused the Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Tax Code.

(d) Maintenance of Tax Exemption. The Authority shall take all actions necessary to assure the exclusion of interest on the Bonds from the gross income of the Owners of the Bonds to the same extent as such interest is permitted to be excluded from gross income under the Tax Code as in effect on the Closing Date.

(e) Rebate of Excess Investment Earnings to United States. The Authority shall calculate or cause to be calculated all amounts of excess investment earnings with respect to the Bonds which are required to be rebated to the United States of America under Section 148(f) of the Tax Code, at the times and in the manner required under the Tax Code. The Authority shall pay when due an amount equal to excess investment earnings to the United States of America in such amounts, at such times and in such manner as may be required under the Tax Code, such payments to be made from amounts paid by the City for that purpose under Section 4.5(d) of each Lease. The Authority shall keep or cause to be kept, and retain or cause to be retained for a period of six years following the retirement of the Bonds, records of the determinations made under this subsection (e).

SECTION 6.08. Enforcement of Leases. The Trustee shall promptly collect all amounts (to the extent any such amounts are available for collection) due from the City under the Leases. Subject to the provisions of Article VIII, the Trustee may enforce, and take all steps, actions and proceedings which are determined to be reasonably necessary for the enforcement of all of its rights thereunder as assignee of the Authority and for the enforcement of all of the obligations of the City under the Leases.

SECTION 6.09. Waiver of Laws. The Authority shall not at any time insist upon or plead in any manner whatsoever, or claim or take the benefit or advantage of, any stay or extension law now or at any time hereafter in force that may affect the covenants and agreements contained in this Indenture or in the Bonds, and all benefit or advantage of any such law or laws is hereby expressly waived by the Authority to the extent permitted by law.
SECTION 6.10. Further Assurances. The Authority will make, execute and deliver any and all such further indentures, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Indenture and for the better assuring and confirming unto the Owners of the Bonds of the rights and benefits provided in this Indenture.

ARTICLE VII

EVENTS OF DEFAULT AND REMEDIES

SECTION 7.01. Events of Default. The following events constitute Events of Default hereunder:

(a) Failure to pay any installment of the principal of any Bonds when due, whether at maturity as therein expressed, by proceedings for redemption, by acceleration, or otherwise.

(b) Failure to pay any installment of interest on the Bonds when due.

(c) Failure by the Authority to observe and perform any of the other covenants, agreements or conditions on its part contained in this Indenture or in the Bonds, if such failure has continued for a period of 30 days after written notice thereof, specifying such failure and requiring the same to be remedied, has been given to the Authority by the Trustee; provided, however, if in the reasonable opinion of the Authority the failure stated in the notice can be corrected, but not within such 30-day period, such failure shall not constitute an Event of Default if the Authority institutes corrective action within such 30-day period and thereafter diligently and in good faith cures the failure in a reasonable period of time, which period shall end 180 days after the delivery of such default notice.

(d) The commencement by the Authority of a voluntary case under Title 11 of the United States Code or any substitute or successor statute.

(e) The occurrence and continuation of an event of default under and as defined in the Leases.

SECTION 7.02. Remedies Upon Event of Default. If any Event of Default occurs, then, and in each and every such case during the continuance of such Event of Default, the Trustee may, and at the written direction of the Owners of a majority in aggregate principal amount of the Bonds at the time Outstanding shall, in each case, upon receipt of indemnification satisfactory to Trustee against the costs, expenses and liabilities to be incurred in connection with such action, upon notice in writing to the Authority, declare the principal of all of the Bonds then Outstanding, and the interest accrued thereon, to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in this Indenture or in the Bonds contained to the contrary notwithstanding.
Any such declaration is subject to the condition that if, at any time after such declaration and before any judgment or decree for the payment of the moneys due shall have been obtained or entered, the Authority deposits with the Trustee a sum sufficient to pay all the principal of and installments of interest on the Bonds payment of which is overdue, with interest on such overdue principal at the rate borne by the respective Bonds to the extent permitted by law, and the reasonable fees, charges and expenses (including those of its legal counsel, including the allocated costs of internal attorneys) of the Trustee, and any and all other Events of Default actually known to the Trustee (other than in the payment of principal of and interest on the Bonds due and payable solely by reason of such declaration) have been made good or cured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate has been made therefor, then, and in every such case, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, by written notice to the Authority, the City and the Trustee, may, on behalf of the Owners of all of the Bonds, rescind and annul such declaration and its consequences and waive such Event of Default; but no such rescission and annulment shall extend to or shall affect any subsequent Event of Default, or shall impair or exhaust any right or power consequent thereon.

Nothing herein shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Bondholder any plan of reorganization, arrangement, adjustment, or composition affecting the Bonds or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Bondholder in any such proceeding without the approval of the Bondholders so affected.

SECTION 7.03. Application of Revenues and Other Funds After Default. If an Event of Default occurs and is continuing, all Revenues and any other funds then held or thereafter received by the Trustee under any of the provisions of this Indenture shall be applied by the Trustee in the following order of priority:

(a) To the payment of reasonable fees, charges and expenses of the Trustee (including reasonable fees and disbursements of its legal counsel including outside counsel and the allocated costs of internal attorneys) incurred in and about the performance of its powers and duties under this Indenture;

(b) To the payment of the principal of and interest then due on the Bonds (upon presentation of the Bonds to be paid, and stamping or otherwise noting thereon of the payment if only partially paid, or surrender thereof if fully paid) in accordance with the provisions of this Indenture, as follows:

First: To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment or installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon, to the persons entitled thereto, without any discrimination or preference;

Second: To the payment to the persons entitled thereto of the unpaid principal of any Bonds which shall have become due, whether
at maturity or by acceleration or redemption, with interest on the overdue principal at the rate borne by the respective Bonds (to the extent permitted by law), and, if the amount available shall not be sufficient to pay in full all the Bonds, together with such interest, then to the payment thereof ratably, according to the amounts of principal due on such date to the persons entitled thereto, without any discrimination or preference; and

SECTION 7.04. Trustee to Represent Bond Owners. The Trustee is hereby irrevocably appointed (and the successive respective Owners of the Bonds, by taking and holding the same, shall be conclusively deemed to have so appointed the Trustee) as trustee and true and lawful attorney-in-fact of the Owners of the Bonds for the purpose of exercising and prosecuting on their behalf such rights and remedies as may be available to such Owners under the provisions of the Bonds, this Indenture and applicable provisions of any law. All rights of action under this Indenture or the Bonds may be prosecuted and enforced by the Trustee without the possession of any of the Bonds or the production thereof in any proceeding relating thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in the name of the Trustee for the benefit and protection of all the Owners of such Bonds, subject to the provisions of this Indenture.

SECTION 7.05. Limitation on Bond Owners’ Right to Sue. Notwithstanding any other provision hereof, no Owner of any Bonds has the right to institute any suit, action or proceeding at law or in equity, for the protection or enforcement of any right or remedy under this Indenture, the Leases or any other applicable law with respect to such Bonds, unless (a) such Owner has given to the Trustee written notice of the occurrence of an Event of Default; (b) the Owners of a majority in aggregate principal amount of the Bonds then Outstanding have requested the Trustee in writing to exercise the powers hereinbefore granted or to institute such suit, action or proceeding in its own name; (c) such Owner or Owners have tendered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request; (d) the Trustee has failed to comply with such request for a period of 60 days after such written request has been received by, and said tender of indemnity has been made to, the Trustee; and (e) no direction inconsistent with such written request has been given to the Trustee during such 60 day period by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of Bonds of any remedy hereunder or under law; it being understood and intended that no one or more Owners of Bonds shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of this Indenture or the rights of any other Owners of Bonds, or to enforce any right under the Bonds, this Indenture, the Leases or other applicable law with respect to the Bonds, except in the manner herein provided, and that all proceedings at law or in equity to enforce any such right shall be instituted, had and maintained in the manner herein provided and for the benefit and protection of all Owners of the Outstanding Bonds, subject to the provisions of this Indenture.

SECTION 7.06. Absolute Obligation of Authority. Nothing herein or in the Bonds contained affects or impairs the obligation of the Authority, which is absolute and unconditional, to pay the principal of and interest and premium (if any) on the Bonds to
the respective Owners of the Bonds at their respective dates of maturity, or upon acceleration or call for redemption, as herein provided, but only out of the Revenues and other assets herein pledged therefor, or affect or impair the right of such Owners, which is also absolute and unconditional, to enforce such payment by virtue of the contract embodied in the Bonds.

SECTION 7.07. Termination of Proceedings. In case any proceedings taken by the Trustee or by any one or more Bond Owners on account of any Event of Default have been discontinued or abandoned for any reason or have been determined adversely to the Trustee or the Bond Owners, then in every such case the Authority, the Trustee and the Bond Owners, subject to any determination in such proceedings, shall be restored to their former positions and rights hereunder, severally and respectively, and all rights, remedies, powers and duties of the Authority, the Trustee and the Bond Owners shall continue as though no such proceedings had been taken.

SECTION 7.08. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Trustee, to the Owners of the Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

SECTION 7.09. No Waiver of Default. No delay or omission of the Trustee or any Owner of the Bonds to exercise any right or power arising upon the occurrence of any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or an acquiescence therein; and every power and remedy given by this Indenture to the Trustee or to the Owners of the Bonds may be exercised from time to time and as often as may be deemed expedient by the Trustee or the Bond Owners.

SECTION 7.10. Notice to Bond Owners of Default. Immediately upon becoming aware of the occurrence of an Event of Default, but in no event later than five Business Days following becoming aware of such occurrence, the Trustee shall promptly give written notice thereof by first class mail, postage prepaid, to the Owner of each Outstanding Bond, unless such Event of Default has been cured before the giving of such notice; provided, however that except in the case of an Event of Default described in Sections 7.01(a) or 7.01(b), the Trustee may elect not to give such notice to the Bond Owners if and so long as the Trustee in good faith determines that it is in the best interests of the Bond Owners not to give such notice.
ARTICLE VIII

THE TRUSTEE

SECTION 8.01. Appointment of Trustee. U.S. Bank, National Association is hereby appointed Trustee by the Authority for the purpose of receiving all moneys required to be deposited with the Trustee hereunder and to allocate, use and apply the same as provided in this Indenture. The Authority will maintain a Trustee which is qualified under the provisions of the foregoing provisions of this Article VIII, so long as any Bonds are Outstanding.

SECTION 8.02. Acceptance of Trusts; Removal and Resignation of Trustee. The Trustee hereby accepts the express trusts imposed upon it by this Indenture, and agrees to perform said trusts, but only upon and subject to the following express terms and conditions:

(a) The Trustee shall, prior to an Event of Default, and after the curing or waiver of all Events of Default which may have occurred, perform such duties and only such duties as are expressly and specifically set forth in this Indenture and no implied duties or covenants shall be read into this Indenture against the Trustee. If an Event of Default has occurred (which has not been cured), the Trustee shall exercise such of the rights and powers vested in it by hereunder, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(b) The Authority may remove the Trustee upon 30 days’ prior notice, unless an Event of Default has occurred and is then continuing, and shall remove the Trustee (a) if at any time requested to do so by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding (or their attorneys duly authorized in writing) or (b) if at any time the Trustee ceases to be eligible in accordance with Section 8.02, or becomes incapable of acting, or is adjudged a bankrupt or insolvent, or a receiver of the Trustee or its property is appointed, or any public officer takes control or charge of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation.

(c) The Trustee may at any time resign by giving written notice of such resignation to the Authority and the City, and by giving the Bond Owners notice of such resignation by mail at the addresses shown on the Registration Books.

(d) Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective upon acceptance of appointment by the successor Trustee. In the event of the removal or resignation of the Trustee under subsections (b) or (c), respectively, the Authority shall promptly appoint a successor Trustee.
If no successor Trustee has been appointed and accepted appointment within 45 days of giving notice of removal or notice of resignation as aforesaid, the retiring Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under this Indenture, must signify its acceptance of such appointment by executing and delivering to the Authority, to its predecessor Trustee a written acceptance thereof, and after payment by the Authority of all unpaid fees and expenses of the predecessor Trustee, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein; but, nevertheless at the Written Request of the Authority or the request of the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to the Leased Property held by such predecessor Trustee under this Indenture and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Upon request of the successor Trustee, the Authority shall execute and deliver any and all instruments as may be reasonably required for more fully and certainly vesting in and confirming to such successor Trustee all such moneys, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance of appointment by a successor Trustee as provided in this subsection, the Authority shall promptly mail or cause the successor trustee to mail a notice of the succession of such Trustee to the trusts hereunder to each rating agency which is then rating the Bonds and to the Bond Owners at the addresses shown on the Registration Books. If the Authority fails to mail such notice within 15 days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be mailed at the expense of the Authority.

(e) Any Trustee appointed under this Indenture shall be a corporation or association organized and doing business under the laws of any state or the United States of America or the District of Columbia, shall be authorized under such laws to exercise corporate trust powers, shall have (or, in the case of a corporation or association that is a member of a bank holding company system, the related bank holding company has) a combined capital and surplus of at least $50,000,000, and shall be subject to supervision or examination by a federal or state agency, so long as any Bonds are Outstanding. If such corporation or association publishes a report of condition at least annually under law or to the requirements of any supervising or
examining agency above referred to, then for the purpose of this subsection (e), the combined capital and surplus of such corporation or association shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If the Trustee at any time ceases to be eligible in accordance with the provisions of this subsection (e), the Trustee shall resign immediately in the manner and with the effect specified in this Section.

SECTION 8.03. Merger or Consolidation. Any bank, national banking association, federal savings association, or trust company into which the Trustee may be merged or converted or with which it may be consolidated or any bank, national banking association, federal savings association, or trust company resulting from any merger, conversion or consolidation to which it shall be a party or any bank, national banking association, federal savings association, or trust company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such bank, national banking association, federal savings association, or trust company shall be eligible under subsection (e) of Section 8.02 shall be the successor to such Trustee, without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

SECTION 8.04. Liability of Trustee.

(a) The recitals of facts herein and in the Bonds contained shall be taken as statements of the Authority, and the Trustee shall not assume responsibility for the correctness of the same, or make any representations as to the validity or sufficiency of this Indenture, the Bonds or the Leases (including any right to receive moneys thereunder or the value of or title to the premises upon which the Leased Property is located), nor shall the Trustee incur any responsibility in respect thereof, other than as expressly stated herein in connection with the respective duties or obligations of Trustee herein or in the Bonds assigned to or imposed upon it. The Trustee shall, however, be responsible for its representations contained in its certificate of authentication on the Bonds. The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful misconduct. The Trustee may become the Owner of Bonds with the same rights it would have if it were not Trustee, and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bond Owners, whether or not such committee shall represent the Owners of a majority in principal amount of the Bonds then Outstanding.

(b) The Trustee is not liable for any error of judgment made by a responsible officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts.

(c) The Trustee is not liable with respect to any action taken or omitted to be taken by it in accordance with the direction of the Owners of a majority in aggregate principal amount of the Bonds at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture or assigned to it under the Assignment Agreement.

(d) The Trustee is not liable for any action taken by it and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture.
(e) The Trustee shall not be deemed to have knowledge of any Event of Default hereunder, or any other event which, with the passage of time, the giving of notice, or both, would constitute an Event of Default hereunder unless and until it shall have actual knowledge thereof, or a corporate trust officer shall have received written notice thereof at its Office from the City, the Authority or the Owners of at least 25% in aggregate principal amount of the Outstanding Bonds. Except as otherwise expressly provided herein, the Trustee shall not be bound to ascertain or inquire as to the performance or observance by the Authority or the City of any of the terms, conditions, covenants or agreements herein, under the Leases or the Bonds or of any of the documents executed in connection with the Bonds, or as to the existence of a default or an Event of Default or an event which would, with the giving of notice, the passage of time, or both, constitute an Event of Default. The Trustee is not responsible for the validity, effectiveness or priority of any collateral given to or held by it. Without limiting the generality of the foregoing, the Trustee shall not be required to ascertain or inquire as to the performance or observance by the City or the Authority of the terms, conditions, covenants or agreements set forth in the Leases, other than the covenants of the City to make Lease Payments to the Trustee when due and to file with the Trustee when due, such reports and certifications as the City is required to file with the Trustee hereunder.

(f) No provision of this Indenture requires the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(g) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or through agents, receivers or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent, receiver or attorney appointed with due care by it hereunder.

(h) The Trustee has no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of the Bond Owners under this Indenture, unless such Owners have offered to the Trustee security or indemnity satisfactory to it against the costs, expenses and liabilities (including but not limited to fees and expenses of its attorneys), including, without limitations, any liability arising under federal, state or local environmental laws which might be incurred by it in compliance with such request or direction. No permissive power, right or remedy conferred upon the Trustee hereunder shall be construed to impose a duty to exercise such power, right or remedy.

(i) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee is subject to the provisions of Section 8.02(a), this Section 8.04 and Section 8.05, and shall be applicable to the assignment of any rights under the Leases to the Trustee under the Assignment Agreement.

(j) The Trustee is not accountable to anyone for the subsequent use or application of any moneys (including the proceeds of the Bonds) which are released or withdrawn in accordance with the provisions hereof.

(k) The Trustee makes no representation or warranty, expressed or implied as to the title, value, design, compliance with specifications or legal requirements, quality, durability, operation, condition, merchantability or fitness for any particular purpose for the
use contemplated by the Authority or the City of the Leased Property. In no event shall the Trustee be liable for incidental, indirect, special or consequential damages in connection with or arising from the Leases or this Indenture for the existence, furnishing or use of the Leased Property.

(i) The Trustee has no responsibility with respect to any information, statement, or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds.

(m) The Trustee is authorized and directed to execute the Assignment Agreement in its capacity as Trustee hereunder.

(n) The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Indenture and delivered using Electronic Means ("Electronic Means" shall mean the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Trustee, or another method or system specified by the Trustee as available for use in connection with its services hereunder); provided, however, that the Authority and/or City shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such Instructions ("Authorized Officers") and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Authority and/or the City whenever a person is to be added or deleted from the listing. If the Authority and/or City elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee’s reasonable understanding of such Instructions shall be deemed controlling. The Authority and City understand and agree that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purported to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Authority and City shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and that the Authority, City and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Authority and/or City. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee’s reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Authority and City agree: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Authority and City; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

(o) In acting or omitting to act pursuant to the Assignment Agreement, the Leases or the Site Leases, the Trustee shall be entitled to all of the rights, immunities and indemnities accorded to it under this Indenture, including, but not limited to, this Article
VIII. Notwithstanding the effective date of this Indenture or anything to the contrary in this Indenture, the Trustee shall have no liability or responsibility for any act or event relating to this Indenture which occurs prior to the date the Trustee formally executes this Indenture and commences acting as Trustee hereunder.

(p) The Trustee shall not be liable to the parties hereto or deemed in breach or default hereunder if and to the extent its performance hereunder is prevented by reason of force majeure. The term “force majeure” means an occurrence that is beyond the control of the Trustee and could not have been avoided by exercising due care. Force majeure shall include, but not be limited to, acts of God, terrorism, war, riots, strikes, fire, floods, earthquakes, epidemics or other similar occurrences.

SECTION 8.05. Right to Rely on Documents. The Trustee shall be protected and shall incur no liability in acting or refraining from acting in reliance upon any notice, resolution, request, consent, order, certificate, report, opinion, bonds or other paper or document believed by them to be genuine and to have been signed or presented by the proper party or parties. The Trustee is under no duty to make any investigation or inquiry as to any statements contained or matter referred to in any paper or document but may accept and conclusively rely upon the same as conclusive evidence of the truth and accuracy of any such statement or matter and shall be fully protected in relying thereon. The Trustee may consult with counsel, who may be counsel of or to the Authority, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

The Trustee may treat the Owners of the Bonds appearing in the Registration Books as the absolute owners of the Bonds for all purposes and the Trustee shall not be affected by any notice to the contrary.

Whenever in the administration of the trusts imposed upon it by this Indenture the Trustee deems it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Written Certificate, Written Request or Written Requisition of the Authority or the City, and such Written Certificate, Written Request or Written Requisition shall be full warrant to the Trustee for any action taken or suffered under the provisions of this Indenture in reliance upon such Written Certificate, Written Request or Written Requisition, and the Trustee shall be fully protected in relying thereon, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may deem reasonable.

SECTION 8.06. Preservation and Inspection of Documents. All documents received by the Trustee under the provisions of this Indenture shall be retained in its respective possession and in accordance with its retention policy then in effect and shall, upon reasonable notice to Trustee, be subject to the inspection of the Authority, the City and any Bond Owner, and their agents and representatives duly authorized in writing, during business hours and under reasonable conditions as agreed to by the Trustee.

SECTION 8.07. Compensation and Indemnification. The Authority shall pay to the Trustee from time to time, on demand, the compensation for all services rendered under this Indenture and also all reasonable expenses, advances (including any interest on
advances), charges, legal (including outside counsel and the allocated costs of internal attorneys) and consulting fees and other disbursements, incurred in and about the performance of its powers and duties under this Indenture.

The Authority shall indemnify the Trustee, its officers, directors, employees and agents against any cost, loss, liability, suit, claim, damages, judgment or expense whatsoever (including but not limited to fees and expenses of its attorneys) incurred without negligence or willful misconduct on its part, arising out of or in connection with the acceptance or administration of this trust and this Indenture, the Assignment Agreement, the Site Leases and the Leases, including costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers hereunder or under the Assignment Agreement or the Leases. As security for the performance of the obligations of the Authority under this Section 8.07 and the obligation of the Authority to make Additional Rental Payments to the Trustee, the Trustee shall have a lien prior to the lien of the Bonds upon all property and funds held or collected by the Trustee as such. The rights of the Trustee and the obligations of the Authority under this Section 8.07 shall survive the resignation or removal of the Trustee or the discharge of the Bonds and this Indenture and the Leases. When the Trustee incurs expenses or renders services after the occurrence of an Event of Default, such expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

ARTICLE IX

MODIFICATION OR AMENDMENT HEREOF

SECTION 9.01. Amendments Permitted.

(a) Amendments With Bond Owner Consent. This Indenture and the rights and obligations of the Authority and of the Owners of the Bonds and of the Trustee may be modified or amended from time to time and at any time by Supplemental Indenture, which the Authority and the Trustee may enter into when the written consents of the Owners of a majority in aggregate principal amount of all Bonds then Outstanding are filed with the Trustee. No such modification or amendment may (i) extend the fixed maturity of any Bonds, or reduce the amount of principal thereof or extend the time of payment, or change the method of computing the rate of interest thereon, or extend the time of payment of interest thereon, without the consent of the Owner of each Bond so affected, or (ii) reduce the aforesaid percentage of Bonds the consent of the Owners of which is required to effect any such modification or amendment, or permit the creation of any lien on the Revenues and other assets pledged under this Indenture except as permitted herein, or deprive the Owners of the Bonds of the lien created by this Indenture except as permitted herein, or deprive the Owners of the Bonds of the lien created by this Indenture on such Revenues and other assets (except as expressly provided in this Indenture), without the consent of the Owners of all of the Bonds then Outstanding. It is not necessary for the consent of the Bond Owners to approve the particular form of any Supplemental Indenture, but it is sufficient if such consent approves the substance thereof.
(b) **Amendments Without Owner Consent.** This Indenture and the rights and obligations of the Authority, of the Trustee and the Owners of the Bonds may also be modified or amended from time to time and at any time by a Supplemental Indenture, which the Authority and the Trustee may enter into without the consent of any Bond Owners, if the Trustee has been furnished an opinion of counsel that the provisions of such Supplemental Indenture shall not materially adversely affect the interests of the Owners of the Bonds, including, without limitation, for any one or more of the following purposes:

(i) to add to the covenants and agreements of the Authority in this Indenture contained, other covenants and agreements thereafter to be observed, to pledge or assign additional security for the Bonds (or any portion thereof), or to surrender any right or power herein reserved to or conferred upon the Authority;

(ii) to cure any ambiguity, inconsistency or omission, or to cure or correct any defective provision, contained in this Indenture, or in regard to matters or questions arising under this Indenture, as the Authority deems necessary or desirable, provided that such modification or amendment does not materially adversely affect the interests of the Bond Owners, in the opinion of Bond Counsel filed with the Trustee;

(iii) to modify, amend or supplement this Indenture in such manner as to permit the qualification hereof under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect, and to add such other terms, conditions and provisions as may be permitted by said act or similar federal statute;

(iv) to modify, amend or supplement this Indenture in such manner as to assure that the interest on the Bonds remains excluded from gross income under the Tax Code; or

(v) to facilitate the issuance of additional obligations of the City under a Lease Agreement as provided in Section 7.5(b)(5) thereof.

(c) **Limitation.** The Trustee is not obligated to enter into any Supplemental Indenture authorized by subsections (a) or (b) of this Section 9.01 which materially adversely affects the Trustee’s own rights, duties or immunities under this Indenture or otherwise.

(d) **Bond Counsel Opinion Requirement.** Prior to the Trustee entering into any Supplemental Indenture hereunder, the Authority shall deliver to the Trustee an opinion of Bond Counsel stating, in substance, that such Supplemental Indenture has been adopted in compliance with the requirements of this Indenture and that the adoption of such Supplemental Indenture will not, in and of itself, adversely affect the exclusion from gross income for purposes of federal income taxes of interest on the Bonds.

(e) **Notice of Amendments.** The Authority shall deliver or cause to be delivered a draft of any Supplemental Indenture to each rating agency which then maintains a rating on the Bonds, at least 10 days prior to the effective date of such Supplemental Indenture under this Section 9.01.
SECTION 9.02. **Effect of Supplemental Indenture.** Upon the execution of any Supplemental Indenture under this Article IX, this Indenture shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the Authority, the Trustee and all Owners of Bonds Outstanding shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any such Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

SECTION 9.03. **Endorsement of Bonds; Preparation of New Bonds.** Bonds delivered after the execution of any Supplemental Indenture under this Article may, and if the Authority so determines shall, bear a notation by endorsement or otherwise in form approved by the Authority as to any modification or amendment provided for in such Supplemental Indenture, and, in that case, upon demand on the Owner of any Bonds Outstanding at the time of such execution and presentation of his Bonds for the purpose at the Office of the Trustee or at such additional offices as the Trustee may select and designate for that purpose, a suitable notation shall be made on such Bonds. If the Supplemental Indenture shall so provide, new Bonds so modified as to conform, in the opinion of the Authority, to any modification or amendment contained in such Supplemental Indenture, shall be prepared and executed by the Authority and authenticated by the Trustee, and upon demand on the Owners of any Bonds then Outstanding shall be exchanged at the Office of the Trustee, without cost to any Bond Owner, for Bonds then Outstanding, upon surrender for cancellation of such Bonds, in equal aggregate principal amount of the same maturity.

SECTION 9.04. **Amendment of Particular Bonds.** The provisions of this Article IX do not prevent any Bond Owner from accepting any amendment as to the particular Bonds held by such Owner.

**ARTICLE X**

**DEFEASANCE**

SECTION 10.01. **Discharge of Indenture.** Any or all of the Outstanding Bonds may be paid by the Authority in any of the following ways, provided that the Authority also pays or causes to be paid any other sums payable hereunder by the Authority:

(a) by paying or causing to be paid the principal of and interest and premium (if any) on such Bonds, as and when the same become due and payable;

(b) by depositing with the Trustee, in trust, at or before maturity, money or securities in the necessary amount (as provided in Section 10.03) to pay or redeem such Bonds; or

(c) by delivering all of such Bonds to the Trustee for cancellation.
If the Authority also pays or causes to be paid all other sums payable hereunder by the Authority, then and in that case, at the election of the Authority (evidenced by a Written Certificate of the Authority, filed with the Trustee, signifying the intention of the Authority to discharge all such indebtedness and this Indenture), and notwithstanding that any of such Bonds shall not have been surrendered for payment, this Indenture and the pledge of Revenues and other assets made under this Indenture with respect to such Bonds and all covenants, agreements and other obligations of the Authority under this Indenture with respect to such Bonds shall cease, terminate, become void and be completely discharged and satisfied, subject to Section 10.02, and except for Section 8.07 hereof, which shall survive. In such event, upon the Written Request of the Authority, the Trustee shall execute and deliver to the Authority all such instruments as may be necessary or desirable to evidence such discharge and satisfaction, and the Trustee shall pay over, transfer, assign or deliver to the City all moneys or securities or other property held by it under this Indenture which are not required for the payment or redemption of any of such Bonds not theretofore surrendered for such payment or redemption. The Trustee is entitled to conclusively rely on any such Written Certificate or Written Request and, in each case, is fully protected in relying thereon.

SECTION 10.02. Discharge of Liability on Bonds. Upon the deposit with the Trustee, in trust, at or before maturity, of money or securities in the necessary amount (as provided in Section 10.03) to pay or redeem any Outstanding Bonds (whether upon or prior to the maturity or the redemption date of such Bonds), provided that, if such Bonds are to be redeemed prior to maturity, notice of such redemption shall have been given as provided in Article IV or provision satisfactory to the Trustee shall have been made for the giving of such notice, then all liability of the Authority in respect of such Bonds shall cease, terminate and be completely discharged, and the Owners thereof shall thereafter be entitled only to payment out of such money or securities deposited with the Trustee as aforesaid for their payment, subject, however, to the provisions of Section 10.04.

The Authority may at any time surrender to the Trustee, for cancellation by the Trustee, any Bonds previously issued and delivered, which the Authority may have acquired in any manner whatsoever, and such Bonds, upon such surrender and cancellation, shall be deemed to be paid and retired.

SECTION 10.03. Deposit of Money or Securities with Trustee. Whenever in this Indenture it is provided or permitted that there be deposited with or held in trust by the Trustee money or securities in the necessary amount to pay or redeem any Bonds, the money or securities so to be deposited or held may include money or securities held by the Trustee in the funds and accounts established under this Indenture and shall be:

(a) lawful money of the United States of America in an amount equal to the principal amount of such Bonds and all unpaid interest thereon to maturity, except that, in the case of Bonds which are to be redeemed prior to maturity and in respect of which notice of such redemption shall have been given as provided in Article IV or provision satisfactory to the Trustee shall have been made for the giving of such notice, the amount to be deposited or held shall be the principal amount of such Bonds, premium, if any, and all unpaid interest thereon to the redemption date; or
(b) non-callable Federal Securities, the principal of and interest on which when due will, in the written opinion of an Independent Accountant filed with the City, the Authority and the Trustee, provide money sufficient to pay the principal of and interest and premium (if any) on the Bonds to be paid or redeemed, as such principal, interest and premium become due, provided that in the case of Bonds which are to be redeemed prior to the maturity thereof, notice of such redemption shall have been given as provided in Article IV or provision satisfactory to the Trustee has been made for the giving of such notice;

provided, in each case, that (i) the Trustee shall have been irrevocably instructed (by the terms of this Indenture or by Written Request of the Authority) to apply such money to the payment of such principal, interest and premium (if any) with respect to such Bonds, and (ii) the Authority shall have delivered to the Trustee an opinion of Bond Counsel to the effect that such Bonds have been discharged in accordance with this Indenture (which opinion may rely upon and assume the accuracy of the Independent Accountant’s opinion referred to above). The Trustee shall be entitled to conclusively rely on such Written Request or opinion and shall be fully protected, in each case, in relying thereon.

SECTION 10.04. Unclaimed Funds. Notwithstanding any provisions of this Indenture, any moneys held by the Trustee in trust for the payment of the principal of, or interest on, any Bonds and remaining unclaimed for 2 years after the principal of all of the Bonds has become due and payable (whether at maturity or upon call for redemption or by acceleration as provided in this Indenture), if such moneys were so held at such date, or 2 years after the date of deposit of such moneys if deposited after said date when all of the Bonds became due and payable, shall be repaid (without liability for interest) to the Authority free from the trusts created by this Indenture, and all liability of the Trustee with respect to such moneys shall thereupon cease; provided, however, that before the repayment of such moneys to the Authority as aforesaid, the Trustee shall (at the cost of the Authority) first mail to the Owners of Bonds which have not yet been paid, at the addresses shown on the Registration Books, a notice, in such form as may be deemed appropriate by the Trustee with respect to the Bonds so payable and not presented and with respect to the provisions relating to the repayment to the Authority of the moneys held for the payment thereof.

ARTICLE XI

MISCELLANEOUS

SECTION 11.01. Liability of Authority Limited to Revenues. Notwithstanding anything in this Indenture or in the Bonds contained, the Authority is not required to advance any moneys derived from any source other than the Revenues, the Additional Rental Payments and other assets pledged under this Indenture for any of the purposes in this Indenture mentioned, whether for the payment of the principal of or interest on the Bonds or for any other purpose of this Indenture. Nevertheless, the Authority may, but is not required to, advance for any of the purposes hereof any funds of the Authority which may be made available to it for such purposes.
SECTION 11.02. Limitation of Rights to Parties and Bond Owners. Nothing in this Indenture or in the Bonds expressed or implied is intended or shall be construed to give to any person other than the Authority, the Trustee, the City and the Owners of the Bonds, any legal or equitable right, remedy or claim under or in respect of this Indenture or any covenant, condition or provision therein or herein contained; and all such covenants, conditions and provisions are and shall be held to be for the sole and exclusive benefit of the Authority, the Trustee, the City and the Owners of the Bonds.

SECTION 11.03. Funds and Accounts. Any fund or account required by this Indenture to be established and maintained by the Trustee may be established and maintained in the accounting records of the Trustee, either as a fund or an account, and may, for the purposes of such records, any audits thereof and any reports or statements with respect thereto, be treated either as a fund or as an account; but all such records with respect to all such funds and accounts shall at all times be maintained in accordance with corporate industry standards to the extent practicable, and with due regard for the requirements of Section 6.05 and for the protection of the security of the Bonds and the rights of every Owner thereof. The Trustee may establish such funds and accounts as it deems necessary or appropriate to perform its obligations under this Indenture.

SECTION 11.04. Waiver of Notice; Requirement of Mailed Notice. Whenever in this Indenture the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the person entitled to receive such notice and in any such case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver. Whenever in this Indenture any notice is required to be given by mail, such requirement may be satisfied by the deposit of such notice in the United States mail, postage prepaid, by first class mail.

SECTION 11.05. Destruction of Bonds. Whenever in this Indenture provision is made for the cancellation by the Trustee, and the delivery to the Authority, of any Bonds, the Trustee shall destroy such Bonds as may be allowed by law and, upon the Authority’s request, deliver a certificate of such destruction to the Authority.

SECTION 11.06. Severability of Invalid Provisions. If any one or more of the provisions contained in this Indenture or in the Bonds shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions contained in this Indenture and such invalidity, illegality or unenforceability shall not affect any other provision of this Indenture, and this Indenture shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein. The Authority hereby declares that it would have entered into this Indenture and each and every other Section, paragraph, sentence, clause or phrase hereof and authorized the issuance of the Bonds pursuant thereto irrespective of the fact that any one or more Sections, paragraphs, sentences, clauses or phrases of this Indenture may be held illegal, invalid or unenforceable.

SECTION 11.07. Notices. All notices or communications to be given under this Indenture shall be given by first class mail or personal delivery to the party entitled thereto at its address set forth below, or at such address as the party may provide to the other party in writing from time to time. Notice shall be effective either (a) upon transmission by facsimile transmission or other form of telecommunication, confirmed by telephone, (b) 48 hours after deposit in the United States mail, postage prepaid, or (c) in the case of personal delivery to any person, upon actual receipt. The Authority, the City or the Trustee may,
by written notice to the other parties, from time to time modify the address or number to which communications are to be given hereunder.

**SECTION 11.08. Evidence of Rights of Bond Owners.** Any request, consent or other instrument required or permitted by this Indenture to be signed and executed by Bond Owners may be in any number of concurrent instruments of substantially similar tenor and shall be signed or executed by such Bond Owners in person or by an agent or agents duly appointed in writing. Proof of the execution of any such request, consent or other instrument or of a writing appointing any such agent, or of the holding by any person of Bonds transferable by delivery, shall be sufficient for any purpose of this Indenture and shall be conclusive in favor of the Trustee and the Authority if made in the manner provided in this Section 11.08.

The fact and date of the execution by any person of any such request, consent or other instrument or writing may be proved by the certificate of any notary public or other officer of any jurisdiction, authorized by the laws thereof to take acknowledgments of deeds, certifying that the person signing such request, consent or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution duly sworn to before such notary public or other officer.

The ownership of Bonds shall be proved by the Registration Books.

Any request, consent, or other instrument or writing of the Owner of any Bond shall bind every future Owner of the same Bond and the Owner of every Bond issued in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Trustee or the Authority in accordance therewith or reliance thereon.

**SECTION 11.09. Disqualified Bonds.** In determining whether the Owners of the requisite aggregate principal amount of Bonds have concurred in any demand, request, direction, consent or waiver under this Indenture, Bonds which are actually known by the Trustee to be owned or held by or for the account of the Authority or the City, or by any other obligor on the Bonds, or by any person directly or indirectly controlling or controlled by, or under direct or indirect common control with, the Authority or the City or any other obligor on the Bonds, shall be disregarded and deemed not to be Outstanding for the purpose of any such determination unless all Bonds are so owned or held, in which case such Bonds shall be considered Outstanding for the purpose of such determination. Bonds so owned which have been pledged in good faith may be regarded as Outstanding for the purposes of this Section if the pledgee shall establish to the satisfaction of the Trustee the pledgee’s right to vote such Bonds and that the pledgee is not a person directly
or indirectly controlling or controlled by, or under direct or indirect common control with, the Authority or the City or any other obligor on the Bonds. In case of a dispute as to such right, the Trustee shall be entitled to rely upon the advice of counsel in any decision by Trustee and shall be fully protected in relying thereon.

Upon request, the Authority shall certify to the Trustee those Bonds disqualified under this Section 11.09, and the Trustee may conclusively rely on such certifications.

SECTION 11.10. Money Held for Particular Bonds. The money held by the Trustee for the payment of the interest, premium, if any, or principal due on any date with respect to particular Bonds (or portions of Bonds in the case of Bonds redeemed in part only) shall, on and after such date and pending such payment, be set aside on its books and held in trust by it for the Owners of the Bonds entitled thereto, subject, however, to the provisions of Section 10.04 but without any liability for interest thereon.

SECTION 11.11. Waiver of Personal Liability. No member, officer, agent or employee of the Authority shall be individually or personally liable for the payment of the principal of or interest or premium (if any) on the Bonds or be subject to any personal liability or accountability by reason of the issuance thereof; but nothing herein contained shall relieve any such member, officer, agent or employee from the performance of any official duty provided by law or by this Indenture.

SECTION 11.12. Successor Is Deemed Included in All References to Predecessor. Whenever in this Indenture either the Authority, the City or the Trustee is named or referred to, such reference shall be deemed to include the successors or assigns thereof, and all the covenants and agreements in this Indenture contained by or on behalf of the Authority, the City or the Trustee shall bind and inure to the benefit of the respective successors and assigns thereof whether so expressed or not.

SECTION 11.13. Execution in Several Counterparts. This Indenture may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original; and all such counterparts, or as many of them as the Authority and the Trustee shall preserve undestroyed, shall together constitute but one and the same instrument.

SECTION 11.14. Payment on Non-Business Day. In the event any payment is required to be made hereunder on a day which is not a Business Day, such payment shall be made on the next succeeding Business Day and with the same effect as if made on such preceding non-Business Day.

SECTION 11.15. Governing Law. This Indenture shall be governed by and construed in accordance with the laws of the State of California.

The TRACY OPERATING PARTNERSHIP JOINT POWERS AUTHORITY, a public body corporate and politic duly organized and existing under the laws of the State of California (the "Authority"), for value received, hereby promises to pay to the Registered Owner specified above or registered assigns (the "Registered Owner"), on the Maturity Date specified above (subject to any right of prior redemption hereinafter provided for), the Principal Amount specified above, in lawful money of the United States of America, and to pay interest thereon in like lawful money from the Interest Payment Date (as hereinafter defined) next preceding the date of authentication of this Bond unless (i) this Bond is authenticated on or before an Interest Payment Date and after the close of business on the 15th day of the month preceding such interest payment date, in which event it shall bear interest from such Interest Payment Date, or (ii) this Bond is authenticated on or before September 15, 2020, in which event it shall bear interest from the Original Issue Date specified above; provided, however, that if at the time of authentication of this Bond, interest is in default on this Bond, this Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment on this Bond, at the Interest Rate per annum specified above, payable semiannually on May 1 and November 1 in each year, commencing November 1, 2020 (the "Interest Payment Dates"), calculated on the basis of a 360-day year composed of twelve 30-day months.

Principal hereof and premium, if any, upon early redemption hereof are payable upon presentation and surrender hereof at the designated corporate trust office of U.S.

Interest hereon is payable by check of the Trustee mailed to the Registered Owner hereof at the Registered Owner’s address as it appears on the registration books of the Trustee as of the close of business on the fifteenth day of the month preceding each Interest Payment Date (a “Record Date”), or, upon written request filed with the Trustee as of such Record Date by a registered owner of at least $1,000,000 in aggregate principal amount of Bonds, by wire transfer in immediately available funds to an account in the United States designated by such registered owner in such written request.

This Bond is not a debt of the City of Tracy (the “City”), the County of San Joaquin, the State of California, or any of its political subdivisions, and neither the City, said County, said State, nor any of its political subdivisions, is liable hereon nor in any event shall this Bond be payable out of any funds or properties of the Authority other than the Revenues.

This Bond is one of a duly authorized issue of bonds of the Authority designated as the “Tracy Operating Partnership Joint Powers Authority 2020 Lease Revenue Refunding Bonds (2007 and 2008 Refinancing)” (the “Bonds”), in an aggregate principal amount of $_______, all of like tenor and date (except for such variation, if any, as may be required to designate varying numbers, maturities, interest rates or redemption provisions) and all issued under the provisions of Article 4 of Chapter 5, Division 7, Title 1 of the Government Code of the State of California, commencing with Section 6584 of said Code, and under an Indenture of Trust dated as of ________1, 2020, between the Authority and the Trustee (the “Indenture”) and a resolution of the Authority adopted on ________1, 2020, authorizing the issuance of the Bonds. Reference is hereby made to the Indenture (copies of which are on file at the office of the Authority) and all supplements thereto for a description of the terms on which the Bonds are issued, the provisions with regard to the nature and extent of the Revenues, and the rights thereunder of the owners of the Bonds and the rights, duties and immunities of the Trustee and the rights and obligations of the Authority thereunder, to all of the provisions of which the Registered Owner of this Bond, by acceptance hereof, assents and agrees.

The Bonds have been issued by the Authority to refinance certain outstanding lease payment obligations of the City and related bonds issued by the Authority. This Bond and the interest and premium, if any, hereon are special obligations of the Authority, payable from the Revenues, and secured by a charge and lien on the Revenues as defined in the Indenture, consisting principally of lease payments made by the City under (1) a Lease Agreement dated as of ________1, 2020, between the Authority as lessor and the City as lessee and (2) an Amended and Restated Property Lease dated as of ________1, 2020, between the Authority as lessor and the City as lessee (collectively, the “Leases”). As and to the extent set forth in the Indenture, all of the Revenues are exclusively and irrevocably pledged in accordance with the terms hereof and the provisions of the Indenture, to the payment of the principal of and interest and premium (if any) on the Bonds.

The rights and obligations of the Authority and the owners of the Bonds may be modified or amended at any time in the manner, to the extent and upon the terms provided in the Indenture, but no such modification or amendment shall extend the fixed maturity of any Bonds, or reduce the amount of principal thereof or premium (if any) thereon, or extend the time of payment, or change the method of computing the rate of interest thereon, or extend the time of payment of interest thereon, without the consent of the owner of each Bond so affected.
The Bonds maturing on or before November 1, 20__, are not subject to optional redemption prior to their stated maturity. The Bonds maturing on or after November 1, 20__, are subject to redemption, as a whole or in part at the election of the Authority among maturities on such basis as designated by the Authority and by lot within a maturity, at the option of the Authority, on November 1, 20__, and on any date thereafter, at a redemption price equal to 100% of the principal amount of Bonds to be redeemed, together with accrued interest thereon to the date fixed for redemption, without premium.

The Bonds are subject to redemption as a whole, or in part by lot, on any date, to the extent of any net proceeds of hazard or title insurance with respect to the property which has been leased under the Lease (the “Leased Property”) or any portion thereof which are not used to repair or replace the Leased Property pursuant to the Lease, or to the extent of any net proceeds arising from the disposition of the Leased Property or any portion thereof in eminent domain proceedings which the City elects to be used for such purpose pursuant to the Lease, at a redemption price equal to the principal amount thereof plus interest accrued thereon to the date fixed for redemption, without premium.

As provided in the Indenture, notice of redemption will be mailed by the Trustee by first class mail not less than 20 nor more than 60 days prior to the redemption date to the respective owners of any Bonds designated for redemption at their addresses appearing on the registration books of the Trustee, but neither failure to receive such notice nor any defect in the notice so mailed shall affect the sufficiency of the proceedings for redemption or the cessation of accrual of interest thereon from and after the date fixed for redemption. Notice of any optional redemption of the Bonds may be rescinded under the circumstances set forth in the Indenture, upon notice to the owners of such Bonds.

If this Bond is called for redemption and payment is duly provided therefor as specified in the Indenture, interest shall cease to accrue hereon from and after the date fixed for redemption.

This Bond is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at the Trust Office, but only in the manner, subject to the limitations and upon payment of the charges provided in the Indenture, and upon surrender and cancellation of this Bond. Upon registration of such transfer, a new Bond or Bonds, of authorized denomination or denominations, for the same aggregate principal amount and of the same maturity will be issued to the transferee in exchange herefor. This Bond may be exchanged at the Trust Office for Bonds of the same tenor, aggregate principal amount, interest rate and maturity, of other authorized denominations.

The Authority and the Trustee may treat the Registered Owner hereof as the absolute owner hereof for all purposes, and the Authority and the Trustee shall not be affected by any notice to the contrary.

Unless this Bond is presented by an authorized representative of The Depository Trust Company to the Authority or the Trustee for registration of transfer, exchange or payment, and any Bond issued is registered in the name of Cede & Co. or such other name as requested by an authorized representative of The Depository Trust Company and any payment is made to Cede & Co., ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL since the registered owner hereof, Cede & Co., has an interest herein.
It is hereby certified by the Authority that all of the things, conditions and acts required to exist, to have happened or to have been performed precedent to and in the issuance of this Bond do exist, have happened or have been performed in due and regular time, form and manner as required by the Ordinance and the laws of the State of California and that the amount of this Bond, together with all other indebtedness of the Authority, does not exceed any limit prescribed by the Ordinance or any laws of the State of California, and is not in excess of the amount of Bonds permitted to be issued under the Indenture.

This Bond shall not be entitled to any benefit under the Indenture or become valid or obligatory for any purpose until the certificate of authentication hereon endorsed shall have been manually signed by the Trustee.
IN WITNESS WHEREOF, the Tracy Operating Partnership Joint Powers Authority has caused this Bond to be executed in its name and on its behalf with the facsimile signature of its Chair and attested to by the facsimile signature of its Secretary, all as of the Original Issue Date specified above.

BACKGROUND:

1. The Authority previously entered into an Indenture dated as of October 1, 2007 (the “2007 Indenture”), with The Bank of New York Mellon Trust Company, N.A., as successor trustee (the “2007 Trustee”), under which the Authority issued the $2,690,000 aggregate principal amount of 2007 Lease Revenue Bonds, Series A (Fire Station Project) (the “2007A Bonds”) and the $1,980,000 aggregate principal amount of 2007 Lease Revenue Bonds, Series B (1995 COPs Refunding) (the “2007B Bonds,” together with the 2007A Bonds, the “2007 Bonds”).

2. The 2007 Bonds are payable from lease payments (the “2007 Lease Payments”) payable by the City to the Authority pursuant to a Property Lease, dated as of October 1, 2007 (the “2007 Lease”), by and between the City and the Authority.

3. The Authority assigned its right to receive the 2007 Lease Payments to the 2007 Trustee under the 2007 Indenture.

4. The Authority wishes to prepay the 2007 Lease Payments and redeem the 2007 Bonds.

5. To that end, the City has leased to the Authority certain real property and improvements, as more particularly described in Appendix A attached hereto and by this reference incorporated herein (the “Leased Property”), under a Site Lease, dated as of ________, 2020 (the “Site Lease”), in consideration of the payment by the Authority of an upfront rental payment (the “Site Lease Payment”) which is sufficient to provide funds for the redemption of the 2007 Bonds.

6. The Authority has authorized the issuance of its Tracy Operating Partnership Joint Powers Authority 2020 Lease Revenue Refunding Bonds (2007 and 2008 Refinancing) in the aggregate principal amount of $_________ (the “Bonds”) under an Indenture of Trust dated as of ________ 1, 2020 (the “Indenture”), between the Authority and U.S. Bank, National Association., as trustee (the “Trustee”), for the purpose, among other things, of providing the funds to enable the Authority to pay the Site Lease Payment to the City in accordance with the Site Lease.

7. In order to provide revenues which are sufficient to enable the Authority to pay debt service on the Bonds, the Authority has agreed to lease the Leased Property back to the City under this Lease, and the City has agreed to pay semiannual Lease Payments as the rental for the Leased Property.
8. The lease payments made by the City under this Lease have been assigned by the Authority to the Trustee for the security of the Bonds under an Assignment Agreement dated as of __________ 1, 2020, between the Authority as assignor and the Trustee as assignee.

9. The City and the Authority have found and determined that all acts and proceedings required by law necessary to make this Lease, when executed by the City and the Authority, the valid, binding and legal obligations of the City and the Authority, and to constitute this Lease a valid and binding agreement for the uses and purposes herein set forth in accordance with its terms, have been done and taken, and the execution and delivery of this Lease have been in all respects duly authorized.

**AGREEMENT:**

ARTICLE III

DEPOSIT AND APPLICATION OF FUNDS; SUBSTITUTION AND RELEASE OF PROPERTY

SECTION 3.1. Deposit of Moneys. On the Closing Date, the Authority will cause the proceeds of sale of the Bonds to be deposited with the Trustee. The Trustee shall deposit such proceeds in accordance with Section 3.02 of the Indenture.

SECTION 3.2. Substitution of Property. The City has the option at any time and from time to time, to substitute other real property (the “Substitute Property”) for the Leased Property or any portion thereof (the “Former Property”), upon satisfaction of all of the following requirements which are hereby declared to be conditions precedent to such substitution:

(a) No Event of Default has occurred and is continuing, as certified in writing by the City.

(b) The City has filed with the Authority and the Trustee, and caused to be recorded in the office of the San Joaquin County Recorder sufficient memorialization of an amendment hereof that adds the legal description of the Substitute Property to Appendix A and deletes therefrom the legal description of the Former Property, and has filed and caused to be recorded corresponding amendments to the Site Lease and Assignment Agreement.

(c) The City has obtained a CLTA policy of title insurance insuring the City’s leasehold estate hereunder in the Substitute Property, subject only to Permitted Encumbrances, in an amount at least equal to the estimated value thereof.

(d) The City has certified in writing to the Authority and the Trustee that the Substitute Property serves the municipal purposes of the City and constitutes property which the City is permitted to lease under the laws of the State of California, and has been determined to be essential to the proper, efficient and economic operation of the City and to serve an essential governmental function of the City.

(e) The Substitute Property does not cause the City to violate any of its covenants, representations and warranties made herein, as certified in writing by the City.

(g) The City has filed with the Authority and the Trustee a written certificate of the City or other written evidence stating that the useful life of the Substitute Property at least extends to November 1, ________, that the estimated value of the Leased Property, after substitution of the Substitute Property and release of the Former Property, is at least equal to the principal component of the Lease Payments remaining unpaid at the time of the substitution, and the fair rental value of the Leased Property, after substitution of the
Substitute Property and release of the Former Property, is at least equal to the Lease Payments thereafter coming due and payable hereunder.

(h) The City has mailed written notice of such substitution to each rating agency which then maintains a rating on the Bonds.

Upon the satisfaction of all such conditions precedent, the Term of this Lease will thereupon end as to the Former Property and commence as to the Substitute Property, and all references to the Former Property will apply with full force and effect to the Substitute Property. The City is not entitled to any reduction, diminution, extension or other modification of the Lease Payments whatsoever as a result of any substitution of property under this Section. The Authority and the City will execute, deliver and cause to be recorded all documents required to discharge the Site Lease, this Lease and the Assignment Agreement of record against the Former Property and to cause the Substitute Property to become subject to all of the terms and conditions of the Site Lease, this Lease and the Assignment Agreement.

SECTION 3.3. Release of Property. The City has the option at any time and from time to time to release any portion of the Leased Property from this Lease (the “Released Property”) provided that the City has satisfied all of the following requirements which are hereby declared to be conditions precedent to such release:

(a) No Event of Default has occurred and is continuing, as certified in writing by the City.

(b) The City has filed with the Authority and the Trustee, and caused to be recorded in the office of the San Joaquin County Recorder sufficient memorialization of an amendment hereof, the Site Lease and the Assignment Agreement which removes the Released Property from the Site Lease, the Assignment Agreement and this Lease.

(c) The City has certified in writing to the Authority and the Trustee that the value of the property which remains subject to this Lease following such release is at least equal to the principal component of the Lease Payments remaining unpaid at the time of the release, and the fair rental value of the property which remains subject to this Lease following such release is at least equal to the Lease Payments thereafter coming due and payable hereunder.

(d) The City has mailed written notice of such release to each rating agency which then maintains a rating on the Bonds.

Upon the satisfaction of all such conditions precedent, the Term of this Lease will thereupon end as to the Released Property. The City is not entitled to any reduction, diminution, extension or other modification of the Lease Payments whatsoever as a result of such release. The Authority and the City shall execute, deliver and cause to be recorded all documents required to discharge the Site Lease, this Lease and the Assignment Agreement of record against the Released Property.
ARTICLE IV

LEASE OF LEASED PROPERTY; TERM OF THIS LEASE; LEASE PAYMENTS

SECTION 4.1. Lease of Leased Property. The Authority hereby leases the Leased Property to the City and the City hereby leases the Leased Property from the Authority, upon the terms and conditions set forth in this Lease.

SECTION 4.2. Term. The Term of this Lease commences on the Closing Date and ends on the date on which the Indenture is discharged in accordance with Section 10.03 thereof, but under any circumstances not later than November 1, __________. The provisions of this Section are subject to the provisions of Sections 6.2 and 6.3 relating to the taking in eminent domain, damage and destruction of the Leased Property in whole or in part.

SECTION 4.3. Lease Payments.

(a) Obligation to Pay. Subject to the provisions of Sections 6.2 and 6.3 and the provisions of Article IX, the City agrees to pay to the Authority, its successors and assigns, the Lease Payments in the respective amounts specified in Appendix B attached to this Lease, to be due and payable in immediately available funds on the Interest Payment Dates immediately following each of the respective Lease Payment Dates specified in Appendix B, and to be deposited by the City with the Trustee on each of the Lease Payment Dates specified in Appendix B. Any amount held in the Bond Fund, the Interest Account and the Principal Account on any Lease Payment Date (other than amounts resulting from the prepayment of the Lease Payments in part but not in whole under Article IX, and amounts required for payment of past due principal or interest on any Bonds not presented for payment) will be credited towards the Lease Payment then required to be paid hereunder. The City is not required to deposit any Lease Payment with the Trustee on any Lease Payment Date if the amounts then held in the Bond Fund, the Interest Account and the Principal Account are at least equal to the Lease Payment then required to be deposited with the Trustee. The Lease Payments payable in any Rental Period are for the use of the Leased Property during that Rental Period.

(b) Effect of Prepayment. If the City prepays all Lease Payments in full under Sections 9.2 or 9.3, the City’s obligations under this Section will thereupon cease and terminate. If the City prepays the Lease Payments in part but not in whole under Sections 9.2 or 9.3, the principal components of the remaining Lease Payments will be reduced in integral multiples of $5,000 among Lease Payment Dates on a basis which corresponds to the principal maturities of the Bonds which are redeemed thereby; and the interest component of each remaining Lease Payment will be reduced by the aggregate corresponding amount of interest which would otherwise be payable with respect to the Bonds thereby redeemed under Section 4.01 of the Indenture.

(c) Rate on Overdue Payments. If the City fails to make any of the payments required in this Section, the payment in default will continue as an obligation of the City until the amount in default has been fully paid, and the City agrees to pay the same with interest thereon, from the date of default to the date of payment at the highest rate of interest on any Outstanding Bond.
(d) **Fair Rental Value.** The aggregate amount of the Lease Payments and Additional Rental Payments coming due and payable during each Rental Period constitute the total rental for the Leased Property for such Rental Period, and are payable by the City in each Rental Period for and in consideration of the right of the use and occupancy of, and the continued quiet use and enjoyment of the Leased Property during each Rental Period. The parties hereto have agreed and determined that the total Lease Payments represent the fair rental value of the Leased Property. In making that determination, consideration has been given to the estimated value of the Leased Property, other obligations of the City and the Authority under this Lease, the uses and purposes which may be served by the Leased Property and the benefits therefrom which will accrue to the City and the general public.

(e) **Assignment.** The City understands and agrees that all Lease Payments have been assigned by the Authority to the Trustee in trust, under the Assignment Agreement, for the benefit of the Owners of the Bonds, and the City hereby assents to such assignment. The Authority hereby directs the City, and the City hereby agrees to pay to the Trustee at its Office, all payments payable by the City under this Section and all amounts payable by the City under Article IX.

**SECTION 4.4. Source of Payments; Covenant to Budget and Appropriate.** The Lease Payments are payable from any source of available funds of the City, subject to the provisions of Section 6.3. The City covenants to take all actions required to include the Lease Payments in each of its budgets during the Term of this Lease and to make the necessary appropriations for all Lease Payments and Additional Rental Payments. The foregoing covenant of the City contained constitutes a duty imposed by law and each and every public official of the City is required to take all actions required by law in the performance of the official duty of such officials to enable the City to carry out and perform the covenants and agreements in this Lease agreed to be carried out and performed by the City.

**SECTION 4.5. Additional Rental Payments.** In addition to the Lease Payments, the City shall pay when due the following amounts of Additional Rental Payments in consideration of the lease of the Leased Property by the City from the Authority hereunder:

(a) all fees and expenses incurred by the Authority in connection with or by reason of its leasehold estate in the Leased Property, when due,

(b) all reasonable compensation to the Trustee for all services rendered under the Indenture and for all reasonable expenses, charges, costs, liabilities, legal fees and other disbursements incurred in and about the performance of its powers and duties under the Indenture,

(c) the reasonable fees and expenses of such accountants, consultants, attorneys and other experts as may be engaged by the Authority or the Trustee to prepare audits, financial statements, reports, opinions or provide such other services required under this Lease or the Indenture,

(d) amounts coming due and payable as Excess Investment Earnings in accordance with Section 7.6(e), and
(e) the reasonable out-of-pocket expenses of the Authority in connection with the execution and delivery of this Lease or the Indenture, or in connection with the issuance of the Bonds, including but not limited to any and all expenses incurred in connection with the authorization, sale and delivery of the Bonds, or incurred by the Authority in connection with any litigation which may at any time be instituted involving this Lease, the Bonds, the Indenture or any of the other documents contemplated hereby or thereby, or otherwise incurred in connection with the administration of this Lease.

SECTION 4.6. Quiet Enjoyment. Throughout the Term of this Lease, the Authority shall provide the City with quiet use and enjoyment of the Leased Property and the City will peaceably and quietly have and hold and enjoy the Leased Property, without suit, trouble or hindrance from the Authority, except as expressly set forth in this Lease. The Authority will, at the request of the City and at the City's cost, join in any legal action in which the City asserts its right to such possession and enjoyment to the extent the Authority may lawfully do so. Notwithstanding the foregoing, the Authority has the right to inspect the Leased Property as provided in Section 7.2.

SECTION 4.7. Title. Upon the termination of this Lease (other than under Section 8.2(b) hereof), all right, title and interest of the Authority in and to the Leased Property transfers to and vests in the City. The Authority shall take any and all steps and execute and record any and all documents reasonably required by the City to consummate any such transfer of title.

ARTICLE V

MAINTENANCE; TAXES; INSURANCE; AND OTHER MATTERS

SECTION 5.1. Maintenance, Utilities, Taxes and Assessments. Throughout the Term of this Lease, as part of the consideration for the rental of the Leased Property, all improvement, repair and maintenance of the Leased Property are the responsibility of the City, and the City will pay for or otherwise arrange for the payment of all utility services supplied to the Leased Property, which may include, without limitation, janitor service, security, power, gas, telephone, light, heating, water and all other utility services, and will pay for or otherwise arrange for the payment of the cost of the repair and replacement of the Leased Property resulting from ordinary wear and tear or want of care on the part of the City or any assignee or sublessee thereof. In exchange for the Lease Payments herein provided, the Authority agrees to provide only the Leased Property. The City waives the benefits of subsections 1 and 2 of Section 1932, Section 1933(4) and Sections 1941 and 1942 of the California Civil Code, but such waiver does not limit any of the rights of the City under the terms of this Lease.

The City shall also pay or cause to be paid all taxes and assessments of any type or nature, if any, charged to the Authority or the City affecting the Leased Property or the respective interests or estates therein; provided that with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of
years, the City shall pay only such installments as are required to be paid during the Term of this Lease as and when the same become due.

The City may, at its expense and in its name, in good faith contest any such taxes, assessments, utility and other charges and, in the event of any such contest, may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Authority notifies the City that, in its reasonable opinion, by nonpayment of any such items the interest of the Authority in the Leased Property will be materially endangered or the Leased Property or any part thereof will be subject to loss or forfeiture, in which event the City shall promptly pay such taxes, assessments or charges or provide the Authority with full security against any loss which may result from nonpayment, in form satisfactory to the Authority and the Trustee.

**SECTION 5.2. Modification of Leased Property.** The City has the right, at its own expense, to make additions, modifications and improvements to the Leased Property or any portion thereof. All additions, modifications and improvements to the Leased Property will thereafter comprise part of the Leased Property and become subject to the provisions of this Lease. Such additions, modifications and improvements may not in any way damage the Leased Property, or cause the Leased Property to be used for purposes other than those authorized under the provisions of state and federal law; and the Leased Property, upon completion of any additions, modifications and improvements made thereto under this Section, must be of a value which is not substantially less than the value thereof immediately prior to the making of such additions, modifications and improvements. The City will not permit any mechanic’s or other lien to be established or remain against the Leased Property for labor or materials furnished in connection with any remodeling, additions, modifications, improvements, repairs, renewals or replacements made by the City under this Section; except that if any such lien is established and the City first notifies or causes to be notified the Authority of the City’s intention to do so, the City may in good faith contest any lien filed or established against the Leased Property, and in such event may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom and shall provide the Authority with full security against any loss or forfeiture which might arise from the nonpayment of any such item, in form satisfactory to the Authority. The Authority will cooperate fully in any such contest, upon the request and at the expense of the City.

**SECTION 5.3. Liability and Property Damage Insurance.** The City shall maintain or cause to be maintained throughout the Term of this Lease, but only if and to the extent available from reputable insurers at reasonable cost in the reasonable opinion of the City, a standard commercial general liability insurance policy or policies in protection of the Authority, the City, and their respective members, officers, agents, employees and assigns. Said policy or policies shall provide for indemnification of said parties against direct or contingent loss or liability for damages for bodily and personal injury, death or property damage occasioned by reason of the operation of the Leased Property. Such policy or policies shall provide coverage in such liability limits and be subject to such deductibles as the City deems adequate and prudent. Such insurance may be maintained as part of or in conjunction with any other insurance coverage carried by the City, and may be maintained in whole or in part in the form of self-insurance by the City, subject to the provisions of Section 5.7, or in the form of the participation by the City in a joint powers agency or other program providing pooled insurance. The proceeds of such liability insurance must be applied toward extinguishment or satisfaction of the liability with respect to which paid.
SECTION 5.4. Casualty Insurance. The City shall procure and maintain, or cause to be procured and maintained, throughout the Term of this Lease, casualty insurance against loss or damage to all buildings situated on the Leased Property, in an amount at least equal to the lesser of (a) 100% of the replacement value of the insured buildings, or (b) 100% of the aggregate principal amount of the Outstanding Bonds. Such insurance must, as nearly as practicable, cover loss or damage by explosion, windstorm, riot, aircraft, vehicle damage, smoke and such other hazards as are normally covered by such insurance, and must include earthquake insurance if available at reasonable cost from reputable insurers in the judgment of the City. Such insurance may be subject to such deductibles as the City deems adequate and prudent. Such insurance may be maintained as part of or in conjunction with any other insurance coverage carried by the City, and may be maintained in whole or in part in the form of the participation by the City in a joint powers agency or other program providing pooled insurance; provided that such insurance may not be maintained by the City in the form of self-insurance. The Net Proceeds of such insurance must be applied as provided in Section 6.1.

SECTION 5.5. Rental Interruption Insurance. The City shall procure and maintain, or cause to be procured and maintained, throughout the Term of this Lease, rental interruption or use and occupancy insurance to cover loss, total or partial, of the use of any portion of the Leased Property constituting buildings or other improvements as a result of any of the hazards covered in the insurance required by Section 5.4, in an amount at least equal to the maximum such Lease Payments coming due and payable during any consecutive two Fiscal Years. Such insurance may be maintained as part of or in conjunction with any other insurance coverage carried by the City, and may be maintained in whole or in part in the form of the participation by the City in a joint powers agency or other program providing pooled insurance; provided that such insurance may not be maintained by the City in the form of self-insurance. The Net Proceeds of such insurance, if any, must be paid to the Trustee and deposited in the Bond Fund, to be applied as a credit towards the payment of the Lease Payments allocable to the insured improvements as the same become due and payable.

SECTION 5.6. Recordation Hereof; Title Insurance. On or before the Closing Date the City shall, at its expense, (a) cause the Site Lease, the Assignment Agreement and this Lease, or a memorandum hereof or thereof in form and substance approved by Bond Counsel, to be recorded in the office of the San Joaquin County Recorder, and (b) obtain a CLTA title insurance policy insuring the City's leasehold estate hereunder in the Leased Property, subject only to Permitted Encumbrances, in an amount at least equal to the aggregate principal amount of the Bonds. All Net Proceeds received under any such title insurance policy must be deposited with the Trustee in the Bond Fund to be credited towards the prepayment of the remaining Lease Payments under Section 9.3.

SECTION 5.7. Insurance Net Proceeds; Form of Policies. Each policy of insurance maintained under Sections 5.4, 5.5 and 5.6 must name the Trustee as loss payee so as to provide that all proceeds thereunder are payable to the Trustee. The City shall pay or cause to be paid when due the premiums for all insurance policies required by this Lease. All such policies shall provide that the Trustee is given 30 days' notice of each expiration, any intended cancellation thereof or reduction of the coverage provided thereby. The City must file with the Trustee annually, within 90 days following the close of each Fiscal Year, a certificate of the City stating that all policies of insurance required hereunder are then in full force and effect. The Trustee has no responsibility for the sufficiency, adequacy or
amount of any insurance or self-insurance herein required and is fully protected in accepting payment on account of such insurance or any adjustment, compromise or settlement of any loss.

If any insurance maintained under Section 5.3 is provided in the form of self-insurance, the City must file with the Trustee annually, within 90 days following the close of each Fiscal Year, a statement of the risk manager of the City or an independent insurance adviser engaged by the City identifying the extent of such self-insurance and stating the determination that the City maintains sufficient reserves with respect thereto. If any such insurance is provided in the form of self-insurance by the City, the City has no obligation to make any payment with respect to any insured event except from those reserves.

SECTION 5.8. Installation of City's Personal Property. The City may at any time and from time to time, in its sole discretion and at its own expense, install or permit to be installed other items of equipment or other personal property in or upon the Leased Property. All such items shall remain the sole property of the City, in which neither the Authority nor the Trustee has any interest, and may be modified or removed by the City at any time, provided that the City must repair all damage to the Leased Property resulting from the installation, modification or removal of any such items. Nothing in this Lease prevents the City from purchasing or leasing items to be installed under this Section under a lease or conditional sale agreement, or subject to a vendor's lien or security agreement, as security for the unpaid portion of the purchase price thereof, so long as no such lien or security interest attaches to any part of the Leased Property.

SECTION 5.9. Liens. The City may not, directly or indirectly, create, incur, assume or suffer to exist any mortgage, pledge, lien, charge, encumbrance or claim on or with respect to the Leased Property, other than as herein contemplated and except for such encumbrances as the City certifies in writing to the Trustee do not materially and adversely affect the leasehold estate of the City in the Leased Property hereunder. If any such mortgage, pledge, lien, charge, encumbrance or claim does materially and adversely affect the leasehold estate of the City in the Leased Property hereunder, the City will promptly, at its own expense, take such action as may be necessary to duly discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim, for which it is responsible; provided that the City is not required to do so prior to the time when such mortgage, pledge, lien, charge, encumbrance or claim actually causes such material adverse effect. The City will reimburse the Authority for any expense incurred by it in order to discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim.

SECTION 5.10. Advances. If the City fails to perform any of its obligations under this Article V, the Authority may (but is not required to) take such action as it deems necessary to cure such failure, including the advancement of money, and the City shall repay all such advances as Additional Rental Payments hereunder, with interest at the rate set forth in Section 4.3(c).
ARTICLE VI

DAMAGE, DESTRUCTION AND EMINENT DOMAIN; USE OF NET PROCEEDS

SECTION 6.1. Application of Net Proceeds. The Trustee, as assignee of the Authority under the Assignment Agreement, has the right to receive all Net Proceeds. As provided in the Indenture, the Trustee will deposit all Net Proceeds in the Insurance and Condemnation Fund to be applied as set forth in Section 5.07 of the Indenture.

SECTION 6.2. Termination or Abatement Due to Eminent Domain. If the Leased Property is taken permanently under the power of eminent domain or sold to a government threatening to exercise the power of eminent domain, the Term of this Lease thereupon ceases as of the day possession is taken. If less than all of the Leased Property is taken permanently, or if the Leased Property is taken temporarily, under the power of eminent domain, then:

(a) this Lease shall continue in full force and effect with respect thereto and does not terminate by virtue of such taking, and the parties waive the benefit of any law to the contrary; and

(b) the Lease Payments are subject to abatement in an amount determined by the City such that the resulting Lease Payments represent fair consideration for the use and occupancy of the remaining usable portions of the Leased Property.

SECTION 6.3. Abatement Due to Damage or Destruction. The Lease Payments are subject to abatement during any period in which by reason of damage or destruction (other than by eminent domain which is hereinbefore provided for) there is substantial interference with the use and occupancy by the City of the Leased Property or any portion thereof. The Lease Payments are subject to abatement in an amount determined by the City such that the resulting Lease Payments represent fair consideration for the use and occupancy of the remaining usable portions of the Leased Property not damaged or destroyed. Such abatement will continue for the period commencing with such damage or destruction and ending with the substantial completion of the work of repair or reconstruction. In the event of any such damage or destruction, this Lease continues in full force and effect and the City waives any right to terminate this Lease by virtue of any such damage and destruction. Notwithstanding the foregoing, there shall be no abatement of Lease Payments under this Section 6.3 to the extent that the proceeds of hazard insurance, rental interruption insurance or capitalized interest are available to pay Lease Payments which would otherwise be abated under this Section 6.3. It being hereby declared that such proceeds and amounts constitute a special fund for the payment of the Lease Payments.
ARTICLE VII

OTHER COVENANTS OF THE CITY

SECTION 7.1. Disclaimer of Warranties. THE AUTHORITY AND THE TRUSTEE MAKE NO AGREEMENT, WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR FITNESS FOR THE USE CONTEMPLATED BY THE CITY OF THE LEASED PROPERTY OR ANY PORTION THEREOF, OR ANY OTHER REPRESENTATION OR WARRANTY WITH RESPECT TO THE LEASED PROPERTY OR ANY PORTION THEREOF. THE CITY ACKNOWLEDGES THAT THE AUTHORITY IS NOT A MANUFACTURER OF ANY PORTION OF THE LEASED PROPERTY OR A DEALER THEREIN, THAT THE CITY LEASES THE LEASED PROPERTY AS-IS, IT BEING AGREED THAT ALL OF THE AFOREMENTIONED RISKS ARE TO BE BORNE BY THE CITY. The Authority has no liability for incidental, indirect, special or consequential damages, in connection with or arising out of this Lease for the existence, furnishing, functioning or use of the Leased Property by the City.

SECTION 7.2. Access to the Leased Property. The City agrees that the Authority and any Authorized Representative of the Authority, and the Authority’s successors or assigns, have the right at all reasonable times to enter upon and to examine and inspect the Leased Property or any part thereof. The City further agrees that the Authority, any Authority Representative and the Authority’s successors or assigns may have such rights of access to the Leased Property or any component thereof as reasonably necessary to cause the proper maintenance of the Leased Property if the City fails to perform its obligations hereunder; provided, however, that neither the Authority nor any of its assigns has any obligation to cause such proper maintenance.

SECTION 7.3. Release and Indemnification Covenants. The City agrees to indemnify the Authority, the Trustee and their respective officers, agents, successors and assigns, against all claims, losses and damages, including legal fees and expenses, arising out of any of the following:

(a) the use, maintenance, condition or management of, or from any work or thing done on the Leased Property by the City,

(b) any breach or default on the part of the City in the performance of any of its obligations under this Lease,

(c) any negligence or willful misconduct of the City or of any of its agents, contractors, servants, employees or licensees with respect to the Leased Property,

(d) any intentional misconduct or negligence of any sublessee of the City with respect to the Leased Property,
(e) the acquisition, construction, improvement and equipping of the Leased Property, or the authorization of payment of the costs thereof, or

(f) the acceptance and performance of the duties of the Trustee under the Indenture, the Assignment Agreement and under this Lease.

No indemnification is made under this Section or elsewhere in this Lease for willful misconduct or negligence under this Lease by the Authority, the Trustee or their respective officers, agents, employees, successors or assigns.

SECTION 7.4. Assignment and Subleasing by the City. The City may sublease the Leased Property, or any portion thereof, subject to all of the following conditions:

(a) this Lease and the obligation of the City to make Lease Payments hereunder must remain obligations of the City, as certified in writing by the City;

(b) the City must, within 30 days after the delivery thereof, furnish or cause to be furnished to the Authority and the Trustee a true and complete copy of such sublease;

(c) no such sublease by the City may cause the Leased Property to be used for a purpose which is not authorized under the provisions of the laws of the State of California, as certified in writing by the City; and

(d) the City must furnish to the Authority and the Trustee a written opinion of Bond Counsel stating that such sublease does not cause the interest on the Bonds to become included in gross income for purposes of federal income taxation or to become subject to personal income taxation by the State of California.

SECTION 7.5. Amendment Hereof. The Authority and the City may at any time amend or modify any of the provisions of this Lease, but only: (a) with the prior written consents of the Owners of a majority in aggregate principal amount of the Outstanding Bonds; or (b) without the consent of the Trustee or any of the Bond Owners, but only if such amendment or modification is for any one or more of the following purposes:

(i) to add to the covenants and agreements of the City contained in this Lease, other covenants and agreements thereafter to be observed, or to limit or surrender any rights or power herein reserved to or conferred upon the City;

(ii) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained herein, to conform to the original intention of the City and the Authority;
(iii) to modify, amend or supplement this Lease in such manner as to assure that the interest on the Bonds remains excluded from gross income under the Tax Code;

(iv) to amend the description of the Leased Property to reflect accurately the property originally intended to be included therein, or in connection with any substitution or release of property under Sections 3.2 or 3.3;

(v) to obligate the City to pay additional amounts of rental for the use and occupancy of the Leased Property, but only if (A) such additional amounts of rental are pledged or assigned for the payment of any bonds, notes, leases or other obligations the proceeds of which are applied to finance or refinance the acquisition or construction of any real or personal property for which the City is authorized to expend funds subject to its control, (B) the City has obtained and filed with the Trustee an appraisal showing that the appraised value of the Leased Property is at least equal to the aggregate principal amount of the Outstanding Bonds and all such other bonds, notes, leases or other obligations, and (C) the City has filed with the Trustee written evidence that the amendments made under this clause (v) will not of themselves cause a reduction or withdrawal of any rating then assigned to the Bonds; or

(vi) in any other respect whatsoever as the Authority and the City deem necessary or desirable, if in the opinion of Bond Counsel such modifications or amendments do not materially adversely affect the interests of the Owners of the Bonds.

No such modification or amendment may (a) extend or have the effect of extending any Lease Payment Date or reducing any Lease Payment or any premium payable upon the prepayment thereof, without the express consent of the Owners of the affected Bonds, or (b) modify any of the rights or obligations of the Trustee without its written assent thereto. If the Trustee’s consent to such modification or amendment is required, the Trustee shall be entitled to the same documents as it would be entitled to under Article IX of the Indenture for such type of modification or amendment.

SECTION 7.6. Tax Covenants.

(a) Private Business Use Limitation. The City shall assure that the proceeds of the Bonds are not used in a manner which would cause the Bonds to satisfy the private business tests of Section 141(b) of the Tax Code or the private loan financing test of Section 141(c) of the Tax Code.

(b) Federal Guarantee Prohibition. The City may not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Tax Code.

(c) No Arbitrage. The City may not take, or permit or suffer to be taken by the Trustee or otherwise, any action with respect to the proceeds of the Bonds or of any other obligations which, if such action had been reasonably expected to have been taken, or
had been deliberately and intentionally taken, on the Closing Date, would have caused the Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Tax Code.

(d) Maintenance of Tax Exemption. The City shall take all actions necessary to assure the exclusion of interest on the Bonds from the gross income of the Owners of the Bonds to the same extent as such interest is permitted to be excluded from gross income under the Tax Code as in effect on the Closing Date.

(e) Rebate of Excess Investment Earnings to United States. The City shall calculate or cause to be calculated the Excess Investment Earnings in all respects at the times and in the manner required under the Tax Code. The City shall pay the full amount of Excess Investment Earnings to the United States of America in such amounts, at such times and in such manner as may be required under the Tax Code. Such payments shall be made by the City from any source of legally available funds of the City, and shall constitute Additional Rental Payments hereunder.

The City shall keep or cause to be kept, and retain or cause to be retained for a period of six years following the retirement of the Bonds, records of the determinations made under this subsection (e). In order to provide for the administration of this subsection (e), the City may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the City may deem appropriate. The Trustee has no duty or obligation to monitor or enforce compliance by the City of any of the requirements under this subsection (e).

SECTION 7.7. Continuing Disclosure. The City shall comply with and carry out all of the provisions of the Continuing Disclosure Certificate executed by the City as of the Closing Date, as originally executed and as it may be amended from time to time in accordance with its terms. Notwithstanding any other provision of this Lease, failure of the City to comply with such Continuing Disclosure Certificate will not constitute an Event of Default, although any Participating Underwriter (as that term is defined in such Continuing Disclosure Certificate) or any Owner or beneficial owner of the Bonds may take such actions as may be necessary and appropriate to compel performance by the City of its obligations under this Section, including seeking mandate or specific performance by court order.
ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES

SECTION 8.1. Events of Default Defined. Any one or more of the following events constitute an Event of Default hereunder:

(a) Failure by the City to pay any Lease Payment or other payment required to be paid hereunder at the time specified herein.

(b) Failure by the City to observe and perform any covenant, condition or agreement on its part to be observed or performed, other than as referred to in the preceding subsection (a), for a period of 30 days after written notice specifying such failure and requesting that it be remedied has been given to the City by the Authority or the Trustee. If in the reasonable opinion of the City the failure stated in the notice can be corrected, but not within such 30-day period, the failure will not constitute an Event of Default if the City commences to cure the failure within such 30-day period and thereafter diligently and in good faith cures the failure in a reasonable period of time, such period of time not to be longer than 180 days after the delivery of such default notice.

(c) The filing by the City of a voluntary petition in bankruptcy, or failure by the City promptly to lift any execution, garnishment or attachment, or adjudication of the City as a bankrupt, or assignment by the City for the benefit of creditors, or the entry by the City into an agreement of composition with creditors, or the approval by a court of competent jurisdiction of a petition applicable to the City in any proceedings instituted under the provisions of the Federal Bankruptcy Code, as amended, or under any similar acts which may hereafter be enacted.

SECTION 8.2. Remedies on Default. Whenever any Event of Default has happened and is continuing, the Authority may exercise any and all remedies available under law or granted under this Lease. Notwithstanding anything herein or in the Indenture to the contrary, neither the Authority nor the Trustee may accelerate the Lease Payments or otherwise declare any Lease Payments not then in default to be immediately due and payable. Each covenant hereof to be kept and performed by the City is expressly made a condition and upon the breach thereof the Authority may exercise any and all rights granted hereunder; except that no termination of this Lease may be effected either by operation of law or acts of the parties hereto, except only in the manner herein expressly provided. Upon the occurrence and during the continuance of any Event of Default, the Authority may exercise each and every one of the following remedies, subject in all respects to the limitations set forth in Section 8.3.

(a) Enforcement of Payments Without Termination. If the Authority does not elect to terminate this Lease in the manner hereinafter provided for in subparagraph (b) hereof, the City agrees to and shall remain liable for the payment of all Lease Payments and the performance of all conditions herein contained and shall reimburse the Authority for any deficiency arising out of the re-leasing of the Leased Property.
or, if the Authority is unable to re-lease the Leased Property, then for the full amount of all Lease Payments to the end of the Term of this Lease, but said Lease Payments and/or deficiency shall be payable only at the same time and in the same manner as hereinabove provided for the payment of Lease Payments hereunder, notwithstanding such entry or re-entry by the Authority or any suit in unlawful detainer, or otherwise, brought by the Authority for the purpose of effecting such re-entry or obtaining possession of the Leased Property or the exercise of any other remedy by the Authority. The City hereby irrevocably appoints the Authority as the agent and attorney-in-fact of the City to enter upon and re-lease the Leased Property upon the occurrence and continuation of an Event of Default and to remove all personal property whatsoever situated upon the Leased Property, to place the Leased Property in storage or other suitable place in the County of San Joaquin for the account of and at the expense of the City, and the City hereby exempts and agrees to save harmless the Authority from any costs, loss or damage whatsoever arising or occasioned by any such entry upon and re-leasing of the Leased Property and the removal and storage of the Leased Property by the Authority or its duly authorized agents in accordance with the provisions herein contained. The City agrees that the terms of this Lease constitute full and sufficient notice of the right of the Authority to re-lease the Leased Property in the event of such re-entry without effecting a surrender of this Lease, and further agrees that no acts of the Authority in effecting such re-leasing shall constitute a surrender or termination of this Lease irrespective of the term for which such re-leasing is made or the terms and conditions of such re-leasing, or otherwise, but that, on the contrary, in the event of such default by the City the right to terminate this Lease shall vest in the Authority to be effected in the sole and exclusive manner hereinafter provided for in subparagraph (b) hereof. The City agrees to surrender and quit possession of the Leased Property upon demand of the Authority for the purpose of enabling the Leased Property to be re-let under this paragraph, and the City further waives the right to any rental obtained by the Authority in excess of the Lease Payments and hereby conveys and releases such excess to the Authority as compensation to the Authority for its services in re-leasing the Leased Property.

(b) Termination of Lease. If an Event of Default occurs and is continuing hereunder, the Authority at its option may terminate this Lease and re-lease all or any portion of the Leased Property. If the Authority terminates this Lease at its option and in the manner hereinafter provided on account of default by the City (and notwithstanding any re-entry upon the Leased Property by the Authority in any manner whatsoever or the re-leasing of the Leased Property), the City nevertheless agrees to pay to the Authority all costs, loss or damages howsoever arising or occurring payable at the same time and in the same manner as is herein provided in the case of payment of Lease Payments and Additional Rental Payments. Any surplus received by the Authority from such re-leasing shall be deposited in the Bond
Fund. Neither notice to pay rent or to deliver up possession of the premises given under law nor any proceeding in unlawful detainer taken by the Authority shall of itself operate to terminate this Lease, and no termination of this Lease on account of default by the City shall be or become effective by operation of law, or otherwise, unless and until the Authority shall have given written notice to the City of the election on the part of the Authority to terminate this Lease. The City covenants and agrees that no surrender of the Leased Property, or of the remainder of the Term hereof or any termination of this Lease shall be valid in any manner or for any purpose whatsoever unless stated or accepted by the Authority by such written notice.

(c) **Proceedings at Law or In Equity.** If an Event of Default occurs and continues hereunder, the Authority may take whatever action at law or in equity may appear necessary or desirable to collect the amounts then due and thereafter to become due hereunder or to enforce any other of its rights hereunder.

**SECTION 8.3. No Remedy Exclusive.** No remedy herein conferred upon or reserved to the Authority is intended to be exclusive and every such remedy is cumulative and in addition to every other remedy given under this Lease or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon the occurrence of any Event of Default impairs any such right or power or operates as a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Authority to exercise any remedy reserved to it in this Article VIII it is not necessary to give any notice, other than as expressly required in this Article VIII or by law.

**SECTION 8.4. Agreement to Pay Attorneys’ Fees and Expenses.** If the Authority or the City defaults under any of the provisions of this Lease and the nondefaulting party employs attorneys or incurs other expenses for the collection of moneys or the enforcement or performance or observance of any obligation or agreement on the part of the defaulting party herein contained, the defaulting party will on demand therefor pay to the nondefaulting party the reasonable fees of such attorneys and such other expenses so incurred by the nondefaulting party; *provided, however*, that the Trustee shall not be required to expend its own funds for any payment described in this Section.

**SECTION 8.5. No Additional Waiver Implied by One Waiver.** If the Authority or the City breaches any agreement in this Lease and thereafter the other party waives the breach, such waiver is limited to the particular breach so waived and does not operate to waive any other breach hereunder.

**SECTION 8.6. Application of Proceeds.** All net proceeds received from the re-lease of the Leased Property under this Article VIII, and all other amounts derived by the Authority or the Trustee as a result of the occurrence of an Event of Default, must be paid to and applied by the Trustee in accordance with Section 7.03 of the Indenture.

**SECTION 8.7. Trustee and Bond Owners to Exercise Rights.** Such rights and remedies as are given to the Authority under this Article VIII have been assigned by the Authority to the Trustee under the Assignment Agreement for the benefit of the Bond
Owners, to which assignment the City hereby consents. The Trustee and the Bond Owners shall exercise such rights and remedies in accordance with the Indenture.

**ARTICLE IX**

**PREPAYMENT OF LEASE PAYMENTS**

**SECTION 9.1. Security Deposit.** Notwithstanding any other provision of this Lease, the City may on any date secure the payment of the Lease Payments allocable to the Leased Property in whole or in part by depositing with the Trustee an amount of cash which, together with other available amounts on deposit in the funds and accounts established under the Indenture, is either:

- (a) sufficient to pay such Lease Payments, including the principal and interest components thereof, in accordance with the Lease Payment schedule set forth in Appendix B, or

- (b) invested in whole or in part in non-callable Federal Securities in such amount as will, in the opinion of an independent certified public accountant, (which opinion must be addressed and delivered to the Trustee), together with interest to accrue thereon and together with any cash which is so deposited, be fully sufficient to pay such Lease Payments when due under Section 4.3(a), as the City instructs at the time of said deposit.

If the City makes a security deposit under this Section with respect to all unpaid Lease Payments, and notwithstanding the provisions of Section 4.2, (a) the Term of this Lease will continue, (b) all obligations of the City under this Lease, and all security provided by this Lease for said Lease Payments, will thereupon cease and terminate, excepting only the obligation of the City to make, or cause to be made all of said Lease Payments from such security deposit, and (c) under Section 4.7, title to the Leased Property will vest in the City on the date of said deposit automatically and without further action by the City or the Authority. Said security deposit constitutes a special fund for the payment of Lease Payments in accordance with the provisions of this Lease.

**SECTION 9.2. Optional Prepayment.** The City has the option to prepay the principal components of the Lease Payments in whole, or in part in any integral multiple of $5,000, from any source of legally available funds, on any date on or after _________1, 20__, at a prepayment price equal to the aggregate principal components of the Lease Payments to be prepaid, together with the interest component of the Lease Payment required to be paid on such Interest Payment Date, and together with a prepayment premium equal to the premium (if any) required to be paid on the resulting redemption of Bonds under Section 4.01(a) of the Indenture. Such prepayment price shall be deposited by the Trustee in the Redemption Fund to be applied to the redemption of Bonds under Section 4.01(a) of the Indenture. The City shall give 10 days’ written notice to the Trustee of its intention to prepay the Lease Payments under this Section.

**SECTION 9.3. Mandatory Prepayment From Net Proceeds of Insurance or Eminent Domain.** The City shall prepay the principal components of the Lease Payments allocable
to the Leased Property in whole or in part on any date, from and to the extent of any Net Proceeds of insurance award or eminent domain award with respect to the Leased Property theretofore deposited in the Redemption Fund for that purpose under Article VI hereof and Section 5.07 of the Indenture. Such Net Proceeds, to the extent remaining after payment of any delinquent Lease Payments, will be credited towards the City’s obligations under this Section and applied to the corresponding redemption of Bonds under Section 4.01(b) of the Indenture.

SECTION 9.4. Credit for Amounts on Deposit. If the principal components of the Lease Payments are prepaid in full under this Article IX, such that the Indenture is discharged by its terms as a result of such prepayment, at the written election of the City filed with the Trustee any or all amounts then on deposit in the Bond Fund (and the accounts therein) will be credited towards the amounts then required to be so prepaid.

APPENDIX B SCHEDULE OF LEASE PAYMENTS
AMENDED AND RESTATED PROPERTY LEASE

This AMENDED AND RESTATED PROPERTY LEASE (this “Lease”), dated for convenience as of ______ 1, 2020, is between the TRACY OPERATING PARTNERSHIP JOINT POWERS AUTHORITY, a joint exercise of powers authority, duly organized and existing under and by virtue of the laws of the State of California, as lessor (the “Authority”), and the CITY OF TRACY, a municipal corporation, duly organized and existing under and by virtue of the Constitution and laws of the State of California, as lessee (the “City”).

BACKGROUND:

1. The Authority previously entered into an Indenture dated as of December 1, 2008 (the “2008 Indenture”), with The Bank of New York Mellon Trust Company, N.A., as trustee (the “2008 Trustee”), under which the Authority issued $19,765,000 aggregate principal amount of 2008 Lease Revenue Bonds (Refunding and Capital Improvement Projects) (the “2008 Bonds”).

2. The 2008 Bonds were payable from lease payments (the “2008 Lease Payments”) payable by the City to the Authority pursuant to a Property Lease, dated as of December 1, 2008 (the “2008 Lease”), by and between the City and the Authority. The 2008 Lease was recorded in the San Joaquin County real property records as Document No. ____ on ___, 2008.

3. The Authority assigned its right to receive the 2008 Lease Payments to the 2008 Trustee under the 2008 Indenture.

4. In connection with the issuance of the 2008 Bonds, the Community Development Agency of the City of Tracy (the “Former Agency”) executed that certain Reimbursement Agreement, dated as of December 1, 2008 (the “2008 Reimbursement Agreement”), under which the Former Agency agreed to reimburse the City for a portion of the 2008 Lease Payments.

5. The Former Agency’s payments under the 2008 Reimbursement Agreement were intended to defray the costs of the acquisition and construction of the Improvements (as defined in the 2008 Reimbursement Agreement) that are located in or that were found by the City and the Former Agency (pursuant to all applicable requirements of the Community Redevelopment Law of the State of California, constituting Part 1 of Division 24 of the Health and Safety Code of the State (as amended, the “Redevelopment Law”) to be of benefit to the Redevelopment Project Area (as defined in the 2008 Reimbursement Agreement).

7. Assembly Bill x1 26, effective June 29, 2011, together with AB 1484, effective June 27, 2012 ("AB 1484"), codified Part 1.8 (commencing with Section 34161) and Part 1.85 (commencing with Section 34170) of Division 24 of the California Health and Safety Code (as amended from time to time, the "Dissolution Act").

8. Pursuant to Section 34172(a) of the Dissolution Act, the Former Agency has been dissolved and no longer exists as a public body, corporate and politic, and pursuant to Section 34173 of the Dissolution Act, the Successor Agency to the Tracy Community Development Agency (the "Successor Agency") has become the successor entity to the Former Agency.

9. The Authority wishes to prepay the 2008 Lease Payments and redeem the 2007 Bonds.

10. To that end, the City has leased to the Authority certain real property and improvements, as more particularly described in Appendix A attached hereto and by this reference incorporated herein (the "Leased Property"), under an Amended and Restated Sites and Facilities Lease, dated as of _____, 2020 (the "Site Lease"), in consideration of the payment by the Authority of an upfront rental payment (the "Site Lease Payment") which is sufficient to provide funds for the redemption of the 2008 Bonds. The Site Lease amends and restates a Sites and Facilities Lease, dated as of December 1, 2008, which was recorded in the San Joaquin County real property records as Document No. ___ on _____, 2018.

11. The Authority has authorized the issuance of its Tracy Operating Partnership Joint Powers Authority 2020 Lease Revenue Refunding Bonds (2007 and 2008 Refinancing) in the aggregate principal amount of $___________ (the "Bonds") under an Indenture of Trust dated as of ___________ 1, 2020 (the "Indenture"), between the Authority and U.S. Bank, National Association., as trustee (the "Trustee"), for the purpose, among other things, of providing the funds to enable the Authority to pay the Site Lease Payment to the City in accordance with the Site Lease.

12. In order to provide revenues which are sufficient to enable the Authority to pay debt service on the Bonds, the Authority has agreed to lease the Leased Property back to the City under this Lease, and the City has agreed to pay semiannual Lease Payments as the rental for the Leased Property. This Lease amends and restates the 2008 Lease.

13. The Lease Payments made by the City under this Lease have been assigned by the Authority to the Trustee for the security of the Bonds under an Assignment Agreement dated as of ___________ 1, 2020, between the Authority as assignor and the Trustee as assignee.

14. Under authority granted to it by Section 34177.5(a)(3) of the Dissolution Act, the Successor Agency and the City are concurrently herewith amending the 2008 Reimbursement Agreement to provide savings to the Successor Agency and provide for reimbursement of the City for a portion of the Lease Payments hereunder.

15. The City and the Authority have found and determined that all acts and proceedings required by law necessary to make this Lease, when executed by the City and the Authority, the valid, binding and legal obligations of the City and the Authority, and
to constitute this Lease a valid and binding agreement for the uses and purposes herein set forth in accordance with its terms, have been done and taken, and the execution and delivery of this Lease have been in all respects duly authorized.

AGREEMENT:

In consideration of the material covenants contained in this Lease, the parties hereto hereby formally covenant, agree and bind themselves as follows:

SECTION 3.2. Substitution of Property. (b) The City has filed with the Authority and the Trustee, and caused to be recorded in the office of the San Joaquin County Recorder sufficient memorialization of an amendment hereof that adds the legal description of the Substitute Property to Appendix A and deletes therefrom the legal description of the Former Property, and has filed and caused to be recorded corresponding amendments to the Site Lease and Assignment Agreement.

Upon the satisfaction of all such conditions precedent, the Term of this Lease will thereupon end as to the Former Property and commence as to the Substitute Property, and all references to the Former Property will apply with full force and effect to the Substitute Property. The City is not entitled to any reduction, diminution, extension or other modification of the Lease Payments whatsoever as a result of any substitution of property under this Section. (d) The City has mailed written notice of such release to each rating agency which then maintains a rating on the Bonds.

Upon the satisfaction of all such conditions precedent, the Term of this Lease will thereupon end as to the Released Property. The City is not entitled to any reduction, diminution, extension or other modification of the Lease Payments whatsoever as a result of such release. The Authority and the City shall execute, deliver and cause to be recorded all documents required to discharge the Site Lease, this Lease and the Assignment Agreement of record against the Released Property.
ARTICLE IV
LEASE OF LEASED PROPERTY; TERM OF THIS LEASE;
LEASE PAYMENTS

SECTION 4.1. Lease of Leased Property. The Authority hereby leases the Leased Property to the City and the City hereby leases the Leased Property from the Authority, upon the terms and conditions set forth in this Lease.

SECTION 4.2. Term. The Term of this Lease commences on the Closing Date and ends on the date on which the Indenture is discharged in accordance with Section 10.03 thereof, but under any circumstances not later than November 1, _______. The provisions of this Section are subject to the provisions of Sections 6.2 and 6.3 relating to the taking in eminent domain, damage and destruction of the Leased Property in whole or in part.

SECTION 4.3. Lease Payments.

(a) Obligation to Pay. Subject to the provisions of Sections 6.2 and 6.3 and the provisions of Article IX, the City agrees to pay to the Authority, its successors and assigns, the Lease Payments in the respective amounts specified in Appendix B attached to this Lease, to be due and payable in immediately available funds on the Interest Payment Dates immediately following each of the respective Lease Payment Dates specified in Appendix B, and to be deposited by the City with the Trustee on each of the Lease Payment Dates specified in Appendix B. Any amount held in the Bond Fund, the Interest Account and the Principal Account on any Lease Payment Date (other than amounts resulting from the prepayment of the Lease Payments in part but not in whole under Article IX, and amounts required for payment of past due principal or interest on any Bonds not presented for payment) will be credited towards the Lease Payment then required to be paid hereunder. The City is not required to deposit any Lease Payment with the Trustee on any Lease Payment Date if the amounts then held in the Bond Fund, the Interest Account and the Principal Account are at least equal to the Lease Payment then required to be deposited with the Trustee. The Lease Payments payable in any Rental Period are for the use of the Leased Property during that Rental Period.

(b) Effect of Prepayment. If the City prepays all Lease Payments in full under Sections 9.2 or 9.3, the City’s obligations under this Section will thereupon cease and terminate. If the City prepays the Lease Payments in part but not in whole under Sections 9.2 or 9.3, the principal components of the remaining Lease Payments will be reduced in integral multiples of $5,000 among Lease Payment Dates on a basis which corresponds to the principal maturities of the Bonds which are redeemed thereby; and the interest component of each remaining Lease Payment will be reduced by the aggregate corresponding amount of interest which would otherwise be payable with respect to the Bonds thereby redeemed under Section 4.01 of the Indenture.

(c) Rate on Overdue Payments. If the City fails to make any of the payments required in this Section, the payment in default will continue as an obligation of the City until the amount in default has been fully paid, and the City agrees to pay the same with interest thereon, from the date of default to the date of payment at the highest rate of interest on any Outstanding Bond.
(d) **Fair Rental Value.** The aggregate amount of the Lease Payments and Additional Rental Payments coming due and payable during each Rental Period constitute the total rental for the Leased Property for such Rental Period, and are payable by the City in each Rental Period for and in consideration of the right of the use and occupancy of, and the continued quiet use and enjoyment of the Leased Property during each Rental Period. The parties hereto have agreed and determined that the total Lease Payments represent the fair rental value of the Leased Property. In making that determination, consideration has been given to the estimated value of the Leased Property, other obligations of the City and the Authority under this Lease, the uses and purposes which may be served by the Leased Property and the benefits therefrom which will accrue to the City and the general public.

(e) **Assignment.** The City understands and agrees that all Lease Payments have been assigned by the Authority to the Trustee in trust, under the Assignment Agreement, for the benefit of the Owners of the Bonds, and the City hereby assents to such assignment. The Authority hereby directs the City, and the City hereby agrees to pay to the Trustee at its Office, all payments payable by the City under this Section and all amounts payable by the City under Article IX.

**SECTION 4.4. Source of Payments; Covenant to Budget and Appropriate.** The Lease Payments are payable from any source of available funds of the City, subject to the provisions of Section 6.3. The City covenants to take all actions required to include the Lease Payments in each of its budgets during the Term of this Lease and to make the necessary appropriations for all Lease Payments and Additional Rental Payments. The foregoing covenant of the City contained constitutes a duty imposed by law and each and every public official of the City is required to take all actions required by law in the performance of the official duty of such officials to enable the City to carry out and perform the covenants and agreements in this Lease agreed to be carried out and performed by the City.

**SECTION 4.5. Additional Rental Payments.** In addition to the Lease Payments, the City shall pay when due the following amounts of Additional Rental Payments in consideration of the lease of the Leased Property by the City from the Authority hereunder:

(a) all fees and expenses incurred by the Authority in connection with or by reason of its leasehold estate in the Leased Property, when due,

(b) all reasonable compensation to the Trustee for all services rendered under the Indenture and for all reasonable expenses, charges, costs, liabilities, legal fees and other disbursements incurred in and about the performance of its powers and duties under the Indenture,

(c) the reasonable fees and expenses of such accountants, consultants, attorneys and other experts as may be engaged by the Authority or the Trustee to prepare audits, financial statements, reports, opinions or provide such other services required under this Lease or the Indenture,

(d) amounts coming due and payable as Excess Investment Earnings in accordance with Section 7.6(e), and
(e) the reasonable out-of-pocket expenses of the Authority in connection with the execution and delivery of this Lease or the Indenture, or in connection with the issuance of the Bonds, including but not limited to any and all expenses incurred in connection with the authorization, sale and delivery of the Bonds, or incurred by the Authority in connection with any litigation which may at any time be instituted involving this Lease, the Bonds, the Indenture or any of the other documents contemplated hereby or thereby, or otherwise incurred in connection with the administration of this Lease.

SECTION 4.6. Quiet Enjoyment. Throughout the Term of this Lease, the Authority shall provide the City with quiet use and enjoyment of the Leased Property and the City will peaceably and quietly have and hold and enjoy the Leased Property, without suit, trouble or hindrance from the Authority, except as expressly set forth in this Lease. The Authority will, at the request of the City and at the City’s cost, join in any legal action in which the City asserts its right to such possession and enjoyment to the extent the Authority may lawfully do so. Notwithstanding the foregoing, the Authority has the right to inspect the Leased Property as provided in Section 7.2.

SECTION 4.7. Title. Upon the termination of this Lease (other than under Section 8.2(b) hereof), all right, title and interest of the Authority in and to the Leased Property transfers to and vests in the City. The Authority shall take any and all steps and execute and record any and all documents reasonably required by the City to consummate any such transfer of title.

ARTICLE V

MAINTENANCE; TAXES; INSURANCE; AND OTHER MATTERS

SECTION 5.1. Maintenance, Utilities, Taxes and Assessments. Throughout the Term of this Lease, as part of the consideration for the rental of the Leased Property, all improvement, repair and maintenance of the Leased Property are the responsibility of the City, and the City will pay for or otherwise arrange for the payment of all utility services supplied to the Leased Property, which may include, without limitation, janitor service, security, power, gas, telephone, light, heating, water and all other utility services, and will pay for or otherwise arrange for the payment of the cost of the repair and replacement of the Leased Property resulting from ordinary wear and tear or want of care on the part of the City or any assignee or sublessee thereof. In exchange for the Lease Payments herein provided, the Authority agrees to provide only the Leased Property. The City waives the benefits of subsections 1 and 2 of Section 1932, Section 1933(4) and Sections 1941 and 1942 of the California Civil Code, but such waiver does not limit any of the rights of the City under the terms of this Lease.

The City shall also pay or cause to be paid all taxes and assessments of any type or nature, if any, charged to the Authority or the City affecting the Leased Property or the respective interests or estates therein; provided that with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of
years, the City shall pay only such installments as are required to be paid during the Term of this Lease as and when the same become due.

The City may, at its expense and in its name, in good faith contest any such taxes, assessments, utility and other charges and, in the event of any such contest, may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Authority notifies the City that, in its reasonable opinion, by nonpayment of any such items the interest of the Authority in the Leased Property will be materially endangered or the Leased Property or any part thereof will be subject to loss or forfeiture, in which event the City shall promptly pay such taxes, assessments or charges or provide the Authority with full security against any loss which may result from nonpayment, in form satisfactory to the Authority and the Trustee.

SECTION 5.2. Modification of Leased Property. The City has the right, at its own expense, to make additions, modifications and improvements to the Leased Property or any portion thereof. All additions, modifications and improvements to the Leased Property will thereafter comprise part of the Leased Property and become subject to the provisions of this Lease. Such additions, modifications and improvements may not in any way damage the Leased Property, or cause the Leased Property to be used for purposes other than those authorized under the provisions of state and federal law; and the Leased Property, upon completion of any additions, modifications and improvements made thereto under this Section, must be of a value which is not substantially less than the value thereof immediately prior to the making of such additions, modifications and improvements. The City will not permit any mechanic's or other lien to be established or remain against the Leased Property for labor or materials furnished in connection with any remodeling, additions, modifications, improvements, repairs, renewals or replacements made by the City under this Section; except that if any such lien is established and the City first notifies or causes to be notified the Authority of the City's intention to do so, the City may in good faith contest any lien filed or established against the Leased Property, and in such event may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom and shall provide the Authority with full security against any loss or forfeiture which might arise from the nonpayment of any such item, in form satisfactory to the Authority. The Authority will cooperate fully in any such contest, upon the request and at the expense of the City.

SECTION 5.3. Liability and Property Damage Insurance. The City shall maintain or cause to be maintained throughout the Term of this Lease, but only if and to the extent available from reputable insurers at reasonable cost in the reasonable opinion of the City, a standard commercial general liability insurance policy or policies in protection of the Authority, the City, and their respective members, officers, agents, employees and assigns. Said policy or policies shall provide for indemnification of said parties against direct or contingent loss or liability for damages for bodily and personal injury, death or property damage occasioned by reason of the operation of the Leased Property. Such policy or policies shall provide coverage in such liability limits and be subject to such deductibles as the City deems adequate and prudent. Such insurance may be maintained as part of or in conjunction with any other insurance coverage carried by the City, and may be maintained in whole or in part in the form of self-insurance by the City, subject to the provisions of Section 5.7, or in the form of the participation by the City in a joint powers agency or other program providing pooled insurance. The proceeds of such liability insurance must be applied toward extinguishment or satisfaction of the liability with respect to which paid.
SECTION 5.4. Casualty Insurance. The City shall procure and maintain, or cause to be procured and maintained, throughout the Term of this Lease, casualty insurance against loss or damage to all buildings situated on the Leased Property, in an amount at least equal to the lesser of (a) 100% of the replacement value of the insured buildings, or (b) 100% of the aggregate principal amount of the Outstanding Bonds. Such insurance must, as nearly as practicable, cover loss or damage by explosion, windstorm, riot, aircraft, vehicle damage, smoke and such other hazards as are normally covered by such insurance, and must include earthquake insurance if available at reasonable cost from reputable insurers in the judgment of the City. Such insurance may be subject to such deductibles as the City deems adequate and prudent. Such insurance may be maintained as part of or in conjunction with any other insurance coverage carried by the City, and may be maintained in whole or in part in the form of the participation by the City in a joint powers agency or other program providing pooled insurance; provided that such insurance may not be maintained by the City in the form of self-insurance. The Net Proceeds of such insurance must be applied as provided in Section 6.1.

SECTION 5.5. Rental Interruption Insurance. The City shall procure and maintain, or cause to be procured and maintained, throughout the Term of this Lease, rental interruption or use and occupancy insurance to cover loss, total or partial, of the use of any portion of the Leased Property constituting buildings or other improvements as a result of any of the hazards covered in the insurance required by Section 5.4, in an amount at least equal to the maximum such Lease Payments coming due and payable during any consecutive two Fiscal Years. Such insurance may be maintained as part of or in conjunction with any other insurance coverage carried by the City, and may be maintained in whole or in part in the form of the participation by the City in a joint powers agency or other program providing pooled insurance; provided that such insurance may not be maintained by the City in the form of self-insurance. The Net Proceeds of such insurance, if any, must be paid to the Trustee and deposited in the Bond Fund, to be applied as a credit towards the payment of the Lease Payments allocable to the insured improvements as the same become due and payable.

SECTION 5.6. Recordation Hereof; Title Insurance. On or before the Closing Date the City shall, at its expense, (a) cause the Site Lease, the Assignment Agreement and this Lease, or a memorandum hereof or thereof in form and substance approved by Bond Counsel, to be recorded in the office of the San Joaquin County Recorder, and (b) obtain a CLTA title insurance policy insuring the City's leasehold estate hereunder in the Leased Property, subject only to Permitted Encumbrances, in an amount at least equal to the aggregate principal amount of the Bonds. All Net Proceeds received under any such title insurance policy must be deposited with the Trustee in the Bond Fund to be credited towards the prepayment of the remaining Lease Payments under Section 9.3.

SECTION 5.7. Insurance Net Proceeds; Form of Policies. Each policy of insurance maintained under Sections 5.4, 5.5 and 5.6 must name the Trustee as loss payee so as to provide that all proceeds thereunder are payable to the Trustee. The City shall pay or cause to be paid when due the premiums for all insurance policies required by this Lease. All such policies shall provide that the Trustee is given 30 days' notice of each expiration, any intended cancellation thereof or reduction of the coverage provided thereby. The City must file with the Trustee annually, within 90 days following the close of each Fiscal Year, a certificate of the City stating that all policies of insurance required hereunder are then in full force and effect. The Trustee has no responsibility for the sufficiency, adequacy or
amount of any insurance or self-insurance herein required and is fully protected in accepting payment on account of such insurance or any adjustment, compromise or settlement of any loss.

If any insurance maintained under Section 5.3 is provided in the form of self-insurance, the City must file with the Trustee annually, within 90 days following the close of each Fiscal Year, a statement of the risk manager of the City or an independent insurance adviser engaged by the City identifying the extent of such self-insurance and stating the determination that the City maintains sufficient reserves with respect thereto. If any such insurance is provided in the form of self-insurance by the City, the City has no obligation to make any payment with respect to any insured event except from those reserves.

SECTION 5.8. Installation of City’s Personal Property. The City may at any time and from time to time, in its sole discretion and at its own expense, install or permit to be installed other items of equipment or other personal property in or upon the Leased Property. All such items shall remain the sole property of the City, in which neither the Authority nor the Trustee has any interest, and may be modified or removed by the City at any time, provided that the City must repair all damage to the Leased Property resulting from the installation, modification or removal of any such items. Nothing in this Lease prevents the City from purchasing or leasing items to be installed under this Section under a lease or conditional sale agreement, or subject to a vendor’s lien or security agreement, as security for the unpaid portion of the purchase price thereof, so long as no such lien or security interest attaches to any part of the Leased Property.

SECTION 5.9. Liens. The City may not, directly or indirectly, create, incur, assume or suffer to exist any mortgage, pledge, lien, charge, encumbrance or claim on or with respect to the Leased Property, other than as herein contemplated and except for such encumbrances as the City certifies in writing to the Trustee do not materially and adversely affect the leasehold estate of the City in the Leased Property hereunder. If any such mortgage, pledge, lien, charge, encumbrance or claim does materially and adversely affect the leasehold estate of the City in the Leased Property hereunder, the City will promptly, at its own expense, take such action as may be necessary to duly discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim, for which it is responsible; provided that the City is not required to do so prior to the time when such mortgage, pledge, lien, charge, encumbrance or claim actually causes such material adverse effect. The City will reimburse the Authority for any expense incurred by it in order to discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim.

SECTION 5.10. Advances. If the City fails to perform any of its obligations under this Article V, the Authority may (but is not required to) take such action as it deems necessary to cure such failure, including the advancement of money, and the City shall repay all such advances as Additional Rental Payments hereunder, with interest at the rate set forth in Section 4.3(c).
ARTICLE VI

DAMAGE, DESTRUCTION AND EMINENT DOMAIN; USE OF NET PROCEEDS

SECTION 6.1. Application of Net Proceeds. The Trustee, as assignee of the Authority under the Assignment Agreement, has the right to receive all Net Proceeds. As provided in the Indenture, the Trustee will deposit all Net Proceeds in the Insurance and Condemnation Fund to be applied as set forth in Section 5.07 of the Indenture.

SECTION 6.2. Termination or Abatement Due to Eminent Domain. If the Leased Property is taken permanently under the power of eminent domain or sold to a government threatening to exercise the power of eminent domain, the Term of this Lease thereupon ceases as of the day possession is taken. If less than all of the Leased Property is taken permanently, or if the Leased Property is taken temporarily, under the power of eminent domain, then:

(a) this Lease shall continue in full force and effect with respect thereto and does not terminate by virtue of such taking, and the parties waive the benefit of any law to the contrary; and

(b) the Lease Payments are subject to abatement in an amount determined by the City such that the resulting Lease Payments represent fair consideration for the use and occupancy of the remaining usable portions of the Leased Property.

SECTION 6.3. Abatement Due to Damage or Destruction. The Lease Payments are subject to abatement during any period in which by reason of damage or destruction (other than by eminent domain which is hereinbefore provided for) there is substantial interference with the use and occupancy by the City of the Leased Property or any portion thereof. The Lease Payments are subject to abatement in an amount determined by the City such that the resulting Lease Payments represent fair consideration for the use and occupancy of the remaining usable portions of the Leased Property not damaged or destroyed. Such abatement will continue for the period commencing with such damage or destruction and ending with the substantial completion of the work of repair or reconstruction. In the event of any such damage or destruction, this Lease continues in full force and effect and the City waives any right to terminate this Lease by virtue of any such damage and destruction. Notwithstanding the foregoing, there shall be no abatement of Lease Payments under this Section 6.3 to the extent that the proceeds of hazard insurance, rental interruption insurance, capitalized interest or amounts received from the Successor Agency under the Reimbursement Agreement are available to pay Lease Payments which would otherwise be abated under this Section 6.3. It being hereby declared that such proceeds and amounts constitute a special fund for the payment of the Lease Payments.
ARTICLE VII

OTHER COVENANTS OF THE CITY

SECTION 7.1. Disclaimer of Warranties. THE AUTHORITY AND THE TRUSTEE MAKE NO AGREEMENT, WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR FITNESS FOR THE USE CONTEMPLATED BY THE CITY OF THE LEASED PROPERTY OR ANY PORTION THEREOF, OR ANY OTHER REPRESENTATION OR WARRANTY WITH RESPECT TO THE LEASED PROPERTY OR ANY PORTION THEREOF. THE CITY ACKNOWLEDGES THAT THE AUTHORITY IS NOT A MANUFACTURER OF ANY PORTION OF THE LEASED PROPERTY OR A DEALER THEREIN, THAT THE CITY LEASES THE LEASED PROPERTY AS-IS, IT BEING AGREED THAT ALL OF THE AFOREMENTIONED RISKS ARE TO BE BORNE BY THE CITY. The Authority has no liability for incidental, indirect, special or consequential damages, in connection with or arising out of this Lease for the existence, furnishing, functioning or use of the Leased Property by the City.

SECTION 7.2. Access to the Leased Property. The City agrees that the Authority and any Authorized Representative of the Authority, and the Authority’s successors or assigns, have the right at all reasonable times to enter upon and to examine and inspect the Leased Property or any part thereof. The City further agrees that the Authority, any Authority Representative and the Authority’s successors or assigns may have such rights of access to the Leased Property or any component thereof as reasonably necessary to cause the proper maintenance of the Leased Property if the City fails to perform its obligations hereunder; provided, however, that neither the Authority nor any of its assigns has any obligation to cause such proper maintenance.

SECTION 7.3. Release and Indemnification Covenants. The City agrees to indemnify the Authority, the Trustee and their respective officers, agents, successors and assigns, against all claims, losses and damages, including legal fees and expenses, arising out of any of the following:

(a) the use, maintenance, condition or management of, or from any work or thing done on the Leased Property by the City,

(b) any breach or default on the part of the City in the performance of any of its obligations under this Lease,

(c) any negligence or willful misconduct of the City or of any of its agents, contractors, servants, employees or licensees with respect to the Leased Property,

(d) any intentional misconduct or negligence of any sublessee of the City with respect to the Leased Property,
(e) the acquisition, construction, improvement and equipping of the Leased Property, or the authorization of payment of the costs thereof, or

(f) the acceptance and performance of the duties of the Trustee under the Indenture, the Assignment Agreement and under this Lease.

No indemnification is made under this Section or elsewhere in this Lease for willful misconduct or negligence under this Lease by the Authority, the Trustee or their respective officers, agents, employees, successors or assigns.

SECTION 7.4. Assignment and Subleasing by the City. The City may sublease the Leased Property, or any portion thereof, subject to all of the following conditions:

(a) this Lease and the obligation of the City to make Lease Payments hereunder must remain obligations of the City, as certified in writing by the City;

(b) the City must, within 30 days after the delivery thereof, furnish or cause to be furnished to the Authority and the Trustee a true and complete copy of such sublease;

(c) no such sublease by the City may cause the Leased Property to be used for a purpose which is not authorized under the provisions of the laws of the State of California, as certified in writing by the City; and

(d) the City must furnish to the Authority and the Trustee a written opinion of Bond Counsel stating that such sublease does not cause the interest on the Bonds to become included in gross income for purposes of federal income taxation or to become subject to personal income taxation by the State of California.

SECTION 7.5. Amendment Hereof. The Authority and the City may at any time amend or modify any of the provisions of this Lease, but only: (a) with the prior written consents of the Owners of a majority in aggregate principal amount of the Outstanding Bonds; or (b) without the consent of the Trustee or any of the Bond Owners, but only if such amendment or modification is for any one or more of the following purposes:

(i) to add to the covenants and agreements of the City contained in this Lease, other covenants and agreements thereafter to be observed, or to limit or surrender any rights or power herein reserved to or conferred upon the City;

(ii) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained herein, to conform to the original intention of the City and the Authority;
(iii) to modify, amend or supplement this Lease in such manner as to assure that the interest on the Bonds remains excluded from gross income under the Tax Code;

(iv) to amend the description of the Leased Property to reflect accurately the property originally intended to be included therein, or in connection with any substitution or release of property under Sections 3.2 or 3.3;

(v) to obligate the City to pay additional amounts of rental for the use and occupancy of the Leased Property, but only if (A) such additional amounts of rental are pledged or assigned for the payment of any bonds, notes, leases or other obligations the proceeds of which are applied to finance or refinance the acquisition or construction of any real or personal property for which the City is authorized to expend funds subject to its control, (B) the City has obtained and filed with the Trustee an appraisal showing that the appraised value of the Leased Property is at least equal to the aggregate principal amount of the Outstanding Bonds and all such other bonds, notes, leases or other obligations, and (C) the City has filed with the Trustee written evidence that the amendments made under this clause (v) will not of themselves cause a reduction or withdrawal of any rating then assigned to the Bonds; or

(vi) in any other respect whatsoever as the Authority and the City deem necessary or desirable, if in the opinion of Bond Counsel such modifications or amendments do not materially adversely affect the interests of the Owners of the Bonds.

No such modification or amendment may (a) extend or have the effect of extending any Lease Payment Date or reducing any Lease Payment or any premium payable upon the prepayment thereof, without the express consent of the Owners of the affected Bonds, or (b) modify any of the rights or obligations of the Trustee without its written assent thereto. If the Trustee’s consent to such modification or amendment is required, the Trustee shall be entitled to the same documents as it would be entitled to under Article IX of the Indenture for such type of modification or amendment.

SECTION 7.6. Tax Covenants.

(a) Private Business Use Limitation. The City shall assure that the proceeds of the Bonds are not used in a manner which would cause the Bonds to satisfy the private business tests of Section 141(b) of the Tax Code or the private loan financing test of Section 141(c) of the Tax Code.

(b) Federal Guarantee Prohibition. The City may not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Tax Code.

(c) No Arbitrage. The City may not take, or permit or suffer to be taken by the Trustee or otherwise, any action with respect to the proceeds of the Bonds or of any other obligations which, if such action had been reasonably expected to have been taken, or
had been deliberately and intentionally taken, on the Closing Date, would have caused the Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Tax Code.

(d) **Maintenance of Tax Exemption.** The City shall take all actions necessary to assure the exclusion of interest on the Bonds from the gross income of the Owners of the Bonds to the same extent as such interest is permitted to be excluded from gross income under the Tax Code as in effect on the Closing Date.

(e) **Rebate of Excess Investment Earnings to United States.** The City shall calculate or cause to be calculated the Excess Investment Earnings in all respects at the times and in the manner required under the Tax Code. The City shall pay the full amount of Excess Investment Earnings to the United States of America in such amounts, at such times and in such manner as may be required under the Tax Code. Such payments shall be made by the City from any source of legally available funds of the City, and shall constitute Additional Rental Payments hereunder.

The City shall keep or cause to be kept, and retain or cause to be retained for a period of six years following the retirement of the Bonds, records of the determinations made under this subsection (e). In order to provide for the administration of this subsection (e), the City may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the City may deem appropriate. The Trustee has no duty or obligation to monitor or enforce compliance by the City of any of the requirements under this subsection (e).

SECTION 7.7. **Continuing Disclosure.** The City shall comply with and carry out all of the provisions of the Continuing Disclosure Certificate executed by the City as of the Closing Date, as originally executed and as it may be amended from time to time in accordance with its terms. Notwithstanding any other provision of this Lease, failure of the City to comply with such Continuing Disclosure Certificate will not constitute an Event of Default, although any Participating Underwriter (as that term is defined in such Continuing Disclosure Certificate) or any Owner or beneficial owner of the Bonds may take such actions as may be necessary and appropriate to compel performance by the City of its obligations under this Section, including seeking mandate or specific performance by court order.
ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES

SECTION 8.1. Events of Default Defined. Any one or more of the following events constitute an Event of Default hereunder:

(a) Failure by the City to pay any Lease Payment or other payment required to be paid hereunder at the time specified herein.

(b) Failure by the City to observe and perform any covenant, condition or agreement on its part to be observed or performed, other than as referred to in the preceding subsection (a), for a period of 30 days after written notice specifying such failure and requesting that it be remedied has been given to the City by the Authority or the Trustee. If in the reasonable opinion of the City the failure stated in the notice can be corrected, but not within such 30-day period, the failure will not constitute an Event of Default if the City commences to cure the failure within such 30-day period and thereafter diligently and in good faith cures the failure in a reasonable period of time, such period of time not to be longer than 180 days after the delivery of such default notice.

(c) The filing by the City of a voluntary petition in bankruptcy, or failure by the City promptly to lift any execution, garnishment or attachment, or adjudication of the City as a bankrupt, or assignment by the City for the benefit of creditors, or the entry by the City into an agreement of composition with creditors, or the approval by a court of competent jurisdiction of a petition applicable to the City in any proceedings instituted under the provisions of the Federal Bankruptcy Code, as amended, or under any similar acts which may hereafter be enacted.

SECTION 8.2. Remedies on Default. Whenever any Event of Default has happened and is continuing, the Authority may exercise any and all remedies available under law or granted under this Lease. Notwithstanding anything herein or in the Indenture to the contrary, neither the Authority nor the Trustee may accelerate the Lease Payments or otherwise declare any Lease Payments not then in default to be immediately due and payable. Each covenant hereof to be kept and performed by the City is expressly made a condition and upon the breach thereof the Authority may exercise any and all rights granted hereunder; except that no termination of this Lease may be effected either by operation of law or acts of the parties hereto, except only in the manner herein expressly provided. Upon the occurrence and during the continuance of any Event of Default, the Authority may exercise each and every one of the following remedies, subject in all respects to the limitations set forth in Section 8.3.

(a) Enforcement of Payments Without Termination. If the Authority does not elect to terminate this Lease in the manner hereinafter provided for in subparagraph (b) hereof, the City agrees to and shall remain liable for the payment of all Lease Payments and the performance of all conditions herein contained and shall reimburse the Authority for any deficiency arising out of the re-leasing of the Leased Property,
or, if the Authority is unable to re-lease the Leased Property, then for the full amount of all Lease Payments to the end of the Term of this Lease, but said Lease Payments and/or deficiency shall be payable only at the same time and in the same manner as hereinabove provided for the payment of Lease Payments hereunder, notwithstanding such entry or re-entry by the Authority or any suit in unlawful detainer, or otherwise, brought by the Authority for the purpose of effecting such re-entry or obtaining possession of the Leased Property or the exercise of any other remedy by the Authority. The City hereby irrevocably appoints the Authority as the agent and attorney-in-fact of the City to enter upon and re-lease the Leased Property upon the occurrence and continuation of an Event of Default and to remove all personal property whatsoever situated upon the Leased Property, to place the Leased Property in storage or other suitable place in the County of San Joaquin for the account of and at the expense of the City, and the City hereby exempts and agrees to save harmless the Authority from any costs, loss or damage whatsoever arising or occasioned by any such entry upon and re-leasing of the Leased Property and the removal and storage of the Leased Property by the Authority or its duly authorized agents in accordance with the provisions herein contained. The City agrees that the terms of this Lease constitute full and sufficient notice of the right of the Authority to re-lease the Leased Property in the event of such re-entry without effecting a surrender of this Lease, and further agrees that no acts of the Authority in effecting such re-leasing shall constitute a surrender or termination of this Lease irrespective of the term for which such re-leasing is made or the terms and conditions of such re-leasing, or otherwise, but that, on the contrary, in the event of such default by the City the right to terminate this Lease shall vest in the Authority to be effected in the sole and exclusive manner hereinafter provided for in subparagraph (b) hereof. The City agrees to surrender and quit possession of the Leased Property upon demand of the Authority for the purpose of enabling the Leased Property to be re-let under this paragraph, and the City further waives the right to any rental obtained by the Authority in excess of the Lease Payments and hereby conveys and releases such excess to the Authority as compensation to the Authority for its services in re-leasing the Leased Property.

(b) Termination of Lease. If an Event of Default occurs and is continuing hereunder, the Authority at its option may terminate this Lease and re-lease all or any portion of the Leased Property. If the Authority terminates this Lease at its option and in the manner hereinafter provided on account of default by the City (and notwithstanding any re-entry upon the Leased Property by the Authority in any manner whatsoever or the re-leasing of the Leased Property), the City nevertheless agrees to pay to the Authority all costs, loss or damages howsoever arising or occurring payable at the same time and in the same manner as is herein provided in the case of payment of Lease Payments and Additional Rental Payments. Any surplus received by the Authority from such re-leasing shall be deposited in the Bond
Fund. Neither notice to pay rent or to deliver up possession of the premises given under law nor any proceeding in unlawful detainer taken by the Authority shall of itself operate to terminate this Lease, and no termination of this Lease on account of default by the City shall be or become effective by operation of law, or otherwise, unless and until the Authority shall have given written notice to the City of the election on the part of the Authority to terminate this Lease. The City covenants and agrees that no surrender of the Leased Property, or of the remainder of the Term hereof or any termination of this Lease shall be valid in any manner or for any purpose whatsoever unless stated or accepted by the Authority by such written notice.

(c) **Proceedings at Law or In Equity.** If an Event of Default occurs and continues hereunder, the Authority may take whatever action at law or in equity may appear necessary or desirable to collect the amounts then due and thereafter to become due hereunder or to enforce any other of its rights hereunder.

**SECTION 8.3. No Remedy Exclusive.** No remedy herein conferred upon or reserved to the Authority is intended to be exclusive and every such remedy is cumulative and in addition to every other remedy given under this Lease or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon the occurrence of any Event of Default impairs any such right or power or operates as a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Authority to exercise any remedy reserved to it in this Article VIII it is not necessary to give any notice, other than as expressly required in this Article VIII or by law.

**SECTION 8.4. Agreement to Pay Attorneys’ Fees and Expenses.** If the Authority or the City defaults under any of the provisions of this Lease and the nondefaulting party employs attorneys or incurs other expenses for the collection of moneys or the enforcement or performance or observance of any obligation or agreement on the part of the defaulting party herein contained, the defaulting party will on demand therefor pay to the nondefaulting party the reasonable fees of such attorneys and such other expenses so incurred by the nondefaulting party; provided, however, that the Trustee shall not be required to expend its own funds for any payment described in this Section.

**SECTION 8.5. No Additional Waiver Implied by One Waiver.** If the Authority or the City breaches any agreement in this Lease and thereafter the other party waives the breach, such waiver is limited to the particular breach so waived and does not operate to waive any other breach hereunder.

**SECTION 8.6. Application of Proceeds.** All net proceeds received from the re-lease of the Leased Property under this Article VIII, and all other amounts derived by the Authority or the Trustee as a result of the occurrence of an Event of Default, must be paid to and applied by the Trustee in accordance with Section 7.03 of the Indenture.

**SECTION 8.7. Trustee and Bond Owners to Exercise Rights.** Such rights and remedies as are given to the Authority under this Article VIII have been assigned by the Authority to the Trustee under the Assignment Agreement for the benefit of the Bond
Owners, to which assignment the City hereby consents. The Trustee and the Bond Owners shall exercise such rights and remedies in accordance with the Indenture.

ARTICLE IX

PREPAYMENT OF LEASE PAYMENTS

SECTION 9.1. Security Deposit. Notwithstanding any other provision of this Lease, the City may on any date secure the payment of the Lease Payments allocable to the Leased Property in whole or in part by depositing with the Trustee an amount of cash which, together with other available amounts on deposit in the funds and accounts established under the Indenture, is either:

(a) sufficient to pay such Lease Payments, including the principal and interest components thereof, in accordance with the Lease Payment schedule set forth in Appendix B, or

(b) invested in whole or in part in non-callable Federal Securities in such amount as will, in the opinion of an independent certified public accountant, (which opinion must be addressed and delivered to the Trustee), together with interest to accrue thereon and together with any cash which is so deposited, be fully sufficient to pay such Lease Payments when due under Section 4.3(a), as the City instructs at the time of said deposit.

If the City makes a security deposit under this Section with respect to all unpaid Lease Payments, and notwithstanding the provisions of Section 4.2, (a) the Term of this Lease will continue, (b) all obligations of the City under this Lease, and all security provided by this Lease for said Lease Payments, will thereupon cease and terminate, excepting only the obligation of the City to make, or cause to be made all of said Lease Payments from such security deposit, and (c) under Section 4.7, title to the Leased Property will vest in the City on the date of said deposit automatically and without further action by the City or the Authority. Said security deposit constitutes a special fund for the payment of Lease Payments in accordance with the provisions of this Lease.

SECTION 9.2. Optional Prepayment. The City has the option to prepay the principal components of the Lease Payments in whole, or in part in any integral multiple of $5,000, from any source of legally available funds, on any date on or after __________ 1, 20__, at a prepayment price equal to the aggregate principal components of the Lease Payments to be prepaid, together with the interest component of the Lease Payment required to be paid on such Interest Payment Date, and together with a prepayment premium equal to the premium (if any) required to be paid on the resulting redemption of Bonds under Section 4.01(a) of the Indenture. Such prepayment price shall be deposited by the Trustee in the Redemption Fund to be applied to the redemption of Bonds under Section 4.01(a) of the Indenture. The City shall give 10 days’ written notice to the Trustee of its intention to prepay the Lease Payments under this Section.

SECTION 9.3. Mandatory Prepayment From Net Proceeds of Insurance or Eminent Domain. The City shall prepay the principal components of the Lease Payments allocable
to the Leased Property in whole or in part on any date, from and to the extent of any Net Proceeds of insurance award or eminent domain award with respect to the Leased Property theretofore deposited in the Redemption Fund for that purpose under Article VI hereof and Section 5.07 of the Indenture. Such Net Proceeds, to the extent remaining after payment of any delinquent Lease Payments, will be credited towards the City’s obligations under this Section and applied to the corresponding redemption of Bonds under Section 4.01(b) of the Indenture.

SECTION 9.4. Credit for Amounts on Deposit. If the principal components of the Lease Payments are prepaid in full under this Article IX, such that the Indenture is discharged by its terms as a result of such prepayment, at the written election of the City filed with the Trustee any or all amounts then on deposit in the Bond Fund (and the accounts therein) will be credited towards the amounts then required to be so prepaid.

ARTICLE X

SITE AND FACILITY LEASE

This SITE AND FACILITY LEASE (this “Site Lease”), dated for convenience as of __________ 1, 2020, is between the CITY OF TRACY, a general law city and municipal corporation duly organized and existing under the Constitution and laws of the State of California, as lessor (the “City”), and the TRACY OPERATING PARTNERSHIP JOINT POWERS AUTHORITY, a joint powers authority duly organized and existing under and by virtue of the laws of the State of California, as lessee (the “Authority”).

BACKGROUND:

1. The Authority previously entered into an Indenture dated as of October 1, 2007 (the “2007 Indenture”), with The Bank of New York Mellon Trust Company, N.A., as successor trustee (the “2007 Trustee”), under which the Authority issued the $2,690,000 aggregate principal amount of 2007 Lease Revenue Bonds, Series A (Fire Station Project) (the “2007A Bonds”) and the $1,980,000 aggregate principal amount of 2007 Lease Revenue Bonds, Series B (1995 COPs Refunding) (the “2007B Bonds,” together with the 2007A Bonds, the “2007 Bonds”).

2. The 2007 Bonds are payable from lease payments (the “2007 Lease Payments”) payable by the City to the Authority pursuant to a Property Lease, dated as of October 1, 2007 (the “2007 Lease”), by and between the City and the Authority.

3. The Authority assigned its right to receive the 2007 Lease Payments to the 2007 Trustee under the 2007 Indenture.

4. The Authority wishes to prepay the 2007 Lease Payments and redeem the 2007 Bonds.

5. To that end, the City has proposed to lease to the Authority certain real property and improvements, as more particularly described in Appendix A attached hereto and by this
reference incorporated herein (the “Leased Property”), under this Site Lease, in consideration of
the payment by the Authority of an upfront rental payment (the “Site Lease Payment”) which is
sufficient to provide funds for the redemption of the 2007 Bonds.

6. The Authority has authorized the issuance of its Tracy Operating Partnership Joint
Powers Authority 2020 Lease Revenue Refunding Bonds (2007 and 2008 Refinancing) in the
aggregate principal amount of $___________ (the “Bonds”) under an Indenture of Trust dated
as of ________ 1, 2020 (the “Indenture”), between the Authority and U.S. Bank, National
Association., as trustee (the “Trustee”), for the purpose, among other things, of providing the
funds to enable the Authority to pay the Site Lease Payment to the City in accordance with this
Site Lease.

7. In order to provide revenues which are sufficient to enable the Authority to pay debt
service on the Bonds, the Authority has agreed to lease the Leased Property back to the City
under a Lease Agreement dated as of ________ 1, 2020 (the “Lease”), a memorandum of
which has been recorded concurrently herewith, under which the City has agreed to pay
semiannual Lease Payments as the rental for the Leased Property thereunder.

8. The lease payments made by the City under the Lease have been assigned by the
Authority to the Trustee for the security of the Bonds under an Assignment Agreement dated as
of ________ 1, 2020, between the Authority as assignor and the Trustee as assignee, which
has been recorded concurrently herewith.

AGREEMENT:

In consideration of the above premises and of the mutual promises and covenants herein
contained and for other valuable consideration, the parties hereto do hereby agree as follows:

[TO COME]
AMENDED AND RESTATED SITES AND FACILITIES LEASE

This AMENDED AND RESTATED SITES AND FACILITIES LEASE (this “Site Lease”), dated for convenience as of __________ 1, 2020, is between the CITY OF TRACY, a general law city and municipal corporation duly organized and existing under the Constitution and laws of the State of California, as lessor (the “City”), and the TRACY OPERATING PARTNERSHIP JOINT POWERS AUTHORITY, a joint powers authority duly organized and existing under and by virtue of the laws of the State of California, as lessee (the “Authority”).

BACKGROUND:

1. The Authority previously entered into an Indenture dated as of December 1, 2008 (the “2008 Indenture”), with The Bank of New York Mellon Trust Company, N.A., as trustee (the “2008 Trustee”), under which the Authority issued $19,765,000 aggregate principal amount of 2008 Lease Revenue Bonds (Refunding and Capital Improvement Projects) (the “2008 Bonds”).

2. The 2008 Bonds were payable from lease payments (the “2008 Lease Payments”) payable by the City to the Authority pursuant to a Property Lease, dated as of December 1, 2008 (the “2008 Lease”), by and between the City and the Authority. The 2008 Lease was recorded in the San Joaquin County real property records as Document No. ____ on ____, 2008.

3. The City had leased the property leased under the 2008 Lease to the Authority pursuant to a Sites and Facilities Lease, dated as of December 1, 2008 (the “2008 Sites and Facilities Lease”), which 2008 Sites and Facilities Lease was recorded in the San Joaquin County real property records as Document No. ____ on ____, 2008.

4. The Authority assigned its right to receive the 2008 Lease Payments to the 2008 Trustee under the 2008 Indenture.
5. The Authority wishes to prepay the 2008 Lease Payments and redeem the 2008 Bonds.

6. To that end, the City has proposed to lease to the Authority certain real property and improvements, as more particularly described in Appendix A attached hereto and by this reference incorporated herein (the "Leased Property"), under this Site Lease, in consideration of the payment by the Authority of an upfront rental payment (the "Site Lease Payment") which is sufficient to provide funds for the redemption of the 2008 Bonds.

7. The Authority has authorized the issuance of its Tracy Operating Partnership Joint Powers Authority 2020 Lease Revenue Refunding Bonds (2007 and 2008 Refinancing) in the aggregate principal amount of $___________ (the "Bonds") under an Indenture of Trust dated as of ________ 1, 2020 (the "Indenture"), between the Authority and U.S. Bank, National Association, as trustee (the "Trustee"), for the purpose, among other things, of providing the funds to enable the Authority to pay the Site Lease Payment to the City in accordance with this Site Lease.

8. In order to provide revenues which are sufficient to enable the Authority to pay debt service on the Bonds, the Authority has agreed to lease the Leased Property back to the City under an Amended and Restated Property Lease dated as of ________ 1, 2020 (the "Lease"), a memorandum of which has been recorded concurrently herewith, under which the City has agreed to pay semiannual Lease Payments as the rental for the Leased Property thereunder.

9. The lease payments made by the City under the Lease have been assigned by the Authority to the Trustee for the security of the Bonds under an Assignment Agreement dated as of ________ 1, 2020, between the Authority as assignor and the Trustee as assignee, which has been recorded concurrently herewith.

The Authority and the City hereby find and determine that the total amount of the Site Lease Payment does not exceed the fair market value of the leasehold interest in the Leased Property which is conveyed hereunder by the City to the Authority. No other amount of rental is due and payable by the Authority for the use and occupancy of the Leased Property under this Site Lease.

As provided in the Indenture, a portion of the proceeds of the Bonds will be applied to make the Site Lease Payment by depositing the full amount thereof with the Prior Trustee to be held, invested and administered in accordance with the Escrow Agreement for the purpose of discharging the City’s obligations with respect to the 2008 Bonds.

SECTION 10. Default. If the Authority defaults in the performance of any obligation on its part to be performed under the terms of this Site Lease, which default continues for 30 days following notice and demand for correction thereof to the Authority, the City may exercise any and all remedies granted by law, except that no merger of this Site Lease and of the Lease shall be deemed to occur as a result thereof and no such remedy may include termination hereof; provided, however, that so long as the Lease remains in effect, the Lease Payments payable by the City under the Lease shall continue to be paid to the Trustee.

SECTION 11. Quiet Enjoyment. The Authority at all times during the term of this Site Lease shall peaceably and quietly have, hold and enjoy all of the Leased Property, subject to the
provisions of the Lease and subject only to Permitted Encumbrances (as that term is defined in
the Lease).

SECTION 12. Waiver of Personal Liability. All liabilities under this Site Lease on the part of
the Authority are solely corporate liabilities of the Authority as a public entity, and the City
hereby releases each and every member and officer of the Authority of and from any personal or

upon the Leased Property and any improvements thereon.

improvements thereon is taken by eminent domain proceedings, the interest of the Authority shall
be recognized and is hereby determined to be the amount of the then unpaid Lease Payments
payable under the Lease and the balance of the award, if any, shall be paid to the City.

conditions of this Site Lease shall to any extent be declared invalid, unenforceable, void or
voidable for any reason whatsoever by a court of competent jurisdiction, the finding or order or
decree of which becomes final, none of the remaining terms, provisions, covenants and conditions
of this Site Lease shall be affected thereby, and each provision of this Site Lease shall be valid
and enforceable to the fullest extent permitted by law.

The City and the Authority acknowledge and agree that: (i) the purchase and sale of the Bonds pursuant to this Purchase Agreement is an arm’s-length commercial transaction between the City and the Authority, on one hand, and the Underwriter, on the other; (ii) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriter is and has been acting solely as principal and is not acting as a Municipal Advisor (as defined in Section 15B of The Securities Exchange Act of
1934, as amended); (iii) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the City or Authority with respect to the offering contemplated hereby or the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriter has provided other services or is currently providing other services to the City or Authority on other matters); (iv) the Underwriter has financial and other interests that differ from those of the City and the Authority; and (v) the City and Authority have consulted their own legal, financial and other advisors to the extent they have deemed appropriate.

(b) The Underwriter agrees to assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit B, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the City and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds. All actions to be taken by the City under this section to establish the issue price of the Bonds may be taken on behalf of the City by CSG Advisors Incorporated (the “Municipal Advisor”) and any notice or report to be provided to the City may be provided to the Municipal Advisor.

(c) [Except as otherwise set forth in Exhibit A,] the City will treat the first price at which 10% of each maturity of the Bonds (the “10% test”) is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test). At or promptly after the execution of this Purchase Agreement, the Underwriter shall report to the City the price or prices at which it has sold to the public each maturity of the Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Bonds, the Underwriter agrees to promptly report to the City the prices at which it sells the unsold Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Bonds of that maturity or until all Bonds of that maturity have been sold to the public.

(d) [The Underwriter confirms that it has offered the Bonds to the public on or before the date of this Purchase Agreement at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in Exhibit A, except as otherwise set forth therein.] Exhibit A also sets forth, identified under the column “Hold the Offering Price Rule Used,” as of the date of this Purchase Agreement, the maturities, if any, of the Bonds for which the 10% test has not been satisfied and for which the City and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the City to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(i) the close of the fifth (5th) business day after the sale date; or

(ii) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.
The Underwriter shall promptly advise the City when it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

(e) The Underwriter confirms that any selling group agreement and any retail distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such retail distribution agreement, as applicable, to: (1) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the Underwriter that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public; and (2) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the Underwriter. The City acknowledges that, in making the representation set forth in this subsection, the Underwriter will rely on: (A) in the event that a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, if applicable, as set forth in a selling group agreement and the related pricing wires; and (B) in the event that a retail distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, if applicable, as set forth in the retail distribution agreement and the related pricing wires. The City further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement, to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Bonds.

(f) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) “public” means any person other than an underwriter or a related party;

(ii) “underwriter” means: (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public; and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public);

(iii) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to: (A) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another); (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another); or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other)]
Section 4. The Official Statement. By its acceptance of this proposal, the Authority and the City ratify, confirm and approve of the use and distribution by the Underwriter prior to the date hereof of the amended and restated preliminary official statement relating to the Bonds dated _____, 2020 (including the cover page, all appendices and all information incorporated therein and any supplements or amendments thereto and as disseminated in its printed physical form or in electronic form in all respects materially consistent with such physical form, the “Preliminary Official Statement”) that authorized officers of the City deemed “final” as of its date, for purposes of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended (“Rule 15c2-12”), except for certain information permitted to be omitted therefrom by Rule 15c2-12. The Authority and the City hereby agree to deliver or cause to be delivered to the Underwriter, within seven business days of the date hereof, copies of the final official statement, dated the date hereof, relating to the Bonds (including all information previously permitted to have been omitted by Rule 15c2-12), including the cover page, all appendices, all information incorporated therein and any amendments or supplements as have been approved by the Authority, the City and the Underwriter (the “Official Statement”) in such quantity as the Underwriter shall reasonably request to comply with Section (b)(4) of Rule 15c2-12 and the rules of the Municipal Securities Rulemaking Board (the “MSRB”).

The Underwriter hereby agrees that it will not request that payment be made by any purchaser of the Bonds prior to delivery by the Underwriter to the purchaser of a copy of the Official Statement. The Underwriter agrees: (i) to provide the Authority and the City with final pricing information on the Bonds on a timely basis; and (ii) to promptly file a copy of the Official Statement, including any supplements prepared by the Authority or the City with the MSRB at http://emma.msrb.org. The Authority and the City hereby approve of the use and distribution by the Underwriter of the Preliminary Official Statement in connection with the offer and sale of the Bonds. The Authority and the City will cooperate with the Underwriter in the filing by the Underwriter of the Official Statement with the MSRB.

Section 5. Closing. At [8:30 a.m.], Pacific Standard Time, on _____, 2020, or at such other time or date as the Authority and the Underwriter agree upon (the “Closing Date”), the Authority shall deliver or cause to be delivered to the Trustee, the Bonds, in definitive form, registered in the name of Cede & Co., as the nominee of The Depository Trust Company (“DTC”), so that the Bonds may be authenticated by the Trustee and credited to the account specified by the Underwriter under DTC’s FAST procedures. Concurrently with the delivery of the Bonds, the Authority and the City will deliver the documents hereinafter mentioned at the offices of Jones Hall, A Professional Law Corporation, San Francisco, California (“Bond Counsel”), or another place to be mutually agreed upon by the Authority, the City and the Underwriter. The Underwriter will accept such delivery and pay the purchase price of the Bonds as set forth in Section 1 hereof by wire transfer in immediately available funds. This payment for and delivery of the Bonds, together with the delivery of the aforementioned documents, is herein called the “Closing.”

The Bonds shall be registered in the name of Cede & Co., as nominee of DTC in denominations of five thousand dollars ($5,000) or any integral multiple thereof. The Authority and the City acknowledge that the services of DTC will be used initially by the Underwriter in order to permit the issuance of the Bonds in book-entry form, and agree to cooperate fully with the Underwriter in employing such services.
Section 6. Representations, Warranties and Covenants of the Authority. The Authority represents, warrants and covenants to the Underwriter and the City that:

(a) The Authority is a public body, duly organized and existing under the Constitution and laws of the State of California (the “State”), including Articles 1, 2 and 4 of Chapter 5 of Division 7 of Title 1 of the Government Code of the State of California (the “JPA Act”) and the Joint Exercise of Powers Agreement, dated as of October 15, 1995 (the “JPA Agreement”), between the City and the former City of Tracy Community Development Agency.

(b) The Authority has full legal right, power and authority to adopt or enter into, as the case may be, and to carry out and consummate the transactions on its part contemplated by the Authority Documents.

(c) By all necessary official action, the Authority has duly authorized and approved the Authority Documents, has duly authorized and approved the Preliminary Official Statement, will, by execution thereof, duly authorize and approve the Official Statement, and has duly authorized and approved the execution and delivery of, and the performance by the Authority of the obligations on its part contained in, the Authority Documents and the consummation by it of all other transactions contemplated by the Authority Documents in connection with the issuance of the Bonds. As of the date hereof, such authorizations and approvals are in full force and effect and have not been amended, modified or rescinded. When executed and delivered, and assuming due execution and delivery by the other parties thereto, if applicable, the Authority Documents will constitute the legally valid and binding obligations of the Authority enforceable in accordance with their respective terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws or equitable principles relating to or affecting creditors’ rights generally, or by the exercise of judicial discretion and the limitations on legal remedies against joint powers authorities in the State. The Authority has complied, and will at the Closing be in compliance in all material respects, with the terms of the Authority Documents.

(d) The Authority is not in any material respect in breach of or default under any applicable constitutional provision, law or administrative regulation of any state or of the United States, or any agency or instrumentality of either, or any applicable judgment or decree, or any loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the Authority is a party which breach or default has or may have a materially adverse effect on the ability of the Authority to perform its obligations under the Authority Documents, and no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute such a default or event of default under any such instrument; and the adoption, execution and delivery of the Authority Documents, if applicable, and compliance with the provisions on the Authority’s part contained therein, will not conflict in any material way with or constitute a material breach of or a material default under any constitutional provision, law, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the Authority is a party, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the Authority or under the terms of any such law, regulation or instrument, except as may be provided by the Authority Documents.

(e) All material authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matter which are required for the due authorization by, or which would constitute a condition
precedent to or the absence of which would materially adversely affect the due performance by the Authority of its obligations in connection with the Authority Documents have been duly obtained or, when required for future performance, are expected to be obtained, other than such approvals, consents and orders as may be required under the Blue Sky or securities laws of any state in connection with the offering and sale of the Bonds; except as described in or contemplated by the Preliminary Official Statement and the Official Statement, all authorizations, approvals, licenses, permits, consents and orders of any governmental authority, board, agency or commission having jurisdiction of the matter which are required for the due authorization by, or which would constitute a condition precedent to or the absence of which would materially adversely affect the due performance by, the Authority of its obligations under the Authority Documents have been duly obtained.

(f) The Authority hereby agrees that it will notify the other parties hereto if, within the period from the date of this Purchase Agreement to and including the date twenty-five (25) days following the end of the underwriting period (as defined herein), the Authority discovers any pre-existing or subsequent fact or becomes aware of the occurrence of any event, in any such case, which might cause the Official Statement (as the same may have then been supplemented or amended) to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(g) As of the time of acceptance hereof and the Closing, except as disclosed in the Official Statement, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental authority, public board or body, pending, with service of process upon the Authority having been accomplished, or threatened in writing to the Authority: (i) in any way questioning the corporate existence of the Authority or the titles of the officers of the Authority to their respective offices; (ii) affecting, contesting or seeking to prohibit, restrain or enjoin the issuance or delivery of any of the Bonds, or the payment or collection of Lease Payments with respect to the Lease Agreements or any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, or in any way contesting or affecting the validity of the Bonds or the other Authority Documents or the consummation of the transactions contemplated thereby or hereby, or contesting the exclusion of the interest on the Bonds from taxation or contesting the powers of the Authority or its authority to issue the Bonds; (iii) which would be likely to result in any material adverse change relating to the business, operations or financial condition of the Authority; or (iv) contesting the completeness or accuracy of the Preliminary Official Statement or the Official Statement or any supplement or amendment thereto or asserting that the Preliminary Official Statement or the Official Statement contained any untrue statement of a material fact or omitted to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(h) To the Authority’s knowledge, there is no basis for any action, suit, proceeding, inquiry or investigation of the nature described in clauses (i) through (iv) of paragraph 6(g).

(i) The information in the Official Statement set forth under the caption “INTRODUCTION—The Authority” does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.
(j) The Authority will refrain from taking any action, or permitting any action to be taken, with regard to which the Authority may exercise control, that results in the loss of the tax-exempt status of the interest on the Bonds.

(k) The Authority will refrain from taking any action, or permitting any action to be taken, to reduce the amount of the Lease Payments while the Bonds are Outstanding, and the Authority will collect the Lease Payments in accordance with the Lease Agreements.

(l) Any certificate signed by any officer of the Authority authorized to execute such certificate in connection with the execution, sale and delivery of the Bonds and delivered to the Underwriter shall be deemed a representation and warranty of the Authority to the Underwriter and the City as to the statements made therein but not of the person signing such certificate.

Section 7. Representations, Warranties and Covenants of the City. The City represents, warrants and covenants to the Underwriter and the Authority that:

(a) The City is duly organized and validly existing as a municipal corporation under the Constitution and laws of the State.

(b) The City has full legal right, power and authority to adopt or enter into, as the case may be, and to carry out and consummate the transactions on its part contemplated by the City Documents.

(c) By all necessary official action, the City has duly authorized and approved the City Documents, has duly authorized and approved the Preliminary Official Statement and the Official Statement, and has duly authorized and approved the execution and delivery of, and the performance by the City of the obligations on its part contained in, the City Documents and the consummation by it of all other transactions contemplated by the City Documents in connection with the issuance of the Bonds. As of the date hereof, such authorizations and approvals are in full force and effect and have not been amended, modified or rescinded. When executed and delivered, and assuming due execution and delivery by the other parties thereto, if applicable, the City Documents will constitute the legally valid and binding obligations of the City enforceable in accordance with their respective terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws or equitable principles relating to or affecting creditors’ rights generally, or by the exercise of judicial discretion and the limitations on legal remedies against municipal corporations in the State. The City has complied, and will at the Closing be in compliance in all material respects, with the terms of the City Documents.

(d) The City is not in any material respect in breach of or default under any applicable constitutional provision, law or administrative regulation of any state or of the United States, or any agency or instrumentality of either, or any applicable judgment or decree, or any loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the City is a party which breach or default has or may have a materially adverse effect on the ability of the City to perform its obligations under the City Documents, and no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute such a default or event of default under any such instrument; and the adoption, execution and delivery of the City Documents, if applicable, and compliance with the provisions on the City’s part contained therein, will not conflict in any material way with or constitute a material breach of or a material default under any constitutional provision, law, administrative regulation, judgment, decree, loan agreement, indenture,
bond, note, resolution, agreement or other instrument to which the City is a party nor will any such 
execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or 
other security interest or encumbrance of any nature whatsoever upon any of the property or assets of 
the City or under the terms of any such law, regulation or instrument, except as may be provided by 
the City Documents.

(e) All material authorizations, approvals, licenses, permits, consents and orders 
of any governmental authority, legislative body, board, agency or commission having jurisdiction of 
the matter which are required for the due authorization by, or which would constitute a condition 
precedent to or the absence of which would materially adversely affect the due performance by the 
City of its obligations in connection with the City Documents have been duly obtained or, when 
required for future performance, are expected to be obtained, other than such approvals, consents and 
orders as may be required under the Blue Sky or securities laws of any state in connection with the 
offering and sale of the Bonds; except as described in or contemplated by the Preliminary Official 
Statement, all authorizations, approvals, licenses, permits, consents and orders of any governmental 
authority, board, agency or commission having jurisdiction of the matter which are required for the 
due authorization by, or which would constitute a condition precedent to or the absence of which 
would materially adversely affect the due performance by, the City of its obligations under the City 
Documents have been duly obtained.

(f) The Preliminary Official Statement was as of its date, and the Official 
Statement is, and at all times subsequent to the date of the Official Statement up to and including the 
Closing will be, true and correct in all material respects, and the Preliminary Official Statement and 
the Official Statement do not and will not contain and up to and including the Closing will not 
contain any untrue statement of a material fact or omit to state a material fact necessary to make the 
statements contained therein, in the light of the circumstances under which they were made, not 
misleading (except that this representation does not include statements in the Official Statement 
under the caption “UNDERWRITING” and information regarding DTC and its book-entry only 
system, as to which no view is expressed).

(g) The City will advise the Underwriter promptly of any proposal to amend or 
supplement the Official Statement. The City will advise the Underwriter promptly of the institution 
of any proceedings known to it by any governmental authority prohibiting or otherwise affecting the 
use of the Official Statement in connection with the offering, sale or distribution of the Bonds.

(h) As of the time of acceptance hereof and the Closing, except as disclosed in 
the Official Statement, there is no action, suit, proceeding, inquiry or investigation, at law or in 
equity, before or by any court, governmental authority, public board or body, pending, with service 
of process upon the City having been accomplished, or threatened in writing to the City: (i) in any 
way questioning the corporate existence of the City or the titles of the officers of the City to their 
respective offices; (ii) affecting, contesting or seeking to prohibit, restrain or enjoin the issuance or 
delivery of any of the Bonds, or the payment or collection of Lease Payments with respect to the 
Lease Agreements or of any amounts pledged or to be pledged to pay the principal of and interest on 
the Bonds, or in any way contesting or affecting the validity of the Bonds, or the City Documents or 
the consummation of the transactions contemplated thereby or hereby, or contesting the exclusion of 
the interest on the Bonds from taxation, or contesting the powers of the Authority to issue the Bonds; 
(iii) which would be likely to result in any material adverse change relating to the business, 
operations or financial condition of the City; and (iv) contesting the completeness or accuracy of the 
Preliminary Official Statement or the Official Statement or any supplement or amendment thereto or
asserting that the Preliminary Official Statement or the Official Statement contained any untrue statement of a material fact or omitted to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(i) To the City’s knowledge, there is no basis for any action, suit, proceeding, inquiry or investigation of the nature described in clauses (i) through (iv) of paragraph 7(h).

(j) Until the date which is twenty-five (25) days after the “end of the underwriting period” (as hereinafter defined), if any event shall occur of which the City is aware that would cause the Official Statement to contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements in the Official Statement, in light of the circumstances under which they were made, not misleading (except that this representation does not include information regarding DTC and its book entry only system, as to which no view is expressed), the City shall forthwith notify the Underwriter of any such event of which it has knowledge and shall cooperate fully in furnishing any information available to it for any supplement to the Official Statement necessary, in the Underwriter’s reasonable opinion, so that the statements therein as so supplemented will not be misleading in light of the circumstances existing at such time and the City shall promptly furnish to the Underwriter a reasonable number of copies of such supplement. As used herein, the term “end of the underwriting period” means the later of such time as: (i) the Authority delivers the Bonds to the Underwriter; or (ii) the Underwriter does not retain, directly or as a member of an underwriting syndicate, an unsold balance of the Bonds for sale to the public. Unless the Underwriter gives notice to the contrary, the “end of the underwriting period” shall be deemed to be the Closing Date. Any notice delivered pursuant to this provision shall be written notice delivered to the Underwriter at or prior to the Closing Date of the Bonds and shall specify a date (other than the Closing Date) to be deemed the “end of the underwriting period.”

(k) Except as disclosed in the Preliminary Official Statement and the Official Statement, the City has not within the last five years failed to comply in any material respect with any continuing disclosure undertakings with regard to Rule 15c2-12, to provide annual reports or notices of material events specified in such rule.

(l) The City will refrain from taking any action, or permitting any action to be taken, with regard to which the City may exercise control, that results in the loss of the tax-exempt status of the interest on the Bonds.

(m) The financial statements relating to the receipts, expenditures and cash balances of the City as of [June 30, 2018] attached as Appendix C to the Official Statement fairly represent the receipts, expenditures and cash balances of the City. Except as disclosed in the Official Statement or otherwise disclosed in writing to the Underwriter, there has not been any materially adverse change in the financial condition of the City or in its operations since [June 30, 2018] and there has been no occurrence, circumstance or combination thereof which is reasonably expected to result in any such materially adverse change.

(n) To the extent required by law, the City will undertake, pursuant to the Continuing Disclosure Certificate and the other City Documents, to provide annual reports and notices of certain events, if material. A description of this undertaking is set forth in Appendix E to the Preliminary Official Statement and will also be set forth in the Official Statement.
(o) Except in connection with the issuance of refunding bonds pursuant to the terms of the Indenture or as permitted under the Lease Agreements due to damage, destruction, or substantial interference with the use and occupancy by the City of the Leased Property or any portion thereof, the City will refrain from taking any action, or permitting any action to be taken, to reduce the amount of the Lease Payments while the Bonds are Outstanding, and the City will pay the Lease Payments in accordance with the Lease Agreements.

(p) Any certificate signed by any officer of the City authorized to execute such certificate in connection with the execution, sale and delivery of the Bonds and delivered to the Underwriter shall be deemed a representation and warranty of the City to the Underwriter and the Authority as to the statements made therein but not of the person signing such certificate.

Section 8. Conditions to the Obligations of the Underwriter. The Underwriter has entered into this Purchase Agreement in reliance upon the representations and warranties of the Authority and the City contained herein. The obligations of the Underwriter to accept delivery of and pay for the Bonds on the Closing Date shall be subject, at the option of the Underwriter, to the accuracy in all material respects of the statements of the officers and other officials of the Authority and of the City, as well as authorized representatives of Bond Counsel and the Trustee made in any Bonds or other documents furnished pursuant to the provisions hereof; to the performance by the Authority and the City of their obligations to be performed hereunder at or prior to the Closing Date; and to the following additional conditions:

(a) The representations, warranties and covenants of the City and the Authority contained herein shall be true and correct at the date hereof and at the time of the Closing, as if made on the Closing Date.

(b) At the time of Closing, the City Documents and the Authority Documents shall be in full force and effect as valid and binding agreements between or among the various parties thereto, and the City Documents, the Authority Documents and the Official Statement shall not have been amended, modified or supplemented except as may have been agreed to in writing by the Underwriter.

(c) At the time of the Closing, no material default shall have occurred or be existing under the City Documents, Authority Documents, or any other agreement or document pursuant to which any of the City’s financial obligations were executed and delivered, and the City shall not be in default in the payment of principal or interest with respect to any of its financial obligations, which default would materially adversely impact the ability of the City to pay the Lease Payments.

(d) In recognition of the desire of the Authority, the City and the Underwriter to effect a successful public offering of the Bonds, and in view of the potential adverse impact of any of the following events on such a public offering, this Purchase Agreement shall be subject to termination in the discretion of the Underwriter by notification, in writing, to the Authority and the City prior to delivery of and payment for the Bonds, if at any time prior to such time, regardless of whether any of the following statements of fact were in existence or known of on the date of this Purchase Agreement:

(i) any event shall occur which makes untrue any material statement or results in an omission to state a material fact necessary to make the statements in the Official
Statement, in the light of the circumstances under which they were made, not misleading, which event, in the reasonable opinion of the Underwriter would materially or adversely affect the ability of the Underwriter to market the Bonds; or

(ii) the marketability of the Bonds or the market price thereof, in the opinion of the Underwriter, has been materially adversely affected by an amendment to the Constitution of the United States or by any legislation in or by the Congress of the United States or by the State, or the amendment of legislation pending as of the date of this Purchase Agreement in the Congress of the United States, or the recommendation to Congress or endorsement for passage (by press release, other form of notice or otherwise) of legislation by the President of the United States, the Treasury Department of the United States, the Internal Revenue Service or the Chairman or ranking minority member of the Committee on Finance of the United States Senate or the Committee on Ways and Means of the United States House of Representatives, or the proposal for consideration of legislation by either such Committee or by any member thereof, or the presentation of legislation for consideration as an option by either such Committee, or by the staff of the Joint Committee on Taxation of the Congress of the United States, or the favorable reporting for passage of legislation to either House of the Congress of the United States by a Committee of such House to which such legislation has been referred for consideration, or any decision of any federal or state court or any ruling or regulation (final, temporary or proposed) or official statement on behalf of the United States Treasury Department, the Internal Revenue Service or other federal or State authority affecting the federal or State tax status of the Authority or the City, or the interest on or with respect to bonds or notes (including the Bonds); or

(iii) any legislation, ordinance, rule or regulation shall be enacted by any governmental body, department or authority of the State, or a decision by any court of competent jurisdiction within the State shall be rendered which materially adversely affects the market price of the Bonds; or

(iv) an order, decree or injunction issued by any court of competent jurisdiction, or order, ruling, regulation (final, temporary or proposed), official statement or other form of notice or communication issued or made by or on behalf of the Securities and Exchange Commission, or any other governmental authority having jurisdiction of the subject matter, to the effect that: (i) obligations of the general character of the Bonds, or the Bonds, including any or all underlying arrangements, are not exempt from registration under the Securities Act of 1933, as amended, or that the Indenture is not exempt from qualification under the Trust Indenture Act of 1939, as amended; or (ii) the issuance, offering or sale of obligations of the general character of the Bonds, or the issuance, offering or sale of the Bonds, including any or all underlying obligations, as contemplated hereby or by the Official Statement, is or would be in violation of the federal securities laws as amended and then in effect; or

(v) legislation shall be enacted by the Congress of the United States, or a decision by a court of the United States shall be rendered, to the effect that obligations of the general character of the Bonds, or the Bonds are not exempt from registration under or other requirements of the Securities Act of 1933, as amended and as then in effect, or the Securities Exchange Act of 1934, as amended and as then in effect, or that the Indenture is not exempt from qualification under or other requirements of the Trust Indenture Act of 1939, as amended and as then in effect; or

(vi) additional material restrictions not in force as of the date hereof shall have been imposed upon trading in securities generally by any domestic governmental authority or
by any domestic national securities exchange, which are material to the marketability of the Bonds; or

(vii) a general banking moratorium shall have been declared by federal, State or New York authorities, or the general suspension of trading on any national securities exchange; or

(viii) there shall have occurred any outbreak or escalation of hostilities, declaration by the United States of a national emergency or war or other calamity or crisis the effect of which on financial markets is materially adverse such as to make it, in the sole judgment of the Underwriter, impractical or inadvisable to proceed with the purchase or delivery of the Bonds as contemplated by the Official Statement (exclusive of any amendment or supplement thereto); or

2020 LEASE REVENUE REFINING BONDS

FORM OF ISSUE PRICE CERTIFICATE

The undersigned, on behalf of Piper Jaffray & Co. (the “PJC”), hereby certifies as set forth below with respect to the sale and issuance of the above-captioned bonds (the “Bonds”).

1. **Sale of the General Rule Maturities.** As of the date of this certificate, for each Maturity of the General Rule Maturities, the first price at which at least 10% of such Maturity was sold to the Public is the respective price listed in Schedule A.

2. **[Initial Offering Price of the Hold-the-Offering-Price Maturities.**

   (a) PJC offered the Hold-the-Offering-Price Maturities to the Public for purchase at the respective initial offering prices listed in Schedule A (the “Initial Offering Prices”) on or before the Sale Date. A copy of the pricing wire or equivalent communication for the Bonds is attached to this certificate as Schedule B.

   (b) As set forth in the Bond Purchase Agreement, dated _____, 2020, by and among PJC, the Issuer and the City of Tracy, PJC has agreed in writing that: (i) for each Maturity of the Hold-the-Offering-Price Maturities, it would neither offer nor sell any of the Bonds of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (the “hold-the-offering-price rule”); and (ii) any selling group agreement shall contain the agreement of each dealer who is a member of the selling group, and any retail distribution agreement shall contain the agreement of each broker-dealer who is a party to the retail distribution agreement, to comply with the hold-the-offering-price rule. Pursuant to such agreement, no Underwriter (as defined below) has offered or sold any Maturity of the Hold-the-Offering-Price Maturities at a price that is higher than the respective Initial Offering Price for that Maturity of the Bonds during the Holding Period.

3. **Reserve Fund.**

   The establishment of the Reserve Fund in the amount of the Reserve Requirement (as such terms are defined in the Indenture of Trust dated as of _____ 1, 2020, by and between the Issuer and U.S. Bank National Association, as trustee, pursuant to which the Bonds are being issued) was vital to the marketing of the Bonds and reasonably required to assure payment of debt service on the Bonds.

4. **Defined Terms.**

   (a) **General Rule Maturities** means those Maturities of the Bonds listed in Schedule A hereto as the “General Rule Maturities.”

   (b) **[Hold-the-Offering-Price Maturities** means those Maturities of the Bonds listed in Schedule A hereto as the “Hold-the-Offering-Price Maturities.”
(c) **Holding Period** means, with respect to a Hold-the-Offering-Price Maturity, the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the _____, 2020 (the Sale Date), or (ii) the date on which the Underwriter has sold at least 10% of such Hold-the-Offering-Price Maturity to the Public at prices that are no higher than the Initial Offering Price for such Hold-the-Offering-Price Maturity.]

(d) **Issuer** means the Tracy Operating Partnership Joint Powers Authority.

(e) **Maturity** means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate maturities.

(f) **Public** means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term “related party” for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(g) [**Sale Date** means the first day on which there is a binding contract in writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is _____, 2020.

(h) **Underwriter** means: (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public; and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).]

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents PJC’s interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Tax Certificate and with respect to compliance with the federal income tax rules affecting the Bonds, and by Jones Hall, a Professional Law Corporation, in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the Issuer from time to time relating to the Bonds.

Dear Ms. Schneider:

Subject: Approval of Oversight Board Action

The City of Tracy Successor Agency (Agency) notified the California Department of Finance (Finance) of its October 7, 2019 Oversight Board (OB) Resolution on October 17, 2019. Pursuant to Health and Safety Code (HSC) section 34179 (h), Finance has completed its review of the OB action.

Based on our review and application of the law, OB Resolution No. 10 (Resolution), approving Amendment No. 1 to the Reimbursement Agreement of the Agency and making related findings and declarations and taking related actions in connection therewith, is approved.

The Tracy Operating Partners Joint Powers Authority (Authority) issued 2008 Lease Revenue Bonds (2008 Bonds) to acquire and improve the Police Department Headquarters and Fire Administration Building. Under the 2008 Property Lease between the Authority and the City of Tracy (City), the lease payments made by the City are applied to the 2008 Bonds payment. The 2008 Reimbursement Agreement between the City and the former Redevelopment Agency requires the Agency to reimburse a portion of the lease payments made by the City.

Under HSC section 34177.5 (a) (1), the 2008 Reimbursement Agreement is being amended to reflect the proposed refinancing of the 2008 Property Lease and 2008 Bonds. HSC section 34177.5 (a) (1) authorizes the refunding of the Agency’s indebtedness obligations provided the refunding provides savings to the Agency. The refunding is expected to achieve savings of approximately $1,781,200 over the remaining life of the Agency’s indebtedness.

Finance’s approval is based on the understanding that no indebtedness obligation will be issued unless each indebtedness obligation meets the requirements outlined in HSC section 34177.5 (a). Following the issuance, the Agency’s debt service payment obligations for Amendment No. 1 to the Reimbursement Agreement should be placed on the next Recognized Obligation Payment Schedule (ROPS), subject to Finance’s review and approval.

To the extent the indebtedness obligation approved for refunding per the OB Resolution is refunded in accordance with HSC section 34177.5 and prior to the next ROPS submission, the Agency may use Redevelopment Property Tax Trust Funds received for payment of the current obligations being refunded. Any indebtedness for which refunding is finalized must be separately identified as a new item on the ROPS. Further, pursuant to HSC section 34186 (a), the Agency is required to report estimated obligations and actual payments. Any unspent funds should be reported as prior period adjustments.
Section 6 of the Resolution states, pursuant to HSC section 34177.5 (f), the Agency is authorized to recover its related costs in connection with the transaction approved hereby, irrespective of whether the 2020 Refunding Bonds are issued. While Finance does not object to this action, any associated costs not satisfied with the refinancing of the Agency’s indebtedness obligations and the request for administrative cost allowance must be placed on a subsequent ROPS, subject to Finance’s review and approval, before they are considered enforceable obligations.

Please direct inquiries to Joshua Mortimer, Supervisor, or Michael Barr, Lead Analyst, at (916) 322-2985.

Sincerely,

APPENDIX A

Government Code Section 5852.1 Disclosure

The good faith estimates set forth herein are provided with respect to the Refunding Bonds in accordance with California Government Code Section 5852.1. Such good faith estimates have been provided to the Authority by CSG Advisors Incorporated, the Authority’s Municipal Advisor in consultation with Piper Jaffray & Co., Underwriter of the Refunding Bonds.

(A) True Interest Cost of the Refunding Bonds: 2.69%

(B) Finance Charge of the Refunding Bonds (Sum of all fees/charges paid to third parties): $348,000

(C) Net Proceeds to be Received (net of finance charges, reserves and capitalized interest, if any): $21,539,000

(D) Total Payment Amount Through Maturity: $27,987,000 (exclusive of the Successor Agency’s reimbursement of the City under the Reimbursement Agreement Amendment)

The foregoing estimates constitute good faith estimates only. The principal amount of the Refunding Bonds, the true interest cost of the Refunding Bonds, the finance charges thereof, the amount of proceeds received therefrom and total payment amount with respect thereto may differ from such good faith estimates due to (a) the actual date of the sale of the Refunding Bonds being different than the date assumed for purposes of such estimates, (b) the actual principal amount of Refunding Bonds sold being different from the estimated amount used for purposes of such estimates, (c) the actual amortization of the Refunding Bonds being different than the amortization assumed for purposes of such estimates, (d) the actual market interest rates at the time of sale of the Refunding Bonds being different than those estimated for purposes of such estimates, (e) other market conditions, or (1) alterations in the Authority’s financing plan, or a combination of such factors. The actual date of sale of the Refunding Bonds and the actual principal amount of Refunding Bonds sold will be determined by the Authority based on the timing of the need for proceeds of the Refunding Bonds and other factors. The actual interest rates borne by the Refunding Bonds will depend on market interest rates at the time of sale thereof. The actual amortization of the Refunding Bonds will also depend, in part, on market interest rates at the time of sale thereof. Market interest rates are affected by economic and other factors beyond the control of the Authority.
AGENDA ITEM 3.B

REQUEST

PUBLIC HEARING TO INTRODUCE AN ORDINANCE AMENDING THE I-205 CORRIDOR SPECIFIC PLAN, APPENDIX A, TABLE A-2, PERMITTED AND CONDITIONALLY PERMITTED COMMERCIAL AND INDUSTRIAL USES, TO ALLOW BREWERIES, WINERIES, AND DISTILLERIES

EXECUTIVE SUMMARY

This agenda item involves introduction of an ordinance to amend the I-205 Corridor Specific Plan, Appendix A, Table A-2, Permitted and Conditionally Permitted Uses, to allow breweries, wineries, and distilleries.

DISCUSSION

This agenda item is part of the City’s ongoing effort to continue to broaden the range of allowable land uses in the I-205 Corridor Specific Plan area, given that the area is mostly built-out and the character of the development is well-established, and that new uses have emerged over time or become increasingly popular, such as craft breweries.

Table A-2 of the I-205 Corridor Specific Plan identifies the permitted and conditionally permitted commercial and industrial uses for each land use designation within the I-205 Corridor Specific Plan Area. Breweries, wineries, and distilleries fit within the classification of “Manufacturing & Processing,” which is principally permitted in areas designated Light Industrial (LI) and conditionally permitted in areas designated Service Commercial (SC).

The City has received an application (SPA19-0005) to amend the I-205 Corridor Specific Plan to allow craft breweries in the Northgate Village Shopping Center, which is designated General Commercial 2 (GC2). In order to allow a craft brewery in a retail shopping center, staff recommends that a minimum of 30% of the tenant space be dedicated to a taproom, tasting room, or restaurant because these uses would be consistent with a retail center and the GC2 zoning. This requirement would ensure that the taproom, tasting room, or restaurant would be more than an accessory use and would also prevent a large-scale manufacturing plant from locating in the GC2 zone. By contrast, when craft breweries locate in industrial zones, such as Morgan Territory Brewing, the taproom is limited to a small portion of the tenant space and permitted only as an accessory use.

The craft brewery proposing to locate at Northgate Village Shopping Center, named Bay Boys Brewing, is intending to locate in an approximately 9,000 square foot tenant space with a taproom of approximately 4,000 square feet (44%). According to the applicant, the taproom would likely include space for various games, such as corn hole and pool tables. The applicant mentioned that having a large portion of the floor area as a taproom was very desirable for the business. Staff informed the applicant that if they desire to have entertainment activities, such as live music, disc jockeys, dancing,
Karaoke, comedy shows or live performances after 11:00 p.m. it would require a conditional use permit (CUP). The applicant is not planning for entertainment to occur past 11:00 p.m., but has stated they will apply for a CUP if their business plans change.

A redline version of the proposed amendment to the I-205 Corridor Specific Plan, Table A-2, related to breweries, wineries, and distilleries is included as Attachment A. The new use category would read as follows:

Breweries, Wineries, and/or Distilleries – with a taproom, tasting room, and/or restaurant comprising a minimum of 30% of the tenant space

The proposed amendment includes wineries and distilleries along with breweries because the uses are very similar. The proposed terminology was left simply to “breweries, wineries, and distilleries” rather than attempting to define and limit the use to “craft breweries, craft wineries, and craft distilleries” because such definitions may inadvertently exclude certain businesses that are essentially the same from a zoning standpoint.

The proposed amendment would permit this new use category in all of the commercially designated areas of the I-205 Corridor Specific Plan, including Commercial Center (CC), General Commercial (GC), Service Commercial (SC), Freeway Commercial (FC), and General Commercial 2 (GC2), which are the same areas permitted for restaurants and bars. The new use category would operate similar to restaurants and bars and be compatible with the other uses permitted in these commercially designated areas.

Planning Commission Discussion

The Planning Commission held a public hearing to discuss this proposed amendment to the I-205 Corridor Specific Plan on November 6, 2019. The Planning Commission recommended that the City Council introduce and adopt an ordinance amending the I-205 Corridor Specific Plan, Appendix A, Table A-2, Permitted and Conditionally Permitted Commercial and Industrial Uses, related to breweries, wineries, and distilleries, Application Number SPA19-0005.

Environmental Document

The proposed amendment is not a project within the meaning of the California Environmental Quality Act because it does not have the potential for causing a significant effect on the environment. (CEQA Guidelines, 14 California Code of Regulations, §15061(b).)

STRATEGIC PLAN

This agenda is not related to the City’s Strategic Plans.

FISCAL IMPACT

The applicant paid the City Council adopted application processing fees, which is a component of the Development Services operating budget.
RECOMMENDATION

Staff and Planning Commission recommend that the City Council introduce and waive the first reading of an Ordinance to amend the I-205 Corridor Specific Plan, Appendix A, Table A-2, Permitted and Conditionally Permitted Commercial and Industrial Uses, related to breweries, wineries, and distilleries, Application Number SPA19-0005, as shown in Attachment B.

REQUEST

PUBLIC HEARING TO INTRODUCE AN ORDINANCE AMENDING THE CENTRAL BUSINESS DISTRICT ZONE TO PERMIT HIGH DENSITY RESIDENTIAL USES, INCLUDING SINGLE-FAMILY DWELLINGS, TWO-FAMILY DWELLINGS, AND MULTI-FAMILY DWELLINGS, AND APPROVAL OF A DEVELOPMENT REVIEW PERMIT TO CONSTRUCT A FIVE-UNIT RESIDENTIAL PROJECT, CONSISTING OF TWO SINGLE-FAMILY DWELLINGS AND A TRIPLEX LOCATED AT 21, 25, AND 29 E. EIGHTH STREET

EXECUTIVE SUMMARY

This agenda item involves introduction of an ordinance to amend the Central Business District (CBD) Zone to permit high density residential uses, including single-family dwellings, two-family dwellings, and multi-family dwellings, and approval of a Development Review Permit to construct a five-unit residential project, consisting of two single-family dwellings and a triplex located at 21, 25, and 29 E. Eighth Street (Project).

DISCUSSION

For this agenda item, the City Council will be asked to consider the following actions:

• Introduction and adoption of an ordinance amending the Central Business District (CBD) Zone to permit high density residential uses, including single-family dwellings, two-family dwellings, and multi-family dwellings, Application Number ZA17-0003

• Approval of a Development Review Permit to construct a five-unit residential project, consisting of two single-family dwellings and a triplex located at 21, 25, and 29 E. Eighth Street, Application Number D16-0036

Amendment to CBD Zone

In the CBD Zone, multi-family dwellings are conditionally permitted, which means that a Conditional Use Permit is required. Single-family dwellings and two-family dwellings are not permitted in the CBD Zone.

An application was submitted to amend the CBD Zone to permit high density residential uses, including single-family dwellings, two-family dwellings, and multi-family dwellings. The proposed amendment to the CBD Zone includes the following components:

• Single-family dwellings, two-family dwellings, and multi-family dwellings shall be permitted in the CBD Zone, except that there shall be no residential uses on the ground floor of buildings with elevations that face the following:
  o Central Avenue between 11th Street and 6th Street
  o 10th Street between Central Avenue and A Street
  o Front Street Plaza at 6th Street, excluding the eastern 110 feet of the block, which faces a parking island within the 6th Street public right-of-way because
this portion of the block is already developed with existing residential development.

- Density: There shall be at least 700 square feet of net lot area and no more than 2,500 square feet of net lot area for each dwelling unit in the CBD Zone.

- The minimum floor area for a single-family dwelling shall be 500 square feet.

- Any new residential development in the CBD Zone shall be subject to development review, including any new single-family dwellings, two-family dwellings, or multi-family dwellings, regardless of the number of units.

A red-line version of the proposed amendment to the CBD Zone is included as Attachment A.

The General Plan states that residential development is strongly encouraged in the Downtown and allowed at a density of 15 to 50 units per gross acre (page 2-26 of the General Plan Land Use Element). The proposed amendment to the CBD Zone is consistent with the General Plan.

Development Review Permit

An application was submitted for a Development Review Permit to construct a five-unit residential project, consisting of two single-family dwellings and a triplex on an approximately 9,885 square-foot site located at 21, 25, and 29 E. Eighth Street, Application Number D16-0036 (Attachment B – Site Plan, Elevations, and Landscape Plan).

The subject property includes three existing lots with one house on each of the two end lots. The middle lot is vacant. A house was previously demolished on the middle lot, due to the structure’s poor condition. The proposed Project includes demolishing the remaining two houses, due to numerous issues with the condition of the structures and the encroachment of the western dwelling unit and its utilities onto the adjacent neighboring property to the west.

The proposed density is approximately one dwelling unit per 1,977 square feet of net lot area or calculated as 22 units per net acre (17 units per gross acre). The proposed single-family dwellings are two-story structures each consisting of approximately 1,660 square feet of living space. The proposed triplex is also a two-story structure with the unit sizes ranging from approximately 825 square feet to 912 square feet of living space. The Project is proposed as five rental units on a single lot. The three existing lots would be merged into one lot prior to issuance of a building permit.

The subject property is located in the CBD Zone and has a General Plan land use designation of Downtown. The Project is consistent with the General Plan and the proposed amendment to the CBD Zone, including the permitted uses and density requirements.
The subject property has frontage on E. Eighth Street and access from the rear on Garner Alley. The Project includes a one-car garage for each of the five dwelling units and a total of four additional uncovered parking spaces on the property. To satisfy the minimum off-street parking requirements, the Project is proposing to utilize the CBD Zone Parking-in-Lieu Fee Pilot Program of $0, which was extended to October 6, 2025 by City Council Resolution No. 2019-160. In other residential zones by contrast, the two single-family dwellings would each require a two-car garage and the triplex would require two parking spaces per unit with one of the two being covered, and an additional space marked as guest. The main difference from what would otherwise be required and the proposed Project is that the single-family dwellings would each require a two-car garage rather than a one-car garage.

The building architecture includes an attractive design featuring a high-level of detailing and articulation on all four sides of each building, a well-designed gable roof with variation and multiple gable elements to create visual interest and appeal, use of multiple building materials, including wood siding and brick, variation in the building façade depth, ample use of windows, bay windows, front porches, driveway pavers, and an overall design character and architectural details that are inspired by and complement the residential architecture that exists in the surrounding neighborhood. The proposed architecture is consistent with the City’s Design Goals and Standards.

Planning Commission Discussion

The Planning Commission held a public hearing to discuss this proposed amendment to the I-205 Corridor Specific Plan on November 6, 2019. The Planning Commission recommended that the City Council introduce and adopt an ordinance amending the CBD Zone (Application Number ZA17-0003) and approve the Development Review Permit (Application Number D16-0036).

Environmental Document

The proposed ordinance amending the CBD Zone is not a project within the meaning of the California Environmental Quality Act because it does not have the potential for causing a significant effect on the environment. (CEQA Guidelines, 14 California Code of Regulations, §15061(b).)

The five-unit residential project has been determined to be categorically exempt from the California Environmental Quality Act pursuant to CEQA Guidelines section 15332 because the Project is characterized as in-fill development and (1) is consistent with the General Plan designation of Downtown and all applicable General Plan policies, as well as consistent with the amended Central Business District (CBD) Zone and with all applicable zoning regulations, (2) occurs within City limits on a project site of no more than five acres substantially surrounded by urban uses, (3) has no value as habitat for endangered, rare or threatened species, (4) would not result in any significant effects relating to traffic, noise, air quality, or water quality, and (5) can be adequately served by all required utilities and public services. Therefore, no further environmental review is necessary.
STRATEGIC PLAN

This agenda item is not related to the City’s Strategic Plans.

FISCAL IMPACT

The applicant paid the City Council adopted application processing fees, which is a component of the Development Services operating budget.

RECOMMENDATION

Staff and Planning Commission recommend that City Council take the following actions:

1. Introduce and waive the first reading of an ordinance amending Article 18, Central Business District (CBD) Zone, of Chapter 10.08 of the Tracy Municipal Code to permit high density residential uses, including single-family dwellings, two-family dwellings, and multi-family dwellings, Application Number ZA17-0003, as shown in Attachment C, and

2. Approve a Development Review Permit to construct a five-unit residential project, consisting of two single-family dwellings and a triplex located at 21, 25, and 29 E. Eighth Street, Application Number D16-0036, as shown in Attachment D.

EXECUTIVE SUMMARY

On October 2, 2019, the Tracy City Council held a Special Meeting at the Grand Theater in downtown Tracy to discuss strategic planning priorities as part of its annual goal setting process. More specifically, the workshop was an opportunity for Council to agree on norms, clarify roles, and set priorities for the coming year. Rod Gould and Nancy Hetrick of Management Partners facilitated the workshop. The City Manager also provided an update on the state of the organization and city finances. The attached Special Meeting Council Strategic Priorities Workshop report summarizes the workshop discussion, activities, and outcomes.

DISCUSSION

As a group, the Council performed a dot prioritization exercise to identify priorities for FY 2019/20 and agreed its top tier priorities were to ensure (1) short and long term financial sustainability and inform the public about the City’s fiscal challenges, and (2) facilitate the construction of a Measure V amenity (See Table 1). They also noted that completing and implementing the Council Code of Conduct policy was critical. The Code of Conduct policy was subsequently adopted via resolution on October 15, 2019.

Based on Council discussion and direction at the October 2, 2019 workshop, the Council majority (3 or more) identified the following priorities for FY 2019/20:

- Ensure Short and Long Term Financial Sustainability
- Enhance Public Awareness around City Finances and other Civic Matters
- Facilitate the Completion of Measure V Amenities
- Continue to Support Valley Link
- Facilitate Infrastructure Projects to Improve Citywide Traffic Conditions
- Encourage the Development of Good Governance Policies

Based on Council direction provided by the workshop, staff developed a draft workplan for Council discussion and consideration. Table 3 reflects the Council’s top strategic priorities and goals, and suggested objectives to be accomplished over the next fiscal year. Historically, Council goals and objectives have been organized under the following categories: Quality of Life; Economic Development; Public Safety; and Governance. Please note that some priorities will be listed under more than one category.

Additionally, while not identified by a majority of Council as a top priority, Transit Oriented Development (TOD), Homelessness Strategic Planning, and Cannabis Regulations were included as these projects are currently underway and are expected to be completed in FY 2019/20.

Council will be able to adjust the workplan during the fiscal year with the understanding that the addition of new priorities would significantly delay or result in the elimination of other projects. Staff will commit to reporting on progress toward Council priorities quarterly.

**FISCAL IMPACT**

There is no fiscal impact associated with the approval of a Council strategic priorities workplan.

**RECOMMENDATION**

It is recommended that Council provide direction regarding the draft FY 2019/20 Strategic Priorities and approve the attached workshop report as the October 2, 2019 Special Meeting minutes.

**Workshop Ground Rules.** At the start of the workshop, the facilitators suggested several ground rules to help the group have a successful workshop.

- Seek consensus
- Listen to understand
- Participate
- Stay focused
- Assume good intent
- Speak up if we need a course correction
Bike Rack. The facilitators explained that items that were brought up but would not receive immediate attention would be added to a “bike rack.” It was used as a placeholder for later discussions during the session. Bike rack items were ultimately incorporated into the list of priorities presented later in this report.

Workshop Preparation. In preparation for the workshop, Rod Gould conducted individual interviews with each Council member, and discussed the workshop with the City Manager. An agenda and PowerPoint presentation were prepared.

Learn More About Councilmembers’ Service to Tracy
To set the stage for a productive workshop, Council members shared their experiences related to their service to Tracy. Council members responded to the following prompts:

- What propelled you to serve on the City Council?
- What do you hope to accomplish through your service on the City Council?
- What about your service on the City Council do you find most satisfying?
- What legacy would you like to leave the community?

A variety of themes emerged and are summarized below:

- Grew up in Tracy and want to give back; “this is home”
- Pride in community
- Desire to represent under-served communities
- Add a new voice to the table and have a seat at the table to address issues that affect generations (now and in the future)
- Amplify the voices of those not heard
- Bring diversity to the Council
- Service
- To get things done; generate meaningful results – be a part of the solution
- Connect neighborhoods
- Address issues related to transportation, design, connections
- Address cleanliness of the community
- Ensure equity of service (e.g., amenities for the poor, more services for senior, youth, Measure V)
- Connect to BART
- Putting Tracy first
Discuss Council Norms

The facilitators provided materials on high-performing councils and examples of council norms in advance of the workshop to inform the discussion. The group discussed the common elements and norms from the materials and how some could be incorporated into Tracy’s governance culture.

First, Council members reflected on an article entitled, “Attributes of Exceptional Councils” (Institute for Local Government). Notes from that discussion are provided below.

- Need a framework to get things done so we can disagree agreeably, within a process with specific roles
- Sense of team/partnership is critical to getting results
- Work together without hierarchy
- Take time to develop a team and invest time to build the team
- Ensure effectiveness of both staff and Council (lowest common denominator will prevail) – respect and trust are essential
- Basic respect on and off the dais fosters trust for the success of the team
  - Trust the process will be fair
  - We know/stay in our lanes
- City manager honors and carries out the will of the whole Council
- Continual learning is critically important and enables continual professional development
  - Find a means for supporting professional development (help for future Council members)
  - Learn from others (best practices; new approaches)

Next, Council members reflected on an article entitled, “A Key Ingredient for Success: An Effective City Council/City Manager Relationship” (by Kevin Duggan, ICMA West Coast Regional Director, ICMA). Notes from that discussion are presented below.

- Performance management
  - Use data to balance emotion
  - Be intentionally performance-based
  - Use facts to make decisions
- Trust professional staff (City Manager/City Attorney)
  - “Feel free to disagree with me”
  - City Manager provides technical information to inform decision making
  - Be open to new information to inform the best path forward
o “Disagreement” does not equal “attack”
- Working through personal/political disagreements should not occur at the dais – seek information/discussion privately.
  o Build trust
  o Resolve issues and ask questions early on – be honest/frank
- Listen to all voices; you may disagree, but let others be heard (“I can live with it”)
- Ensure the public is informed about how recommendations are developed (focus extra time on the big/controversial items)
- Avoid win/lose dead ends, find common ground, work together
- Communicate council decisions without negative tone. Ok to be in disagreement. Share differing opinions with phrases like, “The Council decided…”, “I still believe…,” and “I hope to get there.”
- Desire to be informed and to collaborate
- Ensure everyone is provided the same information; Council reports are provided as a means to do this
- For sensitive issues, begin by presenting options for discussion (some issues may not need/benefit from this approach)

**Council Agreements**
Council members agreed on the following norms to guide and hold themselves accountable to each other.

- Do not take ourselves so seriously
- Assume positive intentions
- Disagree agreeably
- Support continual learning
- Stop personal attacks
- Stay objective and focus on the issue (use data to balance emotion)
- Ask questions of the City Manager early on
- Be clear and consistent on time limits and public input
  o Clarify and hold to time limits
  o Must be on the agenda for public comment
  o Exercise finesse regarding public personal attacks; request respect and focus on the issue/topic
- City Council/City Manager briefings are valued
  o Technical briefings including staff are OK, but don’t sacrifice all one-on-one time
- Staff requests must go through the City Manager for now (until we build trust)
- Solicit City Attorney guidance early – she is available for questions/input
The Council also discussed adding norms and values as an Attachment A to code of conduct.

**Reflect on City Achievements and Contributing Factors**

Prior to the Council workshop, staff prepared a list of recent City accomplishments. This was provided to Council to use as a resource as they contemplated what has made them successful in the past.

**Clarify Governance Roles**

The facilitators reviewed the roles of the key players in local government: Council, Mayor, City Manager, City Attorney, City Treasurer, staff, commissions, committees, and boards. A summary of the information presented is in Table 1.

Council will be able to adjust the work plan during the fiscal year with the understanding that the addition of new priorities and projects will require delaying or dropping others. Staff will commit to reporting on progress toward Council priorities quarterly.

**Review Agreements and Commitments and Wrap Up**

City staff was invited to make clarifying comments and the group reviewed the commitments made as a result of the day’s workshop. The facilitators explain that following the workshop, Management Partners would produce this summary report on the discussion.

AGENDA ITEM 3.E

REQUEST

RECEIVE AN UPDATE ON CITY'S WATER SYSTEM MASTER PLAN AND WATER RELIABILITY

EXECUTIVE SUMMARY

The City completed a Water System Master Plan in 2012 which identified water supplies, demand, treatment and distribution capacities for existing and new developments within the City’s General Plan area. Since then, significant new residential and commercial developments have occurred and new water facilities have been constructed within the City. During this time, the availability and reliability of the City’s water supplies have been impacted by drought conditions and recent unprecedented changes in water supply provided by the California Valley Project (CVP) and Bay/Delta Water Quality Control Plan. Given these changes, the City has done an excellent job in water conservation by complying with the local and state restrictions and with the use of water efficient appurtenances. The City’s existing water demand has also significantly reduced due to water conservation measures. The 2020 update of the Water Master Plan encompasses all these changes and identifies new sources of water supply to meet City’s existing and future demands. The Water Master Plan is in the process of being updated to address new state regulations and development assumptions. It is expected to be complete and before Council for consideration and approval in Spring 2020. The purpose of this agenda item is to advise Council of key findings as it relates to changes in state water reliability regulations.

DISCUSSION

In 2012, the City completed a Water System Master Plan which projected water demands based on buildout of the City’s General Plan and evaluated the availability and reliability of the City’s water supplies to meet the projected demand. The City also assessed the adequacy of the City’s water system infrastructure facilities to deliver water supplies to the City’s residents and businesses in a safe and reliable manner.

Since the adoption of the 2012 Water System Master Plan, significant changes to City’s water demand, supplies and reliability have occurred due to state regulations and drought impacts. In addition, changes to the water distribution system have occurred due to changes and pattern of developments.

In 2018, the City retained West Yost Associates to prepare an update to the Water System Master Plan to address the issues above. A status report will be presented by Elizabeth Drayer, West Yost’s Project Manager for the City’s Water System Master Plan Update. The presentation will overview of recent water use trends, changes which have occurred since the completion of the 2012 Water System Master Plan, and projected future water supply and demand based on updated development planning data.
Key changes include the following:

- Significant new development has occurred within the City and future development plans have been updated
- Several new water facilities have been recently constructed in the City
- Recent drought conditions have changed water use habits and led to new water use efficiency legislation in California
- Reliability of the City’s water supplies has been impacted by recent drought conditions, environmental concerns and new state regulations

One important change to note is that the recent drought led to unprecedented water supply reductions and mandated statewide water conservation. This means that during future drought conditions, water supply and flow conditions will be impacted. In addition, this impact will be further exacerbated by the 2018 Bay/Delta Water Quality Control Plan, which restricts the use of surface water flows to protect fish and wildlife. Sources impacted are the Stanislaus River; from which the City’s South San Joaquin Irrigation District (SSJID) surface water supplies are obtained.

While the changes noted above will be evaluated as part of the Updated Water System Master Plan, West Yost has completed a preliminary assessment of the City’s projected future water demands based on updated development planning data and water supply reliability estimates. Preliminary findings include:

- The City has a strong portfolio of available water supply sources
- The City’s residents and businesses have done a great job in conserving water and improving their water use efficiency
- The future reliability of the City’s water supplies will be impacted by drought conditions, climate change and environmental issues
- Reliable sources of water supply are not available from neighboring irrigation districts and other sources
- The City should continue to be proactive in identifying and developing new water supplies, including:
  - Continuation of the City’s recycled water program to offset potable water use for landscape irrigation
  - Expansion of the City’s Aquifer Storage and Recovery (ASR) Program to provide for additional dry year water supplies
  - Implementation of a recycled water exchange program with USBR for additional potable water supply

The Water System Master Plan Update is anticipated to be completed in Spring 2020, at which time findings and recommendations will be brought back to City Council. Furthermore, projected water demands developed for the Updated Water System Master Plan will be included in the City’s 2020 Urban Water Management Plan which will be due to the California Department of Water Resources by July 1, 2021.

The State Department of Water Resources require cities to adopt an Urban Water Management Plan every five years describing how the current and future resources and demands within the City’s service area will be managed to provide adequate and reliable water supplies.
STRATEGIC PLAN

The agenda item is a routine operational item and is not related to the Council’s Strategic Plans.

FISCAL IMPACT

The proposed update of the Water System Master Plan may have fiscal impacts on new developments which will be studied in detail and presented to City Council at the time of approval of the Master Plan tentatively scheduled for completion in Spring 2020.

RECOMMENDATION

That City Council receive the update on the City’s Water System Master Plan.

REQUEST

PROVIDE DIRECTION TO STAFF REGARDING NEGOTIATING AN EXCLUSIVE NEGOTIATING RIGHTS AGREEMENT (ENRA) WITH PRIVATE PUBLIC INFRASTRUCTURE GROUP LLC (PPIG) REGARDING THE COMPLETION OF A FEASIBILITY STUDY TO DETERMINE THE POTENTIAL MONETIZATION OF THE CITY’S FUTURE RECYCLED WATER SUPPLY

EXECUTIVE SUMMARY

The City was approached by PPIG to consider a proposed concept to purchase the City's unused recycled water supply. In return, PPIG offered to complete construction of a large portion of the City's remaining unbuilt recycled water infrastructure. PPIG's intent is to resell the City's recycled water if available to other entities through contracts and that the City could share revenue from the sale of the recycled water. In order to explore this proposed concept further, PPIG has requested that the City execute an ENRA for the purpose of completing a feasibility study. Council Member Ransom and Mayor Rickman have sponsored PPIG's request for this ENRA agenda item for discussion at the Council meeting. Staff is requesting direction from Council relative to negotiating an ENRA with PPIG for the purpose of completing a feasibility study, including potential terms for such an agreement.

DISCUSSION

The City's recycled water is a by-product from the treatment of wastewater at the City's Wastewater Treatment Plant (WWTP) facility and has multiple uses ranging from landscape irrigation to agricultural and indirect potable uses for future developments. With the ultimate buildout of the Master Plan recycled water infrastructure and the expansion of the Wastewater Treatment Plant to 21 mgd, it is anticipated that a portion of the City's recycled water will be available for other non-city uses. However, it should be noted that due to previous droughts and changing State regulations and requirements related to water reliability, potential sources of water supplies for new developments within the City's General Plan area will be limited. As a result, the City is actively evaluating future recycled water supplies for indirect potable uses to ensure adequate water for new development and buildout of the City's General Plan. Recycled water is the only remaining reliable source of water supply available at this time. Most of the available water from neighboring irrigation districts and other sources are subject to reductions during drought conditions and are not reliable.

Recycled Water Master Plan:

The City’s Recycled Water Master Plan outlines construction of recycled water infrastructure throughout the City. The recycled water will serve the irrigation needs of street medians and right of way landscaping, parks and sports fields including Legacy Fields, Plascencia Fields, and the Sports Complex. The recycled water will also serve the irrigation needs of onsite landscaping in commercial and industrial facilities. In addition, recycled water is also a future source of indirect water supply to serve the
needs of new developments within the City’s General Plan area since availability of existing sources of water are scarce. The City’s Water System Master Plan is currently being updated to include new backbone infrastructure to allow potential indirect potable water uses for future developments.

The City’s $24 million grant-funded recycled water project is in the last phase of construction. The project construction will be completed in early 2020, and the project will supply recycled water to Legacy Fields for irrigation purposes.

**Regulatory Approved Uses of Recycled Water:**

At present, in northern California, the State Water Board has permitted use of recycled water for irrigation purposes only. The recycled water can be used from the source of treatment and applied directly to the land for irrigation purposes. Most of the cities in the Bay Area are either using or are in the process of using recycled water for irrigation of street landscaping, parks, sports fields, commercial and industrial facilities. In the San Joaquin Valley, potential uses of recycled water also include indirect uses and agricultural uses. The location of the Delta Mendota Canal (DMC) in the San Joaquin Valley provides potential of easier and less expansive conveyance of recycled water within the valley from north to south. Southern California is at the forefront of using recycled water for indirect potable use. The City of San Diego and Metropolitan Water District are successfully working on multi-million dollar projects for indirect use of potable water supplies.

**Potential Uses of Recycled Water:**

The previous drought has demonstrated that any form of water is a commodity in California. As a result, the State is in the process of enacting various regulations which may allow direct or indirect uses of recycled water; thus opening doors for multiple uses including indirect or direct potable use in the future. The state may require additional treatment processes like reverse osmoses for direct uses.

1. **Direct Uses:** The direct uses of recycled water include irrigating street medians and right of ways landscaping, onsite landscaping in commercial and industrial facilities, parks and sports fields. The future uses could include major Economic Development Projects, frontage and backyard landscaping of residential houses, schools and all existing parks in the core area of the City. The building codes may also allow direct uses of recycled water in the toilets. While the State may consider use of the recycled water for potable uses after reverse osmosis, the City of Tracy may achieve the same goal by its indirect use through DMC.

2. **Indirect Uses:** The indirect use of recycled water is also a source of potential water supply for new developments within and beyond the City’s current General Plan. The recycled water would be pumped in to the DMC and pumped out at the John Jones Water Treatment Plant (JJWTP) in different molecules and used to meet the City’s water demand.
3. **Agricultural Uses:** The economy of San Joaquin Valley is largely based on agriculture. The availability of irrigation water for agricultural uses is critical for its growth. With the dwindling water supplies due to climate changes, last droughts and due to residential, commercial and industrial growth, irrigation water has become an expensive commodity.

**PPIG’s Interest for Purchase of Recycled Water:**

The City was approached by Private Public Infrastructure Group LLC (PPIG) of El Dorado Hills, CA, with a potential proposal to consider the concept for purchase of the City’s unused recycled water. In return, PPIG offered funding to complete construction of the remaining recycled water infrastructure of the existing project if left incomplete due to lack of funds. PPIG also offered to extend the infrastructure up to Delta Mendota Canal (DMC) to potentially deliver water south for sale by them to other entities. PPIG’s proposal included the potential sale of the City’s recycled water to other entities through contracts and sharing revenue from the sale of this water with the City.

In order to explore and better understand the details of their general proposal, PPIG has requested that the City enter into an ENRA with them which will enable them to fund and complete a feasibility study to determine if their concept is viable and does not impact the City’s ability to deliver water for the buildout of the General Plan area. PPIG has indicated that the intent of the ENRA is not to bind the City to any specific outcome. After the feasibility study is complete, they and the City could then determine next steps, if appropriate.

Pursuant to recently adopted Council Procedures for Preparation, Posting and Distribution of Agenda and the Conduct of Public Meetings, Council Members may request matters to be discussed by Council. The ENRA agenda item request from PPIG has been sponsored by Council Member Ransom and Mayor Rickman.

**ENRA Considerations:**

Should Council direct staff to negotiate an ENRA with PPIG, staff has identified a few items or potential terms for Council consideration:

- Deposit funds to offset any staff or consultant costs in relation to the feasibility study
- Clearly define the scope of work related to the ENRA, i.e., to focus on the feasibility study
- Identify clear timelines related to scope performance

Because one of the managers of PPIG previously worked for the City of Tracy as a consultant, the City Attorney’s Office advises that, in an abundance of caution, the City obtain a formal advice letter from the Fair Political Practices Commission on whether State conflict of interest laws and regulations prohibit the City from contracting with PPIG after the expiration of ENRA.
STRATEGIC PLAN

This agenda item is a routine operational item and is not related to the Council’s Strategic Plans.

FISCAL IMPACT

Should Council wish to proceed with the ENRA to complete a feasibility study, staff would request direction from Council to recover all City costs associated with the feasibility study. Any future decisions would be fully analyzed and brought back to City Council for review accordingly.

RECOMMENDATION

Provide direction to staff regarding the request to negotiate an Exclusive Negotiating Rights Agreement with Private Public Infrastructure Group (PPIG) for the completion of a feasibility study regarding the potential monetization of the City’s future recycled water supply.

AGENDA ITEM 3.I

REQUEST

DISCUSS AMENDING THE TRACY MUNICIPAL CODE SECTION 2.08.080 TO REQUIRE A SUPERMAJORITY VOTE OF FOUR (4) MEMBERS OF THE CITY COUNCIL TO REMOVE THE CITY MANAGER OR CITY ATTORNEY AND PROVIDE DIRECTION TO STAFF

EXECUTIVE SUMMARY

The 2019 San Joaquin Grand Jury Report recommended that the Council consider amending the Tracy Municipal Code by December 31, 2019, to require a supermajority vote of four (4) Council members to remove the City Manager or City Attorney.

This staff report provides a summary of applicable law, an overview of the City’s current practices, and requests that Council discuss and provide direction to staff.

DISCUSSION

Tracy Municipal Code (TMC) Title 2, Section 2.08.080, establishes regulations for appointment and service of the City Manager. Tenure of the City Manager is provided in TMC Section 2.08.080 as follows:

(a) The City Manager shall hold office for and during the pleasure of the Council.

(b) Removal of the City Manager shall be only by a vote of at least three (3) members of the Council.

(c) The City Manager shall not be removed from office during or within a period of 120 days immediately succeeding any general municipal election held in the City at which election of a member of the Council is elected. The purpose of this provision is to allow any newly elected member of the Council or a reorganized Council to become familiar with the affairs of the City and to observe the actions and ability of the City Manager in the performance of the powers and duties of his or her office. After the expiration of said 120-day period, the provisions of this section as to the removal of the City Manager shall apply and be effective.

The 2018-2019 San Joaquin County Grand Jury report commented on the administrative and fiscal impact of executive staff separations in 2017 and 2018. The report highlighted concern regarding the separation of the City Manager, Assistant City Manager and Police Chief as “no explanation was given” and the release of the City Manager following a “contentious 3/2 vote.” These separations drew attention of the media with articles in regional newspaper reports and reports on major network affiliates encouraging transparency in personnel matters of executive staff. The Grand Jury felt the impact of the media attention “damaged the City’s reputation as a desirable employer and made candidates reluctant to apply for open positions.”
The City Manager and the City Attorney serve at the pleasure of and are appointed by City Council. The City Manager serves as the administrative head of the government while the City Attorney serves as legal counsel to the City and advises the City Manager in administering the affairs of the City. The Grand Jury report stated, “the City Manager and City Attorney should be shielded from power politics and shifting alliances by requiring a supermajority vote for their termination. To address this issue, the Grand Jury recommended Council amend the Tracy City Municipal Code to require a supermajority vote of four (4) members of the City Council to remove the City Manager or City Attorney.

The supermajority requirement to remove the City Manager and City Attorney is utilized by some public agencies such as the cities of Sacramento and Healdsburg. Requiring a supermajority vote may communicate a commitment to unifying Council in employment decisions related to at-will Council appointed positions. In addition, adopting this policy may also enhance the City’s profile as a potential employer because this requirement may lead to more stability in City executive leadership.

The more common practice is for public agencies to only require a majority vote for employment decisions relating to at-will Council appointed positions. Requiring a majority vote to remove the City Manager or City Attorney would be consistent with voting requirements such as the requirement that all resolutions, orders for payment, and ordinances be supported by a majority vote of the total membership of the Council under Government Code section 36936. The Council has full discretion on this key policy issue and may decide not to implement the Grand Jury’s recommendation. If Council supports implementing the Grand Jury’s recommendation, staff will prepare an ordinance for further Council action.

**STRATEGIC PLAN**

This agenda item supports the City’s Governance Strategy and Business Plan, and specifically implements the following goals and objectives:

**Governance Strategy**

**Goal 1:** Further develop an organization to attract, motivate, develop and retain a high quality, engaged, high-performing and informed workforce.

**FISCAL IMPACT**

This agenda item will not require any expenditure of funds.

**RECOMMENDATION**

Discuss amending the Tracy Municipal Code Section 2.08.080 to require a supermajority vote of four (4) members of the City Council to remove the City Manager or City Attorney and provide direction to staff.
AGENDA ITEM 3.J

REQUEST

CONSIDER AN ORDINANCE AMENDING THE COMPENSATION FOR THE COUNCIL AND MAYOR IN ACCORDANCE WITH STATE LAW

EXECUTIVE SUMMARY

Government Code section 36516 provides that the salaries of city council members of a general law city may be enacted by ordinance and establishes restrictions on the monthly salaries of council members based on the population of a city. The City of Tracy is a general law city. The salaries for the Tracy City Council and Mayor were last reviewed in 2006.

This item requests that Council review the salaries of its members and consider adopting an ordinance to amend these salaries in accordance with state law. A salary adjustment for Council members shall take effect after the next municipal election on November 3, 2020.

DISCUSSION

Government Code section 36516 provides that the salaries of city council members in a general law city may be enacted by ordinance. Section 36516 also establishes maximum monthly salary amounts for council members depending on population ($600 per month for cities with a population between 75,001 and 150,000) and restricts annual increases to salaries to five percent (5%) per calendar year for each calendar year (simple, non-compounded basis) from when the last salary adjustment was enacted. Section 36516.5 further provides that council salary increases shall not take effect until one of the council members commences a new term (i.e. the next municipal election). Section 36516.1 authorizes additional compensation for a directly elected mayor in recognition of their mayoral duties. The Attorney General's Office has opined that adjustments to the additional compensation received by a mayor can take effect immediately. (See 89 Ops. Cal. Atty. Gen. 159). State law does not allow automatic future increases in salary (Section 36516(a)(4)). Section 6.1.2 of the Council’s recently adopted Code of Conduct states that the salaries of the Mayor and Council shall be reviewed every two years.

Currently the monthly salaries of Tracy Council members are $585. The Mayor receives an additional $100 per month. These salary amounts were established pursuant to Ordinance 1094 adopted on April 18, 2006.

Pursuant to state law, the monthly salaries of Council members may be increased up to $351, which is a sixty percent (60%) increase over the current amount of $585. This would result in a monthly salary of $936.

</tr>
</tbody>
</table>

The Council may elect to increase its salaries to the maximum amount of $936 (an increase of $351). If approved, the Mayor’s total salary would be $1,036. Staff has prepared a draft ordinance (Attachment A) that would codify the salaries of Council Members and the Mayor in the Tracy Municipal Code. The draft includes language setting Council salaries to the maximum amount allowed by state law ($936) and maintains the additional compensation for the Mayor at $100. This amount may be amended by Council at the meeting.

**FISCAL IMPACT**

Depending on Council’s direction for an increase in salary, staff will make appropriate adjustment to the FY 2020/21 base budget as the salary increase would go into effect upon the commencement of newly elected City Council members’ terms in December 2020.

**STRATEGIC PLAN**

This agenda item is a routine operational item that does not relate to the Council’s Strategic Plans.

**RECOMMENDATION**

Staff recommends Council consider the following options:

1. No increase in Council and Mayor monthly salaries; or
2. Increase Council Member monthly salaries by an amount between $0 and $351.
   a. If so, introduce and waive the first reading of an ordinance amending Chapter 2.04 (City Council Organization and Procedure) of Title 2 (Administration) of the Tracy Municipal Code to add Section 2.04.060 “Council Member and Elected Mayor Compensation.”

AN ORDINANCE OF THE CITY OF TRACY AMENDING CHAPTER 2.04 (CITY COUNCIL ORGANIZATION AND PROCEDURE) OF TITLE 2 (ADMINISTRATION) OF THE TRACY MUNICIPAL CODE TO ADD SECTION 2.04.060 “COUNCIL MEMBER AND ELECTED MAYOR COMPENSATION”

WHEREAS, On April 4, 2006, pursuant to Government Code section 36516, the City Council of the City of Tracy adopted Ordinance No. 1094 setting the salary of Tracy City Council members at Five Hundred Eighty Five Dollars (585.00) per month; and

WHEREAS, Pursuant to Government Code section 36516.1 which permits an elected Mayor to receive additional compensation, the salary for the Mayor was set as an additional One Hundred Dollars ($100) per month; and

WHEREAS, Pursuant to Government Code section 36516(a)(4) the City Council may set salaries for Council members up to Six Hundred Dollars ($600.00) per month based on a population between 75,001 and 150,000; and

WHEREAS, The California Department of Finance determined the total population of the City of Tracy is 92,800 as of May 2019; and

WHEREAS, Pursuant to Government Code section 36516(c) any adjustment to Council member salaries may not exceed an amount equal to five percent (5%) for each calendar year from the operative date of the last adjustment; and

WHEREAS, The last adjustment to the salaries of Tracy City Council members was operative on January 1, 2007, thus the maximum salary increase allowed under state law is a 60% percent increase of the current $585 per month salaries for Council Members.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF TRACY DOES ORDAIN AS FOLLOWS:

“Section 2.04.060 Council Member and Elected Mayor Compensation:

SECTION 3. This Ordinance shall either (1) be published once in a newspaper of general circulation, within 15 days after its final adoption, or (2) be published in summary form and posted in the City Clerk’s office at least five days before the ordinance is adopted and within 15 days after adoption, with the names of the Council Members voting for and against the ordinance. REQUEST

ADOPT A RESOLUTION ESTABLISHING A 2020 CALENDAR OF REGULAR CITY COUNCIL MEETINGS AND WORKSHOPS

EXECUTIVE SUMMARY

Staff recommends that City Council consider adopting a resolution establishing the 2020 calendar of regular City Council meetings and workshops. It is a best practice to adopt an annual meeting calendar for agenda management and planning purposes.

DISCUSSION

In accordance with Tracy Municipal Code 2.04.020, regular meetings of the Council shall be held at 7:00 p.m. on the first and third Tuesday of each month in the Council Chambers. Special meetings and workshops may be called by the City Manager, Mayor or by a majority of Council Members as needed. The City Council may also schedule special meetings and workshops as it deems necessary with dates adopted as part of an annual calendar, or announced in accordance with all legal requirements. Adopting a meeting calendar allows for proper agenda planning and can provide for recess periods, holidays, or election days.

The attached resolution includes a 2020 calendar of regular City Council meetings. The calendar also includes an extra special meeting/workshop on the fourth Tuesday of each month at 7:00 pm. This alternative was included for Council consideration given the impact of scheduling special meetings and/or workshops immediately prior to regularly scheduled Council meetings. Often times, our commuting population cannot attend meetings that are scheduled prior to 7:00 pm.

In addition, the extra meeting can be used to take action on items that have been continued or carried over from a previous Council meeting or require further policy discussion because of their complex nature (e.g. study session/workshop). If the additional meeting is not necessary, the meeting can be cancelled.

Historically, Council has cancelled certain meetings given conflicts with state and local events of importance like elections and National Night Out, an annual event that occurs on the first Tuesday in August, and during holiday periods to eliminate the need to prepare and publish an agenda. Council typically takes action on such cancellations a meeting or two before the date of the scheduled meeting. The proposed calendar includes cancelling the following three regular meetings:

January 7, 2020 – Holiday period (there are currently no urgent agenda items scheduled)
March 3, 2020 – Primary Election Day
August 4, 2020 – National Night Out

If Council prefers not to cancel these meetings at this time, the proposed calendar can be amended to reflect that desire.
STRATEGIC PLAN

This agenda item is a routine operational item and does not relate to the Council’s four strategic priorities.

FISCAL IMPACT

Any additional special City Council meeting would require broadcast and recording services and miscellaneous technical support which will have a small impact on the General Fund.

RECOMMENDATION

It is recommended that Council consider adopting a resolution establishing a 2020 calendar of regular City Council meetings and workshops.
